BURLINGTON, KENTUCKY THURSDAY, JANUARY 4th, 1951

NUMBER 24

Chandler Home Destroyed By Fire Tuesday

Cold Weather and Delay In Getting to Fire Hamper Firemen's Efforts.

The two story frame house belonging to Ben Chandler, of near Waterloo, was almost completely destroyed by fire and water last Tuesday at noon before efforts of the Burlington Volunteer Fire Department could bring the flames under control.

Two firemen were injured and many others suffered exposure as water-drenched clothing froze in efforts to extinguish the fire. W. L. McBee and Harold Congleton were slightly injured, but both required medical attention.

The fire originated in a closet under a staircase and when discovered by Mrs. Chandler, had already gained considerable headway. She drove about a mile to Brown's Grocery, Waterloo, to report the fire and then returned to the house to remove some furniture from the first floor.

The Fire Department was delayed considerably by a farm truck on the East Bend Road who failed to yield the right-of-way to emergency vehicles. Assistant Chief A. E. Kirkpatrick expressed belief that the truck driver did not hold the road intentionally, however it is a severe offence to fail to yield right-of-way under any circumstances when emergency vehicles are involved.

The estimated loss was set at \$4,000.00. This included the house and its furniture. The house was insured by the Farmer's Mutual Fire Insurance Co. for \$1600.00 and the furniture was insured by a Covington concern. Most of the furniture on the first floor was removed, however most of it was damaged by smoke and water.

Wallace (Watt) Walton

Wallace "Watt" Walton, age 71, died suddenly of a heart attack after getting off of a Green Line bus in Covington, Saturday, December 30th.

He was rushed to Booth Hospital by the Covington Life Squad but was pronounced dead upon arrival. He was a native of Boone County but had recently resided at 454 Palace Ave., Elsmere.

He is survived by his mother Mrs. Lenora Jane Walton, of Elsmere, two sisters, Mrs. Clara Ellis, Everett, Washington; Mrs. Lillie Ellis, of Covington; three nieces and a number of other relatives.

Funeral services were held at Stith Funeral Home, Florence, Tuesday afternoon, January 2nd, at two P. M. with Rev. Sam Reid, officiating. Interment in Burlington Cemetery. Ralph Stith, Florence funeral director was in charge of arrangements.

Mr. and Mrs. Raymond Combs and son are enjoying a two week vacation with Mr. and Mrs. Walter Graves and daughter of Vero Beach, Florida.

Farmers Urged To Report ACP Practices For 1950

Reports Must Be Completed Before Payment Is Made.

The Boone County PMA Committee has announced that with the ending of the year 1950, it is now time for Boone County farmers to report their ACP practices carried out during the year. This report must be made and an application for payment signed before any cash payment or conservation material credit can be received for these practices.

Among the practices for which payment will be made are lime-stone, phosphate, cover crops, green manure crops, pasture seeding, and pasture mowing. In reporting these practices, it will be necessary that written evidence such as receipts or seed tags be submitted to support claims for practices using seeds, limestone, or phosphate, other than that obtained through the PMA office.

Sign-up meetings are being arranged at various places throughout the county and farmers of the county will be notified by letter of the time and places of these meetings.

Farm reports may be completed at the county office at any time. The office is open Monday through Friday from 8:00 to 4:30.

Income Tax Deputy Will Visit County January 11-12-29-30

Collector of Internal Revenue, S. R. Glenn, announces that a deputy from his office will visit Walton January 11 and 29 and Burlington January 12 and 30, 1951 for the purpose of assisting farmers in preparing their January 31st declaration or final income tax returns, also taxpayers whose income under the law is not classified as income from farming and was not subject to withholding, and taxpayers who would be required to file amended declaration returns or would be privileged to file final returns by January 16.

The service is absolutely free. Collector Glenn urges the taxpayers of this county to see the deputy and let him help them with their income problems.

German Professor Expresses Thanks

To University of Ky. For Their Efforts During Recent Crisis.

You may recall that a little over two years ago, in the dark hour when there was cold and hunger throughout Germany, the University of Kentucky "adopted" Heidelberg University. From the Bluegrass to Baden went many bulky packages, and the students and teachers of Heidelberg were grateful. Now that things are better in Germany, you may be interested in a letter just received by the President of the University of Kentucky from a Heidelberg University professor who hasn't forgotten.

"In November 1948 I got through the University a gift box with a lot of clothing, which were given by people of the University of Kentucky. I was very happy with all these things and I addressed a letter to you, expressing my thanks to all those who had attributed it to the gift.

"In those days—I, e. in 1948—we were still hungry or had hungered still a little time before getting your boxes, and we had nothing to accomplish our clothes, etc. Perhaps you will understand that especially under these conditions it was very difficult for us, at least for me, to express my thankful feelings so, as we should like to do it. Psychologically it was so difficult, because we were beggars—real beggars—and we did not mean feeling, that our thanks would give the impression of a thank which wants more gifts. Therefore I may thank then was perhaps a bit thin.

"Now things have changed: I am no more a skeleton with some degenerated muscles around the bones, but again well fed, and I'm wearing again proper clothes and do not feel like a beggar. The disagreeable psychological situation is gone now; and so I should like to express my thanks once more—and not only with some type written lines—to those who have helped me and my friends in such a friendly and generous manner."

Study Course Planned At Bullittsburg Church

There will be a study course taught at the Bullittsburg Baptist Church the week of January 8 thru 12th at 7:00 P. M. each evening, according to Rev. Patton, pastor of Bullittsburg.

The course will be taught by Rev. Patton and wife and songs, fun and fellowship have been planned for all age groups.

The officers of the Bullittsburg church are expected to have dinner at the pastor's home, Thursday, January 4th for their annual planning meeting. We expect 1951 to be our greatest year in our 157 year history.

First Baby In '51 Receives Awards Of Covington Merchants

The first baby in 1951 to arrive at a Covington hospital was a baby born to Mr. and Mrs. Richard Smith of 1113 Park Ave., Newport, time 2:49.

Being the first in '51 meant gifts for the baby and mother. Neal J. Halpin of Halpin's Infant Shop presented a Siebert deluxe baby carriage, 914 Madison, Covington; Emmerson Boy of Filgers, 910 Madison Ave., Covington gave the mother a five pound box of candy and Howard Pile of Star Studio gave a certificate for three 8x10 baby pictures.

In addition all other New Year Day babies born at either St. Elizabeth or Booth Hospitals will receive a gift from Halpin's and the mother will be treated to a one lb. box of candy by Boyd.

Happy New Year

We join you in a chorus of praise for the New Year

And send our wishes for your prosperity.

Yuletide Spirit Shared By Forty At Legion Party

Gifts-Toys and Clothing For All Children Present.

On December 23rd Boone Post No. 4 American Legion experienced one of the happiest days of its long career. Approximately forty underprivileged children from the county were in the Club Room for their Christmas. These children were from families who could not have a Christmas at home. Each child received several toys (dolls, wind-up animals, games, etc.) a big sack of candy, oranges, and some clothes.

Santa Claus was there to hand out each toy and talk with the children. They also saw a Christmas program and a Western movie on television and had drinks and food. Just before leaving Rev. Reid led everyone in singing Silent Night and saying the Lords Prayer.

Some of the children had so few clothes that members took them to stores and bought them clothes and shoes. In one case all of the children in a family could not come because there were not enough shoes and clothes to go around. Most people do not know the conditions that exist in our own county.

The Legion also distributed baskets of food to many needy families. Investigation, preparation, and transportation all took time and hard work but when the big grins came on the children's faces everyone knew that their time was well spent.

Birthday Party

Little Tommy Patterson celebrated his first birthday on New Year's Day. The guests who were present to enjoy a piece of the beautifully decorated birthday cake which was given to him by Mrs. Nora Weaver and Miss Myrtle Beemon were: Mr. and Mrs. Claude Patterson, Mr. and Mrs. Robert Patterson, Jackie Patterson, Miss Myrtle Beemon, Mrs. William Jarrell, Sylvia Jarrell, and Ray and Margie Patterson.

Mr. N. W. Laibley and son of Union were callers here in Burlington on Wednesday morning, December 30th.

NOTICE

As several complaints have been made by citizens of the county that some operators of automobiles and trucks are failing to yield the right-of-way when fire equipment is on the way to a fire, wish to advise that Kentucky law is as follows: "Police and fire patrol, ambulances, and fire apparatus in all cases, while being operated as such, shall have the right-of-way with due regard to the safety of the public." The law further provides that no person shall refuse the right-of-way to any fire apparatus or any of its officers, members or employees in the performance of their duties. " * * * and any person who violates this act shall be guilty of a misdemeanor."

The cooperation of the citizens of Boone County with our Fire Departments in this matter may save homes and other property in the case of fire.

Judge, Boone County

Field Representative Will Speak At Red Cross Meet

Miss Margaret Canfield, a registered nurse serving as Field Representative of the National Red Cross, will be the featured speaker at a program sponsored by the Nursing Activities Committee of the Boone County Red Cross at the Florence Community Center Friday night, January 12. The program will also include movies on disaster and home nursing according to Mrs. Sara Sayre, committee chairman.

County organizations, clubs, schools and individuals have been urged to take part in this great opportunity for learning practical nursing in order that our civilian defense program may be more efficient in cases of national emergency or disaster.

There is a critical shortage of registered nurses, and the shortage may become more acute in the future, thus the National Red Cross and its local affiliate is interested in replacing registered nurses with practical nurses.

Special Meeting Called For Directors Of Insurance Company

A special meeting of the Board of Directors of the Farmers Mutual Fire Insurance Company of Boone County was held at the Insurance office at Burlington, Monday, Jan. 1st for the purpose of amending the By-Laws of the Company to conform with present day needs.

All members of the Board were present and several matters of importance were discussed. Future policy of the Company was the main issue and suggestions were taken under consideration to keep the Company up to date and ready to meet present day needs.

Garden Club Program Committee To Meet January 9th

Mrs. Sam Denham, Sr. new president and Mrs. Harold Conner, program chairman of the Boone County Garden Club will hold a meeting Tuesday, January 9th at the home of Mrs. Conner, Florence.

Every member of the program committee is urged to be present in order to complete the program for the coming year.

The next regular meeting of the club will be in February.

Burley Market Remains Steady Is Word

For Last Sales Prior To Christmas—Many Grades Higher.

Demand for Burley tobacco offered during the week before Christmas sales continued strong. The Federal-State Market News Service reports average prices for most grades steady to higher. Volume of offerings was not as heavy as during the previous week. This was chiefly because regular auctions were held four instead of five days. Gross sales for the period ending December 21 totaled 67,416,586 pounds for \$49.06 per hundred. This figure includes several 4-H and FFA sales held on Saturday, December 16th. The general average was \$1.76 higher than for the prior week. Revised season sales amounted to 298,507,238 pounds for \$48.20 per hundred.

Gains in average prices for grades were mostly \$1.00 to \$2.00. These were reflected chiefly in the leaf and lug groups. Flights and nondescript were about steady.

There was no noticeable change in the general quality of the tobacco. Most baskets contained low and fair grades and nondescript with a fair portion of good leaf.

A highlight of the season occurred on Monday when the best average \$49.67 per hundred. This was the highest general average reported since opening day in 1948. There were, however, several higher daily averages during sales for the 1947 crop.

The U. S. Crop Reporting Board, as of December 1, indicated 1950 production of Burley at 499,286,098 pounds. This was nearly 3-1/4 million more than previously reported and the final estimate. Based on gross sales figures to date, the crop is believed to be close to 55 percent sold.

Weekly deliveries to the Association, under the Government loan program, were about 7 percent of baskets offered. Through December 15 season receipts were close to 12 percent of sales.

The markets closed for the holidays on December 21. Sales were resumed on Wednesday, January 3, 1951.

Glen Rose Williams Wins Turkey In Local Drawing

Miss Glen Rose Williams held the winning ticket at the last and final drawing at the Burlington Hardware Store Saturday, December 23rd and was awarded a dressed turkey as first prize. Winning number 618375.

Mrs. Raymond Acra, Rabbit Hash, won second prize, a table model radio, winning number 396595.

Franklin Huey, Burlington, won third prize, an electric pop-up toaster. Winning number 396878.

Wilford Fleck, Burlington, won fourth prize, an electric perculator, No. 867825.

Well over 150 persons were present for the drawing and all received small souvenirs for their attendance. The management reports that the drawings were very successful and much interest was expressed by all.

Two Counties Urged To Organize Civil Defense Immediately

Citizens Urged To Band Together In All Phases Of Defense.

An urgent appeal was made to Boone and Kenton County residents last week by Russell Oelsner, Mayor of Lookout Heights and coordinator of the defense corps, to band together in the organization of a Civil Defense Corps for the two counties.

Oelsner stated that efforts had been made without success to organize the two counties for the protection of all in the event of emergency.

Officers of the CDC will ask clergymen of all denominations in this section to tell their parishioners of the necessity for such an organization.

The Kenton-Boone CDC already has conducted three meetings which were poorly attended. It was said that word from the pulpit in all churches in Boone and Kenton counties on a Sunday to be set aside for such a plea would result in educating the parishioners of the "realism" of CDC plans and thus provide for a greater attendance at CDC meetings for instruction in fighting fires and coping with any other emergencies that may arise.

Two Great Nights

Rev. D. B. Eastep, pastor of the Calvary Baptist Church will speak at the Burlington Baptist Church, January 8-9, hour 7:30. He will use a large chart along with messages concerning the second coming of Christ. We believe that Bro. Eastep is one of the very best preachers that we know of in bringing a message of this kind. We know that Jesus is coming again and we should desire to know all we can about His return. We believe this, that His return is not far away unless there is a great revival concerning the truth of God's word within the hearts of God's people.

He will also have a group of men that will sing along with the choir of Burlington Church. We want this to be a great time for the glory of God and it can only be that if all will come and help in any way that you can.

This is a very special invitation to all churches and people to attend these services. We feel sure you will be blessed by your coming.

Mrs. Maria Pennington

Mrs. Maria Pennington, age 66, died Saturday, December 23rd at Booth Hospital after a lingering illness. She had been making her home with her daughter, Mrs. Janie Mastronardo, Lloyd Ave., Florence, Ky. She was a member of the London Kentucky Christian church and a native of Laurel County, Ky. She is survived by her husband, Taylor Pennington, of London, Ky., four daughters, three brothers, two sisters and five great grandchildren. Brief services were held Sunday afternoon, December 24th at Stith Funeral Home in Florence with Rev. H. L. Reid officiating. Additional services were conducted Tuesday afternoon, January 2nd, with burial in London Cemetery.

Ralph Stith, Florence Funeral Director was in charge of arrangements.

BURLINGTON P.-T. A. TO MEET MONDAY, JANUARY 8TH

The Burlington P.-T. A. will meet at 2:30 at the School House on Monday afternoon, January 8th. The room prize will be given again this month to the class with the largest percentage of parents and teachers present.

Everyone enjoyed the Christmas meeting last month.

Blind Tourney Now In Progress At Burlington

Four County Teams Will Battle For Circulating Trophy.

Boone County basketball teams will see a lot of action beginning with the annual "Boone County School News" blind tourney which started Wednesday night of this week. The defending champions-Burlington's Eagles, the Florence Knights, Hebron Cardinals and New Haven Tigers will take part in the two-night meet. Following the tournament Florence will keep busy for the third straight night when they take on Wellington at the latter's floor on Friday night. Walton-Verona, of th Boone Conference, will entertain S. Henry Friday night.

On Saturday night, Jan. 6, Burlington will be host to th: Hply Cross Indians, currently on of the hottest teams in the Northern Kentucky Catholic Loop.

Eagles After Trophy In the "Boone School News" tourney the Burlington Eagles will be gunning especially hard for their third consecutive tournament win, since a three-time winner gains permanent possession of the circulating trophy. Again we say our deepest thanks. Itpd Mr. and Mrs. Ben Chandler and Bonnie

GRASS AND STEERS PROVE PROFITABLE

W. P. Oldham of Caldwell county has proved that grass farming is profitable. Last fall he bought 97 steers which he sold in July for \$11,200 above the cost price. The increase was made on pasture, grass silage, hay and about \$1,000 worth of grain, said R. A. Mabry, farm agent. The average income was \$73 an acre on 140 acres used to produce pasture, silage and hay. In addition to the above, a 30-acre field was harvested for seed, yielding 2,000 pounds of Ladino clover worth, \$3,000 and 3,000 pounds of fescue worth \$1,500. After selling his cattle, he cut hay and silage from this field for use next year. He now has 120 steers bought in October.

Mr. and Mrs. Oldham are taking part in the county's Farm and Home Development Program.

Porter-Ferguson

The wedding of Miss Mildred Arline Porter, only daughter of Mr. and Mrs. Robert K. Porter of Verona, to Mr. Norman Thomas Ferguson only son of Mr. and Mrs. Dewey Ferguson of Walton was solemnized December 28th at the New Bethel Baptist Church in Verona with the Reverend Raymond Stewart officiating.

Miss Jessie Lunsford the bride's only attendant was lovely in yellow taffeta with matching mitts and cap. She carried yellow chrysanthemums tied in yellow streamers.

Mr. Marion Arch Waller, cousin of the bride, was Mr. Ferguson's best man. The ushers were Mr. Robert E. Porter, brother of the bride, and Mr. Benny Elliott.

The church was beautifully decorated with fern and the traditional yuletide evergreens. Huge baskets of white gladioli and mums adorned the altar with the seven candle candelabra holding white candles.

After the guests assembled a musical prelude was offered by Mrs. Blanche Ransom at the piano while Mr. Joseph C. Rouse was the soloist, singing "Because" and "I Love You Truly." As the benediction when the couple had repeated their final vows, he offered "The Lord's Prayer."

The bride, given in marriage by her father was lovely in her gown of white satin fashioned with basque waist and sweetheart neckline. Her veil was finger tip length and she carried a bouquet of graduated white mums with white streamers.

Assisting at the reception which was held in the church's recreation rooms were the ladies of the church ably assisted by Mrs. Malcolm McDonnell of Park Hills.

Mrs. Porter chose for her daughter's wedding peacock blue crepe and wore pink carnations while Mrs. Ferguson wore navy blue and a red carnation corsage.

The bride is a graduate of the Walton-Verona High School and the Miller Business School, is employed in Cincinnati and plans to continue her work for the time being.

The bride-groom is in the service of his Uncle Sam and is at present stationed at Fort Benning, Georgia. He, too is a graduate of the Walton-Verona High School and before his induction was employed by the Bell Telephone Company out of the Williamstown office.

Out of town guests present for this lovely wedding were: Mr. and Mrs. Chas. Shock, Ludlow, Ky., Mr. and Mrs. Malcolm McDonnell, Mr. and Mrs. Jack Morgan, Park Hills; Mrs. Ben Sturdivant, South Hills; Mr. and Mrs. C. C. Schilling, Union; Mr. and Mrs. Alfred Kemper, Warsaw; Mr. and Mrs. Wilbur Harris, Memphis, Tenn.; Mr. and Mrs. Marvin Waller; Mr. and Mrs. Earl Jones, Crittenden; Mr. and Mrs. Wayne Richardson; Mr. and Mrs. Cecil Mink; Mr. Robert Baird; Mr. Adam Steffen, Williamstown, Ky.

NO HEARING AID need sell for more than \$75

I BELIEVE NO HEARING AID NEED SELL FOR MORE THAN \$75.00. HERE IS WHY:

EVEN WITH PRESENT HIGH COSTS OF LABOR AND MATERIALS, IF ZENITH WISHED TO SELL A HEARING AID AT \$200 (WHICH WE DON'T) WE WOULD NOT, EVEN WITH OUR ENORMOUS FACILITIES AND THE MILLIONS OF DOLLARS WE SPEND IN OUR RADIO LABORATORIES ON RESEARCH, KNOW HOW TO BUILD IT BETTER THAN OUR SENSATIONAL NEW MINIATURE \$75.00 INSTRUMENT, NOR DO WE KNOW WHERE TO OBTAIN OR HOW TO USE MORE EFFICIENT MATERIALS.

THE BETTER HEARING AID HAS BEEN BUILT—AND ZENITH HAS BUILT IT.

HEBRON HOMEMAKERS CLUB

Plans were made for a family Christmas Party to be held at the Hebron School on December 30th by the Hebron Homemakers Club when they met for their annual Christmas Party at the home of Mrs. A. Rogers. The meeting was called to order by Mrs. Lyle Smith, President, who led the group in the Lord's Prayer. The Kentucky Homemakers Creed was read and the salute to the flag given. Mrs. Ed. Peel read a poem, a parody on "The Night Before Christmas."

Mrs. Lyle Smith had on display many Christmas decorations that could be used throughout the house

and told how to make some of these attractive decorations from articles usually discarded.

After a delicious chicken dinner the group assembled for the singing of Christmas carols, games and the exchange of gifts.

The roll call was Christmas carols and their origin and was answered by Miss Nancy McClasky, H. D. A. Mesdames H. Schneider, C. Birch, L. Goodridge, K. Hart, C. Dunn, J. Whitefoot, M. Passes EVERY TEST!

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

George W. Tharp Reported Missing In Korean Action

Had Served Six Years
With U. S. Forces In
World War II.

George W. Tharp, age 30, brother of Elizabeth Rich of Big Bone, was reported missing since November 30th in Korean action, according to Wendell Easton, Sheriff of Boone County, who was notified by the War Department.

The missing man served six years with the U. S. Army in World II, and enlisted at the outbreak of the Korean situation, Mr. Easton said. Besides his sister of Big Bone, he has three other sisters, Joyce Montgomery, Boston, Ky., Susie Turpin, Weiden, Ill., F. I. and Hazel Tharp, Washington, D. C., and three brothers, Garland Hill Tharp, of Nevada, Jas. G. Tharp, Brownford, Florida, and John Tharp, Long Beach, California.

The telegram received from Washington follows: "To Mrs. Elizabeth J. Rich Report Delivery Star Route, Weiden, Ky."

"The Secretary of the Army has asked me to express his deep regret that your brother Corporal Tharp, Geo. W., has been missing in action in Korea since November 30, 1950. Upon receipt of further information in this office you will be advised immediately. Confirming letter follows. I regret that notification was so long delayed."

The above telegram was signed by Edward F. Whitel, Maj. Gen. U. S. A., Adj. General of Army.

Mrs. Rena C. Gaines

Funeral services for Mrs. Rena C. Gaines, prominent social and club worker in northern Kentucky were held at 2 p. m. Friday in the Highland Chapel, Ft. Mitchell, with burial in Highland Cemetery, Ft. Mitchell.

Mrs. Gaines died Wednesday at her country home, "Old Acres," located on the Burlington-Idelwild Road, Burlington.

She was a member of the Cincinnati Town Club and the Woman's Art Club of Cincinnati. Mrs. Gaines is survived by her husband, Bernard C. Gaines, and a daughter, Mrs. John Warner, Jr., of Milwaukee, Wis.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Tobacco Show Will Be Televised From Warehouse At Carrollton, Saturday

A complete tobacco show will be televised from the Kentuckiana Tobacco Warehouse, Carrollton Saturday, January 13th, over WKRC-TV. It was announced this week by Dave Gaines, who is connected with the concern.

The half hour show will feature selling and redrying tobacco. The show will be televised at 12:00 noon.

Burlington Youth Enlists In U. S. Air Force

Max Edwin Ryle, son of Mr. and Mrs. K. W. Ryle, of Burlington left Friday of last week for San Antonio, Texas for the U. S. Air Force headquarters, in which he enlisted recently.

He is a graduate of Burlington High School, graduating in the class of 1950.

Boone County Draft Board Established; C. G. Kelly Is Clerk

Office Open Monday
Through Friday From
8:30 To 5:00.

Boone County Draft Board No. 108 has been established with offices at Burlington, according to C. G. Kelly, Clerk. Members of the board have not been officially announced at this writing, but will be published upon official release from the draft office.

C. G. Kelly has been officially selected as clerk, and will be in his office in the courthouse Monday through Friday of each week from 8:30 a. m. to 5:00 p. m.

Mr. Kelly served as Clerk of Draft Board No. 9 during World War II, which position he filled very efficiently.

Draft records are being checked and placed in order by the new clerk, and the board will be ready for active duty upon appointment officially of draft board members.

Mexican Will Address Farm Bureau Members

Boone County Farm Bureau has scheduled Senor Roberto de la Rosa, a "good will ambassador" from Mexico to address the people of Boone County at the annual meeting to be held at the Court House on Monday, January 22 at 8:00 p. m.

The Farm Bureau has been fortunate in securing such a high class speaker for its annual meeting as he is an excellent speaker and a good entertainer, illustrating his program with music, songs and Latin wit.

He will also speak at New Haven and Hebron Schools previous to the evening Farm Bureau meeting. The public is cordially invited to hear Senor de la Rosa.

American Legion Make Christmas Happier For Thirty-One Children

A merrier Christmas was shown to 31 children of Boone County thru the efforts of the American Legion at the Legion home in Florence Saturday afternoon. Gifts, candy and clothes were given to the children. Rev. Reid assisted with Christmas carols and prayer.

The Auxiliary furnished baskets of groceries for the Legion to deliver as they picked up the children for the party.

The Legion and Auxiliary wish to thank everyone who helped in any way to make this party one of the most pleasant events of the holiday season.

Local Fives Trounce Out-of-County Foes During Past Week

Walton and Burlington
Defeat St. Henry and
Holy Cross Fives.

Highlights of regular scheduled basketball games by Boone Conference fives last week were Burlington and Walton wins over one-two teams of the Northern Kentucky Catholic League. Walton's Bearcats thumped St. Henry by a 59-47 count last Friday night at the winner's floor. St. Henry had previously beaten Walton by more than twenty points earlier in the season.

For the Cats, Glacken was the big offensive noise with 20 points. Smith and Rice divided 24 more points in the win. Cahill was high scorer for the evening with 21 tallies. The winners were forced to come from behind for the win as they trailed 13-10 and 28-25 at the first two periods and the score was 40-40 at the third period stop.

Burlington's Eagles went on a rampage against the Holy Cross Indians Saturday night at the local floor as they dropped in enough buckets for a 73 to 50 win. They held leads of 22-7, 39-18, and 61-33 at the first three rest periods. Jim Ryle led the Eagles onslaught with 23 points. McFarland had 14, Gerry Ryle and Gayle Rouse split 20 points. Albert Rouse had 9 and Bobby Peltrey added 7. For the losers Schuler had 17 and Schreck 15. Burlington's reserves lost 31-21.

Knights Lose
Williamstown defeated the Florence Knights by a 56-42 count last Friday night at Williamstown. The running score with the winners ahead at all stops was 19-6, 38-28 and 44-38. Scroggins paced the winners and Lipscomb was high for Florence.

Burlington Eagles Take Top Honors In Blind Tourney

Hebron's Cardinals
Place Second In Four-
Team Meet.

The Burlington High School Eagles walked off with top honors in the annual "Boone County School News" basketball tournament last week at the local gym.

The win, their third in the past three years, gives them permanent possession of the "School News" trophy. Hebron's Cardinals, winners of the opening tourney in 1948, placed second in the four-team meet. Florence won the consolation game from New Haven.

First night activities placed Hebron and Florence in the opening game with New Haven and Burlington tangling in the nightcap. After the first few minutes of play the Eagles pulled away from the Tigers and held leads of 20-10, 35-16 and 54-24 at the first three stops.

In the last quarter with several reserves playing for both teams the final count was run to 70-43. Jim Ryle paced the winner's scoring with 22 points. Gayle Rouse had 18 and Gerry Ryle 10. For New Haven Moore had 10 points.

The Knight-Card match was a fairly close ball game until the final quarter when the Cards rolled in 21 points while holding the Knights to 11 for a 64-45 victory. Scores at the first three periods with Hebron holding the edge at the half and three-quarters were 11-11, 24-20 and 43-34. Junior Garnett with 20 points paced the winners. Hogan added 13 and Bowman 10. For Florence, Fields had 14 and Dinn 13.

Hebron Leads At Half
Chuck Ransler's Hebron Cards began the "big game" as though they really meant business. They poured through 17 points in the opening quarter while holding the Eagles to 9. The Eagles rebounded the second quarter to score 17 points while the Cards were making 11, but it left the winners on a short end of a 28-26 halftime score.

Burlington's big edge came in the third period when they racked up 21 points while limiting the Cards to nine. In the final heat Hebron scored 12 and Burlington added 11 for a final count of 58-49.

Burlington's scoring was well distributed with J. Ryle getting 15, A. Rouse 13, G. Rouse 12, McFarland 10 and G. Ryle 8. For Hebron Hogan had 12, Garnett and Anderson 9 each, Bowman 8, Crigler 7, 9 each, Bowman 8, Crigler 7, Goodridge 2, and Tanner 2.

In the consolation contest between Florence and New Haven Florence took a commanding lead of 24-12 in the first quarter and held a 41-28 halftime lead. The Tigers pulled up within six points to a 48-42 third period score, but were unable to get any closer as the final count ran to 58-51 in favor of the Knights. Hudson and Dinn paced the winners as they divided 32 points. Bethel added 13 and Fields had 9. For the Tigers Rhodes had 13 points, Moore 9 and Flynn 8.

The Hebron P-T-A. will meet at the school Thursday, January 11th at 8:00 p. m. A complete program has been planned for this meeting. Parents, teachers and friends are invited.

Squair-Cress

Magnolia foliage and southern smilax and all-white blossoms formed a tropical decorative background for the marriage of Miss Suzanne Covington Squair, daughter of Mr. and Mrs. Robert Hugh Squair of Graves Avenue, Erlanger and Mr. Herbert Cress, son of Mr. and Mrs. Calvin Cress, of Burlington, which was solemnized at half after four o'clock Saturday at the home of the bride's parents.

The Rev. Albert D. Conley pastor of the Madison Avenue Presbyterian Church, performed the nuptial service in the presence of the immediate family.

Miss Alice Claire Carran of Ft. Mitchell was the bride's only attendant. Mr. Robert Hugh Squair, the bride's brother, was the groom's best man.

The bride, who was given in marriage by her father, was attractive in a costume suit of brown wool with beige accessories and a cypripedium orchid.

Miss Carran wore a becoming black velvet and metallic dress with a shouler bouquet of streptocarpus.

White lilies, flown here from Honolulu, topped the four-tiered wedding cake which centered the refreshment table. A small reception for the immediate family and a few intimate friends followed the ceremony.

Mrs. Squair received in a wine-colored crepe frock, with which she wore an antherium corsage. Mrs. Cress selected a blue crepe dress and a corsage of camellias.

The bride, who attended Centre College and the University of Kentucky, and the groom departed for a honeymoon of unknown destination.

Out-of-town guests attending the wedding included Mrs. Stephen D. Noland of Nicholasville and Mr. and Mrs. Hubbard G. Buckner and sons, Taylor and John, of Louisville.

Erlanger and Elsmere
Windows Shattered By
Hollow-Point Bullets

Police of Erlanger and Elsmere made an extensive investigation last week of the shattering of four plate glass windows along Dixie Highway.

It was reported that hollow-point bullets were fired from either small caliber target pistols or rifles. Shots shattered panes and scattered glass for a radius of 30 feet.

It was believed that the gun or guns were fired from an automobile.

Business places hit were Erlanger Hardware, 210 Dixie Highway, and Cooper Appliance Shop, 422 Dixie Highway, both Erlanger, and Danny's Grocery, Dixie Highway and Lytle Avenue, and the Pure Oil Service Station, 835 Dixie Highway, both Elsmere. The service station was hit by the same type shot December 22, police reported.

A joint meeting of the Men's Bible Class and the Friendship class of the Burlington Baptist Church will be held in the cafeteria of the Burlington School on Saturday, January 13th at 7:30 p. m.

Oyster stew, sandwiches and coffee will be served at a nominal charge of 25c per person.

Boone Officials Praised By State Auditor, In Report

County Shows Net
General Gain For Year
Of \$11,918.75.

Boone County officials were highly praised recently by H. N. Jones, Auditor of Public Accounts for the State of Kentucky, following an examination of the fiscal records and affairs of the County ending June 30, 1950.

Commenting on the report of the County Mr. Jones stated that splendid management is evident. Net general fund gain for the current year in Boone County totaled \$11,918.75, the report showed.

In a report to Hon. Lawrence Wetherby, Governor of Kentucky, the following comments were made: "Dear Governor Wetherby:

"We subject herewith report on examination of the fiscal records and affairs of Boone County for the year ending June 30, 1950.

"This examination was made by D. H. Starns, under my supervision. "Respectfully yours,

"H. N. Jones
"Auditor of Public Accounts.

Financial affairs in Boone County are in excellent condition. All obligations are promptly met. Cash and investments now held are sufficient to meet all County indebtedness, with adequate working capital remaining. Splendid management is evident.

"As a result of all operations, the net General Fund gain for the current year was \$11,918.75.

Officials and citizens of Boone County should be proud of this record, and should continue to strive for this type report.

Baptist Churches Will
Hear Temperance
Speakers Sunday

A number of Boone County Baptist Churches will have guest speakers for services Sunday, it was announced Tuesday. Bullittsburg Baptist Church will have Walter C. House, superintendent of the Temperance League of Kentucky as their guest speaker for the Sunday School hour. Mr. House will be at the Sand Run Baptist Church at 11 a. m. Rev. C. B. Love, who is also connected with the Temperance League will speak at the Florence Baptist Church at the Sunday School hour, and at the Burlington Baptist Church at 11:00 a. m. He will speak at the Walton Baptist Church for the evening services.

These two men have a message that all Christians should want to hear as it will concern those things which are helping to destroy our nation more than anything else that can be used among us.

Select one of these churches and hear this message, that you may understand their work and be ready to give them your support in every way possible.

In offering a program of Negro Spirituals they are presenting the type music for which they are best known.

The public is cordially invited to the Bellevue Baptist Church for this service. Although a large attendance is expected arrangements have been made so that everyone attending may be able to hear this fine choir.

On Sunday evening, January 14 at 7:30, the choir of Lincoln Institute will present a service of spirituals at the Bellevue Baptist Church. Lincoln Institute is one of Kentucky's leading Negro schools.

It has always been known for the Christian education it seeks to give Kentucky Negro youth.

This is a choir of mixed voices composed of 38 young men and women. Its reputation as a choir of genuine merit has brought them into many sections of the State. This is their first visit to Bellevue.

In offering a program of Negro Spirituals they are presenting the type music for which they are best known.

The public is cordially invited to the Bellevue Baptist Church for this service. Although a large attendance is expected arrangements have been made so that everyone attending may be able to hear this fine choir.

Elsmere Man Injured
When Struck By Car

Bert Osborn, 63, of Elsmere, suffered possible fractures of the right hip and right ankle and abrasions of the face when he was struck by an automobile about 7 a. m. Thursday of last week after he alighted from a bus on the Dixie Highway at Horsebranch Road in front of the Kentucky Tavern.

Osborne, an employee of the Kenton County Water Commission, was en route to work.

The driver of the car, John Doll, of Erlanger, took the injured man to St. Elizabeth Hospital, Covington for treatment.

Boone County Crops Bring High Averages

Edgar Maurer of Burlington reported Monday that he sold 506 pounds of burley over the Covington Independent Warehouse floor Erlanger for an average of \$66.00 per hundredweight. The 506 pounds was grown on 2-10 of an acre on the land of W. P. Beemon heirs. His crop was separated on three baskets, each bringing \$66.00 per hundredweight.

Roscoe Akin, of Burlington, R. 1 reported the sale of 3388 pounds of burley for an average of \$62.07 at the Brito-Lite Warehouse, Carrollton, Monday. Five of Mr. Akin's baskets sold for \$66.00 per hundredweight.

The crop was grown on his farm north of Burlington on the Idlewild-Burlington road.

Mrs. Lawrence Ball and Mrs. Earl Easton sold 388 pounds of burley over the Marshall Harris Tobacco Warehouse floor, Carrollton Monday for an average of \$64.10. The crop was grown on Mr. Ball's farm.

A crop of 2420 pounds grown on the same farm of Lawrence Ball and Earl Easton sold for an average of \$64.10 the same day at the same warehouse.

RUCKER FARM SOLD.

The Lucille Rucker farm, near Constance was sold Saturday to G. V. Seller, of Covington. The farm consists of 165 acres and all improvements. Mr. Seller will get possession within 30 days, according to C. Liston Hemphing, realtor, who handled the transaction.

Exhibits To Be A
Feature of Farm
And Home Meeting

Homemakers Will See
Small-Scale Kitchens
On Display.

Exhibits again will be features of the annual Farm and Home Convention at the Experiment Station of the University of Kentucky at Lexington Jan. 30-Feb. 2.

There will be plans for building and equipping farm homes, for water systems, installation and use of electricity, milking parlors for dairying, kitchens that save materials for farm homes.

Homemakers will see an exhibit of two small-scale kitchens showing good and poor arrangement of equipment. In one, the housewife takes 936 steps, or about a fifth of a mile, in preparing and serving meals, because of poor management.

In contrast, her neighbor takes only 93 steps in getting the same meal. Her kitchen is conveniently arranged.

The College of Agriculture and Home Economics has a large number of plans for houses, stock and tobacco barns, machine sheds, chicken houses and other farm buildings, and for equipment that makes for more efficient farming.

Included is a tobacco hoist that enables one man to lift tobacco to the top of the curing barn.

Farmers who plan to have new buildings or to remodel old ones are making extensive use of the college's farm and home building service. They are giving more attention to having the right kind of houses for their families and to having the proper buildings and equipment. Exhibits at the Farm and Home Convention will give many ideas along these lines.

Burley Prices Hit Highest Average Since World War I

Average Price Reported
At \$52.12 For Monday
Sales.

The burley tobacco price average on Kentucky markets Monday shot to the highest level since World War I, according to the State Department of Agriculture.

An average price of \$52.12 a hundredweight on sales at 25 markets was reported by the Department. Previous top average this sales season was \$52.06 January 3. The department said the 25 markets auctioned 12,374,944 pounds for \$6,449,345.14.

The average at Carrollton was \$55 on sales of 797,154 pounds for \$438,414.42.

Covington sold 103,106 pounds for a total of \$51,215 or an average of \$49.67. Lexington's big market auctioned 2,527,402 pounds for \$1,381,356.57, an average of \$54.66.

Demand for burley tobacco of graded Monday was the same as that for last Friday, according to the Federal-State Market News Service. Comparative average prices for grades were about steady in most instances. The general quality showed some improvement. Proportions of good lugs and flyings were slightly larger and less non-descript and low grades were offered. Volume of sales continued heavy.

Gross sales for the season in the eight-state burley belt totaled 355,266,393 pounds at an average price of \$48.72 a hundredweight.

Verona Lodge Purchases
Building In Verona

Verona Lodge F. & A. M. has purchased a large 20x36 building in Verona, and have moved into their new quarters.

The lodge which recently met in the school building were forced to move due to the space they occupied being required by the board of education.

The new hall has a basement, main floor and attic space, which will make an ideal hall, according to Robert Ellis, District Deputy Grand Master, who has viewed the structure.

Verona is one of Boone County's fastest growing Masonic orders, and has made much progress during the past year.

Burlington Lodge Will
Confer E. A. Degree

Burlington Lodge No. 264 F. & A. M. will confer the E. A. Degree at its regular stated meeting tonight (Thursday) January 11th, according to Dudley Rouse, Master. Lodge will open at 7:30 p. m. when regular business will be dispensed with, followed by degree work.

All members are urged to attend and visitors from other lodges are cordially invited to attend.

Legion Auxiliary
Asks Donations

Anyone desiring to help some children of Boone County who need clothes and shoes are asked to contact Lucille Souther, Florence 2725 and their donations will be picked up.

Many children up to 15 years of age need shoes, coats and other clothes so they can attend school. It is the desire of the members to help these children so they may become better American citizens.

Worker Injured In
Accident Saturday
At Erlanger Plant

Concrete Mixer Turned
On Accident While Man
Was Cleaning Unit.

Pearl McIntosh, a resident of Sherman, Ky., Grant County suffered compound fractures of both ankles, internal injuries and a severe cut when a huge concrete mixer which he was cleaning was accidentally turned on Saturday.

McIntosh was rushed to St. Elizabeth Hospital by the Tallapoosa ambulance, where his condition was reported as serious.

The incident occurred at his place of employment, the Colonial Coal & Supply Co., Dixie Highway, Erlanger.

His yells attracted other workers who shut down the machine, but not before he had been badly maulled by the mixing blades.

NOTICE TO TRUCK OPERATORS

LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1951.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

EVERY
TEST!

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

It's nice to have a
baby-grand in the living roombut an ELECTRIC RANGE in the
kitchen gives top performance every day

And the smart housewife would rather have applause from the family for well-cooked meals three times a day than for any one of her special accomplishments. She likes the modern automatic electric range because it makes her kitchen look pretty, too—besides its clean, safe, fast, and economical features.

Your appliance dealer will be glad to show you his complete display of Electric Ranges, and help you select the one for your needs. Visit him SOON!

Rev. and Mrs. H. B. Hensley

Former Bellevue Pastor And Wife Celebrate 60th Wedding Anniversary

Rev. and Mrs. H. B. Hensley, 1111 Elmwood Avenue, Ft. Worth Texas, former residents of Bellevue and parents of R. S. Hensley, Florence,

observed their 60th wedding anniversary at their home Sunday.

Their actual anniversary was December 28th, but they postponed the celebration until Sunday so that more friends would be able to attend an open house.

Rev. Mr. Hensley said the only secret of happy married life is "love."

Both were married at the age of 18. They are 78 now.

Rev. M. Hensley met his future wife when he was boarding in her family's home while teaching school near Somerset, Ky. They were married the same year, 1890. Both are natives of Kentucky.

He was ordained a Baptist minister in 1896 and he has been pastor of churches in Kentucky, Indiana, Oklahoma and Texas. He has been pastor of the Lake View Baptist Church at 1349 E. Baltimore since July 1919.

The Hensleys have three children a son, R. S. Hensley, 55, Florence, was the only child not able to attend the anniversary celebration. The other two children are Mrs. W. F. Moore, 52, and Mrs. A. W. Reynolds, 50, both of Fort Worth. There are four grandchildren and three great-grandchildren. Another child, a son, died at 2½ years of age.

One hundred seventy people were served coffee and cookies at the Hensley home. Many long distance calls and telegrams were received, one telegram of congratulations from Mrs. Alline Brady and family of Burlington.

Many cards, gifts and flowers were received by the celebrants from Boone County friends. The rosebud placed in the button hole of Rev. Hensley's lapel by his wife was from a bouquet wired from their son, R. S. Hensley, of Florence.

Registration Of All Citizens Urged In Civil Defense Plan

Details Of Program Will Be Discussed At Meeting Tonight.

Registration of every person in Boone and Kenton counties is planned in the near future, it was reported by the combined Civil Defense Corps of the counties.

Further details will be discussed at a meeting at 8:00 p. m. tonight, in Judge Joseph P. Goodenough's court room at the city building, when Adj. Gen. Roscoe Murray, head of the Kentucky Civil Defense program will speak on "The Necessity of Civil Defense Preparations."

Although the registration during World War II was taken from sugar ration books, the 1951 registration will be made at centrally located schools in the area.

"It is the patriotic duty of every citizen to register, and for his own good, to answer such questions as name, age, address and questions concerning family," officials cited.

Defense measures include air raid siren installations, Red Cross first aid training, listing of nurses and nurses aids, placement of guards at water supplies, emergency use of schools as quarters for wounded and dying in event of a catastrophe, and as refugee feeding centers, and transportation for evacuation of citizens from the metropolitan area.

Russell Oelsner, co-ordinator for the Boone-Kenton area made the following statement:

"I don't wish to be an alarmist, but I feel strongly that if there was a time when co-operation by every citizen was essential, that time is now. There is no time to waste, and every citizen must help. Above all, we must be calm, for panic sometimes causes as many casualties as bombs."

Polio Fund Drive Underway

Public subscription and special events are being planned in the coming 1951 March of Dimes Campaign in Boone County, to raise funds to fight infantile paralysis.

Ben F. Zimmer, Jr., of Florence, director of Boone County, said mail subscriptions may be sent to "Polio" Box 238, Florence, Ky. Donations may be made in the 300 collection boxes, in shape of iron lung, which will be distributed throughout the County. And in addition a drive for donations will be made in all schools.

Efforts are being made to have a professional girls' basketball game for the fund benefit, Mr. Zimmer stated. Contributions also can be made at your local county bank. We urge everyone to get behind this worthy cause.

Child Welfare Service Inaugurated In Boone County

Will Render Service To Children Homeless, Dependent, Neglected.

Child welfare services were inaugurated in Boone County this week with the arrival of the worker assigned to the county by the Division of Child Welfare and the opening of an office in Carrollton. It was announced by County Judge C. L. Cropper.

Judge Cropper also announced that the local office would be under the direction of Miss Genrose Swango one of the approximately 30 additional workers recently added to the Child Welfare Division's staff.

Working with the circuit judge, the county judge, the county attorney, and the public spirited citizens of the county, the worker assigned to the local office will render services to children who are homeless, dependent, neglected, or who are in danger of becoming delinquent.

The local worker will also serve as the contact medium between the Adoption Unit of the Division of Child Welfare and married couples in this county who want to adopt a child.

Opening of the local child welfare office at this time was made possible by an increased appropriation for child welfare services by the 1950 General Assembly and a greatly increased grant of funds to Kentucky for these services by the Federal Government, Judge Cropper said he had been informed by Commissioner Vego Barnes of the Department of Economic Security at Frankfort.

Miss Swango will work also in Grant, Franklin and Carroll.

Henry Messmer

Requiem High Mass was sung at 9 a. m. Friday at St. Patrick Church, Verona, for Henry Messmer, 74-year-old farmer, who died Tuesday at his home in Verona, after several months illness. Prayers were said at 8:45 a. m. at the Hamilton funeral home, with burial in Hillcrest Cemetery, Dry Ridge.

Mr. Messmer leaves his widow, Mrs. Maggie May Freeman Messmer; a son James L. Messmer, Verona; a daughter, Mrs. Leon Hall, Walton; two sisters, Mrs. Anna Chalk, Bellevue, and Mrs. Julia Huck, Madisonville, O.; and seven grandchildren.

Barb Wire Stolen

Sam Roberts reported 10 rolls of barb wire stolen from his place of business near Hebron, Ky.

The wire American Brand was stolen January 8, 1951, according to Sheriff Wendell Easton.

Peoples Deposit Bank Elect Two New Directors

At Annual Meeting of Stockholders Held January 9th.

At the annual meeting of the stockholders of the Peoples Deposit Bank held on January 9th the following directors were elected: C. F. Blankenbaker, C. L. Cropper, G. S. Kelly, F. L. McGlasson, Dr. S. B. Nunnally, A. B. Renaker and Edward Rogers.

G. S. Kelly was elected to fill the vacancy caused by the death of W. P. Beemon and Edward Rogers was elected to take the place of his father, Al Rogers, who died last November.

The directors will meet the first Monday in February for organization, at which time it is anticipated the present officers and employees will be elected by the board, they being A. B. Renaker, president; C. L. Cropper, vice president; G. S. Kelly, cashier; Nell H. Martin, assistant cashier; Lucile C. Stephens, assistant cashier and Mary Alice Poston, bookkeeper-stenographer.

The bank has 122 stockholders. At the close of the year \$50,000.00 was transferred from undivided profits to surplus, making the surplus now \$250,000.00 and still leaving over \$475,000.00 in the undivided profit account.

In accordance with the policy of the board \$1000.00 was charged off the banking house and lot during the past year, as has been done in prior years. The president's report shows that taxes and insurance paid amounted to over \$15,000.00 and other general expenses of over \$21,000.00, making more than \$36,000.00 expenses paid for the past year, in addition to over \$9,000.00 interest paid on time and savings deposits.

Stockholders were paid 4% dividends June 30th and December 30th, plus a 4% extra dividend December 30th, on the par value of \$50,000.00 capital stock, which dividend amounted to \$6,000.00.

Tri-State Meeting Planned For January 21 Thru January 28

Will Be Held In Churches of Cincinnati-Covington Area.

The first sessions of a great Tri-State 8-day "Christian Information Rally" will be held in churches in the Cincinnati-Covington area on Sunday afternoon and evening, January 21, continuing through the following Sunday, January 29. All of the evening sessions will be held in the Latonia Christian Church 39th and Decoursey, Covington.

Sponsored by the Churches of Christ and Christian Churches of the Greater Cincinnati and Northern Kentucky area, this conference will be unique in that the principal speakers will be five ex-priests converted from Roman Catholicism. Re-educated for the Protestant ministry, they have been assembled for this conference by Christ's Mission, Inc. of New York, an institution which for more than seventy years has been adding great numbers of priests who have left the Church of Rome. Through its help, many have been given seminary training for a new field of ministry in the ranks of Protestantism.

Seven Consecutive Victories Chalked Up By Eagle Squad

Hebron Upsets Ludlow Five By Score of 56-55; One Game Cancelled.

The Burlington high school Eagles ran their consecutive win streak to seven games by virtue of wins last week over the Campbell County Camels and the Hebron Cardinals. Coach Ralph Maurer's crew defeated the Camels 57-55 in a thriller at the loser's court last Tuesday. The Eagles, as usual, got off to a slow start and were trailing 20-12 at the first quarter. They picked up steam in the second quarter as they outscored Campbell County 17-11 for a half-time score of 31-23 in favor of the home team. Campbell County picked up a point in a torrid third quarter as they scored 20 points while the Eagles were racking up 19. The quarter ended with the Eagles trailing 51-48.

Freezing Ball Costly Burlington continued to trail until four minutes before the final whistle when they knotted the county at 55-48. At this stage the Camels began to freeze the ball in hopes of drawing the Eagles out of a zone defense. The only man it brought out was Jim Ryle who intercepted a pass and dribbled the length of the floor for a two-point shot that spelled victory.

Ryle was high point man for the winners with 18. G. Rouse closely followed with 14, and McFarland added 11. G. Ryle eight points and A. Rouse six. Koehler was high for the game with 23 points for the losers and Smith had 14. Burlington's reserves lost 47-30.

Eagles Nip Cards

The Eagles won their seventh consecutive game, eighth of the season and fourth in Boone County play Friday night with a convincing 61-49 win over Hebron's Cardinals at Hebron. The Eagles again were on the short end of the first quarter score as they trailed 13 to 11. But again in the second quarter they loosened up and outscored the opposition 16 to five for a half-time lead of 27-18. Hebron brought the count to 46-40, with the winners leading, at the close of the third period. In the final period the Eagles outscored the losers 15 to 9 to pick up six points and a 12-point victory.

Big star of the game was Burlington's Jim Ryle who besides being the evening's high scorer with 23 points was the spark plug of the Eagle floor play and the winning "Goose" McFarland added 13 points to the Eagle cause and G. and A. Rouse divided 20 points. For Hebron Bowman had 13 points, Garnett 11 and Hogan 10.

Hebron's reserves won a 32-31 thriller over the little Eagles.

In other games last Tuesday night involving Boone teams Walton's Bearcats lost a 47-35 contest to the Simon Kenton Pioneers. Coppage paced the winners with 18 points while Glacken and Walton led 10. Covington Catholic swamped New Haven 62-41 and Florence lost to Crittenden 47-36.

Hebron In Upset

Hebron's Cardinals pulled a mild upset when they clipped the Ludlow Panthers by a 56-55 score at Ludlow last Tuesday night. The game was a thriller all the way with Hebron holding the lead most of the time until a few seconds before the end. Then after Ludlow pulled to a one-point advantage Garnett, flashy Cardinal guard, dropped in the winning fielder.

Game Cancelled

The Florence-St. Henry game scheduled for last Friday night was cancelled due to illness of Florence players, it was reported by Duncan Huey, Knight coach.

Coming Games

W. O. Rouse

W. O. Rouse, 78, prominent Walton man, died Friday at his home. He was a member of Walton Lodge 719 Free and Accepted Mason; Walton Chapter 161, O. E. S.; Scottish Rite and Walton Methodist Church.

Mr. Rouse was associated with his son Wendell in the operation of the Rouse Sign Co., of Walton.

He is survived by his widow, Carrie; another son, Asa, Syracuse, N. Y.; and a sister, Mrs. Pearl R. Johnson, Covington.

Funeral services were held at 2:00 p. m. Sunday at Walton Methodist Church, with burial in Walton Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Chas. Worthington Appointed Walton Judge

Charles Worthington has been appointed Police Judge of Walton by Governor Wetherby, it was announced Friday. He succeeds John H. Wood, who had served parts of several terms for a total of six years in the office.

Mr. Wood became ineligible to continue as Police Judge when he removed to a new home just outside the Walton city limits a number of months ago. He performed the duties of the office, however, until a new judge could be appointed.

Mr. Worthington's name was submitted to the Governor by Mayor Russell Hall and the Walton Town Board of Trustees.

The new judge is connected with the Conrad Hardware Store in Walton and at one time worked for the Community Public Service Co.

Florence Deposit Bank Purchases Gross Property

Will Move To New Location; Building To Be Remodeled

The Florence Deposit Bank announced the purchase of the Gross property which is now occupied by Charles B. Rouse's 5c and 10c Store, which is situated next door and north of the present bank building.

The present building occupied by the Florence Deposit Bank was constructed in the year 1904, and due to the continued increase of customers, it has become necessary to have more floor space in order to serve its customers and to operate the bank efficiently.

It is the intention of the Florence Bank to move its place of business to the newly acquired building after Mr. Rouse's lease expires. Plans are being made to convert the interior into a modern bank building with a larger vault, more teller windows, consultation room, a larger lobby space, and to increase the number of safety deposit boxes, all of which are designed for the convenience of the customers and for the purpose of giving the customers more attention with their financial problems.

The gradual increase in the number of accounts over a period of years has resulted in the present overcrowded conditions and has reached the point where it has become necessary to expand the banking quarters.

The Florence Bank is grateful to its customers for its success and will make every effort to continue to aid its customers and to make it as convenient and efficient for their benefit.

Returns From Seal Sale Short of Usual Yearly Sales, Report

Citizens Failing To Send Donations, Are Urged To Mail Checks At Once.

Boone County's returns from the sale of Christmas Seals has fallen a little short of the usual yearly sales according to Mrs. Kathryn Cropper, treasurer of the Boone County Tuberculosis Association. Mrs. Cropper stated however, that returns from the sales were still coming in and since the final report was not due until February 1, it was still possible for the county to reach its unofficial goal. Both Mrs. Cropper and Mrs. Sibbia Reimer, president of the association, urge citizens of the county, who for any reason failed to purchase their seals to make that purchase now.

A final report of the Seal sale will be made at the close of the campaign, Mrs. Reimer stated.

Appeal Made To Nurses For Aid In Nursing School

Plans For Instructing 700,000 Home Nurses During Coming Year.

The American Red Cross Nursing Services is enlisting graduate nurses to take part in its expanded program to meet responsibilities in civil defense preparedness assigned by the National Security Resources Board. With this program in mind Mrs. Sarah Sayre, chairman of Nursing Activities Committee of Boone County Chapter American Red Cross has made an appeal to nurses of Boone County to serve as instructor-trainers as well as instructors of home nurses and nurses' aides.

"Those who receive instruction in 'Home Care of the Sick' will be prepared for service in a possible mass emergency and they will serve as assistants to graduate nurses and nurses' aides in mass care of injured in case of enemy attack," Mrs. Sayre stated.

Present Red Cross plans call for the instruction of 700,000 home nurses during the coming year. In addition it is estimated that 100,000 additional nurses' aides must be trained. These nurses' aides will be needed to serve in civilian, military and veterans hospitals, as well as in public health clinics and in the Red Cross blood program.

The Red Cross estimates that each nurse instructor-trainer will mean the ultimate instruction of 675 people in 'Home Care of the Sick.' It works out like this: One instructor-trainer will train 15 nurses or non-nurse instructors in home nursing, each of whom will be asked to teach at least three classes of 15 students, adding up to 675 people prepared to meet illness in the home.

All Red Cross chapters are making appeals to inactive and retired nurses to enroll for participation in community nursing activities. Enrollment files are being brought up to date so that chapters will know the training and availability of each nurse for specific assignments.

Those interested in this program (both nurses and Mr. and Mrs. Citizen) may receive additional instruction on the program by contacting Mrs. Sayre or Mrs. Virginia Nestor, executive secretary Boone County Chapter American Red Cross, Florence, Kentucky.

Farm Bureau Plans Annual Meeting Monday, January 22

Senor Roberto de la Rosa Will Address Group; Record Turnout Expected.

Senor Roberto de la Rosa will address Boone County Farm Bureau members and guests at their annual meeting and election of officers to be held at the courthouse on Monday, January 22 at 8:00 p. m. Senor de la Rosa is a noted speaker and entertainer, having appeared before leading school and civic organizations throughout this section of the country. His present mission in the United States is part of Mexico's contribution to the "good neighbor" campaign of the 21 American Republics. He is one of 12 "good-will ambassadors" who are touring this country in an effort to promote better understanding between us and our southern neighbor. He is an accomplished musician and will illustrate his talks with music and songs from his native land.

The Boone County Farm Bureau is hoping to have a record turnout to hear this outstanding speaker.

Mrs. Mayme A. Smith

Mayme Allen Smith, former Walton resident, died Thursday at the home of a son Allen W. Smith, 863 W. 85th St., Los Angeles, according to reports received here.

Mrs. Smith had been a resident of this section for many years, but had resided with her son the past four years.

She is survived by one son, Allen W. Smith with whom she was residing and a brother Bruce Allen, of Walton.

Funeral services were held at 2 p. m. Monday in Covington with burial in Walton Cemetery.

H. G. Allmoslechner

Funeral services were held at 2 p. m. Friday in Newport for Harry G. Allmoslechner, Kentaboo Drive, Florence, who died Tuesday at the Thomas Veterans Hospital. Burial was in Forest Lawn Cemetery, Florence.

Mr. Allmoslechner was a member of Salem Methodist Church, Newport; Newport Lodge, Free and Accepted Mason; Rankin-Prout-Carr Post, Veterans of Foreign Wars; A. M. Wetherill Post, Spanish War Veterans; Kishmoo Grotto and Modern Woodmen of America.

He is survived by his widow, Mrs. Anna C. Steffen Allmoslechner; a daughter, Miss Anna Martha Allmoslechner, at home; a sister, Mrs. Amelia Gidea and three brothers, George, Mike and Matt Allmoslechner.

Mrs. George Morith To Head Florence Polio Fund Campaign

Mrs. George Morith will head the Polio fund "March of Dimes" in Florence and vicinity for the fifth year, it was announced by Ben F. Zimmer, Jr., director for Boone County Chapter. Mrs. Morith and her very capable workers accounted for more than half of the County's contribution last year.

Mrs. Morith, is to be awarded a Certificate of Appreciation this year in acknowledgement of outstanding cooperation and hard work during the past five years, which reads as follows: "Your unselfish service in the fight against infantile paralysis has brought us all closer to the day when this dreaded disease will be unknown to America's children. Your efforts have brought immediate aid to those afflicted, and new hope and courage to all those who are working to defeat this great threat to the youth of our nation. This award being made by Mr. Basil O'Connor, President of The National Foundation For Infantile Paralysis."

Local Officials Confer With State Department Heads

Relative To Expenditure Of Income From 2-Cent Gasoline Tax Revenue.

Judge C. L. Cropper, Wilton Stephens, Wm. P. McEvoy and Deputy Sheriff Byron Kinman attended a conference Monday in Frankfort, Ky., with state officials relative to the expenditure of income from the 2-cent gasoline tax revenue on rural road construction in 1951.

Fifty Kentucky counties were invited to attend conferences beginning Monday, January 15th, Emerson "Doc" Beauchamp said.

"Projects accepted for construction must follow the formula adopted by the department," Mr. Beauchamp said. "Roads on which work is to be done must be roads connecting with state highways or they must be school bus or rural mail routes. Each project is given careful consideration in its relation to the overall traffic of the county and neighboring counties. A road must start and end so that traffic may be served best.

"These conferences help us to determine which project should be undertaken first. Members of delegations are people who have a knowledge of the county roads and we have found their help invaluable. We anticipate our income for this purpose to be from nine to ten million dollars during this fiscal year."

Since April, 1948, when the new 2-cent tax became a law, the Commissioner of Rural Highways has completed or placed under contract nearly 2,600 miles of new county roads at a total cost of \$25,000,000. It is estimated that between 30% and 40% of this money has been expended for drainage structures.

Florence Girl Wins Maytag Dutch Oven Range

Holmes Instructor To Address Boone Historical Society

Meeting Scheduled In Town Hall Friday, Jan. 19, at 7:30 p. m.

Louis J. von Walden, instructor of Physical Geography at Holmes High School, Covington, will speak to the Boone County Historical Society at its meeting in the Florence Town Hall on Friday, January 19, 1951, at 7:30 p. m.

Mr. von Walden has traveled extensively in the United States and in Europe in his study of Geology. During the last war he was attached to the division of the army responsible for weather observations and forecasts. The findings of this work enabled the planning of invasions and campaigns during periods of favorable weather conditions.

Mr. von Walden will tell the members of the society about the factors influencing the formation of the physical features of the northern Kentucky area and how these conditions have influenced the manner in which settlements were developed.

The Society is endeavoring to gather all available material about interesting incidents in Boone County. Anyone knowing of any happening in the past is asked to write it and bring it to the meeting so that it may be included in the records of the society. Much material has been gathered about several old houses in Florence.

Anyone interested is invited to attend and to become a member of the society.

NOTICE TO TRUCK OPERATORS

LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1951.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

Commissioner's Sale

Boone Circuit Court Commonwealth of Kentucky The Hebron Perpetual Building and Loan Association Plaintiff versus Ernest Donley, et al., Defendant

NOTICE OF SALE

By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the August Term thereof 1950, in the above cause, I shall proceed to offer for sale at the Court House Door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 5th day of February 1951 at One O'clock P. M., or thereabout (being County Court Day), upon a credit of six months, the following described property to-wit:

Being in the Town of Petersburg, Boone County, Kentucky, and being Lot No. 198 as designated on the Plat of said Town. Said lot extends from the Southwest corner of Mill Street and Second Street along the property line of Mill Street to the property owned by the late John Tafferty, and running back a uniform width along the line of Second Street to an alley.

For the purchase price the purchaser must execute bond, with approved surety bearing interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms. Amount to be raised by the sale \$2361.67 and the further sum of \$864.13 and the costs of this action.

A. D. YELTON,
Master Commissioner
Boone Circuit Court.

Bellevue

Glad to report Mrs. Lillard Scott recovering nicely from a recent operation in Christ Hospital. She expects to return home within the next few days.

Mrs. Alice Cook has been visiting her daughter here during the week. Rev. and Mrs. Otis Brooks entertained over last week-end some friends from North Carolina.

Callers of Mrs. Richard Marshall during the past week was Laura Clore, Helen Buckler, Josie Cason, Helen Rogers, Mr. and Mrs. Grant Maddox, Ida Mae Cason, Sadie Kite, Ruth Hall, May Sandford and Anna Cason.

Mrs. Marshall has been confined to her home for three months due to illness.

Mrs. Lizzie Smith returned to her home here Saturday, after a two

week visit with relatives in Norwood, Ohio.

We were sorry to learn of the unexpected death of A. R. Kraiz, who passed away in Phoenix, Ariz., where he had gone to spend the winter. He and his wife are well known here, as they have spent their summers here for several years at Dam 38, McVie.

Mr. and Mrs. Jack Ryle, of Petersburg were visitors at the home of Mr. and Mrs. Bud Burcham Sunday evening, also Mr. and Mrs. Al Stephens.

Mr. and Mrs. C. R. Kite, Miss Ruth Hall and Charley Brown and family spent Sunday with Will

Schwade and daughter near Florence, Ind.

There was a large crowd assembled in the auditorium of the Baptist Church Sunday evening to hear

the Negro choir from Lincoln Institute at Shelbyville, Ky., but for some unknown reason they failed to appear to the disappointment of everyone.

Come in and See
the FARMALL CUB

Just as I was going home for dinner the other day, the district zone manager from Harvester dropped in. I said, "You better come along, we're having chicken..."

On the way back to the store, he told me to expect a shipment of Farmall Cubs within the next few days. This ought to cheer you up, and it doesn't make me "mad" either!

Well, they are here now—on display. So come on in, folks, and see the Farmall Cub! Next to a pair of pliers, it's the handiest farm tool I know. Just right for the fellow with 40 acres, more or less... the part-time farmer... the vegetable truck-crop grower... or the big acreage farmer who needs another tractor.

Of course, what really makes a Farmall Cub useful is its full line of quick-change implements with fingertip Farmall Touch-Control. No more sweating and swearing and aching backs!

Another thing... when you need prompt service and parts, I'm always here.

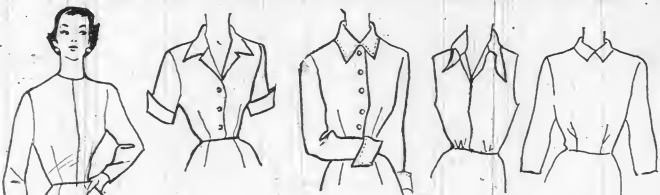

FEBRUARY IS FARMALL CUB MONTH!

TRI-STATE MEETING PLANNED

(Continued From Page One)

statement of the purpose of the conference, made it clear that the purpose is not to stir up religious controversy. "The purpose of these meetings," he declared, "is to re-emphasize the vital importance of religious and political freedom in these days of increasing centralization and totalitarianism. The principle of the separation of church and state is as important to Catholics as it is to Protestants; it is basic to human freedom. While that principle is honored in fact in the United States, Protestant, Catholic, Jew, Mohammedan, atheist—all can live at peace with each other. I tremble to think what will happen if any religious hierarchy succeeds in breaking it down."

At the opening mass meeting at the Latonia Christian Church at 2:30 p. m. on Sunday, January 21, the speaker will be Jaime Clifuentes, an earnest young man. Other speakers are Walter M. Montano, William E. Burke, Angelo LaVallo, and Andrew Somme.

Copies of the complete program of the conference may be obtained by writing to the Latonia Christian Church, 39th and Decoursey, Covington.

CARD OF THANKS

I wish to express my sincere thanks to everyone for their kindness shown me in the tragic death of my husband, son and daughter at our home on Woolper. I especially wish to thank those donating money; the Burlington Fire Dept. for their service; Rev. R. A. Johnson, for his words and prayers; and Chambers & Grubbs for their efficient service, and to everyone who contributed in anyway to make our burden lighter.

Again we say thanks to each and everyone, and may God bless you. 1p

Jones-Mitchell

The wedding of Miss Jeanette Jones, daughter of the late Mr. and Mrs. J. C. Jones, to Mr. John Mitchell, was solemnized on Saturday evening, November 25th, 7:30 o'clock at the Epworth Methodist Church, West Covington, with the Rev. W. S. Mitchell, father of the groom, officiating at the double ring ceremony. Immediately following the ceremony a reception was held at the church.

Many seven-branched candle-labrs lighted the altar upon which were banded wide-spreading arrangements of all-white chrysanthemums and palms.

Miss Emily Davis, vocalist, sang "Because" and "The Lord's Prayer." Miss Penny Mitchell, sister of the groom, sang "O Promise Me." They were accompanied by Mrs. Al Luessen at the organ.

The bride was attended by Misses Juanita and Jean Mitchell, sisters of the groom. They wore gowns of the paper, faded of identical design the only variation being in the color. That worn by the maid of honor, Juanita Mitchell, was of American Beauty, while the later wore aqua. These becoming gowns had fitted bodices, marquisette yokes, which gave an off-shoulder effect, and long full flaring skirts.

Their crowns, picture hats of marquisette and lace were adorned with a large bow in the back. Each carried a cascade bouquet of stephanotis centered with an orchid.

The bride, given in marriage by her brother-in-law, Mr. Thomas Ashley, was lovely in her beautiful gown of ivory satin and Chantilly lace. The fitted bodice featured a high neckline, a deep yoke of Chantilly lace designed to give an off-shoulder effect, long pointed sleeves, and a row of tiny self-covered buttons embellished the back. The full skirt ended in a graceful cathedral train. Her two-tiered finger-tip veil of French illusion, enhanced by applied medallions of lace, fell from a tiara of orange blossoms, seed pearls, and rhinestones. Her only jewelry was a pearl necklace. She carried a cascade bouquet of orchids and stephanotis, caught with ivory ribbon.

The groom was attended by Mr. Ralph Fritsch, best man, and Mr. Jerry Fritsch, groomsmen. Ushers were Bill Hoffman and Bill Herdner.

Mrs. Mitchell chose a turquoise crepe dress with black accessories for her son's wedding. Her corsage was of American Beauty Roses.

Walton Will Be Scene of District Basketball Tourney

Team Drawing Made At Meeting Thursday Night At Lloyd School.

The 1951 34th District basketball tournament which includes all five Boone County high schools plus Erlanger, Lloyd, Erlanger St. Henry and Simon Kenton will be played at Walton gymnasium it was decided by representatives of the teams last night in a meeting at Erlanger. The tourney will begin Tuesday night, Feb. 28 and will extend thru Saturday night, March 3 with two games—Erlanger Lloyd vs. Florence and Walton vs. New Haven—on opening night. Wednesday night will see lower bracket teams—Simon Kenton vs. St. Henry and Burlington vs. Hebron—go into action. Opening game time on the first two nights will be 7 p. m.

Thursday night's single game will place the Lloyd-Florence winner against the Walton-New Haven victor at 8 o'clock. On Friday night the lower bracket semifinal between the Simon Kenton-St. Henry winner against the Burlington-Hebron winner at 8 o'clock. The final contest will be played Saturday night.

Officials Selected
Harry Cover of Newport and Bob Braun of Bellevue have been selected as tournament referees. Russell Groger, Walton, and Bob Martin, Erlanger, were named official timer and official scorer respectively. Charles Hayes, principal-coach of the host school is tournament manager.

Tourney representatives voted to present a winner's trophy, a runners-up trophy and gold basketballs to a ten-man all tourney team to be selected by coaches of the participating schools.

Admission price will be seventy-five cents for all sessions and no tickets will be sold in advance and no tickets will be sold after the Kentucky Fire Marshall's capacity figure for the Walton gym is reached. That figure, according to Mr. Hayes is 900 person including players.

Other Business
Other business conducted at the meeting included the official naming of the thirty-fourth district delegate to the Kentucky Athletic Association meeting. Rector A. Jones, principal of Florence School, the regular delegate who would normally represent the district under the group's plan of rotating delegates by alphabetical order, waived his election in favor of the alternate delegate, a representative from Hebron school. Jones' action was prompted by the fact that he represented the district in 1949 just prior to the alphabetical arrangement.

Earle Jones Nominated
The group also nominated Earle Jones, principal-coach of Mayville high school, to represent the ninth and tenth regions of Kentucky on the state Athletic Board of Control. Other candidates for this office are James L. Cobb, principal of Newport high, and the principal of Paris high school whose name is not known to the school news.

Ralph Maurer Is Named Red Cross Publicity Chairman

Burlington Teacher Will Release News Concerning Red Cross Activities.

Ralph Maurer, of Burlington has accepted the post of Chairman of Publicity of the Boone County Chapter, American Red Cross, it was announced by Mrs. Elizabeth G. Nestor, Executive Secretary. It will be well if everyone makes a special effort to read whatever Mr. Maurer gives out through the local papers because Red Cross will co-operate in every way with the Civil Defense program and from time to time will publish facts and tell about Red Cross services to the people of Boone County that may save the lives of many in the event of atomic or other types of bombing or invasion.

Mr. Maurer is a teacher and athletic director in the Burlington school and majors in journalism. It will be remembered that in 1948 Mr. Leland Sullivan, a pupil of Mr. Maurer's in the Burlington school won the countywide contest open to all school children on the subject, "What the Red Cross Means to Boone County." Boone County Red Cross is proud and grateful to be able to add the name of this splendid young man to its list of chairmen.

Lewis Sullivan

Funeral services were held at 2 p. m. Tuesday in Covington for Lewis Sullivan, 59-year-old Burlington resident, who died Friday at Booth Hospital, Covington. Burial was in Highland Cemetery.

Mr. Sullivan, a resident of the Lumburg-Hebron Road, was chief electrician for the Sheraton Gibson Hotel, Cincinnati. He was a member of the Boone County Fish and Game Protective Association.

He is survived by his widow, Mrs. Lora Sullivan; two sons, Charles and Robert Sullivan, both of Florence; three daughters, Mrs. Dorothy Fichile, Covington; Mrs. Marian Gibnut, Cynthiana, and Mrs. Joyce Gaines, Burlington; his mother, Mrs. Cora Sullivan and a brother, Lloyd Sullivan, both of Florida; a sister, Mrs. Clara Wright, of Erlanger, and eight grandchildren.

Basketball Fans Promised Plenty Of Hardwood Action

Cardinals and Eagles Will Meet Tough Squads During Week.

Mr. Basketball Fan there will be plenty on the menu this and next week. Highlights in the week of court activities will be at the Burlington gym on Friday and Saturday nights of this week when the Eagles will be gunning for their tenth and eleventh consecutive wins against the Gallatin County Wildcats (Friday) and the Bagdad Bulldogs Saturday. The Eagles still remember a 54-52 loss to Gallatin County earlier in the season at Warsaw. And equally as well the Eagles recall a 61-43 setback at the hands of the Bagdad quint at Bagdad last year after holding the high-ranked Bulldogs to a 28-28 halftime count. Both visiting teams have been playing a lot of winning ball this season and both will be out to stop the high scoring Eagles win parade.

Cards Hosts To N. Middletown
Hebron's Cards will be hosts to North Middletown, Ky., Friday night. The improved Cards should have their hands full with the downstaters. Hebron's biggest game of the next several will be the Card-Ludlow game at Hebron next Tuesday night. Hebron defeated the Panthers 55-54 in a thriller at Ludlow two weeks ago and a repeat performance of the excitement is in the offering.

The only Boone Conference contest of this week will place last place New Haven at Walton on Friday night. Next Monday night the Tigers will play at St. Henry. In other games next Tuesday Florence and Burlington will meet in a conference tilt and St. Thomas will visit Walton.

Eagles Hosts Take Two
Burlington's Eagles, the highest scoring quintet in the ninth region, rolled over New Haven 84-38 and St. Henry 61-53 last week. The New Haven win was, the Eagles' fifth Conference win without defeat. Burlington's offense was paced by Jim Ryle with 32 points and Gayle Rouse with 23. A. Rouse added 10. The Panthers 55-54 in a thriller at Ludlow two weeks ago and a repeat performance of the excitement is in the offering.

Burlington's win over St. Henry was highlighted by the return to form by "Goose" McFarland who paced the Eagle offense with 23 points. G. Rouse chipped in with 19 and Gerry Ryle added 10. The Eagles trailed 12-9 at the first quarter and 25-23 at halftime but turned on the third-quarter steam to score 20 points and take a 43-40 lead at the final rest period. They poured in 18 more points in the final period. The local reserves won a 38-25 victory over the St. Henry seconds.

Cards Upset Cats
Hebron stayed in the thick of the Boone Conference race last Tuesday when they came from a halftime deficit of 36-18 to trim the Walton Beards 60-57 in an overtime tilt at Walton. Hogan, Hebron's jump-shot artist, was the night's high scorer with 21 points. Garnett helped the Hebron cause with 13. For Walton Glacken had 17, Vest 11 and Rice 10. Hebron's reserves won 25-23.

Florence lost a 77-66 scoring spree to Silver Grove at Florence Friday night. The period scores were 18-38, 38-38, 50-49 Florence, and then 50-49 with the Big Trains pulling away. The Florence seconds won over Silver Grove.

Florence lost to Ludlow by a lopsided score last Tuesday night at Florence. The Knights were handicapped by the loss of several players due to illness. They also had to finish the contest with only four players due to four leaving the contest due to personal fouls.

Cats Split On Trip
Walton's Beards split even on a week-end trip to southern Kentucky. They defeated Lebanon Junction 51-35 Friday night and lost to Sonora 63-39 on Saturday night. Walton also lost to Newport Catholic last week 47-45.

Coming Games
Jan. 23: Walton at Gallatin Co.; Silver Grove at Hebron; Dry Ridge at New Haven; Florence at Simon Kenton.
Jan. 26: New Haven at Walton; N. Middletown at Hebron; Gallatin Co. at Burlington.
Jan. 27: Bagdad at Burlington.
Jan. 29: New Haven at St. Henry.
Jan. 30: Florence at Burlington; Ludlow at Hebron; St. Thomas at Walton.

Local Graduates Benefitted By UK Northern Center

Two Years of College Offered In Familiar Surroundings.

A fairly recent addition to Northern Kentucky, the Northern Center of the University, was established in September of 1948 under the direction of Dr. William C. Wesley. Dr. Wesley guided the Center through its inaugural year and Mr. Thomas L. Hankins, the present director, succeeded him in September of 1949. One of the main purposes of the Center is to enable high school graduates of this area to obtain the first two years of their college work in the familiar surroundings of home and community.

The Center operates under the two semester system as does the University, and all courses are identical and carry identical credit as do courses taken on the main campus in Lexington. The second semester of this year commences on February 1 with classification of incoming freshmen on that day. Classes start the 7th and continue through until June 2.

Either one or two years of work can be obtained toward graduation in any one of the seven undergraduate colleges of the University—including Arts and Sciences, Education, Commerce, Engineering, Pharmacy, Law, Agriculture and Home Economics. The courses offered are primarily lower-division requirements which are applicable to all fields of pursuit. Some include English, History, Mathematics, Economics, Accounting, Sociology, Physics, Chemistry, Botany, and Psychology.

Although not close in miles, the Center is closely linked with the Lexington campus. Passes to games and concerts in Lexington are distributed to students at the Center under the same conditions that apply to students in Lexington. Various organizations within the Center operate to carry on a program of social activities close at hand.

For further information call JUniper 9555 or call at the office on the third floor of the First District School at Sixth and Scott Streets in Covington.

Elsmere Child Dies After Injuries Received In Fall

Emergency Operation Fails To Save Life Of 2-Year-Old Boy.

Johnny Abner, two-year-old son of Mr. and Mrs. John Abner, 72 Sanders Drive, Elsmere, died Friday night at Booth Hospital, Covington, of injuries suffered when the child fell in the bathroom of his home Thursday.

An emergency operation was performed by Dr. E. S. Lotzpeich, Cincinnati brain specialist, in an effort to save the life of the child, but to no avail.

Mrs. Abner, mother of the child is a patient at Booth Hospital at the present. Besides his parents the child is survived by a sister, Donna Jane 7.

Boone County Boy Receives Honorable Mention Monday

Presented Award By Eta Kappa Nu Association In New York City.

A. W. Edwards, of Boone County, one of the outstanding young electrical engineers of the United States was recognized and presented an award by the Eta Kappa Nu Association in New York City, on January 22nd, 1951 during the week of the Winter General Meeting of the American Institute of Electrical Engineers.

Presentation of awards was made at a dinner meeting of Eta Kappa Nu in the McAlpin Hotel, Broadway and 34th Street, New York, N. Y., at which the scheduled toastmaster was F. E. Sanford, National President of Eta Kappa Nu. Mr. Edwards received honorable mention.

Andrew Wood Edwards was born in Nashville, Tenn., on December 9, 1918. Most of his boyhood was spent on a 50-acre farm just outside Burlington, which his family bought when Edwards was about 10 years old.

Wood's ability became apparent during his high school days. His early efforts in electrical engineering were directed towards radio and he built several sets, not all of them good. Indirectly he became involved in the art of winding transformers. His first one was intended to handle a carbon arc light and it reached the test stage in the high school physics lab during the school assembly hour. The transformer rewarded him by promptly blowing up and taking out the main fuses, much to the distress of the faculty members in the assembly hall. A little research into such a device as the required turns per volt enabled him to produce a successful design. This transformer was the power supply for a carbon-arc spotlight used for dramatics on the high school stage. This first brush with dramatics aroused Edwards' curiosity and he later became the stage manager. An even closer association was developed when he took in several of the school plays.

Although Wood was an excellent student he was only able to take second place in his class, the honor of being valedictorian going to a very pretty black haired girl named Evelyn Conrad who beat him by a couple of points. Since this licking by a girl was too much for Edwards to swallow, he evened the score by marrying her a few years later, shortly after graduation from college.

In 1937 Edwards registered in the Electrical Engineering Department of the University of Kentucky, where his college record was conventional. On the basis of his college entrance exams he was placed in the section of the English Department generally reserved for Journalism and English Majors. Thus his interest in literature and dramatics was further augmented.

Edwards spent about 20 hours a week during his time in college working as a machinist, eventually becoming a model builder. This work, although it was necessary for financial reasons, prevented his participation in other extracurricular activities. During his final year at college his outside work consisted of instructing ordnance inspectors in machine shop practice. He graduated in 1942 with a B average.

After graduation Edwards went to work with the Westinghouse (Continue on Page Eight)

Scholarship Offered By Opekali, Inc., For AG Study At U. K.

Student Must Be In Upper 25 Per Cent Of Class, Is Word.

Description: A male graduate of high school, in upper 25% of class, and planning to enroll as a Freshman in agriculture in the beginning of the second semester this year.

Following is a letter received by Supt. Ockerman from Dr. L. J. Horlacher, Assistant Dean at the University of Kentucky, concerning the scholarship being given by Opekali, Inc.:

"University of Kentucky
Lexington 29, Kentucky
January 4, 1951

"Dear Superintendent H. N. Ockerman: Burlington, Kentucky

"Through the generosity of Opekali, Inc., we have been granted the privilege of nominating for a scholarship a young man, who lives on a farm in Boone County, ranks in the upper 25% of his class, and plans to enroll as an entering freshman in agriculture in the beginning of the second semester this year. Do you have anyone whom you can recommend. The scholarship totals \$600; it is to be paid to the student at the rate of \$75 per semester for eight semesters. I have been informed that the scholarship cannot be used to anyone enrolled for the first time prior to the beginning of the second semester. Yours is the only county in Kentucky eligible to make the nomination for the scholarship.

Erlanger Store Robbed Early Sunday Morning

Loot Consisted of Rifles, Pistols, and Other Stock; Loot Estimated at \$1,000.

Loot valued at approximately \$1,000 was stolen early Sunday morning from the Erlanger Hardware Co., 210 Dixie Highway, in a burglary in which the thieves evidently made use of a small truck.

Merchandise stolen from the establishment included rifles, pistols; shotguns, ammunition of various kinds and a variety of electrical appliances such as food mixers, electric toasters and waffle irons and similar items. Police Chief Howard Thompson reported that only the best of the store's merchandise was taken.

A safe was ransacked, as was the store's office, evidently in a search for money.

Mills-Jones

The wedding of Miss Dorothy Maxine Mills, daughter of Mr. and Mrs. Floyd T. Mills, of Mooresville, N. C., to Sgt. Robert Earl Jones was solemnized at 8:00 Thursday night by candlelight service before an altar of mixed flowers and ferns. Rev. Carter of Florence, Ky., performed the ceremony at the bridegroom's home on Center St., with only the immediate families and a few friends present.

The bride wore a light cocoa crepe dress with a loose mesh top touched with sequins and wore white accessories. She carried a bouquet of white carnations.

The matron of honor, Mrs. Janette Walter, of Richmond, Ky., wore a mingled brown wool dress with brown accessories and a corsage of white carnations.

Jamette Walters, of Richmond, served the bridegroom as best man. The bride attended school in Mooresville, N. C. and was employed in Jacksonville, N. C.

The bridegroom, son of Mr. and Mrs. Sherman Jones attended school in Norwood, O., and Florence and has just returned from 4 months duty in Korea, where he served with the 7th Marine Division.

A buffet dinner was served immediately after the wedding with Miss Mona Ray Jones and Mrs. William McSwain assisting.

After a short honeymoon at Carolina Beach the young couple will make their home near Camp Lejeune, N. C., where the bridegroom will be stationed.

Eades-Sebree

The wedding of Rct. and Mrs. Lindy S. Sebree (nee Peggy Ann Eades) of Florence, was solemnized December 27 at Lawrenceburg, Ind.

Mrs. Sebree is completing her senior year at Florence high school.

Rct. Sebree is a graduate of Florence high school and attended the University of Kentucky one year. He is now serving with the U. S. Army at Fort Benning, Ga.

Local Man Resigns State Markets Post

John I. Anderson, has recently resigned his post as Director of Markets of the Kentucky Department of Agriculture, of Frankfort, Ky., where he had been employed for the past two years under Harry F. Walters, Commissioner of Agriculture.

Mr. Anderson has moved from Frankfort to Bullittsville and now devotes his full time to his hatchery business. On another page of this issue will be found his advertisement.

Agricultural Essay Contest Announced February 1-April 30

Farm Youth Contest Is Sponsored By Southern States Cooperative.

Southern States Cooperative is sponsoring a special essay contest for farm youth of high school age. The contest, running from February 1 to April 30, is to promote and lend assistance to the existing green pastures program. Each contestant is required to write an essay on "How A Balanced Pasture Program Can Improve My Farm." Prizes totaling \$20,000 are made available by Southern States.

Rules and contest plans will soon be available at the County Agent's office.

NOTICE TO TRUCK OPERATORS

LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1951.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

Florence

The Edgar Utzinger family visited Mr. and Mrs. J. O. Richards, of Covington, Saturday.

Mr. and Mrs. Emerson Smith and Mr. and Mrs. Robt. Smith and son were dinner guests Sunday of Mr. and Mrs. R. E. Tanner.

Mr. and Mrs. Jesse Stephenson, of Colfax, Ill., arrived here Wednesday to be guests several days of their parents, Mr. and Mrs. J. T. Stephenson and other relatives.

Miss Virginia Juett, of Williams-town, spoke at the Florence Methodist Church Sunday morning. Miss Juett has recently been converted and has expressed her desire to become a missionary.

Lyman Rice of Covington, who represents the Montgomery Coal Co., was distributing calendars to customers in and around Florence, Tuesday.

Mr. and Mrs. Richard Keyer, of Latonia, were Sunday dinner guests of her parents, Mr. and Mrs. Eldridge Carpenter.

Mrs. Dora Markesbery was the guest of Miss Mary Markesbery, of Burlington, a couple of days the past week.

Mrs. Eldridge Carpenter and Mrs. Robt. England were calling on Mrs. Helen Scott, Wednesday afternoon.

Mr. and Mrs. M. M. Graham, of

Park Hills, were calling on her parents Mr. and Mrs. Geo. B. Miller, Wednesday evening.

Billy R. Markesbery, of Eastern State College, spent the week-end with his parents, Mr. and Mrs. Wm. Markesbery.

Mr. and Mrs. C. H. Henderson, of Roselawn, Cincinnati, were calling on their former neighbors on Lloyd Ave. last week and Mr. Henderson attended the baseball game.

Mrs. Lizzie Holliday was the guest of Mrs. Dora Markesbery, Saturday. Mrs. Sally Floyd, of Akron, Ohio, is the house guest of her sister, Mrs. Rogers Knox.

Mrs. Florence Cloe, of Newport, is a guest in the home of Mrs. Edna Bonar.

We regret to report that Albert Bonar, son of Mrs. Edna Bonar has been confined to his home quite some time due to illness. However, his friends wish him a rapid recovery.

On Thursday evening at 8:00 p. m. the Ladies' Auxiliary of the Florence Volunteer Fire Department will hold their regular monthly meeting. The ladies, according to Mrs. Garnett Lucas, president, are conducting a membership drive to obtain new members for the Auxiliary. They extend a very special invitation to any women in the community who are interested. The meeting will be held at the Fire Hall and Community Center. Come and take part in this meeting. Bring a friend with you.

Congratulations and best wishes are extended Mr. and Mrs. M. M. Lucas, who celebrated their golden wedding anniversary on Sunday with open house at their home on Girard Street.

Miss Alma Schwibbold has returned from Atlanta, Georgia, where she spent a very pleasant vacation with relatives.

On Tuesday evening, January 30, 1951 at 8:00 p. m. the Blessed Sacrament Church choir will present an evening of music featuring Medieval Motets written by composers of the 18th century under the direction of George Higdon. The English composers, some of which are Palestrina, William Byrd and Vittori featured especially acapella arrangements. The church boys' choir, the men's choir, the young women's choir and a combination of all three will be featured honoring the Southern Ohio Guild of Organists and Directors. Monsignor Streck, pastor of the church will conduct the service. Larry Aylor, local singer is a member of the choir. A very cordial invitation is extended the general public.

Mr. and Mrs. Ira Vernon Smith are enjoying several weeks' vacation in Florida. They planned to visit

friends at New Smyrna Beach and other Florida points.

Mrs. Jane Barth and daughter, Mrs. Beatrice Crisler and sons and Mrs. Helen Rouse and sons were recent guests of Mrs. Irene Renaker. Mrs. Martha Richards and son Jerry, of Covington, were Saturday guests of Mr. and Mrs. S. H. Aylor, of Gunpowder.

Mrs. Zelma Aylor attended a bridal shower given for Miss Betty Miller of the Dixie Highway, Erlanger on Wednesday evening of last week, at the home of Andy Scheben, Sr.

Mrs. William P. McEvoy and son Dennis, of Tanner Lane was a recent guest of her sister, Mrs. Frances Cutsinger and children, of Lloyd Avenue.

Thirty-four years ago farmers were in such dire
need of better credit that Congress authorized the
Federal Land Bank system. Since then, more than
one million farmers have gotten BETTER farm
land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned
by farmers who use the credit they extend. Their
only purpose is to provide farm families with farm
loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look
into a Federal Land Bank loan. You'll get a long-
term loan, with amortized repayment, low 4% in-
terest rate, the privilege to repay any amount at
any time, future payment fund protection, and
friendly local service. There are no application
fees, appraisal fees or renewal fees. And, for
years National Farm Loan Associations have been
paying their members a dividend.

Make application through your National Farm
Loan Association TODAY.

NOTICE OF SALE
 By virtue of a judgment and order of sale of the Boone Circuit Court rendered at the August Term thereof 1950, in the above cause, I shall proceed to offer for sale at the Court House Door in Burlington, Kentucky, to the highest bidder, at public auction on Monday, the 5th day of February 1951 at One O'clock P. M., or thereabout (being County Court Day), upon a credit of six months, the following described property to-wit:

Being in the Town of Petersburg, Boone County, Kentucky, and being Lot No. 198 as designated on the Plat of said Town. Said lot extends from the Southwest corner of Mill Street and Second Street along the property line of Mill Street to the property owned by the late John Tafferty, and running back a uniform width along the line of second Street to an alley.

For the purchase price the purchaser must execute bond, with approved surety bearing interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms. Amount to be raised by the sale \$2361.67 and the further sum of \$864.13 and the costs of this action.

Come in and See
 the FARMALL CUB

Just as I was going home for dinner the other day, the district zone manager from Harvester dropped in. I said, "You better come along, we're having chicken..."

On the way back to the store, he told me to expect a shipment of Farmall Cubs within the next few days. This ought to cheer you up, and it doesn't make me "mad" either!

Well, they are here now—on display. So come on in, folks, and see the Farmall Cub! Next to a pair of pliers, it's the handiest farm tool I know. Just right for the fellow with 40 acres, more or less... the part-time farmer... the vegetable truck-crop grower... or the big acreage farmer who needs another tractor.

Of course, what really makes a Farmall Cub useful is its full line of quick-change implements with fingertip Farmall Touch-Control. No more sweating and swearing and aching backs!

Another thing... when you need prompt service and parts, I'm always here.

FEBRUARY IS FARMALL CUB MONTH!

Boone County Draft Board Organization Completed Saturday

Six Men Will Be Inducted February 8th; Thirteen To Be Examined Feb. 27.

Organization of Boone County's Draft Board No. 108 was completed at a meeting of members held Saturday afternoon, according to C. G. Kelly, clerk.

R. C. Eastman, of Florence was named chairman of the group. Other members of the official board are O. R. Russ, Florence and Oliver Henry Dye, of Hebron. A. D. Yelton has been appointed government appeal agent, while Mrs. Harry Daugherty, Florence, James M. Huey, Walton and M. A. Yelton of Burlington were named medical advisors.

Members of the Board were officially announced last week thru the office State Headquarters for Selective Service, Louisville, Ky., with Solon F. Russell, as State director.

The Local Board is now in complete operation, and beginning next Thursday, February 8th will meet weekly on each Thursday.

Six men will report for induction February 8th, Mr. Kelly reported, and thirteen men will receive their preinduction examination February 27th.

Headquarters have been established on the second floor of the courthouse, Burlington, which is open Monday through Friday of each week.

Anyone knowing the whereabouts of James Vernon Abney, formerly of Walton R. 1, is requested to contact Local Board 108, Burlington, Ky., or phone Burlington 114.

Local Students Named To UK 240 Committee

Lexington, Ky.—Two Boone County students, Miss Helen Rogers, of Ludlow R. 2 and Lealand Sullivan, Burlington, have been selected to serve on the University of Kentucky's committee of 240 for 1950-51 the U. K. Public Relations Department announces.

Members of the Committee of 240 serve as student representatives of the University in their home communities, supplying high school seniors, U. K. alumni, and others with information regarding the University of Kentucky. The organization is composed of two students from each of Kentucky's 120 counties.

President H. L. Donovan has called the group one of the most important on the U. K. campus.

Miss Rogers, daughter of Mr. and Mrs. Arlene Rogers, Rural Route 2, Ludlow, is a freshman in the U. K. College of Agriculture and Home Economics. She is a graduate of Hebron High School.

Sullivan, son of Mr. and Mrs. Nathan Sullivan, Burlington, is a sophomore in the U. K. College of Arts and Sciences.

CHRISTIAN YOUTH MEETING ANNOUNCED FOR FEB. 3RD

The Christian Youth Movement of Northern Kentucky will meet at Florence Methodist Church Saturday, February 3rd and 10th at 7:30 p. m.

An invitation is extended to all youth of the community to attend these services.

Snow and Ice Visits Northern Kentucky Area

Snow and Ice Cover Most Highways in Northern Kentucky.

Boone County and Northern Kentucky was visited Sunday evening and the early part of the week by a coat of snow and ice which caused highways to become slippery and making driving hazardous.

The snow and ice was followed by a cold wave, which dipped the mercury to six degrees above zero Tuesday morning, with little relief in sight, according to weather forecasts.

Power lines were put out of commission in the Burlington area Sunday afternoon, due to the heavy sleet which fell during the day. Roads throughout Boone County were covered with an inch of snow Tuesday night causing them to be slippery. More snow was predicted for this section as we go to press Wednesday morning. Motorists in this section were warned to drive carefully.

Sunday School Meeting Scheduled February 5

The Boone County Baptist Sunday Schools will hold their monthly meeting at the Florence Baptist Church Monday night, February 5, at 7:45 p. m.

The regular meeting has been postponed twice due to bad weather, and it is hoped that all members of the group will make a special effort to attend this session.

The new pastor of the Florence Baptist Church, Rev. Howard Gordon, will be the guest speaker.

These meetings have proven to be very beneficial in the past and it is hoped that all officers and teachers as well as any member of the Sunday School will attend this service.

REV. DON HOPKINS WILL BE ABSENT FROM PULPIT DURING MONTH OF FEBRUARY

Rev. Don Hopkins of the Union and Richmond Presbyterian Churches is going on vacation during the month of February, therefore, there will be no church services during that month.

Sunday Schools will continue as usual. Union at 9:30, Richmond at 10:45. Church services will be resumed March 4, 1951.

School Districts Losing Revenue, According To Study

Figure Set at Two Million Dollars In State, Is Report.

School districts in Kentucky probably are losing more than two million dollars a year in local revenue because of non-assessment of motor vehicles.

This was indicated by a study recently completed by the Department of Revenue. The survey compared assessment and registration of motor vehicles.

As of June 30, 1949, passenger cars, trucks, and motorcycles registered in the state totaled 607,132. However, one day later, when property was listed for assessment, only 210,068 motor vehicles were listed. This means that less than 35 percent of the registered vehicles were assessed. These vehicles were assessed at a total value of \$166,515,124—an average of \$518.63.

There was no property tax paid on about 286,066 vehicles. Had these vehicles been assessed at the same value of \$518.63 it would have added \$148,000,000 to the assessment rolls. Figured at an average school tax of \$1.46 this would have meant an additional \$2,146,000 income to the school district of the state. At the same time it would have added about \$1,000,000 to the income of the counties. This would have gone a long way in easing the financial problems of the schools and counties.

How big the problem is may be seen from this comparison:

The taxable value of the vehicles which have not been assessed is more than the real estate assessment made by the tax commissioners in 43 Kentucky counties put together. The revenue loss or vehicles for the state alone is equal to all the state tax on all real estate in Kentucky except franchise property.

There is an extreme variation from county to county in the percentage of registered vehicles which are assessed. The lowest county has 22 per cent assessed. The highest almost 92 per cent. There are 12 counties with less than 30 per cent of the vehicles assessed, while on the other hand 12 counties have more than 75 per cent assessed.

In an effort to assist county tax commissioners in improving the assessment of automobiles and trucks, the Department of Revenue is providing each tax commissioner with a list of vehicles registered in his county. This will assist the tax commissioner in getting more of them assessed.

In comparing surrounding counties with Boone County, the following is found: Kenton county has a total of 20,799 vehicles registered, with 9,684 assessed or a percentage of 46.56%; Campbell has a total of 18,694 registered with a total of 8,194 assessed, or a percentage of 43.83%; Grant County has a total of 3,048 registered, with a total of 2134 assessed, or a percentage of 70.01%; while Boone County has a total of 4,493 registered, with 3,580 assessed, or a percentage of 79.68.

Boone County Tax Commissioner, Wilton Stephens stated that the reason for Boone County's average not being nearly 100% is the fact that many residents of adjoining counties purchase their tags here and cannot be assessed in this county because personal property is assessable in the county in which one resides.

Keck Authorizes Continuation of Scholarship Plan

Twelve Kentucky Grads Will Be Selected Student Engineering Employees.

Commissioner John A. Keck authorized the continuation of the Department of Highways Scholarship Plan for 1951-52. It was announced last week.

Before June of this year 12 graduates of Kentucky high schools (class of 1951) will be selected, as Student Engineering Employees of the Department of Highways, by competitive examinations from the nine highway districts, for enrollment as students in the College of Engineering.

The examination will be held in May, the time and place to be announced at a later date. The examinations will be conducted by the Personnel Department of the University of Kentucky, they will recommend those best qualified for employment. Those students chosen will have the opportunity of working with the Highway Department until time to register and classify for Freshman work in September.

Each student will pursue the regular assigned studies during the first school year including the regular Freshman curriculum in the College of Engineering and receive pay at the rate of \$60 a month from which he will take care of his own expenses at the University. At the end of the first two semesters, or about June 1, he will be transferred to the field office or laboratory work on a full time basis at which time he will be paid the regular rate of other highway employees in similar positions. This will continue until the beginning of the winter semester, or about Feb. 1, when he will return to the College of Engineering on leave without pay.

With alternate periods of school during the second semesters and regular work throughout the summer and fall months, the sophomore and junior years will be completed. After summer employment following the completion of his junior year each Student Employee will return to complete both Fall and Winter semester of his Senior year.

The educational plan is now completing its third year. Both the Student Engineers and the Department of Highways are well pleased with the program, and the progress it is making. Highway engineering is now practically a separate profession involving knowledge of soil conditions, land contours, drainage, durability of materials, and an aptitude for research toward continual improvement. The modern Highway Engineer also has a thorough knowledge of structural design. There is a shortage of such engineers and with our military mobilization plans we can expect this shortage to increase.

County Hoopsters Trounce Outside Squads During Week

Burlington, Walton and Hebron Each Collect Two Games In Win Column.

Burlington, Walton and Hebron of the Boone County Basketball Conference each rang up two in the win column during the past week. Burlington's Eagles, currently leading the Conference with a 5-0 record, added Gallatin County and Bagdad to their list of victims, this week to move their season mark to 10-0 to eleven games. Walton topped Gallatin County and added a Conference win over New Haven during the week for their fifth and sixth wins of the year. Hebron's Cards took the measure of Silver Grove and N. Middletown in games this week to move their season mark to a 9-6 record. In other games involving county teams Florence lost to Simon Kenton and St. Henry and New Haven, besides the Walton loss, dropped a decision to Dry Ridge of the Penogran League.

Burlington's high-geared offensive kept rolling in the Gallatin County and Bagdad wins. The Eagles trounced the Wildcats by a 57-43 score on Friday night and came back to swamp Bagdad 65-46 Saturday night. In both games Coach Maurer experimented with several reserves and reports that he was well pleased with their showing, especially as he elated over the showing of Bobby Pelfrey and Dean Bloss. In the Gallatin game the Eagles held 15-7, 28-16, and 45-28 leads at the first three stops. Jim Ryle paced the winners with 21 points; Gerry Ryle added 13 and McFarland had 12. For the Wildcats Plunkett was high with 15 points. The Gallatin reserves won a 42-29 victory over the Burlington seconds.

The Eagles held their hands full for a quarter with Bagdad as the first period found the visitors 18 to 10. Jim Ryle was again chief point maker with 22. Gayle Rouse had 16 and Pelfrey scored 10. In a preliminary contest Hebron Independents, won a 42-23 victory over the Burlington Independents.

Cats Swamp Tigers

Walton's Bearcats, who will be host to the thirty-fourth district tourney next month, swamped New Haven's Tigers 62-32 Friday at Walton.

Quarter scores with the Bearcats leading all the way were 12-9, 31-19, and 42-28. Glacken paced the winners with 18 points. Rice added 15 and Smith had 14. For New Haven Faegan had 8 points and D. Mason, 7. Walton also won a 49-39 second team game.

Walton defeated Gallatin County 64-46 at Gallatin County Tuesday night. The first two quarters ended in 12-12 and 27-27 ties. Walton pulled into a 46-36 lead at the third quarter and went on to coast to the win. Glacken again topped Walton's offensive with 20 points. Plunkett had 20 for the losers. In the prelim, Walton's B's won 31-28. Hebron's Cards looked impressive in their 69-42 win over Silver Grove. They outscored the Big Trains 11-8 in the third quarter and 20-12 in the final period. Garnett led the Hebron attack with 20 points. Hogan and Criger divided 28 and Bowman added 11 points. Remy paced Silver Grove with 10 points. Hebron won the reserve game also by a 38-19 score.

The Cards kept rolling Friday night and swamped N. Middletown by a 60-45 score at Hebron. Garnett again hit the hoops for 20 points while Davis had 12 for the losers.

Simon Kenton piled it on Florence to the tune of 84 to 31 last Tuesday night at Simon Kenton. Coppage and Henzman led the Pioneer scoring with 23 and 19 points. For the Knights Dinn was high with 11 tallies. The home team reserves won 46-17 over the Knight reserves.

Florence gave St. Henry a tough tussle before bowing to the Erlanger quint by a 69-63 count Thursday night at Florence. Cahill and Giese led the winners with 23 and 16 points. Lipscomb and Utz, two of the youngest and most promising players in the county, paced the Knights with 19 and 14 points.

Statistics of the Dry Ridge-New Haven contest, won by Dry Ridge at New Haven were not available for publications. According to reports,

however, the game was close and well played.

Coming Games

Jan. 29: New Haven at St. Henry
Jan. 30: Florence at Burlington; Ludlow at Hebron; St. Thomas at Walton.
Feb. 2: Walton at Florence; New Haven at Hebron; Covington Catholic at New Haven.

Interesting Film To Be Shown At Hebron Pentecostal Church

Heather costumes hidden in South American jungles and a monkey killed, cooked, and eaten are a few of the dramatic sequences included in the new 16 mm. sound-color film, "To Every Creature," to be shown in the Hebron Pentecostal Church, Thursday, February 8 at 8:00 p. m.

Planned and recorded on a recent trip to South America by Dr. Irwin Moon, director of the Los Angeles branch of Moody Bible Institute, Chicago, "To Every Creature" is a fresh approach to missionary activities. These Indian tribes, shown as they exist without help, hope, and God, have received a message from missionaries that has changed hearts and transformed lives; but the work could be multiplied by modern transportation and communication. "To Every Creature" demonstrates this by actual stories of missionaries who suffered great hardships and narrowly escaped death in canoes and on jungle trails. Other sequences show the real help modern communications and planes give to the pioneer mission workers.

"To Every Creature" emphasizes training missionary technicians as pilots, and for maintenance repair, communication and photography. These work on the mission field. These subjects are included in the new missionary technical training course at Moody Bible Institute. With these technical specialists on hand, others trained in Bible work can devote more time to preaching and teaching the natives.

Burlington Trash Collection Will Be Made Once Each Week

John R. Loomis, manager of the trash collection in Burlington and surrounding territory, announces that collection will be made only once each week beginning February 1st, 1951.

Mr. Loomis stated, that due to the number of customers in the Burlington territory, twice a week collection was proving unprofitable. Collection will be made on Wednesday of each week in the future.

Burley Prices Show Slight Increase As Market Season Ebbs

Monday Sales Reported At 1,349,510 Pounds For Average of \$45.37.

The State Department of Agriculture reported 10 of 12 burley tobacco markets operating Monday in Kentucky sold 1,349,510 pounds for \$612,314.91, an average of \$45.37 a hundredweight.

The average with two markets unreported was \$2.65 ahead of the \$42.72 recorded Friday, the previous sales day.

Among the markets reporting Monday, Carrollton sold 37,896 lbs. for a total of \$1,762 or an average of \$44.23 a hundredweight; Covington sold 43,488 pounds for \$1,700.1 or an average of \$39.09. The high basket on the Covington market sold for \$66.00 a hundredweight, while the low basket sold at \$13.00. Prices for all grades of tobacco remained strong, according to reports.

NOTICE TO TRUCK OPERATORS

LOAD LIMITS

In order to protect and save the roads of Boone County during the winter months, the Boone County Fiscal Court feels that it will be necessary to set a weight limit on loads carried by trucks over these roads during the wet winter months, and the load limit has been set at a weight not to exceed three tons over, and above, the weight of the truck.

It is, therefore, ordered by the Court that no truck shall carry a load in excess of three tons over and above the weight of the truck on any of the roads maintained by the Boone County Road Department during wet and soft times from this date to April 15, 1951.

The above restriction applies to all Rural Blacktop Roads and other County Roads, but does not apply to State or Federal Highways in the County.

CIVIL SERVICE EXAMS

The United States Civil Service Commission today announced examinations for the following positions: Geologist, paying \$3,100 and \$3,825 a year; Veterinarian (Trainee), \$3,100 a year; Meteorological Aid, \$2,650, \$2,875, and \$3,100 a year; and Astronomer, \$3,100 to \$8,800 a year.

The geologist positions are located in various Federal agencies in Washington, D. C., and throughout the United States. To qualify, applicants must pass a written test. In addition, they must have completed appropriate college education, or they must show a combination of such education and experience. Age limits for the jobs paying \$3,100 are 18 to 35 years; for \$3,825 jobs, 18 to 62.

The positions to be filled from the Veterinarian (Trainee) examination are in the Bureau of Animal Industry in the United States Department of Agriculture in Washington, D. C., and throughout the United States. To qualify, applicants must pass a written test and must have completed 4 years of veterinary medicine in an accredited college or university. Applications will be accepted from students who expect to complete the required education by June 30, 1951. The age limits are 18 to 35.

The meteorological aid positions are in the Weather Bureau and other Federal agencies in Washington, D. C., and vicinity, and in Alaska. A few Weather Bureau positions in the islands of the Pacific (except the Hawaiian Islands) and in foreign countries may also be filled. To qualify for these positions, competitors must pass a written test and must have had appropriate experience. Pertinent education may be substituted for all or part of the required experience, depending on the grade of the position. The age limits are 18 to 62.

Most of the astronomer positions to be filled are in the Navy Department in Washington, D. C., and vicinity, but positions in other agencies may also be filled. No written test will be given to competitors in this examination. To qualify, they must meet a basic requirement of college study or experience in astronomy or a combination of such education and experience in astronomy or a combination of such education and experience and, in addition, must have had professional experience in astronomy. Pertinent graduate study may be substituted for this experience. The age limits are 18 to 62.

The age limits for all these positions will be waived for persons entitled to veteran preference.

Full information and application forms may be obtained from most first and second-class post offices, from civil service regional offices, or from the United States Civil Service Commission, Washington 25, D. C. Applications for Geologist, Veterinarian (Trainee), and Meteorological Aid must be filed with the Commission's Washington office not later than February 6, 1951. Applications for Astronomer must be filed with the Executive Secretary, Board of United States Civil Service Examiners for Scientific and Technical Personnel of the Potomac River Naval Command, Building 37, Naval Research Laboratory, Washington 25, D. C. They will be accepted until further notice.

Millions Suffer**N. TULCH**

Foot Comfort Specialist at—**PEOPLE'S SHOE STORE**
814-816 Madison, Covington

It has been proven that you cannot be well with unhappy feet! Those headaches, those backaches, those leg pains are caused by the shoes you are wearing. Why not demand the same progress in shoe construction as on trains, planes, and other transportation? You walk miles each day, stand hours and yet wear shoes that will surely lead to ill health and awkward posture.

Parents scold children for slouching and slumping when their shoes are to blame. People suffer mental upset, nervousness, aches, and pains when proper shoes (shaped to fit and support those fifty-two bones in your feet) would benefit the entire body and preserve your general health.

Fortunes are spent on patent medicines and appliances when a correct shoe alone is the answer. Why suffer long? Why take chances with your health, comfort and peace of mind? Visit the store that has men schooled in foot anatomy and foot mechanics to insure getting the proper type shoe for your particular feet.—Adv.

IF YOU STILL USE AN OLD-FASHIONED
DRESS FORM . . . CHANGE TO THE
NEW BASIC DRESS PATTERN

Complete with style combinations and full instructions for making changes. Dresses cut from basic patterns will fit; not just hang, because the measurements of your figure are duplicated exactly in the pattern. Now you can cut your material with confidence—and know it will FIT. This isn't just another pattern, but a modern substitute for a dress form as well, which you can tuck away in your sewing basket. All good dressmakers work from Basic Patterns—So should you.

GRASS REPLACES LOW CORN YIELDS

When 80 farmers in Livingston county visited the farm of C. T. Stegall and Son, they saw an excellent pasture of fescue, Ladino clover, timothy and redbud on flat "crayfish" land that had never produced a good crop of corn.

According to Farm Agent Robert L. Rudolph, the 50 to 60-acre field is studded with about 20 springs that run all year. Heretofore, it has been impossible to grow pasture grasses there, with the exception of some timothy.

When Mr. Stegall, Jr., returned from the war in 1945, he and his father started their farm improvement program by treating their land and growing pasture. At that time, they had two cows and a few hogs. Now they have 35 breeding cows and from 300 to 400 laying hens.

They plan to go out of the hog business. All the cows were raised on the farm from a few cows bought to begin their livestock program. They also grazed 65 beef cattle and calves all summer and had pasture to spare.

A 25-acre field that was badly eroded and terraced, treated and seeded. It now has an excellent stand of fescue, Ladino clover and redbud and erosion has been almost stopped.

It is estimated that the cost of hotbed materials bought on a cooperative basis will be less than \$100 per acre of set tomato plants.

Kentucky 4-H Members Return From Europe

Five Kentucky 4-H club members were among 42 young men and women who returned to the United States, recently, after having spent four months in 13 European countries.

As members of the International Farm Youth Exchange, they spent the summer living and working on farms with the purpose of furthering international friendships.

Bruce Cotton of Grant County was in Switzerland; Rachel Johnson of Warren county, Sweden; Marna Perry, Oldham county, France; Dale Stahl, Warren county, Ireland, and Faye Sumpter, Letcher county, England.

The returning ambassadors of goodwill will spend a large part of the next few months in telling of their experiences through the press and radio and to public audiences.

GRASS AND CLOVER CARRY MUCH STOCK

Forest Cayce of Caldwell county told County Agent R. A. Mabry that he pastured 30 cattle, 75 sheep and four horses all summer on 40 acres. The field was seeded last February with one pound of Ladino clover, five pounds of orchard grass and 4½ pounds of timothy seed an acre. No fertilizer was used this year, but 1,000 pounds of complete fertilizer an acre was spread last year, and 200 pounds of 47 percent phosphate an acre had been put on in 1948. The land also had been limed in recent years.

STUDY IS MADE OF LOUISVILLE MARKET

A study of the Louisville wholesale market for fresh fruits, vegetables, poultry and eggs, made jointly by the Agricultural Experiment Station of the University of Kentucky and the Production and Marketing Administration, is reported in Experiment Station Circular 69. The authors are C. D. Phillips of the Station and George E. Turner of the PMA.

The 80-page publication deals with the importance of the Louisville wholesale market, its location, organization and facilities for handling farm produce, and offers suggestions for improvement.

LOGAN BOY CAPTURES TWO CHAMPIONSHIPS

James E. Morrow, 14 years old, captured two championships at the Negro 4-H club show and sale at Russellville. His Angus calf was tops, winning him \$32 in cash prizes and selling for \$359.60. Profit on the animal was \$204.60.

Then James won another championship on his Ohio Improved Chester pig. That added \$16 in cash prizes, and the animal sold for \$69.28.

This was the third show sponsored by the 4-H Club Council and directed by B. K. Brown, assistant county agent in charge of Negro work in Logan and Simpson counties.

Veterans Training Deadline Set For July 25, 1951

Veterans of World War II planning GI Bill education and training were reminded today by the Veterans Administration that the July 25, 1951 deadline for starting courses is only seven months away. This coming Spring school term will be the final such term most veterans may enter or re-enter before the deadline, VA said, adding that if they plan to enroll it's not too early to start making arrangements now.

The 1951 deadline applies to most World War II veterans whose discharge date from service before July 25, 1947. Those discharged after that date have four years from their discharge date in which to begin training.

Veterans affected by the deadline actually must have commenced their training by July 25, 1951, if they want to continue afterwards, VA said. A veteran must be in training on that date unless he has temporarily interrupted his course for summer vacation or for other reasons beyond his control.

Once a veteran completes or discontinues his course of GI Bill training after the deadline, he may not start another course.

Veterans may obtain further information from their nearest Veterans Administration office.

DUVALL TO VISIT COUNTRY

F. E. Duvall, Field Secretary of the Kentucky Disabled Ex-Servicemen's Board, Louisville will be in Burlington Friday, February 9, 1951 from 8 a. m. to 4 p. m. for the purpose of aiding veterans and their dependents in filing and prosecuting claims for benefits, to which they may be entitled from the Veterans Administration.

Cooper Announces Opening Of Exchange Store In Covington

Edw. P. Cooper, who has appliance and television stores at 422 Dixie Highway, Erlanger and 827 Madison Ave., Covington, announces in this issue of The Recorder, the opening of the "Cooper Exchange Store," 811 Madison Ave., Club Hollywood Bld., Covington.

Mr. Cooper found the new store necessary as an outlet for 100 used refrigerators and 75 used washers, trade-ins from his two stores, as well as radios, televisions, sweaters, ranges, ironers, etc. These trade-ins will be sold at very low prices, some refrigerators and washers as low as \$25.00.

Leaders Developted Thru Demonstration Program of Work

How home demonstration work provides an opportunity for the development of leadership among its members was rated by Miss Myrtle Weldon, Lexington, state leader of home demonstration work, as one of its strongest and most unique features.

"Through the experience of being a project leader or an officer in her local club, many a homemaker has developed untapped ability and latent talent," she said. "As a result, in more than one instance, the timid little housewife has become an influence and asset in her community, and possibly in her county and state."

In calling attention to National Home Demonstration Week, April 30 to May 6, Miss Weldon said that 29,853 farm and rural women in Kentucky are members of 1,379 homemaker clubs. Last year a total of 16,777 women served as project leaders, relating to their clubs the information learned from specialists from the College of Agriculture and Home Economics, University of Kentucky. In addition 3,426 homemakers served as leaders of 4-H clubs.

Working directly with the homemakers in 87 counties are 101 home agents and their assistants. These women are interested in farm women in improving their health, homes and living conditions are these reports: 18,121 families improved their diets; 22,658 preserved food; 6,529 families were assisted with child guidance; 3,590 remodeled homes and 6,403 improved kitchens; 4,531 families were assisted in home lighting or buying electrical equipment; 4,777 provided more storage space; 68,249 were assisted in clothing construction, selection and renovation; 11,105 in consumer buying problems; 20,805 with selection of furniture or refashioning; 17,321 with home recreation; 2,459 with management of time and 1,701 with home accounts and financial planning.

Dr. C. E. Parsley Opens Covington Office

Dr. C. E. Parsley has opened offices at 2 West Pike St., Covington, where he is giving treatments of Manipulative Orthopedy—the art of adjusting the feet so as to eliminate certain pressure that will tend to cause various foot troubles.

Dr. Parsley, who formerly had an office in Erlanger, is a graduate of the Lloyd high school at that place and is well known in Boone County. He maintains an office for the practice of chiropractic at 3629 Decourcy Ave., Latonia. The doctor carries an announcement in this issue of The Recorder.

Keeping Books

You may, like most people, hate to keep books. The best way to know where your money goes—without keeping books—is to pay all obligations by check. This gives you an automatic record and receipt—your canceled check. And it helps to build your credit at the bank.

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

HELPERS' CIRCLE MEET

The Hebron Lutheran Helpers' Circle meeting will be held Thursday, January 25th at the home of Mrs. Elizabeth Monahan.

The December meeting, at which time the members entertained their husbands with a Xmas party, was held at the church. This party was a great success. As usual, the business meeting was held first and followed by the lesson "Bethlehem Then and Now," given by Mrs. Lina Mae Riddell and Mrs. Alice Schneider.

At the social hour everyone was entertained with games and contests arranged by the game committee. The church and Sunday school rooms were beautifully decorated by the decorating committee, but best of all was the work done by the lunch committee, who really served a delicious lunch.

At the close of the evening a welcome speech of praise and thanks to the wives was given by Albert Rogers, which made us feel it was really worth while to put forth such an effort to entertain our husbands at our annual Xmas party.

A TRIBUTE TO MRS.

CHESTER A. SOUTHER

The United Daughters of the Confederacy lost one of its most loyal and enthusiastic members in the passing of Mrs. Chester A. Southern, at Cincinnati, January 2, 1951. Both Mrs. Southern and her husband, who died some eight years ago, were natives of Florence, Ky., the famous "Sittingtown" on the Pike of John Uri Lloyd's novel by that title. After residing in Cincinnati and Erlanger during their early married life, the Southerns took residence in Detroit, where they built their stately home, "Southstone."

Mrs. Southern's love for the South, and Kentucky especially, amounted almost to a passion. A little more than a year ago she bought a

spacious place in Walnut Hills, Cincinnati, which commands a splendid panorama of the lovely Ohio River and the nearby Kentucky hills. It was her joy during her last illness to look out over that glorious scene each day and rest her eager gaze on familiar and beloved landmarks. Thus it was that she passed away within but a few miles of her birthplace and dreaming of happy days gone by.

Mrs. Southern organized the Stars and Bars Chapter of the U. D. C. of Detroit in her own home, which was the chief meeting place of the Chapter for years. The portraits of her heroes, Robert E. Lee, Stonewall Jackson, and Jefferson Davis, hung in a conspicuous place in both her Detroit and Cincinnati homes, and her love for the history of the South was deep and enduring. Mrs. Southern was likewise a member of the Daughters of the American Revolution, and was accustomed to attend every annual convention.

Mrs. Southern, "Katura," to her family and friends, was a unique personality, widely traveled, well informed, and a loyal citizen of her reunited nation. Her sense of humor was delightful, her friendship rewarding, her kindnesses myriad. For many years Mrs. Southern had shared her home with her beloved sister, Conde, the only surviving member of the immediate family.

—Rev. Edgar DeWitt Jones, D. D., Detroit, Michigan.

Come in and See
the FARMALL CUB

Just as I was going home for dinner the other day, the district zone manager from Harvester dropped in. I said, "You better come along, we're having chicken..."

On the way back to the store, he told me to expect a shipment of Farmall Cubs within the next few days. This ought to cheer you up, and it doesn't make me "mad" either!

Well, they are here now—on display. So come on in, folks, and see the Farmall Cub! Next to a pair of pliers, it's the handiest farm tool I know. Just right for the fellow with 40 acres, more or less... the part-time farmer... the vegetable truck-crop grower... or the big acreage farmer who needs another tractor.

Of course, what really makes a Farmall Cub useful is its full line of quick-change implements with fingertip Farmall Touch-Control. No more sweating and swearing and aching backs!

Another thing... when you need prompt service and parts, I'm always here.

the Railroads **RESPECT...**

the Labor Unions seek to **REPUDIATE** this agreement!

What is the TRUTH?

At various states in the present dispute with the brotherhoods of railroad operating employees...

...the railroads agreed to arbitrate. The union leaders refused.

...the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused.

...the railroads accepted the White House proposal of August 19, 1950. The union leaders refused.

Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement.

The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated.

The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.

2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.

3. Settle rules for 40 hour week and 6 day week.

4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.

5. Settle following rules:

Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Caboose (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonage Limitation (Conductors and Trainmen, all Territories)

6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.

7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until modified or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified. In addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

Future Is Black For Building of New Public Schools

Boswell B. Hodgkin, State Superintendent of Public Instruction, said last week in a meeting at Louisville, that the future looks black for new school buildings.

Mr. Hodgkin, who presided at the closing session of the third annual conference of superintendents and supervisors, sponsored by the State Department of Education, said, "It would take \$100 million to build all (schools) that are needed right now in Kentucky, but there is no priority on materials for school buildings, so the building program will be interrupted and finally come to a standstill."

He also declared that many Kentucky teachers are being called into the armed services and many others are leaving the profession to seek better paying jobs.

A program of life-adjustment education was outlined at the meet-

ing by Mark Godman, head of the Bureau of Instruction in the State Education Department. "It simply means," Mr. Godman stated, "equipping youth to live democratically with satisfaction to themselves and profit to society as members, workers and citizens."

Dr. Bruce Underwood, State Health Commissioner, told the group his department would continue efforts toward the best possible program of school health.

Try A Want Ad - They Sell

Poultry Pointers Given By County Agent Davis

The income from poultry can be made a little higher than the past year if raisers do a better job of management, according to Bill Davis, County Agent.

Egg prices are not expected to be too high during 1951 which means that more care must be given to the little things that mean the difference between profit and loss.

Egg prices are always higher from July to January than in the first part of the year. Order chicks early (January-February) so they are at peak production during the greater part of the last six months of the year. Order three times as many straight run chicks as the number of pullets to be kept for laying. This number will permit culling after the roosters are removed. Buy chicks from a nearby hatcheryman who is doing a good job of culling and bloodtesting and carrying out a breed improvement program. Have feeders, waterers and brooding equipment ready for operation. Start the brooder two days before the chicks arrive. Have at least one inch of feeder space for each chick.

Buy only the number of chicks that can be properly housed and fed. Figure ten pounds of feed to raise a chick to frying size and 15-17 pounds for each pullet to laying age. Ten to twenty percent of the feed can be saved by providing pasture for the pullets.

Dwarf Essex rape, seeded as soon as freezing weather is over will provide excellent pasture.

Cull the layers often to maintain high production per bird for cheaper cost of production.

JOINT MEETING OF SUNDAY SCHOOL CLASSES HELD JAN. 13

The Men's Bible Class and the Friendship Class of the Burlington Baptist Church met Saturday night, January 13th at the Burlington School Cafeteria for their regular monthly meeting. The purpose of the meeting was the installation of new officers for the year 1951.

A pleasant social hour was enjoyed after which J. A. Caywood, superintendent of Kenton County schools spoke to the group. Several musical numbers were offered and a good time was had by all present. Some 75 people were in attendance.

The Men's Bible Class met each second Saturday night. The next meeting will be held on Saturday night, February 10th and the committee in charge is planning another fine program. All members of the class are urged to attend.

Strength Of Local Quints Will Be Tried During Next 10 Days

Basketball Queen Will Be Crowned At Burlington Friday Night

The next ten days will tell local basketball fans a lot about how Boone County quints stack up for the coming tournaments. By the time this article reaches print the Burlington Eagles will have been pitted against the high scoring Ludlow Panthers, in a contest that should be a good measuring stick as to how strong the local quint really is. The Eagles are now carrying a twelve-game win streak and have not lost a game since December 12 when they lost a two-point decision to Gallatin County at Warsaw. Ludlow, undoubtedly the highest scoring machine in northern Kentucky, has piled up scores of more than 100 points twice within the past month against local opposition. They carry a good record and are considered one of the tournament darkhorses in the 35th district.

Hebron Here Friday
Burlington will take on Marion Crowe's Crittenden Bulldogs Thursday (today) in an afternoon contest at the local gym. The game will begin at 1:30, according to school officials. This game, previously scheduled for Saturday night of last week, is being played as an afternoon contest to give many school children an opportunity to witness a game. The big game of the week will be Friday night when the Eagles entertain Hebron's Cardinals. These two teams, opponents in the first round of the 34th district tourney, have played twice already this season with the Eagles taking both contests. Burlington won the first by a 59-49 score in taking the Boone School News tourney and two weeks later they trimmed the Cards 61-49 at Hebron. Hebron appears to really be "up" for the game and could give the Eagles their first conference setback.

Queen To Be Crowned
Burlington's basketball queen, Miss Helen Faye Eggleston, daughter of Mr. and Mrs. George Eggleston of Burlington, will be crowned in pre-game ceremonies Friday night. Miss Eggleston's attendants will be Misses Vera Dean Scott, Joyce Kelly, June Brown and Peggy Kelly. The queen will be crowned by co-captain Jim Ryle. She will be escorted by co-captain Albert Rouse. Other escorts will be Bob Pelfrey, Gayle Rouse, Harold McFarland and Gerry Ryle.

Beacraft Opposition
Charlie Hayes' Walton Beacrafts, like the Eagles, take on some important teams this week. The Cats have Newport on Tuesday, Gallatin County Friday and Hebron next Tuesday, Feb. 13. The Walton five has shown marked improvement during the past month and the outcome of these three contests should tell much about their potential strength.

Other games coming in the next few days place Florence at New Haven, Friday, Feb. 9 and New Haven at Gallatin County Feb. 13. In games played last week Burlington defeated Florence 70 to 31, Ludlow knocked off Hebron 63-43, Walton thumped St. Thomas 61-38 and St. Henry defeated New Haven. On Monday night of this week St. Henry defeated Florence at Florence, by a score of 58 to 39. A number of contests were cancelled due to cold weather and bad highway conditions.

HEBRON P-T. A. WILL MEET FEBRUARY 8TH
The Hebron P-T. A. will meet at the school tonight (Thursday), February 8th at 8:00. A program has been planned and a special invitation is extended to everyone in the school district to attend this session.

Sunday Schools Hold Meeting Monday, Feb. 5

The Boone County Baptist Sunday Schools met Monday night, February 5 at the Florence Baptist Church for its regular monthly meeting. Eight churches were represented with 55 people present. Rev. L. N. Stamper, Pastor of the Union Baptist Church was selected to promote study courses and to keep account of the number from the various Sunday Schools who have study courses.

The Efficiency Banner was awarded to the Union Baptist Sunday School with 162 points and the cup was presented to the Florence Baptist Sunday School with 23 present. Two beautiful solos were brought by Miss Lorraine Lincke and Mr. Don Mager.

The new pastor of the Florence church, Rev. Howard Gordon, was the speaker of the evening and brought a splendid message on the subject, "Using the Sunday School and Evangelism." The next meeting will be held Monday night, March 5 at the Big Bone Baptist Church, 7:45 p. m.

February 15 Deadline For Filing ACP Report

The Boone County PMA Committee has announced that many Boone County farmers have not yet filed their report of the ACP program year.

It is necessary that this report be filed and an application for payment signed before any cash payment or conservation material credit can be received.

The absolute deadline for making this report is February 15, 1951.

F. C. Degree Will Be Conferred By Burlington Lodge February 8th

Burlington Lodge No. 264 F. & A. M. will meet Thursday night, February 8 at 7:30 p. m. Regular business will be dispensed with, after which work in the Fellowcraft degree will be conferred.

All members of the lodge are urged to attend and members from surrounding lodges are given a cordial invitation to attend.

MONTGOMERY ESTATE WILL BE SOLD AT AUCTION FEB. 10

The Fannie Montgomery estate, consisting of a colonial home and 37 acres, on Beaver Road, one-half mile west of the Dixie Highway, Boone County, will be sold through action of Robert K. Porter, administrator, Saturday, Feb. 10, 10:00 a. m.

The sale, which will be conducted by Rel C. Wayman & Sons, with Cecil Wayman, auctioneer, will also include a great number of other items—stock, tools, furniture, feed, etc.

State Income Tax Representative To Visit County Feb. 19

Will Assist Taxpayers In Preparing State Income Tax Returns.

A representative of the Kentucky Department of Revenue will visit Boone County on February 19, 1951 to assist taxpayers in preparing their state income tax returns.

The representative, Mr. Ben Zimmerman, Jr., will be in the courthouse from 8:30 a. m. to 4:30 p. m.

This service is provided as a convenience to taxpayers and to encourage filing before the April 15th deadline for paying state income tax. In addition, the Department of Revenue District Office at Covington, 714 Coppel Building, will provide assistance to filers.

Kentucky law requires income tax returns from single individuals who have an income of \$1,000 or more. Married persons are required to file if their combined income amounts to \$2,000 or more.

Single individuals are entitled to a tax credit of \$20. A single person, qualifying as "head-of-family" is entitled to a tax credit of \$40. "Head-of-family" is defined as a person who maintains in his own household one or more dependents who are closely related to him by blood, adoption or marriage. A married couple is also allowed a tax credit of \$40.

Any taxpayer who has specific questions about completing his return may call the district office at 714 Coppel Bldg., Covington, Hemlock 7200.

The Kentucky Income Tax is entirely separate from the Federal Income Tax.

Burlington Lady Named County Red Cross Chairman

Served Three And One Half Years In United States Army Nurses' Corp

Mrs. Jack Caldwell of Burlington has been named 1951 Red Cross fund campaign chairman of Boone County. It was announced this week by Mrs. Elizabeth Nestor, executive secretary of Boone County Chapter American Red Cross. Mrs. Caldwell will be assisted by the Rev. Roy A. Johnson, pastor of Burlington Baptist Church, who will serve as co-chairman in advisory capacity.

Mrs. Caldwell, a graduate from College of Nursing, University of Cincinnati, Ohio who served 3 1/2 years in the United States Army Nurses' Corp with the rank of Captain, made the following statement in accepting the county chairmanship: "After observing the work and service of the Red Cross during World War II, both at home and overseas, and after observing the great need for this same help in these times of emergencies and peril, I am glad to accept any position which will aid the Red Cross in its work. I am sure that the Red Cross will in turn will aid humanity."

Mrs. Caldwell further added, "The American Red Cross organization is facing its greatest responsibility since the peak of World War II. The tremendous tasks assigned the Red Cross include: Serving our expanding armed forces, training upwards of 20,000,000 in first aid, training 700,000 in home nursing, training at least 100,000 nurse's aides, procuring large quantities of blood and stockpiling plasma for defense needs, recruiting and training volunteers to assist with temporary shelter, food and clothing in event of war-caused disaster."

The 1951 fund drive will officially open at Madison Square Garden, New York City, on the evening of Tuesday, Feb. 27. The traditional Red Cross message from the President of the United States will be a part of this program which will receive the widest radio and television coverage in Red Cross history. Many stars of radio, stage and screen will take part in the launching program.

Precinct chairmen of Boone County and the county quota and precinct quotas will be announced within a few days, Mrs. Caldwell stated.

Lincoln Institute Choir Will Present Program At Bellevue Church

The choir of Lincoln Institute will present a program of Spirituals at the Bellevue Baptist Church on Sunday evening, February 11 at 7:30, weather permitting. This is one of Kentucky's finest Negro choirs. In a program presented in Louisville in January they sang so well that they merited the enthusiastic compliments of a large audience.

Lincoln is one of Kentucky's oldest and best schools for Negro youth, with a program of study of the highest academic standard they insist upon the Christian foundation for life as a necessity in using this education.

The Spiritual is America's distinctive and unique contribution to music. No one sings spirituals as well as the people in whose hearts the spiritual was created. It combines melody, religious fervor and the longing of the human heart for a better world. Its beauty is simple and moving because it sings out of the heart of a man.

The public and all the friends of Bellevue are invited to hear this splendid choir.

Rouse Sale Postponed Due To Slippery Roads

The M. F. Rouse sale, scheduled for Saturday, February 3rd has been postponed until Saturday, February 17th, due to bad weather. It was announced Monday morning.

The sale which will be conducted by the Florence Realty and Auction Co., will be carried in next week's issue of this paper.

4-H and Utopia Fair Will Hold Crochet Contest

National Prizes Totaling \$2500 Will Be Offered, According To Report.

Somewhere among the crocheters of the country are the 1951 champions of crochet. They will be chosen by their entries in the National-wide Crochet Contest, an exciting competition for all crochet enthusiasts, held throughout the United States at state, county and local fairs.

Entries in the contest are submitted to the fairs who do the preliminary judging. In this vicinity, anyone—man, woman or teen-ager—who wants to get in on the fun, can enter one or more pieces in the contest at the Boone County 4-H and Utopia Fair.

What are the prizes in the National-wide Crochet Contest? \$2,500 in cash awards, including \$500 to the Grand National Champion, the contestant whose piece is judged superior to all others and all-expense-paid trips to Chicago for the Grand National Champion and the Male Champion. Cuffs, ribbons, needlework honors and the excitement of taking part in the contest are additional incentives for entering the competition. Pieces of original design may compete for extra awards amounting to \$500 offered by Woman's Day Magazine.

What kinds of articles are eligible? There are twelve classifications: Tablecloths, Bedspreads, Luncheon Cloths and Sets, Centerpieces, Buffet and Vandy Sets, Chair Sets, Dollies, Scarves and Wall Panels, Household Accessories, Edgings and Insertions, Fashion Accessories, Potholders and Hot Plate Mats. In addition, there are four special categories, Men Only, Teen-Age Girls, 4-H Club Girls and Ladies Over 65, in which contestants may provide any crocheted article provided it fulfills all the other entrance requirements of the contest.

All pieces must be crocheted of mercerized crochet cotton and must have been completed since January 1, 1951, though not necessarily started at the first of the year. To be eligible for the national judging in November, entries must win a special Nationwide Crochet Contest ribbon at a participating fair. The Needlework Department of the Fair will judge the entries in all sixteen classifications and to award the special ribbons to the best piece in each category. A Gold Sunray Loving Cup will also be awarded to the crocheter whose work is chosen "Best of Fair."

Anyone who likes to crochet will enjoy taking part in this biggest of all needlework contests. For further information about how to enter the contest and for an official Rules Leaflet, contact the Fair Secretary, Mrs. Vernon Pope.

Both were removed to St. Elizabeth hospital, Covington for treatment.

Details of the accident were not available.

Resowing Damaged Alfalfa and Grass Field-Pointers Given

Occasional reports and observations indicate that some alfalfa and grass fields sowed late last fall are already damaged badly by heaving. The winter is only half over and more damage may occur. It is not necessary to rework these fields this spring, according to Bill Davis, County Agent.

The seedbed was prepared last fall and the natural settling and firming of the soil thruout the winter has prepared a seedbed for spring sowing as good as any and the best of the soil. Early sowings in the spring are usually more successful than late sowings. The sooner the seeds are broadcast on top of the ground after the middle of February, the more certain it is that they will be ready to sprout when the first days come that are warm enough. During the first half of the spring sowing season, which ranges from early February to as late as the first of May, the temperatures are low and evaporation is not sufficient to result in a dry, crusty top layer on the field. In this condition, seedlings can sprout and not suffer from drying out on top of the ground.

The danger of freezing "in the crotch" is not so great. Neither is it so great as the danger from dry weather when the seed are sowed in the last half of the sowing season. In the latter half, as the season advances, it gradually becomes advisable to stir the ground so that the first rain will cover the seeds.

Alfalfa, clovers, and grasses should be sowed on such fields that were damaged through the winter either in spots or over the entire area, as the condition may require. The addition of about three hundred pounds of mixed fertilizer, also on top of the ground, may be of great aid in causing quick growth of the seedlings.

Outstanding Bull Sold To Walton Farmer

John A. Caldwell, a Brown Swiss breeder of Burlington, Ky., has recently sold the Bull Featherstone Silver's Gem 104154 to Eli Russell, Walton, Ky., according to a report from Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

Quality and Price of Burley Takes Slump

Lower quality offerings last week helped pull down the price average of burley tobacco to its lowest point of the season, according to reports.

Gross sales were reported as 3-254,564 pounds by the Federal-State Market News Service which said growers in the eight-state belt received an average of \$43.4 a hundredweight. This was \$2.02 under the previous week's average while volume was about 19 million pounds less.

Season totals stand at 522,329,152 pounds at an average of \$48.83. Kentucky's sales totaled 2,097,287 pounds with an average of \$44.69 for the season.

Community Meetings Now In Progress Throughout County

Six Meetings Remain On Schedule, According To County Agent.

Community Planning Meetings are now in progress throughout the county, four meetings have been held this week and others scheduled for the remaining six communities are as follows:

Petersburg—Friday, February 9, schoolhouse.
Walton—Monday, February 12, schoolhouse.
Hamilton—Tuesday, February 13, schoolhouse.
Verona—Wednesday, February 14, schoolhouse.
New Haven—Thursday, February 15, schoolhouse.
Grant—Friday, February 16, at schoolhouse.

The moving picture, in sound and color, "Green Pastures" will be shown at each meeting, according to Bill Davis, County Agent.

All farmers are invited to attend the most convenient meeting.

Polio Drive Extended For Ten Days In County

The current Polio Drive in Boone County has been extended ten days due to the weather conditions, it was announced Tuesday by the local committee.

Instead of some of the workers calling on the citizens in rural sections of the county, March of Dimes cards are being mailed out, to aid in the fund raising campaign.

You are urged to give to this most worthy cause.

Jack Caldwell Honored At Farm-Home Convention

Receives Bronze Plaque and \$50.00 For Efficient Production of Milk.

Jack Caldwell, outstanding Burlington Brown Swiss dairymen was among a group of outstanding farmers honored at the Farm and Home Convention, held in Lexington, University of Kentucky, last week.

Mr. Caldwell took second place honors in the State for efficient production of milk through good pasture management, the use of silage crops of hay and corn, efficient grain feeding and sanitary milking procedures.

The award for second place honors was a bronze plaque and \$50.00 presented at the speaker's platform of a joint meeting of dairy farmers and beef cattlemen. The award was made by W. C. Jamison, Sullivan, Ind., representative of the National Dairy Products Corp.

County Agent Bill Davis, stated that Mr. Caldwell had made much progress with his Brown Swis during the past few years, developing his herd into one of the most outstanding herds in the State.

Principal speakers at the joint livestock sessions were Dr. H. B. Morrison of Cornell University, who showed color pictures of ranching in Argentina and spoke on fitting hog raising into grassland farming; and Dr. L. E. Hawkins of Oklahoma Agriculture College, who urged farmers to set up their programs so they could get the most possible out of their land.

PRUNING THE HEDGE

Early freezing weather in many instances severely damaged hedge plants. In fact, many hedge rows that were good looking last fall will look bad this spring because some plants were killed to within 12 or 15 inches of the ground.

There are also instances where a hedge has been growing for years and has become so large that it is almost impossible to shear it. This hedge needs to be rejuvenated, according to Bill Davis, County Agent.

Late February or early March is the time to cut back plants that were injured by freezing or those that have become overgrown. For best results, cut the hedge about 6 inches off the ground, removing all of the top and branches to that level. If this is done, the plants will put out new growth and by mid-summer the hedge will be 18 to 24 inches high, and then may be sheared to any desired form. New top produced by this treatment makes the hedge better looking, and it will usually have branches to the ground, something that is desirable in a good-looking hedge.

As soon as it is possible to work the soil, the hedge plants should be cultivated at least 12 inches out on both sides of the row, the soil loosened to a depth of 3 or 4 inches, depending on the roots encountered. If there appears to be a lot of roots, do not cultivate so deep; 2 or 3 inches will be sufficient. Work the soil until it is in good condition.

Hedge plants should be fed with high-grade fertilizer on both sides of the row as soon as the ground is worked. One pound to each side of five feet of row will be sufficient. Wash the fertilizer into the ground by watering.

FOR THE GARDEN
OF YOUR HEART

Mrs. Sam Denham, Sr., president Boone County Garden Club will have the following prayer at each meeting. All members are to learn same, so clip and save.

"Lord—make me an instrument of Thy Peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is sickness, joy. O Divine Master grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life."

The Club will meet at the home of Mrs. Sam Denham, Jr., Florence, February 13th at 1:30 p. m.

The guest speaker will be Mr. Clifford Coyle, Florence, who will speak on "Soil Preparation For Home Planting."

Members to answer Roll Call with the name of "A plant that thrives in acid soil."

WORLD DAY OF PRAYER
ANNOUNCED BY CONSTANCE
CHURCH OF THE BRETHREN

World Day of Prayer Service will be observed Friday, February 9, by the Constance Church of the Brethren. Theme, "Perfect Love Casts Out Fear," I John 4:18.

Churches of the entire community have a part on the program, it was announced.

The public is cordially invited to attend.

SOCIAL SECURITY FIELD
REPRESENTATIVE WILL
VISIT ERLANGER FEB. 15

Edward J. Bolte, field representative of the Covington, Ky., social security office, will be at the Erlanger Post Office from 10:00 a. m. to 11:00 a. m., Thursday, February 15. He will take claims of retired workers, dependents and survivors; issue social security cards; and distribute informational leaflets explaining phases of the amended Social Security Act.

Mr. Bolte calls attention to the provision in the new social security law for the payment of monthly insurance benefits to the wife of a retired worker regardless of her present age, if she has a child under 18 in her care. Under the old law, such payments were not made until she became 65. Women who meet this requirement should file new claims for insurance payments, says Mr. Bolte.

In Garrard county, 2,681 sheep were insured last year by 60 members of the protective association, a slight increase over the previous year.

THOROUGHbred BREEDERS
AWARD FFA SCHOLARSHIPS

A series of university scholarships for boys who are actively participating in the Future Farmers of America program has been renewed by the National Association of Thoroughbred Breeders, Lexington, Ky., representing 1,800 breeders of Thoroughbred race horses. The 1951 scholarships, which will help F. F. A. boys in 10 states attend their state universities, are set up similar to the awards made last year, excepting that the grants have been increased in value. Each 1951 scholarship will be worth \$400, payable \$200 in the Freshman year and \$200 annually in the Sophomore and Junior years. The winners will be selected by the university in each state from among F. F. A. members. Winners must have excellent records and show they need assistance in order to go to college.

Following are the state universities in which National Association of Thoroughbred Breeders 1951 scholarships have been established: California State Polytechnic College.

University of Kentucky
University of Maryland
University of Illinois
University of Florida
University of Massachusetts
Cornell University (New York)
Rutgers University (New Jersey)
University of Delaware
Michigan State College
All scholarships are for under-

graduate study in Colleges of Agriculture. It is possible some of them may be sponsored by various state breeders' organizations which are members of the National. In this event, universities in other states will be added to the above list.

Boyle county homemakers made eight United Nations flags for schools in the county.

Income last year from dairies in Monroe county was up 30 percent over 1949, and it is expected to be increased a fifth this year.

SUGGESTS PLANTING SWEET PEAS FEB. 22

Washington's Birthday is just about the right time to sow sweet peas, says Prof. N. R. Elliott of the College of Agriculture and Home Economics, University of Kentucky. Most people, he said, tend to sow them too late for best results.

His directions: Dig a trench about six inches deep, scatter the sweet peas and cover with about two inches of soil. When the peas are about six inches high drag in two inches more dirt. Fill the

trench when the peas are eight to 10 inches high.

Sweet peas, Prof. Elliott pointed out, are a cool weather crop. By planting deep, the roots are in cool, damp soil when hot weather comes. They should be in full bloom in late May or early June. By keeping the blooms picked, so the peas cannot go to seed, they may continue to produce most of the summer.

Gilbert Blankenship, of Boyd county last year sold \$250 worth of alfalfa in the field from five acres seeded in 1949.

Florence

A recent communication from Mr. and Mrs. Mortimer Moss received by Mrs. W. R. Miller states that Mrs. Moss has been ill all the time since she and Mr. Moss arrived at the home of their daughter, Mrs. Robt. Carpenter and family, who are now residing in Claypool, Ariz., which is 125 miles north of Tucson, where they were formerly located.

Mr. and Mrs. Russell House and

A. M. Yealey are sojourning in Tavares, Fla. A card from Mr. Yealey states that the weather is nice there now with a temperature of 80 degrees following the recent cold wave that sent the mercury down to freezing with snow.

Miss Lucille Rucker who recently sold her farm on Hebron Road is now occupying her property on Shelby St., purchased from Mr. and Mrs. Lloyd Chilton. The community welcomes Miss Rucker as a citizen of Florence.

Mrs. Clyde Arnold was among a number from this county who attended the Farm and Home Convention held in Lexington during the past week. An interesting feature of the occasion was the film shown by Lowell Thomas, Jr., of pictures taken when he and his father were traveling in Tibet.

Mrs. Dora Markesbery was the guest of her son William and family Saturday night.

We regret to report that Mrs. Mae Russ is not so well at her home on Lloyd Ave. However, her friends wish her a rapid recovery.

Our community extends sympathy to the family of Fannie Easton, who passed away recently.

Rev. T. C. Crume was in Louisville the past week attending the Nurserymen's convention.

Mr. and Mrs. Rogers Knox are being congratulated over their twin daughters Sheila Evelyn and Shirley Elizabeth. The little ladies were born January 31st at St. Elizabeth Hospital.

Mr. and Mrs. Verne Arnold were guests Saturday evening of Mr. and Mrs. Robert Rogers, of Bellevue. Believe it or not a robin made its appearance in our yard Sunday and

NATIONAL FARM LOAN ASSOCIATION
Federal Land Bank Loans
Your Interest Rates. Long Term

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

is your head "buzzing" with housecleaning plans?

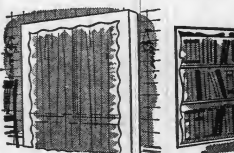

then here's another idea to help your home to greater beauty...

Redecorate with LIGHT

It's surprising how the right light in the right places can bring out original colors and beauty. And you get such attractive, unusual effects... by lighting windows with "artificial" daylight... and by lighting bookshelves and pictures. Important, too—new light bulbs to replace burned-out ones is an inexpensive way to give your home and eyes a lift!

Light does so much for your home for so little cost

ICE CAPEDES OF 1951 SCHEDULED FOR GARDENS FEBRUARY 20 THRU 25TH

"My muscles have never had a vacation!"

That's how Orrin Markhus, male half of the fabulous Old Smoothies who thrilled Cincinnati Garden fans on their two previous visits,

explains his amazing success at age 59, with the 11th all new edition of the "Ice Capades of 1951" coming to the Cincinnati Garden February 20 thru February 28, with nightly performances at 8:30 and matinees on Saturday and Sunday at 2:30.

It has been virtually daily activity in one sport or another that has kept Markhus at the top. Of

course, perfect muscular coordination and the "will to win" has also helped the portly skater. Orrin and his charming partner, Irma Thomas, form the Old Smoothies, one of the most popular number in the history of ice show business.

Markhus is an amazing fellow and if there was ever a deserving graduate of the "School of Hard Knocks"

Orrin is that person. First of all, he was headed for college and a medical degree when his father became very ill and Orrin had to go to work to help support his family. Young Orrin took the first job he could get, a back-breaking job as a blacksmith's helper, swing a heavy sledge. Then he loaded telephone poles in a lumber yard; later quit that to carry bricks.

Thinking that there "must be an easier way to earn money," Markhus took up athletics. He had always been a fine skater, so after winning a number of amateur championships, he turned pro to teach the finer points of figure work. He also landed a contract to play pro baseball and thus had his problems solved for the time being. Markhus has another amazing facet to his career, in that he is ambidextrous. He could throw with either hand and of course, bat from either side of the plate.

Markhus uses this ambidextrous gift in skating. Usually a skater spins or "works" better off one foot than another. But not Orrin. He's just as powerful on his right leg as his left and he spins on either foot with equal ability.

Irma Thomas had three daughters, Ardria and the twins, Mary and Jane. They were all taught to skate by Markhus and all three won professional contracts. Ardria was with the Capades in its early stages, while the Thomas Twins gained national fame with the Ice Follies.

But mama was the best of 'em all. She had plenty of natural ability and Markhus taught her how to use it. The combination was unbeatable and now their eighth year with the Ice Capades is greater than ever.

Tickets are now on sale at Cincinnati Garden or Hotel Gibson in Cincinnati. Mail orders are also being accepted at the Garden, 2250 Seymour Avenue, Cincinnati 12, Ohio.

SHERIFF'S SALE

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

VOLUME 75

BURLINGTON, KENTUCKY THURSDAY, FEBRUARY 15, 1951

NUMBER 30

Two Road Houses Raided By County Officials Saturday

Both Charged With
Selling Beer After
Midnight.

Two Boone County road houses were raided Saturday night by county officials, assisted by the State Highway Police. Establishments raided were the Spanish Villa, and Red Arrow Tourist Camp, both of near Devon on U. S. 25. Malcolm Tuller, of the Spanish Villa was charged with selling beer after midnight, and was fined \$100 and costs when arraigned in Judge C. L. Cropper's court, Monday. Tuller pleaded guilty to the charge. C. Wilkins, operator of the Red Arrow Tourist Camp, pleaded, his case which is being tried as we go to press Wednesday morning. He was also charged with selling beer after midnight, according to Judge Cropper.

County officials taking part in the raid were Sheriff Wendell Easton and County Attorney W. F. McEvoy, assisted by Robert Gordon, State Highway Trooper.

Burlington Youth Wounded In Korea

Mr. and Mrs. Raymond Bingham, received word last week that their son, Pvt. Thomas A. Bingham, was wounded January 14th and is in a hospital in Pusan.

According to reports, Pvt. Bingham suffered a right arm and left chest wounds.

During the battle in which Pvt. Bingham was wounded, his Company Commander and First Sergeant were killed when attacked by the Chinese and North Koreans.

Plea Made By Red Cross For Reading Material

The Boone County Red Cross is making arrangements to send magazines and light reading material to service men and women in the Korean theater. Citizens of the county have been requested to bring their magazines (preferably congested magazines such as "Readers Digest" etc.) and comic books to the county's schools from where they will be collected by the Red Cross for shipment. This program is being carried out as the answer to the many requests from our fighting forces for reading material. For additional information concerning the project citizens wishing to take part may contact J. C. Acree, Walton, for further information.

C. L. Stephens, of near Union was pleasant caller at The Recorder office Tuesday morning.

Mr. and Mrs. Lehman Goodridge, of Hebron were business visitors here Tuesday morning. While in town, Mrs. Goodridge was a pleasant caller at The Recorder office.

Request Of Burley Hike O. K'd By Ky. Farm Bureau Group

Resolution Will Be Sent
To Secretary of
Agriculture.

The Board of Directors of the Kentucky Farm Bureau Federation approved a resolution Monday for a request of 10 per cent increase in burley tobacco allotments.

A copy of the resolution will be sent to the Secretary of Agriculture at Washington, according to J. E. Stanford, Executive Secretary of the Federation.

The request for the increase in allotments was made last week by the Executive Committee of the Burley Tobacco Growers' Cooperative Association. The 10 per cent would be in addition to the 5.37 per cent increase already proclaimed by the Secretary of Agriculture.

Increased demands for certain grades of burley abroad and the maintaining of burley tobacco suitable for the needs of domestic manufacturers required more production of the leaf.

Stanford pointed out that some growers might not be able to produce their regular quotas because of labor scarcity on the farms and said the increased allotments would give other producers an opportunity to produce more.

Mr. and Mrs. D. J. Mahany, of near Union were pleasant callers at The Recorder office Tuesday morning.

James L. Brown Receives State Highway Award

James L. Brown, Burlington was listed among a group of employees receiving awards for long service with the Kentucky Department of Highway at a ceremony at Frankfort, February 1. Governor Lawrence Wetherby, Commissioner of Highways John A. Keck, Commissioner of Rural Highways Emerson Beauchamp, and State Highway Engineer Dwight H. Bray officiated at the ceremony and Governor Wetherby presented the certificates and service pins recognizing each man for his period of service.

Mr. Brown's award was in the group of ten to fifteen years of service. In their remarks congratulating the award recipients, the governor, Commissioners Keck and Beauchamp, and Mr. Bray all stressed the value to the Highway Department of the efficiency and knowledge gained by each man in long experience with his job. The policy of the department in retaining men over a long period of service was pointed out as an "important factor in developing the overall ability of the Highway Department to do an effective job of highway building and maintenance in the state, and in carrying out the record-breaking road program of the department in recent years."

Burlington Eagles Capture Hoop Crown By Defeating Hebron

Winners Are Hard
Pressed By Hebron Cards
Friday Night.

Burlington's Eagles captured the Boone County Conference basketball crown last Friday night as results of an unimpressive 51-47 victory over the Hebron Cardinals at the local hardwood. The victory gave the Eagles a 7-0 record in conference play and with only one contest left, that against the on-again-off-again Walton Beacats Friday night, it is impossible for the Eagles to be moved out of the first slot since both Hebron and Walton, the closest teams, have both lost two league tilts.

In winning the conference cinch, the Eagles had their hands full. They led 15-13, at the end of the first quarter and 27-23 at the half, but Hebron pulled into a 39-36 lead at the three-quarter mark and it took a 15-8 last quarter for the Eagles to pull the game out. Gayle Rouse paced the winners with 19 points. Jim Ryle added 14 to the winning cause. The Cards scoring was headed by Anderson with 11 and Crigger, Garnett and Hoger divided 30 points. The Burlington seconds won 34-26 over the little Cards.

Panthers Break Streak
The Ludlow Panthers broke Burlington's 12-game winning streak last Tuesday night when they outlasted the Eagles by a 47-45 score at Ludlow. Ludlow led the entire way but were hard pressed by the Eagles in the latter part of the game. Quarter scores were 14-7, 23-17 and 33-30. Al Rouse with 15 points, and Jim Ryle with 12 paced the Eagle attack. Freking and Bell led the Ludlow offensive with 13 and 12 points, respectively. Ludlow reserves 47-29.

The Eagles dumped Crittenden's Bulldogs of the Penogran conference in an afternoon game last Thursday before a large school children attendance by a 79-32 count at Burlington. The Eagles were on top 18-6 at the first quarter, 32-10 at the half and 57-17 at the third quarter. Fourteen Eagles took part in the contest with 12 hitting in the scoring column. Gayle Rouse was high scorer with 21 points, while Jim Ryle was close behind with 18. Early and Catlett paced the losers with 23 points between them. Burlington's midjets defeated New Haven's midjets in a preliminary tilt by a 39-35 score.

Hebron picked up two winners during the week, one a conference win over winless New Haven Saturday night. Details of the contest were not available for publication. The Cards trimmed Crittenden last Tuesday afternoon at Crittenden by a 55 to 40 count. Gamet was chief point maker for the Cards with 16. Early paced the losers with 20 points. Hebron reserves also won the opener, 46-16.

Beacats Nip Newport
Walton's Beacats pulled one of the surprises of the season when they nipped the Newport Public Wilkes by a 43-39 count in a rugged overtime battle at Walton. The Beacats came from behind to tie the score as the regulation game ended and then went on to score six points while holding the favored Cats to two in the overtime.

Adjutant General Will Speak At Red Cross Meet Feb. 17

Business Meeting And
Election Of Officers Will
Be Held At 6:00 P. M.

General Roscoe L. Murray, Adjutant General of Kentucky and director of Civilian Defense in Kentucky, will be guest speaker at the Boone County Chapter, American Red Cross, annual meeting Saturday evening, February 17 at the Acadia Inn, Florence, Kentucky. Murray's address will be "Civilian Defense."

A business meeting and election of officers will be held at six o'clock p. m. prior to General Murray's address it was announced by Chapter officials. All members of the Boone County Red Cross Board are urged to be present for this important meeting. In stressing the importance of the meeting and the work of Red Cross, Chapter leaders remind the public that Red Cross is the only civilian organization recognized by the government. Since President Truman has proclaimed a state of national emergency Red Cross will have a big part to play in the safety of, and the services to, the people of Boone County and the entire nation.

Reservations for the dinner meeting which will follow the session must be in by nine o'clock on the morning of February 16 and reservations must be accompanied by \$1.25 for each adult and 75 cents for each child. Send reservations to Mrs. Elizabeth Nestor, executive secretary, Boone County Red Cross, Florence, Ky. Chapter officials extend a cordial welcome to all citizens, as well as board members and service workers, to attend the dinner meeting and hear General Murray.

Officers and board members of the Red Cross are: Dean Bloss, Grant, chairman; W. D. Scroggins, first vice chairman; John McEvoy, Florence, second vice chairman; Mrs. Robert Eastman, Florence, treasurer; Mrs. Dean Bloss, Grant, secretary; Mrs. John Bustetter, Florence, Ralph C. Maurer, Burlington, Dan Roberts, Walton, Mrs. Ethel Daugherty, Florence, Charles Melton, Devon, Sam Shinkle, Petersburg, Mrs. Warren G. Miller, Jr., Union, Frank DeMolsey, Walton, Chester Goodridge, Hebron, Mrs. Roy C. Lutes, Florence and Richard Kormeyer, Constance, all members of the board.

The first three quarters 19-11, 32-26 and 46-41 with Newport leading the advantage at the Gallatin County Wildcats, all stops. Dennis Glacken paced the winners with 22 points. Lehigh had 13 for Newport. The Beacats second won 34-26 to make it a complete Walton night.

The Beacats didn't fare so well against another group of Wildcats, the Gallatin County Wildcats, on Friday night as they lost 55-42 to the losers' court. Gallatin County led 19-14 at the close of the first period and held a 35-21 advantage at the half. Walton outscored the winners 14-7 to cut the margin to 42-35 at the close of the third period but the Wildcats came back in the final period to outscore the home team 13-7. Gallatin reserves scored a 44-33 win in the opener.

Tigers Drop Three
New Haven dropped three more games during the week to run their losing column to 18 for the season. The Tigers lost to Covington Catholic on Friday night by a 57-38 count. They lost to Florence by 57-38 count Friday night and dropped one to Hebron Saturday night.

No Trade-In Allowed On Hunting and Fishing Licenses, Is Ruling

A person who has purchased a county fishing or hunting license may not "trade in" such licenses before they expire on statewide hunting or fishing licenses. Assistant Attorney General Walter C. Gardner has ruled. The opinion was given by General Herdman at the request of the Division of Game and Fish when it was found that some county clerks in Kentucky counties has allowed such trade-ins during the past year.

It is pointed out by the Division that clerks will be held accountable for any such "trade-ins" they allow since such practice will not be recognized by the Division.

Christmas Seal Sale Over Top, Is Report Of County Officials

Patients Will Be Kept
In Sanatoriums, Says
County President.

The 1950 Christmas Seal Sale goal for Boone County was reached it was announced by Mrs. Kathryn Cropper, treasurer, and Mrs. Sibila Reimer, president of the Boone County Tuberculosis Association, last week. The final figures showed that the county exceeded the 1949 figure by a few dollars.

In the closing report, Mrs. Reimer stated "Since seventy-five percent of campaign money stays in the county we will be able to continue to keep our patients in the sanatoriums, pay for X-rays, and help in other ways to promote the health of TB patients."

Mrs. Reimer also said that persons needing help should contact either her or Mrs. Cropper at once. In the past there has been a slight delay in getting patients into the hospitals due to crowded conditions, Mrs. Reimer stated. This condition will be greatly relieved now since the new hospital at Paris, Ky., has been opened and there are now more beds available for Boone County patients.

Officers of the association express their sincere thanks to all who made the campaign successful. They said: "We wish to thank all persons who helped with the seal sale. We helped those who cannot help themselves. Also in behalf of the unfortunate TB patients we wish to thank those who contributed even a widow's mite and remember Him who said, 'In as much as you have done it unto the least of these my brethren you have done it unto me.'"

Two-Year-Old Boy Fatally Burned In Fire Near Walton

Baby Sister Receives
Severe Burns, But Is
Rescued By Brother.

A two-year-old boy of near Walton was burned to death and his one-year-old sister was burned seriously Friday when their one-room home was destroyed by fire. The baby was saved from death by her five-year-old brother, who carried her to safety.

Victim of the blaze was George William Sharon, son of Mr. and Mrs. George Sharon, Percival Road, near Walton. Severe burns were suffered by the sister, Lulu. The fire, according to reports was started when the five-year-old brother, Gilbert was stuffing paper into a stove. Part of the paper went into the stove, while some fell on the outside, falling on the one-year-old child, who was playing near the stove, igniting her clothing. The older brother hurriedly picked up the girl and carried her outside.

After extinguishing the child's clothing he raced to the home of a neighbor, thinking that his brother was following him. Upon arriving at the neighbors where his mother was visiting, he discovered that his brother was not following him.

The youth's mother rushed to the burning house, but found no trace of the child. After the fire receded neighbors found the body of the boy on a bed.

Lulu Sharon was rushed to St. Elizabeth Hospital, Covington where she was treated for second and third degree burns on her entire body. Her condition is reported as fair.

Funeral services for the boy were held at 10:30 a. m. Sunday at the Chambers and Grubbs funeral home, Walton, with Rev. Burton Garrett, pastor of Walton Baptist Church officiating. Burial was in Fiskburg Cemetery.

Five Boone County Men Inducted Into U. S. Army

Five Boone County men were inducted into the U. S. Army Induction Center, Cincinnati, Ohio, February 8, according to C. G. Kelly, Clerk of Local Draft Board 108.

Those inducted are: Robert Floyd Miller, Burlington; R. 2; Marvin D. Huffman, Verona; David Dean Clore, Grant; Raymond Hansell Ashcraft, Burlington R. 2.

Thirteen local men will receive their pre-induction examinations February 27th, Mr. Kelly reported.

The regular meeting of Local Board 108 has been changed from Thursday night to Tuesday night of each week.

Precinct Chairman Named For Boone Red Cross Campaign

Great Interest And
Enthusiasm Shown By
Citizens In Fund Drive.

Mrs. Jack Caldwell, chairman of the Boone County Red Cross Fund drive, announced this week that chairman for eight of the county's precincts had been named. They are as follows: Florence, Mrs. Virginia Goodridge; Burlington, Mrs. Leroy McNeely; Walton, Mrs. Allan Gaines; Richmond, Mrs. Joe Wood; Union, Mrs. Warren G. Miller, Jr.; Hebron, Mrs. J. C. Ayler; Ballitsville, Miss Belva Engle; and Bellevue, Mrs. W. B. Rogers, Jr.

Chairmen for the precincts of Beaver, Verona, Constance, Petersburg and Hamilton will be announced within a few days, Mrs. Caldwell stated.

Mrs. Caldwell and Rev. Roy A. Johnson, co-chairman of the Boone County Red Cross Fund, reported that great interest and enthusiasm is being shown by citizens throughout the county concerning the Red Cross activities and fund campaign. "Daily reports of the magnificent work and service rendered by the Red Cross, both in Korea and here, seem to have awakened the public's interest in this great organization," the chairman stated.

Both Mrs. Caldwell and Rev. Johnson have urged citizens to attend the Boone County Chapter Red Cross dinner meeting, Saturday evening, Feb. 17 at Acadia Inn, Florence, to hear General Roscoe Murray, Adjutant General of Kentucky and Director of Civil Defense in the state, speak on the subject, "Civil Defense."

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Robert R. Miller Killed In Accident On U. S. 25 Wed.

Had Been Employed As State Trooper For Past Three Years.

Robert Renaker Miller, 23, Florence State Trooper, was killed instantly Wednesday morning when the cruiser he was driving skidded on a turn at Cabindale and collided with a crew truck of the Union, Light, Heat & Power Co., Covington. Driver of the truck and other passengers were uninjured.

Trooper Miller was on a check-out cruise to determine the condition of the highway when the accident occurred, and had reported to the Williamstown office three minutes before the accident occurred.

Miller had been on the state force for three years and was to have been promoted to detective March 1st. He was reported to be an outstanding officer, and was praised by county officials throughout the district for his courteous manner and integrity.

Robert Brugh, Boone County Coroner, returned a verdict of accidental death. He said the victim suffered a skull fracture.

Trooper Miller was the only son of Mr. and Mrs. W. Robert Miller of Florence. He was a graduate of Florence High School, a member of Florence Methodist Church, Good Faith Lodge, American Legion and Veterans of Foreign Wars.

He was held in high esteem by all who had the pleasure of making his acquaintance. Evidence of his popularity was shown when approximately 3500 persons called at the funeral home of Ralph Smith to view the remains. One hundred State Troopers from all sections of the State were present for services.

He is survived by his parents, Mr. and Mrs. W. Robert Miller, Florence and his paternal grandparents, Mr. and Mrs. Geo. W. Miller.

Funeral services were conducted Saturday morning at 10:00 a. m. from the Florence Methodist Church, with Revs. C. N. Ogg, R. R. Rose, H. L. Reid and O. W. Robinson, officiating. Burial was in Forest Lawn Memorial Park, Erlanger.

Pallbearers and honorary pallbearers were State Troopers. Special services were held by the Fraternal Order of Police Friday at 8:00 p. m. with special Masonic services both at the funeral home and at the grave.

Ralph Smith, Florence, funeral director was in charge of arrangements.

Erlanger Police Chief Resigns Post

Howard Thompson, Erlanger Police Chief, submitted his resignation Friday to Mrs. J. B. Furnish, City Clerk, according to reports.

Thompson has accepted a position with the Ford Motor Co. of Cincinnati. He will assist Patrolman Charles Nelson until a new chief is appointed. The Erlanger Council met Monday to discuss a successor.

Robert Slayback, of Beaver was a business visitor in Erlanger Tuesday morning.

U. K. Program Will Permit Students To Complete College

Graduates Would Be Required To Enter College For Summer Course.

Graduates from Kentucky high schools can enroll at the University of Kentucky and complete their college work in three years, according to an article carried in the Kentucky Post, Saturday, February 17. Students enrolling at the University of Kentucky next summer may complete their college work in three years by following a stepped-up program. Dr. F. M. L. Donovan, university president, announced Friday.

The program, according to Dr. Donovan, is designed so a student who enters summer school immediately upon graduation from high school, may complete requirements for graduation in three years without carrying an excessive study load.

He also announced that it would be possible to accelerate the R. O. T. C. program at the same time.

Registration for the second semester at the university has reached 5607, a decrease of 14 per cent from last year.

Owenton Man Draws Fine On Contempt of Court Charge in Boone County

Myron Zuckerman, 20, of Owenton, Ky., was fined \$10.00 by Boone County Judge C. L. Cropper on a charge of contempt of court, after he had pinned a note to a check he sent in to pay a traffic citation reading, "This is for graft."

Zuckerman was cited to Boone County Court last week by state police for improper parking on a public highway.

Unable to appear in court to face the charges, Zuckerman telephoned to Judge Cropper, pleaded guilty and asked the amount of the fine. The Judge told him it would be \$19.50 and costs.

The defendant mailed in his check promptly with his unfortunate literary effort attached. He was arraigned on the contempt charge in Boone County Court, where he was fined \$10.00 and sentenced to five days in Burlington jail. After he had served 90 minutes of his time, Judge Cropper released him and he was allowed to return to Owenton.

REAL ESTATE TRANSFER

Mr. and Mrs. Dawson Day sold their house and 1 1/2 acres of land, 4 miles west of Burlington, on Highway 18 to Henry V. Leonard of Cincinnati, last week, through the A. B. Renaker Agency. This is a nice modern home, well located, with a large lake on the land. Possession will be given April 1st.

BULLITTSBURG W. M. S.

The Bullittsburg W. M. S. will hold an all-day meeting Wednesday, March 7th at the home of Mrs. Chester Clark, Jr., in observance of the Week of Prayer for Home Missions, commemorating the Annie Armstrong offering.

Boone Committee Will Cross-Examine Telephone Company

In Hearing Before Public Service Commission At Frankfort.

A committee from Boone County representing subscribers of the Consolidated Telephone Co., will cross-examine witnesses of the telephone firm March 6th in the hearing which increased telephone rates which went into effect last September.

The examination date was set by the Public Service Commission at Frankfort.

A hearing scheduled for Thursday of last week was postponed due to the committee being unable to reach Frankfort because of the icy conditions of the roads.

The telephone company has supported its application for increases totaling \$29,000 a year, by deposition. The increase is being sought on the grounds that climbing costs of labor and materials have brought profits down to an unsatisfactory level.

Those desiring to help Mr. and Mrs. Jimmy Smith, who lost their home, tell furniture, clothing, etc., by fire last Saturday are urged to send their contributions to either the Union Deposit Bank of Union or Mrs. Russell Garrison, Union, R. 1. Money should be sent to the bank and bundles of clothing or other articles should be brought to the home of Mrs. Russell Garrison.

Owenton Man Fined

Charles W. Kelly, of Owenton was fined \$104.50 and his driver's license suspended for six months, when arraigned in Judge C. L. Cropper's Court on a charge of driving under the influence of alcohol. Kelly was arrested Monday by State Troopers Gordon and Lucas.

Burlington Lodge No. 264 F. & A. M. will meet Thursday night, February 22 at 7:30 p. m. Regular business will be dispensed with, followed by conferring of the E. A. degree. Howard Lizer, Junior Warden will have charge of the work. All members of the lodge are urged to attend and members from other lodges are cordially invited.

C. G. Kelly and family, Mr. and Mrs. J. R. Eddins, Mr. and Mrs. Calvin Kelly, Miss Ruth Kelly and Miss Elizabeth Youell were called to Lebanon, Ohio, Saturday on account of the death of Dean E. Stanley, husband of Jennie Kelly Stanley.

Walton Bearcats Suffer Two Boone Conference Defeats

During Past Week; Eagles Have Clean Conference Slate For Season

Coach Ralph Maurer's Burlington Eagles completed their Boone County Conference basketball season last Friday night with a 61-51 win over the Walton Bearcats of Charley Hayes and thus for the first time in the memory of many younger basketball fans were the Burlington hoopers able to amass an undefeated season and win the Conference crown. The Eagles have an 8-0 record. The victory also gave the Eagles a overall season record of 18 wins against seven losses with six of the losses coming in the first seven contests of the season.

Coach "Chuck" Ransler's rambling Cardinals who held second spot in the conference with no chance of going any lower likewise handed the Walton Bearcats a trimming last week. The Cards won a 53-44 victory over the Cats at Hebron on Tuesday night. The Cards kept their winning stride Friday night and thumped a good St. Henry quint by a 65-58 count at the winner's court. The Cards thus go into the final week of play with second place in the Boone League sewed up and a season of 13 won and 8 lost.

Bill McAllister and his New Haven Tigers had another rough week and dropped games to Gallatin County and Holy Cross while Duncan Huey and his Florence Knights fared no better. They lost a conference tilt to Walton last Wednesday afternoon and lost Friday to the Dry Ridge Cardinals of the Penogran loop.

Outstanding offensive players in the week's games were Garnett and Hogan of Hebron, Smith and Glacken of Walton, Bethel of Florence and McFarland of Burlington. Garnett had 25 points in the St. Henry game and Hogan added 15. Smith had 20 and Glacken 18 in the Burlington game while McFarland had 18 for the Eagles. Bethel had 15 in Dry Ridge's contest and Feaglin led New Haven in their game with Holy Cross. Hogan and Garnett divided 26 points in the Walton-Hebron game and Glacken of the losers had 22 points.

Final Week

Burlington will take on Holy Cross on Tuesday night (there) and will entertain the Falmouth Red Devils in the regular season final at Burlington Friday night.

Florence travels to Covington Catholic Tuesday night and plays Hebron in a conference tilt at Florence Friday night. New Haven will finish their season Friday night in a conference game with Walton at New Haven. Besides the New Haven game the Walton Bearcats will take on the Ludlow Panthers there on Tuesday night.

5.1 Percent of Population File State Income Returns

Kentucky Income Tax pay returns filed in 1950 totaled 148,560 Commissioner of Revenue H. Clyde Reeves reported. These income payers amounted to 5.1 per cent of the 1950 population.

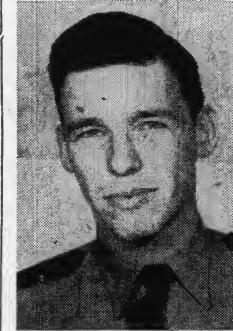

Franklin and Jefferson Counties led the list with 12.3 per cent of the population in each county filing pay returns, for 123 per 1,000 population. Fayette County was third with 98 persons in each 1,000 of the population filing pay returns.

Elliott County was lowest with only 2 persons in every 1,000 paying income taxes. Casey, Jackson and Metcalfe counties were next with 3 per 1,000 in each county filing pay returns.

Numerically Jefferson County had 59,346 filers, Fayette 9,671. Elliott County was low with 15, Menifee had 20 and Robertson 21.

As a result of the change in the Kentucky Income Tax law made by the 1950 session of the legislature it is estimated that more than 75,000 additional persons will file income tax returns this year. The deadline for filing is April 15th.

Visitation Program Planned By Florence Methodist Church Feb. 26

Lent is the season of the year when the spiritual life of church members needs to be strengthened. The Florence Methodist Church is attempting to do this through a visitation evangelism program beginning Monday, Feb. 26 at 6:30 p. m. Rev. G. B. Traynor of Grace Methodist Church, Newport, will be the director.

The plan is to visit all prospective members, either by transfer of membership or profession of faith, and all inactive members. The church is asking you to join them in prayer that the weather will permit this work to go forward.

Florence Baptists Call Howard Gordon

Rev. Howard Gordon, of Monroe, S. C., has been called as pastor of the Florence Baptist Church. It was announced last week. Rev. Gordon was heard for the first time when he spoke to a meeting of the Boone County Sunday School Association held at Florence, recently.

Those attending the meeting state that Rev. Gordon is an interesting and forceful speaker. He has held pastorates in Indiana, South Carolina and Kentucky. He is a graduate of the Louisville Theological Seminary and holds the Th. M. degree from that institution. He did his undergraduate work at Wingate Junior College and Cooke College in Hartsfield, S. C.

Rev. Gordon is married to Elizabeth Ann Gordon, and they have two daughters, Linda Ann, age 4 1/2 years and Elizabeth, age 9 months. The Gordons are now on the church field and are devoting full time to their work there.

Truckers Urged To Reduce Loads Due To Condition of Highways

Prompt repairs of Kentucky's winter-damaged roads was promised by William P. Curlin, Highway Commissioner, Friday in urging truck operators to observe the maximum load limits.

In his letter to truck operators the commissioner said few of the main roads would be posted for smaller loads, but that many secondary routes "are showing definite signs of damage" from the recent extreme cold and freezing weather. The commissioner announced that the secretaries of four organizations have promised to urge their members to reduce loads.

FOUNDERS DAY OBSERVED BY FLORENCE P. T. A.

Founders Day was observed at the meeting of Florence P. T. A. held in the school auditorium with Mrs. John M. Shouse, president, presiding.

Mrs. Willis Schneider opened the meeting by reading the Parent-Teacher prayer.

Mrs. Ruth Martin had charge of the program. She presented each past president with a lovely corsage. Those present were Mrs. Alyce Blackburn, Mrs. Helen Orchelle, Mrs. Willis Schneider, Mrs. Lucille Jones and Mrs. George Morith.

The fourth grade pupils, under the direction of Mrs. Sarah Markesbery gave a short play on the meaning of each day in February.

The room attendance prize was won by Mrs. Markesbery's fourth grade room.

Mrs. Harold Aylor and Mrs. Robert Houston were hostess for the evening.

SHOWER PLANNED

A shower in honor of Mr. and Mrs. Jimmy Smith and son who lost their home and all their belongings by fire Saturday night, to be given at the home of Mr. and Mrs. Paris Kelly, of Bellevue, Saturday, March 3rd, 7:00 p. m.

Everyone invited, and anything will be appreciated.

The Ways and Means committee of Evadell Chapter No. 453, O. E. S. are sponsoring a card party Saturday, February 24th at 8:00 p. m. at Masonic Hall, Hebron.

A door prize will be offered and refreshments served. Donations will be 50 cents. Everyone is cordially invited to attend.

Stanley Vallandingham, of Walton, was a visitor in Burlington Monday morning.

March 1 Is Deadline For Purchase of 1951 Motor Vehicle Licenses

Midnight, March 1 is the deadline for purchase of 1951 motor vehicle license plates. After March 1 motorists who do not have 1951 plates on their vehicles will be subject to arrest and fine.

New registrations have been on sale at the office of county clerk, C. D. Benson since December. A large number of vehicles have been registered, but the usual rush is expected for the last days in February. Those who wait until the last minute may experience delay and inconvenience.

Vehicle owners are urged to take extra care of their 1951 license plates. Because of defense demands, metal for making new plates probably will not be available next year, and the 1951 plates will have to be used for two or more years.

A vehicle owner who moves into Kentucky from another state must buy a Kentucky license immediately.

BHS Students Will Be Heard Over Station WLW

Four members from Burlington F. H. A. are invited to appear on "Everybody's Farm Hour," Saturday, February 24 from 1:30 to 2:00 p. m., it was announced this week.

The local students will oppose four Indiana F. F. A. members on a quiz program.

Burlington is first of three Kentucky schools selected to appear on this program.

Those desiring to hear the program should tune in WLW between 1:30 and 2:00 p. m. on the above date.

Reserve Basketball Tourney Scheduled February 21 and 22

Six Teams Are Entered Contest Underway At Burlington School.

Wednesday afternoon at 1:00 p. m. marked the opening of an invitational basketball tournament at Burlington High School which will continue through the evening at 7:30 with finals tonight (Thursday), February 22 at 7:30 p. m., to determine the reserve championship.

Drawings were held Tuesday as follows: Burlington will meet Hebron in the opening session Wednesday afternoon, with St. Henry drawing a bye; Walton meets New Haven in the second game Wednesday afternoon with Florence drawing a bye. Wednesday night Florence will play the winner of the Walton-New Haven game and St. Henry will meet the winner of the Burlington-Hebron game. Thursday night will see only one game for the championship at 7:30.

Teams participating in the championship contest are Hebron, Florence, New Haven, Walton, Burlington and St. Henry.

All players from participating schools are eligible with the exception of the first six players on the varsity squad.

Fans through out the county will have an opportunity to enjoy some good clean, fast basketball during this tournament, and are urged to come out and support their team.

Garden Club Discusses Preparation Of Soil

Members of the Boone County Garden Club listened to notes read by Mrs. Harold Conner stressing the importance of proper preparation of the soil before planting, proper care and watering after planting at a recent meeting held at the home of Mrs. Sam Denham, Jr., of Florence.

Unable to be present due to illness, the guest speaker, Mr. Clifford Coyle, sent the notes to the club, which were very much appreciated. The club was happy to enroll a new member, Mrs. R. R. Liggett, Florence, and enjoyed a visitor, Mrs. G. M. Denny, of Lexington, Ky. Other members present were Mesdames Sam Denham, E. E. Abbott, Conner, R. C. Garrison, E. E. Harbott, R. T. Carter, A. W. Fullerton, Lucy Grant, T. H. Hensley, Ruby Hollis, Geo. Morith, L. D. Rennecker, Ralph Cody and the hostess, Mrs. Sam Denham, Jr. Several members were missed.

Next month Mrs. A. W. Fullerton will speak on the ever-interesting subject of "Wild Flowers."

Luther Smith and Irvin Rouse suffered burns when a lard can containing coffee exploded at the Fish and Game Club last Thursday night.

District Tournament Opens At Walton Gym February 27

Erlanger Will Meet Florence Knights In Initial Battle.

It will be Erlanger's Juggernauts vs. Florence's Knights in the opening game of the 1951 34th district basketball tournament to be held at the Walton-Verona gym beginning Tuesday night, February 27. In the other game of the first night's play will be the host Bearcats and New Haven's luckless Tigers.

Wednesday night's program pits Willard Shropshire's Simon, Kanton Pioneers against the Crusaders of St. Henry in the opener with the arch-rivals, Burlington and Hebron, clashing in the final.

Top bracket (Erlanger-Florence, Walton-New Haven) winners will play a single game Thursday night and lower bracket (Simon-Kenton, St. Henry, Burlington-Hebron) winners will play a single contest Friday night. The final will be played Saturday night. Game time will be 7 o'clock on the opening two nights and 8 o'clock on Thursday, Friday and Saturday nights. It was announced by Charles Hayes, tourney manager.

Admission price will be seventy-five cents for all sessions and no tickets will be sold in advance nor will tickets be sold after the Kentucky Fire Marshal's capacity figure for the Walton gym is reached. Mr. Hayes stated. That figure is 900 including players and tournament personnel, he said.

Cover, Braun Referees

Harry Cover of Cincinnati and Bob Braun of Bellevue will be tournament referees. Russell Grogger of Walton will be official timer and Bob Martin of Erlanger will be official scorer.

Lloyd, Simon Kenton Favored

Erlanger Lloyd and Simon Kenton who drew in opposite brackets are considered tourney favorites, but Burlington, Hebron, Walton and St. Henry all are considered capable of emerging in one of two top spots and a trip to the ninth regional tournament, which will be held at Dixie Heights high school on the following week. The general viewpoint of basketball fans is: "It's a tournament and anybody can win."

Six Boone County Men Will Be Inducted March 1

Six Boone County men will be inducted into the Armed Services on Thursday, March 1, according to C. G. Kelly, Clerk of Local Draft Board 108, Burlington. These men will be received at the induction center in Cincinnati, O.

Information is being sought by Draft Board No. 108 concerning the whereabouts of William Aaron Hatley, former of Burlington, Ky. He was born in Lenora City, Tenn., April 24, 1929. Anyone knowing this man's address please get in touch with the local draft board.

The Stepping Stones Class will have their regular monthly party Saturday night, February 24th at 7:30 at the Burlington Baptist Church.

Smith Home Is Destroyed By Fire Saturday Evening

Fire Of Undetermined Origin Causes Loss Estimated At \$6000.

Fire of undetermined origin destroyed a five-room frame home of Mr. and Mrs. James Smith, located on Highway 18, near New Haven, early Saturday evening, according to reports received here.

A passing motorist discovered the blaze about 9:30 and summoned neighbors, but before necessary help could arrive the blaze was beyond control. Mr. and Mrs. Smith were in Burlington at the time of the blaze.

The blaze apparently started in a back room, then spread to the remainder of the building. The home was practically new, being erected in 1947. Loss was estimated at \$6,000, which was only partially covered by insurance.

Mr. Smith is a son-in-law of Hiram J. Stephens, who lives nearby. Besides the house, all furniture, carpenter tools and clothing of the family were lost in the blaze. A large Great Dane dog, a pet of the family died in the blaze, it was reported.

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

Florence

Dr. N. A. Jett spent several days recently with a daughter, Mrs. W. H. Hanson and family, of Augusta, Ky.

Mr. and Mrs. Mortimer Moss arrived home Friday evening having concluded a visit of several weeks with their daughter, Mrs. Robert Carpenter and family of Claypool, Arizona. Incidentally Claypool is

the largest copper mining center in the world. The Moss's state the weather was fine in that section with an average temperature of 87 degrees.

The annual cherry supper which was scheduled February 22 at the Florence Methodist Church has been postponed indefinitely due to the tragic death of one of their beloved members. However, there will be a fellowship supper at 5:30 and Dr. R. R. Patton will be the speaker of the evening.

Mrs. Maggie Glacken has returned to her home following a visit to her daughter, Mrs. Elmer Carpenter.

Mr. and Mrs. J. K. Ammerman, of Cynthiana, Dr. Wm. T. Lee, of Camp Campbell, Ky., Mr. and Mrs. Homer Eades and Sally Jo of Chattanooga, Tenn., and others were called here by the death of Trooper Robert Renaker Miller.

Mrs. Mae Russ returned home Sunday from Booth Hospital. She stood the trip fine and is doing very well.

Friends of Mrs. Bradley Sayers regret that she was injured as the result of a fall at her home recently.

Sunday, Feb. 25 is Laymans' Sunday at the Florence M. E. Church. Mr. Richard Morris of the Williams-town Church will be guest speaker. A. M. Yealey has returned from Florida, where he spent a part of the winter.

The Christian Youth of Northern Kentucky will meet at Epworth Church, Covington, Saturday evening at 7:30.

A shadow of sadness and gloom was cast over the town of Florence and surrounding communities when the shocking news came of the death of one of our fine young men, Trooper Robert Renaker Miller, 23. Trooper Miller had been a member of the state patrol three years, had passed the examination and was to have been promoted to the capacity of private investigator March 1. He excelled in all of his endeavors and was highly esteemed by all who knew him. More than 2000 friends called and registered at the Stith funeral home, where the body of the unfortunate victim lay. Trooper Miller was a member of the Florence Methodist Church, the American Legion, Veterans of Foreign Wars, Good Faith Masonic Lodge, Erlanger, had a pilots license and was also a member of the Fraternal order of Police, who held special services Friday evening prior to the funeral. Our County officials paid tribute to the deceased by attending the funeral service in a body. Troopers of the state were granted a holiday that they might attend the funeral, which was held from the Florence Methodist Church Saturday at 10:00 a. m. Rev. C. N. Ogg, assisted by Rev. R. R. Rose, Rev. H. L. Reid and Dr. O. W. Robinson were the officiating ministers. The minister's service was followed by

a service by Good Faith Lodge, Rev. G. B. Traynor of Newport also attended. Mrs. Kenneth W. Scott was soloist and pallbearers and honorary pallbearers were State Troopers. The church was filled to capacity. The church stood outside. The flowers were numerous and beautiful. One floral piece was from shipmates of Trooper Miller while serving in World War II. His parents have received nice letters of condolence from friends here and all over the state. The deceased leaves his parents, Mr. and Mrs. W. Robert Miller, his paternal grandparents, Mr. and Mrs. Geo. B. Miller; other relatives and many friends. Interment was in Forest Lawn Memorial Park, Erlanger. The family has the sympathy of the entire community in their sorrow.

Simon Kenton And Lloyd Fives Favored To Take Tournament

Now In Progress At
Walton Gym; Competition
Expected To Be Keen.

Simon Kenton's Pioneers, second placers in the Northern Kentucky Athletic Conference, and the Lloyd Juggernauts, sixth place team in the same league, will enter the 34th District tournament as heavy favorites to go to the final game and a trip to the ninth regional tourney next week. The tournament is being held at the Walton-Verona school this week with the above two powerhouse teams paired in opposite brackets. The Jugs may receive some stiff opposition from Walton's host Bearcats, but according to the records the veteran team of Paul Champion will be too much for Charlie Hayes' inexperienced Bearcats.

Simon Kenton should have a little tougher opposition in their brackets since they open with the St. Henry Crusaders, the top team of the N. Ky. Catholic loop, and then must play the winners of the Burlington Eagles-Hebron Cardinal scrap. On record Burlington shapes up as the chief opposition in the loser bracket. But basketball fans learned long ago to scrap all the records and comparative man for man strength when tournament time comes along. There are always upsets, hot teams, cold teams, scared teams and very little goes as coaches, fans, and disgruntled "captains" have it doped out.

The Facts
Tuesday, night 7:00 p. m. Lloyd met Florence, trouncing the Knight square by a score of 74 to 31, while Walton took the New Haven five by a score of 67 to 33.

Wednesday night 7:00 p. m. Simon Kenton vs. St. Henry and Hebron vs. Burlington.
Thursday night 8:00 p. m. Tuesday night's winners.
Friday night 8:00 p. m. Wednesday night's winners.

Saturday night 8:00 p. m. Final, (no consolation game).
Officials for the tournament will be Harry Cover and Bob Braun as referees, Russell Groger timer, and Bob Martin, scorer. Admission price will be 75 cents for all sessions and only 740 tickets will be sold at the door.

Road Repairs Being Made Thruout County

Repair crews, both county and state are working as rapidly as possible to repair roads throughout the county, Judge C. L. Cropper, stated Tuesday.
Roads throughout this section were severely damaged due to the hard freezes this winter, and many county roads are practically impassable.
Judge Cropper stated that repairs to county roads are now in progress and blacktop highways will be repaired as soon as weather conditions permit.

Missionary Will Speak At Florence Church

Rev. L. C. Johnson, a missionary from Belgium Congo, Africa, will be the guest speaker at the Sunday morning worship service 11:00 in the Florence Methodist Church. Come and hear the wide experiences related by this man of God.

Walton Bearcat Reserves Champions In Invitation Tourney

By Victories Over New
Haven, Florence and
Burlington.

The Walton Bearcat reserve team won the Burlington reserve team invitation tournament, sponsored by the senior class of Burlington school here last week, when they trimmed the local second team by a 38-23 score Thursday night.

The little Bearcats earned their way to the finals with a 30-20 win over New Haven Wednesday afternoon and a 53-33 win over Florence that night. Burlington got to the finals with a 34-28 win over Hebron and a 33-32 win over St. Henry.

The entire tournament was very successful, according to sponsors of the affair. A good brand of basketball was played and enough fans came out to make the affair financially successful, they said. Trophies for the tournament were donated by Leo J. Brophy and The Boone County Recorder.

Easter Seal Goal For Boone County Set At \$300.00

Campaign Was Launched
Sunday; State Goal Is
\$175,000, Says Chairman

The 1951 Goal for Boone County's Easter Seal campaign has been set at \$300.00, it was announced this week. Fifty-two handicapped persons in the county had been aided through the program of the Kentucky Society for Crippled Children, the Easter Seal Agency, which supplements funds and services of the Kentucky Crippled Children Commission.

The campaign was launched Sunday, February 25th with an appeal for gifts to the Society for its work and then Easter Seals will be sent practically every household in the county on March 5. The campaign will continue through Easter.

Davis E. Geiger, Kentucky Easter Seal Campaign Chairman, said the state's goal this year is to raise \$175,000 to support the Society's many activities for crippled children. He said the money to be raised through special gifts and through the sale of Easter Seals is used for treatment of crippling defects, special appliances, for special education, for cerebral palsy, recreation, operation of Cardinal Hill Convalescent Hospital at Lexington, and the Curative Workshop at Louisville besides numerous other services for the handicapped.

Boone Sunday Schools Will Meet March 5th

Boone County Red Cross Chapter Name Officers For Year

Dean Bloss Selected As
County Chairman; Brief
Reports Given.

Dean Bloss, former director of music in Boone County schools, was named chairman of the Boone County Chapter of American Red Cross at the organization's annual meeting last week. Mr. Bloss, who lives at Bellevue, is at present director of music at Greendale Reformatory. He is also doing graduate work at Transylvania College, Lexington.

Other officers named by the Red Cross were: John McElroy, Florence, first vice chairman; Robert Brugh, Walton, second vice chairman; W. D. Scroggins, third vice chairman; Mrs. Violetta Eastman, Florence, treasurer; and Mrs. Marjorie Bloss, Bellevue, secretary.

Red Cross board of directors for the year as announced by Mrs. Elizabeth Nestor, Red Cross executive secretary, are as follows: Mrs. Allan Gaines, Mrs. J. C. Acres and Mr. Gayle McElroy, all of Walton; Mrs. John Bustetter, Mrs. Harry Daugherty and Mrs. Roy C. Lutes, all of Florence; Mrs. Albert Pfalzgraf and Mrs. W. C. Steward of Bulletsville; Mrs. Justin Dolph and Mrs. Lawrence S. Chambers, of Petersburg; Mrs. Warren G. Miller and Mrs. George Moody, of Union; Mr. John Grigler and Mr. John Conner, of Hebron; Mrs. M. A. Yelton and Mr. Ralph G. Maurer of Burlington; Mr. Richard Kottmyer and Mrs. Charles Herbstreit, of Constance and Mr. Everett Jones, of Big Bone.

Service Chairmen Report.
Chairmen of the Red Cross service groups gave brief reports of their activities. Mrs. Sara Sayre, nursing activities chairman, stated that the chapter is starting home nursing classes in early April. She urged all those interested in these courses to contact her at an early date.

J. C. Acres, chairman of "Books for Overseas Servicemen," said he was collecting light reading matter to be sent our servicemen. He asked citizens to leave comic books, joke books, Readers Digest, and other small books and magazines at schools from where they will be collected for shipment.

Clifford Pruett, chairman of First Aid, told the group the plan was being made for the organization of first aid classes. Those interested in this phase of defense work are requested to contact Mr. Pruett.

Mrs. Jack Caldwell, fund chairman, asked that no one forget the fund drive to assist the less fortunate and those needing the services of the Boone County Red Cross.

Rev. Roy A. Johnson, co-chairman of the fund drive, said that he is confident Boone County will meet its goal as they have always done in the past.

Dean Bloss, County chairman, told the group that the chapter now has a home service policy and a definite program and therefore is in a position to meet all calls that are of Red Cross nature.

Mr. August Hehemann, coordinator of Boone and Kenton County Civil Defense and Mr. Leo J. Brophy, commander of Boone County Civil Defense, both reminded the citizens to take some training in the defense program. They both urged full cooperation.

To Assist In Drive

Mrs. Virginia Goodridge, chairman of the Florence precinct of the Boone County Red Cross 1951 Fund Drive has made the following appeal: G. B. Fosse, Jr., Thos. Utz, general solicitation, Mrs. John Bustetter, Mrs. O. Braun, Mrs. Reuben Duval, Mrs. Clarence Weing, Mrs. Frank Sayre, Mrs. Ardell Fox, Mrs. Ellen Newton, Mrs. William F. Eagles Complete Regular Season With 72-56 Victory

Hebron Suffers Defeat
At Hands of Lloyd; New
Haven Lose.

The Burlington Eagles wound up their regular season basketball card with a convincing 72-56 win over the Falmouth Red Devils at the local gym Friday night. The Boone Conference champs were hard-pressed in the first half with the Penogran Conference second-placer as they found themselves on the short end of a first quarter 18-14 score and held only a one point 33-32 lead at halftime. After the intermission the roof fell in on the visitors and the Blue and White, hitting with uncanny accuracy, scored 23 points while holding the losers to nine. Paced by "Goose" McFarland and Jim Ryle the Eagles went on to add 16 more points in the final quarter. McFarland sparked the Eagle offense with 28 points and Ryle poured through 18. Gayle Rouse had 11, A. Rouse 8, G. Ryle 6, and Pelfrey 3. For the losers D. Parker had 15 points to lead his team.

The Eagles defeated the Holy Cross Indians by a 56-53 score at the loser's court last Tuesday night by staging a last period spurt in which they outscored the Indians 15 to seven to overcome a 46-41 third quarter deficit. Jim Ryle paced the winners with 28 points and Schuler topped the Indians with 18.

The two wins during the week gave the Burlington team a season record of 18 games won and seven lost. The victories also gave the Eagles sixteen wins in the last seventeen games.

Burlington's seconds lost to Holy Cross 47-31 and to Falmouth 30-29. In other games this week Erlanger-Lloyd thumped the Hebron Cards to the tune of 77-38 at Erlanger Tuesday night. Ludlow's Panthers gave Walton a 74-53 lacing at Ludlow and the Gallatin County Wildcats trounced Florence 83-44 at Gallatin County on the same evening.

On Monday night New Haven dropped a 63 to 45 decision to St. Henry at St. Henry and Florence lost to the Covington Catholic Colonels 75-52 the same night.

In a pair of Boone Conference games Friday night of last week Walton defeated the New Haven Tigers — to — at New Haven and Hebron won over Florence — to —.

Funeral services were held at 2:00 p. m. Saturday at the Hamilton funeral home, Verona. Burial was in Odd Fellows Cemetery, Napoleon, Ky.

Son Of Raymond Webb Aboard Hospital Ship

James M. Webb, Colored, son of Mr. and Mrs. Raymond C. Webb, of near Idlewild, is a seaman aboard the U. S. S. Consolation, a hospital ship which cared for one-fifth of the United Nations casualties during the first six months of the Korean War.

RECEPTION GIVEN PASTOR

A reception was held at the Florence Baptist Church February 10th to welcome their new pastor, Rev. and Mrs. Howard Gordon and family.

Rev. Gordon began his pastorate at Florence February 1, coming from the Armsby Baptist Church of Louisville. The pastor is a graduate of the Louisville Theological Seminary, having attained the THM degree. Mrs. Gordon has had special training in religious education.

The pastor and family are living in the newly decorated parsonage on Dortha Ave., Florence, Ky.

Missionary To Speak

Rev. L. C. Johnson, missionary to Africa, Belgian Congo, will speak this Sunday evening, March 4th, at the Big Bone Methodist Church, at 7:30 p. m.

Rev. Johnson served as chaplain during World War II and was in five of the capitals of the world. His story of his work in Africa is most thrilling and enlightening.

It is a rare privilege for the people of Big Bone and the community to be able to hear a man of this type. Rev. V. H. Hill, the pastor, gives to all a cordial welcome.

State Income Tax Representative To Visit Walton Mar. 6

Local Man To Assist
Taxpayers In Preparing
Returns.

A representative of the Kentucky Department of Revenue will be in Walton on March 6, 1951 to assist taxpayers in preparing their state income tax returns.

The representative, Mr. Ben P. Zimmer, Jr., will be in the Dixie State Bank from 8:00 a. m. to 4:30 p. m.

This service is provided as a convenience to taxpayers and to encourage filing before the April 15 deadline for paying state income tax. In addition, the Department of Revenue District Office at Covington, 714 Coppel Bldg., will provide assistance to filers.

Kentucky law requires income tax returns from single individuals who have an income of \$1000 or more. Married persons are required to file if their combined income is over \$2000.

Single individuals are entitled to a tax credit of \$20. A single person, qualifying as "head-of-family," is entitled to a tax credit of \$40. Head-of-family is defined as a person who maintains in his own household one or more dependents who are closely related to him by blood, adoption or marriage. A married couple is also allowed a tax credit of \$40.

Any taxpayer who has specific questions about completing his return may call the district office at Covington, Hemlock 7290.

The Kentucky Income Tax is entirely separate from the Federal Income Tax.

Georgetown Choir Will Sing At Burlington Baptist Church Sunday

The Student Union choir of Georgetown College will present a program of music at four different Baptist Churches beginning Saturday night, March 3rd at Visalia; Sunday morning at the Elsmere Baptist Church; Sunday afternoon at 2:30, Burlington Baptist Church, and Erlanger Baptist Church, Sunday night.

This choir is made up of thirty voices, all students of the college. If you enjoy good singing this will be your opportunity to hear one of the finest choirs in the South.

The public is cordially invited to attend services at any of the four churches mentioned above.

General Murray Addresses Boone Red Cross Group

At Annual Meeting And
Dinner Held At Florence
Last Week.

Brigadier General Roscoe L. Murray, state adjutant general and director of civilian defense in Kentucky, told Boone Countians last week that "it is hard to convince American people that something may happen to them. They like to take a chance. We use insurance as a protection in our families; we must use preparedness as insurance in the present world situation." General Murray was principal speaker at the annual meeting and dinner of the Boone County Chapter of American Red Cross which was held at Southern Trails Inn, Florence.

In his address to Red Cross officers and directors and the public General Murray stated that the Civil Defense program has been set up on three levels, national, state, and local, and it is all under the direction of the National Security Resources Board.

Kentucky has been divided into nine defense areas, he said. National Guard troops are assigned to each division and a battalion to each district supplemented by state agencies. Gen. Murray also advised the group that the state will aid and advise community groups in this cause.

The General urged all to take Red Cross first aid training to use in war induced or natural caused catastrophes. He said many lives are being saved in Korea due to the fine medical attention and the supply of blood supplied through Red Cross. He urged Boone County citizens to give blood through their Red Cross chapter.

General Murray said, "Civilian Defense is good insurance if it's never needed and it can always be used in natural disasters."

Boone County Man Suffers Broken Back In Ludlow Accident

W. M. Mason, of Hopeful Road, Florence suffered a fractured back when the auto in which he was a passenger crashed into a utility pole at Ludlow Highway and Post Place, Ludlow, early Friday morning.

According to reports, the driver William Robinson, of Ludlow, apparently failed to make the wide sweeping right-hand curve which has been the scene of numerous accidents.

Mr. Mason was removed to St. Elizabeth Hospital, Covington by the Ludlow Life Squad, where his condition is reported as fair.

REAL ESTATE TRANSFERS

URGENT NEED FOR ENGINEERS IN FEDERAL GOVERNMENT

There is an urgent need for engineers to work in the Federal Government in Washington, D. C., and vicinity. The Civil Service Commission in Washington is accepting applications now for these jobs which pay from \$4,600 to \$8,400 a year.

To qualify for the engineer examination, applicants must meet a basic requirement of appropriate college study or experience or a combination of the two, and in addition they must have had professional engineering experience. Pertinent graduate study may be substituted for all or part of this professional experience depending on the grade of position. No written test will be given.

Persons interested in applying may obtain information and application forms at most first and second-class post offices, from Civil Service regional offices, and from the United States Civil Service Commission, Washington 25, D. C. Applications will be accepted until further notice by the Commission's Washington office.

HEBRON HOMEMAKERS

Mrs. Henry Anderson was hostess to the members of the Hebron Homemakers Club when they met at her home recently for their February meeting.

The report from Farm and Home Week was given by Mrs. Ted Egan. Mrs. Sterling Dickey gave some tips on preparing the garden for spring planting. Mrs. Myron Garnett read a prayer for parents.

Owing to the length of the lesson on "Buttonholes" it was decided to hold a special meeting for this lesson which will be presented by Mrs. Henry Anderson.

Those answering roll call were: Miss Nancy McClaskey, H. D. A.; Mrs. Charles Birch, Mrs. Charles Clore, Mrs. M. L. Crutcher, Mrs. Sterling Dickey, Mrs. Carl Dunn, Mrs. Myron Garnett, Mrs. Joe Hogan, Mrs. Herman Oberjohnann, Mrs. R. Patterson, Mrs. Lela Smith, Mrs. Lora Sullivan, Mrs. Emmett Riddell, Mrs. Norris Riddell, Mrs. Albert Rogers, Mrs. Montie Winston and the hostess.

—Publicity Chairman.

CARD OF THANKS

We wish to express our deep gratitude to all our relatives and friends for all their kindness in the tragic death of our precious son,

Robert Renaker Miller of whom we were so proud, and loved so dearly. May God bless all of you.

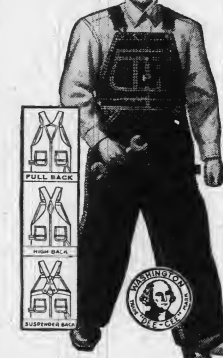

Mr. and Mrs. Woodford R. Miller

THANK YOU

I want again to express my appreciation for every remembrance to me in the past several weeks during my stay in the hospital and convalescence at home. So many nice expressions too numerous to mention, of which I truly appreciated every one.

325 Ford Tractors IN THIS COMMUNITY!!!

There must be reasons and here they are

POWER
Talk about power... ask for a demonstration on your own farm—see how the Ford Tractor handles a 12" or 14" two-bottom plow. This power is available through a four-speed forward transmission.

ECONOMY
Weight and traction are added to the Ford Tractor through the implements it carries. No need for excess built-in weight in the tractor itself. This saves you money on both light and heavy jobs!

LONG LIFE
Treat the Ford Tractor right and it will "stay with you" a long while. Part tolerances are very close... and the Ford Motor Company knows how to keep them that way!

EASY HANDLING
Ford Tractor Hydraulic Touch Control takes the hard work out of manipulating implements. Automatic type steering and dual-brake make the Ford Tractor an easy tractor to handle.

CONVENIENT SERVICING
The Ford Tractor is a convenient tractor to service and overhaul. Parts are reasonable. What's more, our mechanics are specially trained to work on Ford Tractors.

Perfect Land Bank Loans
Low Interest Rates - Long Terms

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

Walton Minister Dies Of Heart Attack Friday

Funeral Services Held Monday At Walton Baptist Church.

Rev. Burton Garrett, pastor of Walton Baptist Church for the past seven years, collapsed and died Friday while walking on the farm of a neighbor, Bert Parker, Walton.

Death was caused by a heart attack, according to Robert Brugh, Boone County Coroner.

Rev. Garrett was a native of Lexington, had served as pastor of a Baptist Church at Bethel, Ohio for eight years prior to coming to Walton. He was a member of the Walton Lodge of Masons, and moderator of the North Bend Baptist Association. He attended Moody Bible Institute, Chicago, Ill.

He is survived by his widow, Mrs. Mary Fleming Garrett; two sons, Burton G. Garrett, Erlanger, teacher at Dixie Heights High School, and Donald Garrett, stationed with the Navy at Chincoteague, Va.; a daughter, Mrs. James Pennington, Walton; a brother, Frank Garrett, Lexington, and two grandchildren.

Funeral services were held at 2:00 p. m. Monday at the Walton Baptist Church, with burial in Evergreen Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

One of the first duties as County Chairman of the Defense Bonds organization, will be to appoint chairman to head up key county Defense Bonds committees. Precinct chairmen will be named by Mr. Vest in the near future.

Mr. Vest is a prominent Boone County attorney, and served as County Attorney of Boone County for several months, being appointed to this office until an election could be held. He is a member of the Walton law firm of Vest & Vest.

Mrs. Minnie F. Payne

Mrs. Minnie F. Payne, 34 Eastern Avenue, Erlanger, died Tuesday of last week at the home of a daughter, Mrs. Layman B. Faulk.

She was a member of Olive Branch Christian Church, Indianapolis. She was 85 years old.

Besides her daughter with whom she resided, she leaves two sons, Elmer and LeRoy Payne, both of Los Angeles; four grandchildren and three great-grandchildren.

Funeral services were held at 2:00 p. m. Thursday from the Stith funeral home, Florence, with burial in Forest Lawn Cemetery, Erlanger.

James Parsons

James Parsons, 13-month-old son of Mr. and Mrs. George A. Parsons, 209 Clay Street, Erlanger, was found dead, covered and face down in a baby bed Wednesday of last week.

He was pronounced dead by Dr. George H. Riley, Erlanger doctor. Mrs. Tressa Riffe returned a verdict of accidental death by suffocation.

Besides his parents, he is survived by a sister, Carol Marie Parsons, and his grandparents, Mr. and Mrs. Commodore D. Parsons, Erlanger, and Mr. and Mrs. George E. Sehlhorst, Butterfield Pike.

Fred Letto

Funeral services were held at 2 p. m. Wednesday in Latonia for Fred Letto, of Florence, who died Sunday at his home. Burial was in Linden Grove Cemetery.

Mr. Letto, who was 76, was retired.

He is survived by several nieces and nephews.

Red Cross Activities Outlined In Letter To Publicity Chm'n.

The following is a letter concerning the Red Cross activities in Boone County and throughout the world from Mrs. Jack Caldwell, county chairman of the Fund Drive, to Ralph Maurer, who is handling Red Cross Fund Drive publicity in the county. Mr. Maurer has asked us to print this letter in its entirety in that he believes this will better let Boone County citizens know the real value of this great organization. The letter follows:

"Dear Ralph,

"You were right when you said that the functions of the American Red Cross need to be publicized. When I undertook to find precinct chairmen and workers for the Fund Drive in Boone County, I realized fully the need for publicity right here at home. We know that if the public is not fully acquainted with an organization, it not only tends to criticize unfairly, but fails to take advantage of the services it offers. Boone County is not acquainted with the functions of the Red Cross.

"Our Chapter of the Red Cross maintains twenty-four hours service. Any real emergency is taken care of immediately, regardless of time-of-day or night.

"Red Cross emergency calls are given preferential treatment by all communication companies and Red Cross is the only organization of its kind to be recognized by the government and armed forces. In consequence, a tremendous service can be rendered through messages sent by telegram, telephone, and cablegram. Many servicemen were at home on leave during the heavy snow at Thanksgiving time and were unable to return to their bases. Upon request, the Red Cross notified the proper authorities of conditions, and saved the boys being A. W. O. L.

"This year, the Red Cross arranged for a boy to be brought back from Guam to be with his mother who was seriously ill. Another serviceman was flown back to the States from Alaska to be with his family at the time of the death of a close relative. Still another boy was brought home from Korea to be with his mother, who was seriously ill, and a 60-day leave was secured for him through Red Cross efforts, that he might stay at his mother's bedside until danger had passed.

"Then there are the Health and Welfare reports that Red Cross secures for men and their families. Red Cross maintains a Field director in every American military installation in the world, and a Chapter in every country in the United States, (some 3700), and each of these representatives has the name of every other worker. If one of our

Burlington Athlete Given Scholarship At Cincinnati U.

Served As Captain of Football and Basketball Squads Past Season.

Jimmy Ryle, son of Mr. and Mrs. Sam Ryle and a senior and star athlete of Burlington high school, has been awarded a four-year football scholarship at the University of Cincinnati, it was announced by local school authorities this week.

Ryle, who served as captain of both football and basketball for the Burlington Eagles the past season, has been an all-conference Northern Kentucky Six-Man football player the past three years and was high scorer in the state the past two seasons. He, along with Gayle Rouse of the Eagles, was named to the 34th District basketball all-star team last week.

Jimmy, a two hundred-pound five foot ten inch speedster, had attracted the attention of numerous college scouts during the past two years. He is also active in other school functions as a member of the baseball team, an editor of the yearbook, a member of the glee club and other organizations.

This makes the second Burlington youngster to cast lots with Sid Gillman's U. of C. Bearcats. Paul Yelton, a resident of Burlington, who graduated from Dixie Heights high school is a member of the team and from reports is expected to play an important role in the Bearcat plans next season.

Curtis Goodpasture

Funeral services were held at 8:00 p. m. Thursday at the Chambers and Grubbs funeral home, Walton, for Curtis J. Goodpasture, manager of the James E. Falls filling station, Walton, with burial in Roanoke, Va.

Mr. Goodpasture died Wednesday at St. Elizabeth Hospital. He was 66 years old.

He is survived by his widow, Mrs. Mary Cooper Goodpasture; three sisters, Mrs. J. E. Vipperman, and Miss Blanche Goodpasture, both of Roanoke, Va., and Mrs. Paul Kelly, Martinsville, Va.

Burlington Lodge Will Meet Thursday, March 8

Burlington Lodge No. 264, F. & A. M. will meet Thursday night, March 8, 7:30 p. m. for its regular business session, according to D. I. Rouse, Master.

M. M. degree cast members are especially urged to attend, as a special practice will be held immediately following the meeting. All members of the old degree cast are especially urged to attend this meeting.

local boys in Korea has cause to worry about conditions at home, he need only go as far as the field director to have a message sent to Boone County. Our local chapter takes up the matter with the family and immediately sends reassurance back to Korea. Remember! Red Cross messages are given priority, even as far up as the battle line.

"Great services are provided within the County. Fuel has been supplied to families when necessary. Good has been given to the needy in certain instances. Red Cross acts as an intervening agency between organizations and churches distributing clothing, food, furniture, and toys. Upon the death of a wife and mother, the several children were taken to a department store and completely outfitted even to shoes. The father had been working, but the expenses brought on by long sickness and the death were too great. This was a very deserving family. Just recently, bed linen and blankets were supplied to a young couple whose home and all possessions had been destroyed by fire.

"I could go on and on, Ralph, citing instances where Boone County Red Cross has served the public, here at home. In many parts of the world, but I believe this is enough to outline the types of services which may be had for this asking. Work into your article, Ralph, the fact that Red Cross must be notified of need. There is only one paid worker in Boone County. It is impossible for her to know what goes on in every part of the County, therefore it is the duty of every citizen to act as her deputy and to report any need to her. All anyone has to do is call Florence 84. I hope this is what you wanted, Ralph. I know you will do a good job.

"Sincerely,
Ruby L. Caldwell (Mrs. Jack)"

Walton Man Held For Grand Jury Action After Trial

Ira Dixon Pleads "Not Guilty" To Murder Charge In Boone Court.

Ira Dixon, colored, of Walton, was arraigned in Judge C. L. Cropper's Court Wednesday of last week on a charge of murder, and was held for action of grand jury which will convene in April. His bond was set at \$5,000.00.

Dixon was arrested December 13 by Sheriff Wendell Easton on charge of murder in a warrant sworn to by William McEvoy, County Attorney.

The warrant was issued after an investigation was made by Sheriff Easton and Attorney McEvoy, following the death of Mrs. Amelia Dixon, who was found shot in her home, at Walton, and later died at St. Elizabeth Hospital, Covington.

The victim had a bullet wound in her abdomen, another between the thumb and forefinger on her right hand, and a severe cut on the left side of her head, about two inches above her ear.

Dixon reported he found his wife lying on the bathroom floor of their home.

When arraigned before Judge Cropper last Wednesday on the charge, Dixon pleaded "not guilty." He was represented by O. M. Rogers, Covington attorney.

Record Ad. Attracts Largest Number Buyers

One of the interesting features of the Halpern cattle sale, held recently at Idlewild, was a test made by Cecil Wayman, auctioneer, of R. C. Wayman & Sons, real estate brokers and auctioneers, 623 Washington Street, Covington.

Mr. Wayman, highly pleased by the large crowd present, decided to find out what newspaper in which he advertised the sale was most responsible for such a crowd of eager bidders.

He asked that hands be raised as he named the newspaper in which the advertisement had been seen. Papers named were The Kentucky Post, The Kentucky Times-Star, The Walton Advertiser and The Boone County Recorder.

Mr. Wayman states that by far the greater number of hands went up for The Recorder, indicating that this newspaper gave him the best results in this event.

The sale was a splendid success, bringing good prices. The cattle brought \$300 or more a head.

R. L. Vincent Will Be Candidate For Re-Election In August

States That He Will Take No Part In Any Other Races.

R. L. Vincent, Commonwealth Attorney for the 15th Judicial District, composed of Boone, Grant, Gallatin, Owen, and Carroll Counties, stated that he would be a candidate for re-election in the August primary.

He further stated that during his term of office, he had fulfilled the duties of the office without fear or favor, fairly and honestly, and that he would seek re-election on his record.

He further stated that he would devote his full time to the campaign and that he would take no part in any other races.

His official announcement will be printed in this paper at a later date.

Addie Blankenbaker

Funeral services were held at 2:00 p. m. Friday at the Tallaferrero funeral home, Erlanger, for Mrs. Addie Blankenbaker, 89-year-old lifelong resident of Boone county, who passed away early Wednesday at her home near Union. Burial was in Hopeful Cemetery.

She is survived by a daughter, Mrs. Alma Riley; a grandson, Ben Al Riley, and several nieces and nephews.

Mrs. Blankenbaker was a member of Hopeful Lutheran Church, Florence.

M. Y. Rich

Services were held at 10 a. m. Saturday at the Tallaferrero funeral home, Erlanger, for M. Y. Rich, 205 Graves Avenue, Erlanger, who died Wednesday at Booth Hospital, Covington. Burial was in Forest Lawn Cemetery.

Mr. Rich was a charter member of the Kenton Baptist Church, Erlanger, serving also a deacon in that church. He had been a resident of Erlanger for the past 13 years.

He leaves his widow, Mrs. Frances C. Rich; a son, Jerry Rich; at Georgetown, College; a daughter, Mrs. Robert Gutmann, Louisville; two brothers, Henry, Erlanger, and J. Paul Rich, Park Hills, and a sister Mrs. Edna DeVoss, Covington.

HEBRON P. T. A. WILL MEET THURSDAY NIGHT

The Hebron P. T. A. will meet Thursday night, March 8, 8:00 at the schoolhouse. There will be a discussion on the subject "Glass." Each member is asked to bring one piece of glass. Everyone urged to attend.

Farm Bureau Drive Nearing Completion, Says Co. Secretary

Total of 120 New Members Enrolled In Campaign.

Boone County Farm Bureau committeemen are about to conclude a very successful membership drive. The drive has been in progress since February 10 with 120 members reported to the secretary, John E. Crigger, since the membership drive was opened. There were 382 members who had renewed their membership previous to the membership drive, making a total of 502 members who have taken membership since January 1.

Reports from committeemen from the various districts indicate that there will be over 650 members before the end of the month. The ten districts have been divided into two teams and the losers are to furnish the refreshments at the next meeting to be held at the Burlington Grill on March 13. Present reports show that the two teams are practically tied.

Committeemen working the membership drive are: H. E. White, W. J. Scott, C. E. Cobb, Thos. Hensley, Sam Blackburn, Wilton Stephens, and A. B. Renaker, of Burlington district; Wm. B. Rogers, John T. Stevens, John E. Walton, Edw. Rogers, L. S. Scott, Harold Rogers, M. G. Pope and Jas. Robert Huey of Grant district; W. W. Crigger, J. C. Aylor, Rev. E. Lionel Patton, Louis C. Hossman, Edwin Aylor, Edgar S. Graves, John L. Jones and Albert Willis of Hebron district; Charles Allen White, Louis Hittfield and John C. Burns, of Petersburg district; Grant Maddox, Arch Marie Maddox, Clarence Caywood, L. H. Congleton and Arnold Easton of Florence district; J. Lassing Huey, S. W. Eichholz, of New Haven district; Wm. Allen, D. D. Williamson, Bruce Ryle, and Orville Hensley, of Hamilton district; Beckham Shields, and Richard Houston of Walton district; Joseph C. Rouse, W. W. King and G. C. Ransom, of Verona district.

O. M. Rogers Undergoes Operation At Booth Hospital Saturday

O. M. Rogers, prominent, Covington attorney and native of Boone County, underwent a major operation at Booth Hospital, Covington, Saturday. He resides at 319 Erlanger Road, Erlanger.

Mr. Rogers rallied well from the operation, according to attending physicians, and his condition is reported as fair.

Mr. and Mrs. Lee Roy McNeely and daughter Susan, and Peter Cropper spent the week-end visiting Mr. and Mrs. Harry Holtzclaw and family, of West Point and Mr. and Mrs. Marvin Rouse Porter, of Louisville.

Simon Kenton Hoopsters Take District Tournament After Defeating St. Henry Burlington Eagles And Lloyd Juggernauts

Lloyd Juggernauts Receive Runners-Up Honors By Defeating Florence and Walton Squads On Walton Hardwood.

Coach Willard Shropshire's Simon Kenton Hoopsters are the 1951 34th District Basketball Champions. The Hoopsters earned that title last week in tourney play with victories over the St. Henry Crusaders, Burlington Eagles and Lloyd Juggernauts. Erlanger Lloyd took second place honors by virtue of victories over Florence and Walton before falling in the final to Simon Kenton. Both teams are representing the 34th district this week in the ninth regional tournament which is underway at the Dixie Heights gymnasium. Other teams in the Regional play are Campbell County, Newport Public, Covington Holmes, Corinth, Williamstown and the host school.

Boone County schools, though none won top honors, made a creditable showing in the tournament play even with three of the teams dropping their first encounter.

On the first night of play, last Tuesday, Duncan Huey's Florence Knights put up a Battle with Lloyd for a half before giving way to the Erlanger team's superior height and experience. Halftime score was 29 to 25 with the Jugs holding the edge. Even in the third stanza the little but well-drilled Knights were able to score 12 points to the winner's 17 for a third period score of 46-37. In the final period Lloyd outscored the Florence quint 23 to 12. Graham paced the winners with 18 points. Dryer had 14, Rash 13, Jones 15, Vaughn 7, Burton 2 and Tanner 2. For the Knights, Hudson led with 14, Bethel had 11, Luck 9, Lipscomb 8, Utz 2, and Dinn 1.

Walton had comparatively easy sailing with New Haven's Tigers on the opening night of play. They piled up 16-5 quarter lead and held on to a 23-13 halftime lead. Coach Hayes' Bearcats outscored the New Haven team 27-8 in the third period to lead 50-21. In the final quarter the host school outscored the losers 14 points and 11 points.

Lloyd earned a trip to the regional tourney and a chance in the final night of play Thursday night with a 19-9 quarter lead and ran it to 33-21 at the half. The Hoopsters piled on 24 more points in the third quarter while holding the losers to nine for a 57-30 lead. St. Henry outscored the winners 24-20 in the final period. Of the Crusaders 54 points came on free tosses. Gene Coppie paced the Hoopsters with 17 points and Cahill topped St. Henry with 14.

Sunday School Meeting Held Monday At Big Bone

The Boone County Baptist Sunday Schools met at the Big Bone Baptist Church Monday night for their monthly meeting with eight churches represented and 200 people present. The devotional was brought by the pastor of the host church Rev. Harry Lee Wainwright. Special music was brought by three young women from the Union Baptist Church.

The cup was again won by the Big Bone Baptist Sunday School, having 55 points, and the Efficiency Banner was won by the Walton Baptist Sunday School with 202 points. In preparation for the coming Simultaneous Revival in all Baptist Churches East of the Mississippi River, Rev. James W. McGregor, pastor of the Sand Run Baptist Church, brought a very fine message on the subject "Christ Is The Answer."

The next meeting will be a combined gathering of Boone and Kenton counties on Monday night, April 9, 7:45 p. m. at the Florence Baptist Church. Everyone is urged to set this date aside and make this one of the largest meetings.

Book Club Meeting Held

The March meeting of the Boone County Book Club was held at the home of the president, Mrs. Joe Hogan on the Limaburg-Hebron Road.

Miss Mattie Kreylich was in charge of the program. Her subject was, "Outstanding Negro Personalities." Mrs. J. E. Stomberger gave interesting details about the life of Booker T. Washington as told by him in his book "Up From Slavery." She also told of the early life of George Washington Carver from the book "George Washington Carver, the Scientist" by Shirley Graham and George Lipscomb. Mattie Kreylich told something of the life of Paul Laurence Dunbar and gave two readings from his selections: "The Party" and "How Lucy Backslid."

Members attending the meeting were: Mesdames Garnett Tolin, Lee Marshall, Albert Rogers, Roy Lutes, J. E. Stomberger, Vernis Willis, Joe Hogan, Harold Conner, Albert Fraizgraf, R. G. Garrison, John Kyle, Earl Moorehead, Thos. McCrann, Noel Walton and Misses Nancy McClaskey and Mattie Kreylich. Mrs. Herman Oberjohann and Mrs. Harry Whaley were visiting guests.

W. M. U. NOTES

On February 26 the W. M. U. of the Union Baptist Church met at the church for its regular monthly meeting. The meeting was called to order by our president, Mrs. L. N. Stamper.

Eleven members answered the roll call and one visitor was present. Mrs. Stamper gave a devotional, "Somebody Needs Your Love." This pointed out the many opportunities we have in community missions. Our program was presented by Mrs. Anna Smith, with Mrs. Helen June Gatewood, Mrs. Edith Hedges and Miss Lucy Newman taking part. They explained that if the high goal set for the Annie Armstrong offering for Home Missions is reached that great work can be done in Cuba, Alaska, ranches out west and good will center work.

If adequate funds are made available these and other opportunities of the five-year Crusade will be provided for. The program for the Crusade plans three steps—Evangelism in 1950-51; Church Extension in 1951-52; Effective Witnessing in 1953-54.

Our program was closed with season of prayer for the Simultaneous Revival to be held March 25-April 8 east of the Mississippi River.

Ninety-nine out of a hundred babies are born with good feet, even if they do appear to be flat at the start. We say babies are born with flat feet because the bony masses in a new-born baby's feet are held in place by fat pads. As the baby starts to stand and walk, these fatty pads are absorbed and muscles take their place. But about the third year the arch of the foot should be pretty well defined if the child is going to have an arch. We say if, because every one is not meant to have the same color of hair or eyes.

Perhaps when the child starts to stand he is overweight, or undernourished or has gone through a serious illness. In that event the muscles may not develop enough to produce an arch in the foot. He then grows with a natural flat foot. The condition is rarely painful. However, many cases of flat feet can be averted if the child is provided with shoes that hold the weak foot in alignment. Such shoes are usually wedged slightly under the inner border of the heel bone. This prevents tipping in of the ankles and by over correction has a tendency to cause the muscles on the inner border of the leg to shorten. These muscles are the ones which keep the foot arched.—Adv.

Due to a favorable season and by following a definite spraying program, Johnson county farmers grew higher quality and quantity of apples than ever before.

POULTRYMEN URGED TO PURCHASE CHICKS CLOSE TO HOME SAYS COMMISSIONER

Poultrymen cannot be too careful about investigating the source of the baby chicks they buy. Probably one of the most important suggestions would be that the chick source should be as near home as possible. This is the advice of Harold Ford, Assistant Commissioner of Agriculture.

Distance does not improve the quality of baby chicks. Almost any quality chick can be purchased reasonably close to home. In addition to reducing the traveling distance of the chicks—an important matter in reducing the mortality rate—a close-by source gives the buyer a better opportunity to make an investigation of its parent stock.

Should anyone desire to purchase baby chicks from out-of-state hatcheries you should make certain that you are purchasing from a hatchery having a Kentucky Approval Number for 1951. To have this Approval Number the hatchery has to be pulorum disease free.

Mrs. W. H. Hahn of Nelson county has refinished six pieces of furniture since she learned the methods in her homemakers club.

MORTGAGE LOANS

We want to make all good, safe mortgage loans possible, but we will advise against a borrower going too heavily in debt.

Our bank may be safe in making certain loans but we try to take an interest in our customer to prevent his debt from becoming a hardship.

This is one reason we advise against some loans being made. We want our customer to be safe as well as the bank.

NATIONAL FARM
LOAN ASSOCIATION
Federal Land Bank System
Farm Insurance Service - Long Term

Thirty-four years ago farmers were in such dire need of better credit that Congress authorized the Federal Land Bank system. Since then, more than one million farmers have gotten BETTER farm land financing with Federal Land Bank Loans.

The Federal Land Banks are cooperatively owned by farmers who use the credit they extend. Their only purpose is to provide farm families with farm loans best adapted to their individual needs.

If you are looking for a BETTER farm loan, look into a Federal Land Bank loan. You'll get a long-term loan, with amortized repayment, low 4% interest rate, the privilege to repay any amount at any time, future payment fund protection, and friendly local service. There are no application fees, appraisal fees or renewal fees. And, for years National Farm Loan Associations have been paying their members a dividend.

Make application through your National Farm Loan Association TODAY.

New Highway Head Has Many Qualifications

Frankfort, Ky.—A combination of technical training and practical experience, a first hand knowledge of roads and road problems in eastern, western, and central Kentucky, and a familiarity with the operation of the Highway Department from crew working to top administration are among the qualifications of William P. Curlin for his position as Commissioner of Highways in Kentucky.

Curlin came into the Highway Department first in 1925 as a roadman in the First District, his home, and advanced through various jobs until in 1936 he was made Assistant District Engineer in charge of rural highways in the first (Paducah) District. He resigned from this position in 1942 to join the U. S. Corps of Engineers. He served in the South Atlantic Division, a four-state area, with headquarters at Savannah, Ga., where he was second in charge of airfield grading and paving and the construction of other military installations.

After leaving the U. S. Engineers in 1945, Curlin was associated with a structural steel firm in Savannah until August 1947, when he returned to the Highway Department as Assistant District Engineer at Ashland in what was then the sixth highway district. In April 1948 Highway Commissioner G. L. Withers appointed him Deputy Commissioner of Highways. He held that position until his appointment as Highway Commissioner, serving as technical adviser on matters of policy pertaining to the overall highway program and in a capacity of liaison between the Commissioner and the engineering staff.

Born in Hickman, Fulton County, in 1906, Mr. Curlin is the son of the late Dr. Prather B. Curlin, who died in 1918 while serving with the Army Medical Corps in World War I, and Elizabeth Scott Curlin, a native of Union City, Tenn.

He received his engineering education in the University of Kentucky and is a registered professional engineer and a member of the Kentucky Society of Professional Engineers.

Although a lifelong Democrat and a former chairman of the Young Democrats Club of the first district, Curlin has never held an elective office.

He is married to the former Miss Margaret Platt, daughter of the late Judge R. B. Platt, a former circuit judge of the first judicial district, and Mrs. Annie M. Platt, for twelve years county clerk of Hickman County. They have a daughter, Mrs. Benjamin Gardner Moore, and a son William P. Jr.

The Tennessee Beauty variety of strawberries is rapidly gaining popularity, both for commercial sales and for home gardens, says the Agricultural Experiment Station at Lexington, Ky. In 1950 it outyielded both Blakemore and Premier.

The Redhavan variety of peaches scored a "home run" last year on every fruit farm where it was tried, says the Station. "Its market and consumer acceptance were excellent. It proved to be very hardy, ripening with Golden Jubilee. It deserves a place in all new peach plantings."

WILMINGTON LODGE TO CONFIRM M. M. DEGREE

Wilmington Lodge No. 362, F. & A. M., will confer the M. M. degree on a class of candidates Monday, March 12, beginning at 6 p. m. It was announced this week by Chas. A. Jackson, reporter.

A cordial invitation is extended all Master Masons to attend, and a special invitation is extended to honorary members to attend this meeting.

Boyd county homemakers estimated the value of fruit, vegetables and meats canned, stored or frozen last year at \$35,579.

IN LOVING MEMORY

Of our mother and grandmother Lora Lalle, who passed away November 28, 1950. Mom, all of us think of you. Think of the things you used to do. Think of the things you used to say. Of the inspiration you gave us every day.

Think of the hours you sat with us. When any of us were ill. And all the sacrifices you made. That no one else can fill. What we would give to kiss you goodnight.

And you'd say, "If you need me, Sister call me. That's what you would say to me. The years may wipe out many things. But this they wipe out never. The memory of those good old days. When we were all together. More and more each day we miss you.

Friends may think the wound is healed. But they little know our heart-aches. Lies within our hearts concealed. And when we are called to join you. This world and we are through. We pray the Lord to let us go. As peaceful and brave as you. Your daughter Jenny Woods.

TENNESSEE BERRY GAINES POPULARITY

The Tennessee Beauty variety of strawberries is rapidly gaining popularity, both for commercial sales and for home gardens, says the Agricultural Experiment Station at Lexington, Ky. In 1950 it outyielded both Blakemore and Premier.

The Redhavan variety of peaches scored a "home run" last year on every fruit farm where it was tried, says the Station. "Its market and consumer acceptance were excellent. It proved to be very hardy, ripening with Golden Jubilee. It deserves a place in all new peach plantings."

CARD OF THANKS

We wish to thank everyone who was so kind to us during the illness in our home. We especially wish to thank Rev. and Mrs. Walter Koon, Dr. Hudson, friends, relatives and neighbors. To each and everyone we want to say, "thank you." Your kindness will never be forgotten. 1p Mr. and Mrs. Clarence Mitchell and Mr. and Mrs. Raymond Setters

CARD OF THANKS

The family of Arthur H. Holden wish to thank their many friends for their kindness in the time of their sorrow. For the many beautiful flowers and cards they received and to the many people who called. Especially do we thank Rev. Gordon and Rev. Simpson for their words of comfort; Don Mager for his solos so beautifully rendered and Mrs. McKibben for playing; to Mr. Stith for his kind and efficient service. We sincerely thank you all.

Engineers in 1945, Curlin was associated with a structural steel firm in Savannah until August 1947, when he returned to the Highway Department as Assistant District Engineer at Ashland in what was then the sixth highway district. In April 1948 Highway Commissioner G. L. Withers appointed him Deputy Commissioner of Highways. He held that position until his appointment as Highway Commissioner, serving as technical adviser on matters of policy pertaining to the overall highway program and in a capacity of liaison between the Commissioner and the engineering staff.

Born in Hickman, Fulton County, in 1906, Mr. Curlin is the son of the late Dr. Prather B. Curlin, who died in 1918 while serving with the Army Medical Corps in World War I, and Elizabeth Scott Curlin, a native of Union City, Tenn.

He received his engineering education in the University of Kentucky and is a registered professional engineer and a member of the Kentucky Society of Professional Engineers.

Although a lifelong Democrat and a former chairman of the Young Democrats Club of the first district, Curlin has never held an elective office.

He is married to the former Miss Margaret Platt, daughter of the late Judge R. B. Platt, a former circuit judge of the first judicial district, and Mrs. Annie M. Platt, for twelve years county clerk of Hickman County. They have a daughter, Mrs. Benjamin Gardner Moore, and a son William P. Jr.

TENNESSEE BERRY GAINS POPULARITY

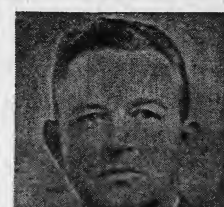

The Tennessee Beauty variety of strawberries is rapidly gaining popularity, both for commercial sales and for home gardens, says the Agricultural Experiment Station at Lexington, Ky. In 1950 it outyielded both Blakemore and Premier.

The Redhaven variety of peaches scored a "home run" last year on every fruit farm where it was tried, says the station. "Its market and consumer acceptance were excellent. It proved to be very hardy, ripening with Golden Jubilee. It deserves a place in all new peach plantings."

CARD OF THANKS

We wish to thank everyone who was so kind to us during the illness in our home. We especially wish to thank Rev. and Mrs. Walter Koon, Dr. Hudson, friends, relatives and neighbors. To each and everyone we want to say, "thank you." Your kindness will never be forgotten. 1p Mr. and Mrs. Clarence Mitchell and Mr. and Mrs. Raymond Setters

WILMINGTON LODGE TO CONFIRM M. M. DEGREE

Wilmington Lodge No. 362, F. & A. M., will confer the M. M. degree on a class of candidates Monday, March 12, beginning at 6 p. m. It was announced this week by Chas. A. Jackson, reporter.

A cordial invitation is extended to all Master Masons to attend, and a special invitation is extended to honorary members to attend this meeting.

Boyd county homemakers estimated the value of fruit, vegetables and meats canned, stored or frozen last year at \$35,579.

IN LOVING MEMORY

Of our mother and grandmother Lora Lalle, who passed away November 28, 1950.

Mom, all of us think of you. Think of the things you used to do. Think of the things you used to say. Of the inspiration you gave us every day.

Think of the hours you sat with us. When any of us were ill. And all the sacrifices you made. That no one else can fill.

What we would give to kiss you goodnight. Just like it used to be. And you'd say, "If you need me, I'm here."

That's what you would say to me. The years may wipe out many things. But this they wipe out never. The memory of those good old days. When we were all together.

More and more each day we miss every day.

Friends may think the wound is healed. But they little know our heart-aches. Lies within our hearts concealed.

And when we are called to join you. This world and we are through. We pray the Lord to let us go. As peaceful and brave as you. —Your daughter Jenny Woods.

IN MEMORY OF ROBERT RENAKER MILLER

WHEREAS, It has pleased Almighty God to call from our midst the soul of our beloved Comrade, Robert Renaker Miller, on the 14th day of February, 1951, in the 23rd year of his life.

WHEREAS, His Comrades lament his passing, knowing that the bereaved community, his home, and his friends suffer a great loss, therefore be it,

RESOLVED, That we extend to his bereaved family and many friends our profound sympathy in his death and be it further,

RESOLVED, That a copy of these resolutions be sent to the bereaved family, a copy be sent to the Legion for publication, a copy be sent to the Boone County Recorder and a copy be spread on our minutes in lasting tribute to his memory.

Respectfully submitted, By Francis Souther, Commander By Leo J. Brophy, Jr. Vice Com. By Tom Utz, Finance Officer.

CARD OF THANKS

The family of Arthur H. Holden wish to thank their many friends for their kindness in the time of their sorrow. For the many beautiful flowers and cards they received, and to the many people who called. Especially do we thank Rev. Gordon and Rev. Simpson for their words of comfort; Don Mager for his solos so beautifully rendered and Mrs. McKibben for playing; to Mr. Stith for his kind and efficient service. We sincerely thank you all.

THE BOONE COUNTY RECORD

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, MARCH 15, 1951

VOLUME 75

NUMBER 34

District Utopia Meeting Will Be Held Saturday

Four Counties Will Be Represented, Says Bill Davis, County Agent.

The Boone County Utopia Club will be host to the District Utopia Conference at Burlington High School Saturday, March 17th. Utopians from Boone, Kenton, Campbell and Gallatin Counties will gather for the annual affair at 5:00 p. m.

Bruce Cotton, Dry Ridge, International Farm Youth Exchange Delegate to Switzerland will be guest speaker at the banquet. Mr. Cotton has an excellent collection of color slides on his European trip to show the group. Carl W. Jones, field agent in Utopia work, will advise the group at the business meeting.

Mr. Dale Bee of the Cincinnati Gas and Electric Company will lead the folk games during the recreation period.

Fruit Meeting Will Be Held At Constance Friday, March 16th

Boone County fruit growers will meet at the orchard of C. Liston Hemphill, Constance, at 1:30 p. m. Friday, March 16th, according to Bill Davis, County Agent.

W. W. Magill, field agent in Horticulture, will discuss the 1951 spray program of tree and small fruits.

Due to the winter injury to peach crops it is urgent that growers become acquainted with the 1951 practices.

Thirty-One Local Youths Examined Wednesday March 14, For U. S. Army

Thirty-one Boone County youths were examined Wednesday of this week in Cincinnati, according to C. G. Kelly, Clerk of Local Board No. 108.

Four Boone County men were inducted into the U. S. Army this month. They are Clifford Edwin Scott, Charles Dickerson, Harry C. Sturgeon and Delbert Gene Messmer. The above men were received at the Cincinnati Induction Center, and are now receiving their basic training at Ft. Meade, Md.

Religious Census Will Be Conducted at Petersburg

The Baptist and the Christian churches of Petersburg are cooperating in the taking of a community religious census this Sunday, March 18. The workers will meet at the Baptist Church at 2:30 p. m. for final instructions before taking the census. Rev. Marion Beaver and Rev. J. Edgar McDonald, Jr., are co-chairmen of the census.

Historical Society Will Meet March 16

The Boone County Historical Society will meet in the Florence Town Hall on Friday, March 16th, at 8:00 p. m., it was announced this week.

Mrs. Lucille Jones will read a paper on "The History of Florence." The public is cordially invited to attend.

Operator Of Red Arrow Held For Action Of Grand Jury

After Waiving Examining Trial In Boone County Court.

Robert Wilkins, operator of the Red Arrow Tourist Camp, U. S. 25, near Devon, waived examining trial in Judge C. L. Cropper's Court and was held for grand jury action, after being arraigned on a charge of violating the closing hour.

Sheriff Easton stated that Wilkins was arrested when his place was found open at 1:20 a. m. with cold beer before his customers. The establishment of Wilkins was visited by Sheriff Easton, County Attorney McEvoy and State Troopers. The sheriff stated that it is a violation of the law to sell beer in the county after midnight. Although cafes are not compelled to close at midnight, all sales of beer must cease at that time.

Evidence will be produced before the Boone County grand jury at the April term of Boone Circuit Court.

Young-Yelton

The marriage of Miss Janet Young, of Crescent Springs and Paul Yelton, an event of August 2, 1950, was announced Monday of this week.

The groom is the son of Mr. and Mrs. A. D. Yelton, of Burlington. He is a student of University of Cincinnati and member of the Bearcat football team. Both the bride and groom are graduates of Dixie Heights High School.

The bride is an employee of the Central Life Insurance Co., of Cincinnati, Ohio.

They many friends throughout the county extend best wishes for a happy and prosperous life together.

Indiana Man Held On Theft Charge, Tuesday

Johnny Neace, Lawrenceburg, Ind., was arrested Tuesday on a charge of breaking and entering the home of John Hendrickson, Petersburg, and removing property valued at \$100.00.

When arraigned before Judge C. L. Cropper in Boone County Court he was held for action of the Boone County grand jury. His bond was set at \$1,000.

Sheriff Wendell Easton and Deputy Byron Kinman were the arresting officers.

Williamstown Man Fined In Boone Court

William P. Webster, Williamstown was fined \$104.50 in Judge C. L. Cropper's court last week on a charge of driving while under the influence of intoxicants. His driving rights were also suspended for six months.

Webster was arrested by State Trooper Robert Gordon.

New Haven Club Sponsor Midget Basketball Tourney

Ten Teams Will Participate, According To Officials.

For the third consecutive year the New Haven Booster Club will sponsor a Midget Basketball Tournament. The event will be held at the New Haven school gym on March 22, 23 and 24th, officials of the club announced this week.

Ten teams will participate in the tournament with the first game played Thursday night, March 22 at 7:00 p. m.

Participating teams are Walton, Sanders, Ghent, Beechwood, Dixie Heights, Hebron, Burlington, Florence, St. Henry and New Haven. Burlington will meet Dixie Heights in the opening round with Ghent and Walton at 8:00 p. m. and Hebron and New Haven in the nightcap.

Sponsors of the event will award three trophies, one to the winner, runner-up and a consolation trophy.

Admission will be 35 cents for adults and 20c for students and children.

This event has been highly entertaining in the past, and no doubt will be highly interesting to those attending this year.

Judy Sale Attracts Large Number Bidders

The Frank Judy and son sale, of 108 acres, livestock, farming implements and household goods sold at auction Saturday, March 10th, attracted a large number of bidders, according to Conner & Gaines, realtors, who were in charge of the sale.

Bidding was spirited and farm, equipment, livestock and household furnishings sold at very good prices. The farm located 4 miles north of Hebron, Ky., on Route 20, consisting of 108 acres was sold in three tracts. This is one of the outstanding farms in that section.

Pillow Slip Bingo Scheduled March 15th

The Ladies' Auxiliary of the Florence Volunteer Fire Department invite the public to attend their monthly Pillow Slip Bingo social to be held at the Fire Hall and Community Center on Thursday evening, March 15, 1951 at 8:00 p. m.

Mrs. Bessie Zimmerman and Mrs. Henrietta Roberts are serving on the committee for March.

Members of the Volunteer Firemen are in charge of refreshments.

Miss June Brown, Miss Peggy Kelly, Miss Janice Kinman, and Miss Lorraine Lincum attended a house party at Georgetown College last week-end.

Beaver Home Destroyed By Fire Last Wednesday

Defective Flue Thought To Be Cause Of Blaze; Loss Set At \$2,000.

A four-room frame house on the farm of Mrs. Lennie Moore, U. S. 42, near Beaver was destroyed by fire Wednesday of last week. Loss was estimated at approximately \$2,000 according to reports.

The house was occupied by Joe Black and family who lost all their household furnishings.

The blaze, which was believed to have been caused from a defective chimney, was discovered by men working in a nearby field. The Walton Volunteer Fire Department was summoned, and neighbors formed fire fighting squads, but the blaze had gained too much headway, and all efforts were in vain to save the structure.

Blaze In Barn Extinguished
Fire Chief James Allen of the Walton Departments reported that his department extinguished a blaze in a barn and hay on the farm of Lawrence Turner, Stephenson Mill Road, 1 1/2 miles west of Walton.

Quick action of the fire fighters held loss to \$50.00 according to Chief Allen.

Registrants Desiring To Appear Before Draft Board Should Write For Audience

Registrants desiring to appear before Local Draft Board 108 in regard to their classification must write to the Board for an audience. The members are unable to handle a large number at one particularly session, and are urging registrants to write for appointments. The Board will notify registrants when to appear.

The Local Board meets each Tuesday night, in the courthouse.

Sen. Virgil Chapman Dies Of Injuries In Automobile Crash

Had Served Eleven Terms In The House Of Representatives

Senator Virgil Chapman, Kentucky Democrat, died Thursday of last week at the naval hospital, Bethesda, Md., from injuries suffered when his auto collided with a trailer truck early that morning. He was 55 years old.

Chapman suffered fractures, severe lacerations and loss of several teeth in the collision. He apparently suffered from internal injuries.

He was elected to the Senate in 1948. He was a member of the important Senate Armed Services committee and the committee on public works.

He served as a congressman from 1924 until he was elected Senator, except for two years after he was defeated in 1928. He served 11 terms in the House before being elected to the Senate.

Vice President Alben W. Barkley headed a congressional delegation attending services at Washington for Mr. Chapman at 2 p. m. Saturday. Following services in Washington the body was escorted to Chapman's Paris, Ky., home by a delegation of 12 Senators. Burial was in Paris Cemetery.

Two Boone Counties Injured In Crash

Earl Fleck, 19 Burlington Route 1 and Charles Merrell, 28, of the same address suffered severe scalp cuts when their automobiles crashed head-on on Ky. 20, about two miles from Hebron, between Hebron and Constance, Friday night.

Both men were removed to Booth Hospital, Covington for treatment.

Nunn-Smith

The wedding of Stella Nunn and William Vernon Smith took place Sunday afternoon at 2:30 in the presence of 67 guests at the home of the bride's parents, Mr. and Mrs. Grant Nunn.

The bride wore a navy blue tulle dress trimmed in pink with a corsage of pink-blue roses. The groom was dressed in a navy blue suit.

The happy couple left following the ceremony for a brief wedding trip. They will make their home at Verona, Ky., where he owns a farm.

The decision of the Public Service Commission will be made at an early date following the hearing March 26th.

Organ Recital Will Be Held At Florence Christian Church

Blind Cincinnati Musician Will Be Organist.

The public is invited to attend an organ recital on Sunday afternoon, March 18, at 2:30 at the Florence Christian Church. This recital will be the dedication of the Hammond organ which has been installed in the newly reconstructed church.

Carl Johnson, blind musician of Cincinnati, O., will be the distinguished organist on this outstanding occasion. Mr. Johnson is a graduate of the Conservatory of Music and the Music College in Cincinnati. He is employed by the Willis Music Company and as stated by Mr. McConnell, executive, "is one of their finest musicians."

Mr. Johnson has a Hammond organ in his home and teaches music appreciation organ and piano. He has appeared in Chicago, Kentucky, Indiana and Ohio. He is highly recommended by the Willis Music Company of Cincinnati.

The purchase of the organ has been under the able chairmanship of Mrs. Virginia Goodridge and her committee, who are the teachers of the Sunday School and are as follows: Mrs. Ruth Martin, Mrs. Elizabeth G. Nestor, Mrs. Martha Wolfe, Mrs. Clara Riehl, Mrs. Charlotte Wilson, John Schram and Mrs. Lillian Schram, with Harry Spencer, Sunday School superintendent, Mrs. Louella Houston, treasurer and Mrs. Francis Berkshire, secretary.

The purchasing of this program is the result of the noteworthy efforts of Mrs. Goodridge and her committee. It is also the result of the unselfish contribution of the various organizations and friends of the Florence Christian Church.

A tea in the basement of the church will follow the program.

Senate Votes 79 5 For Passage Of 18-Year-Old Bill

House Favors Lowering Draft Age To 18 1/2; To Be Studied Further.

The Senate voted 79 to 5 Friday last week for a bill providing for the draft of 18-year-olds now and universal military training later. The final vote showed only five Republican Senators opposing the bill.

The one-sided vote came as a surprise to most supporters of the bill, since much bitter debate had been heard in defense proposals on the Senate floor. Universal Military Training was retained in the bill by a 68 to 20 vote.

The Senate bill, however, specifies that the draft of 18-year-old cannot start until the draft boards have gone completely through the ranks of those eligible among the 18-through-25-year-old. And in drafting boys 18 they must start with the ones nearest 19.

Another major feature of the bill extends draft service from 21 months to 24.

The bill, now in the house at the present is being studied by that body. Members of that body are more inclined toward setting the age at 18 1/2, it was reported.

Reading of the bill in the House was resumed Wednesday of this week, and no vote has been taken as we go to press Wednesday morning.

Missionary Society Sponsors Paper Drive

The missionary society of the Florence Christian Church is sponsoring a paper drive on Saturday, March 17, 1951.

Dual Services Held At Opening Service Of Florence Church

Building Completely Renovated; Dr. George V. Moore Speaker.

Opening services in a completely renovated edifice were held Sunday, March 11 at the Florence Christian Church with dual services at 8:45 a. m. and 10:45-11:30 a. m., according to H. L. Reid, pastor.

The south wall of the building collapsed several months ago while contractors were in the process of digging a basement under the old structure. This misfortune called for many changes, and the building has been completely remodeled and is now much more beautiful and will afford many advantages to the growing membership.

Dr. George V. Moore, Professor of Pastoral Theology of the College of the Bible in Lexington, Ky., was the guest speaker for the day. He brought an interesting message to a large and appreciative audience. Dr. Moore brought the first in a series of outstanding messages on the theme "Building for the Future in the Light of Our Church Structure."

Dual services were held for the purpose of developing the talents and leadership of the children and provide for the increasing audience at morning, according to the pastor, H. L. Reid.

The congregation of the church have been holding regular services in the Community Center for the past several months, due to construction work on the building. With completion of the work, it is expected that attendance will be sharply increased.

Large Crowd Attends Bible Class Meeting

The monthly meeting of the Men's Bible Class of Burlington Baptist Church was held at the home of Fred Lincke, Camp Ernst Road, Monday night.

Officers in charge of the meeting were Thomas Hensley, president; B. B. Kinman, second vice president; Frank R. Tanner, third vice president.

Robert Garnett Huey, superintendent of schools of Ludlow, Ky., native son of Boone County brought a most inspiring and timely message, "Your Tomorrows," dealing with what we do today will we reap joy or sorrows in tomorrow.

Besides the above mentioned the following were present: Dewey Crowder, Ernest C. Ruppert, Wm. Jarrell, Russell Utz, A. B. Renaker, Leslie McMullen, Ted Hambrick, Albert W. Weaver, F. C. Spurlock, Virgil Vice, Franklin Huey, Walter Brown, Earl Smith, Elza Poston, J. W. Kelly, R. I. Rouse, Jack Tucker, Ty Combs, Alvin Cable, Alvin Clow, Roscoe Akin, Luther Smith, Howard Lizer.

John D. McNeely Answers Call At Age of Eighty-Nine

Had Been Director of Grant Bank Since Charter Was Granted.

John D. McNeely, retired Boone County and former vice president and director of the Citizens Deposit Bank, Grant, Ky., died early Monday morning at a hospital in Milan, Ind., after several weeks' illness. He was 89 years old.

Mr. McNeely was the last of the charter directors of the Citizens Deposit Bank, having served in that capacity for the past 43 years. He was a native of Gallatin County but had spent the greater part of his life in Boone County.

He was a member of the Bellevue Baptist Church and Burlington Lodge No. 264 Free and Accepted Masons. He was raised to the degree of a Master Master in Burlington March 10, 1910.

He is survived by four sons, Ernest McNeely, cashier of the Citizens Bank, Grant; Rev. R. C. McNeely, pastor of the Milan Baptist Church; Lee R. McNeely, Burlington, and John McNeely, Fairborn, Ohio; three sisters, Mrs. Eva Turley, Warsaw, Ind.; Bess and Alice McNeely, Patriot, Ind.; five brothers, Charles and R. T. McNeely, Warsaw; Herman McNeely, Markle, Ind.; William McNeely, Patriot, Ind. and Paul McNeely, Brownstown, Ind.; seven grandchildren and seven great-grandchildren.

Funeral services were held at 2:30 p. m. Wednesday at Bellevue Baptist Church. Burial was in Bellevue Cemetery. Home services were held at the home Tuesday evening at 8:00 p. m.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Mrs. Melvine Jones

Mrs. Melvine Jones, age 72, died at the home of her son near Waterloo on Monday, March 12th, following a prolonged illness.

Mrs. Jones was a native of Laurel County, but had been a resident here for the past several years.

She is survived by her husband, John Jones; four sons, Jim of Boone County; Fred and Edward of Laurel County; and Riley of Livingston, Ky.; two daughters, Mrs. Dora mounts and Mrs. Sarah Harris, both of Beech Grove, Tennessee; and 25 grandchildren.

Details of funeral services have not been completed at this time. Ralph Stith, Florence funeral director will be in charge of arrangements.

Luther Hood

Funeral services were held at 2:00 p. m. Saturday at the Catherman funeral home, Ludlow, for Luther Hood, 30 Ash Street, Ludlow, who died Tuesday of a heart attack while visiting his daughter at 408 Oak Street, Ludlow. Burial was in Hebron Cemetery.

Mr. Hood, who was 58, was pronounced dead by Dr. M. J. Weber, Ludlow. Mrs. Tressa Riffe, Kenton county coroner, said a heart ailment caused death.

He is survived by his widow, Mrs. Elizabeth Rice Hood; three daughters, Mrs. Keegan and Mrs. Robert Brown, both of Ludlow and Miss Nancy Hood at home; a brother Frank Hood of Constance and two grandchildren.

Hamilton

Mr. and Mrs. Luke Slaughter spent Sunday at Vincennes, Ind., at the home of her sister and family.

Mr. and Mrs. Wm. Moore and children and Ruben Jones were the Sunday guests of Mrs. Anna Moore, Sunday being Mrs. Moore's birthday. We wish her many more happy birthdays.

Mr. and Mrs. Lewis Ryle called on Mr. and Mrs. Thos. Huff, Saturday evening.

Mrs. Harry Huff and sister, Mrs. Wm. Wilson were shopping in Covington, Saturday.

Mr. and Mrs. Raymond Jones entertained her sister, Mrs. Dritha Linehan, Sunday.

Mr. and Mrs. John W. Slayback, are rejoicing over the arrival of a son, born Saturday, March 10th at St. Elizabeth Hospital.

There will be a shower and special collection at Big Bone Baptist Church next Sunday for Mr. and Mrs. Joe Black and family. They lost everything they owned in a fire the past week, when the house of Miss Lennie Moore was destroyed by fire.

Mrs. Jimmie Conner is now living with her parents, Mr. and Mrs. Raymond Jones.

Mr. and Mrs. Lloyd Marsh sold their farm last week to Mr. and Mrs. George Kerns, of Union. Mr. and Mrs. Marsh are moving to Ohio.

BIG BONE W. M. S.

Big Bone W. M. S. met at the church Thursday, March 8 for their season of prayer. The morning session opened with song "Sweet Hour of Prayer," with Mrs. Frances Aylor in charge of program. Prayer by Mrs. Huff. Mrs. Jane Aylor brought the devotional, "Our Father" and closed with prayer. Those taking part were Mrs. Lewis, Mrs. Works, Mrs. Bays, Mrs. Huff, Mrs. K. W. Aylor. Mrs. Doretta Wilson sang a solo, "In The Garden." Prayers were offered by Mrs. Lewis and Mrs. Bays. After the song "Near To The Heart of God" Mrs. Virginia closed with prayer and for the noon hour.

The afternoon session was opened with song "Come Thy Fount." Devotion, "Thy Will Be Done" was given by Mrs. Lora Schwenke, followed with prayer by Mrs. Frances Aylor. Mrs. K. W. Aylor and Mrs. Frances Aylor sang a duet, "Ere You Left Your Room."

Those taking part in the program were Mrs. Virginia Jones, Mrs. Mary Hamilton, Mrs. Mary Edwards, Doretta Wilson. After songs "Power In The Blood" and "Rescue the Perishing," prayers were offered by Bro. Wainsoott, Mrs. K. W. Aylor, Mrs. Jane Aylor and Mrs. Huff.

After collection we then closed the meeting with prayer and entered the business session and regular March meeting with Mrs. K. W. Aylor presiding in the absence of our president.

The secretary read minutes of last meeting and gave the treasurer's report. We then had roll call with fourteen members present. After the reports of different chairmen and other business, the president turned the meeting over to Mrs. D. L. Lewis, who had charge of the program, the topic being "Go Quickly and Tell." Those taking part were Mrs. K. W. Aylor, Mrs. Doretta Wilson, Mrs. Mary Edwards, Mrs. Virginia Jones, Mrs. Works. We were then dismissed with prayer by Mrs. K. W. Aylor.

The April meeting will be held at the home of Mrs. Tom Hamilton, April 12th.

—Publicity Chairman.

PRIMING SAVES TOBACCO

Hollis Bradford of Fleming County sold 998 pounds of primed tobacco for an average of \$65.39 a hundred. It was cured with coke fire. J. B. Day, also of Fleming County, sold 865 pounds of primed leaf for an average of \$52.07. Having no fire, some of his tobacco houseburned. Both men told County Agent R. E. Nute that priming saved their crops.

We have an excellent example of priming right here at Burlington: Edgar Maurer had 114 pounds of primings on 2/10 acre, which, with his total crop of 506 pounds, sold for 66 cents per pound. Edgar says it took him a little over a day to do this priming, which would have been lost had he not primed, and this permitted the crop to stand longer and get ripe in the top. He estimated that he made about \$50.00 per day priming his tobacco besides helping the quality of the balance of the crop.

It pays well to prime.

HATHAWAY HOMEMAKERS

The Hathaway Homemakers met for their regular monthly meeting at the home of Mrs. Lennie Love.

Miss Nancy McClaskey reported on her trip to Lexington. She made us all regret that we were unable to attend. She showed us how to make two types of bound button holes.

Some of the ladies helped cut out dresses for Frances Smith who lost everything in a fire recently.

After a bountiful covered dish luncheon we had our sewing project and enjoyed several amusing games.

Those present were Mrs. Hiram Stephens, Mrs. Lloyd Stephens, Mrs. James Smith, Mrs. Russell McClure.

Florence

We regret to report the illness of C. A. McKibben. However his friends wish him the best. Mr. and Mrs. John W. Dolwick, Jr., had guests in for a television

party Saturday evening including Mr. and Mrs. W. R. Miller, Mr. and Mrs. G. B. Miller, Mr. and Mrs. M. Graham, Barbee Simpson and Blayne Miller.

Miss Loraine Utzinger was the week-end guest of Mr. and Mrs. J. O. Richards, of Covington and re-

turned home with her parents, Mr. and Mrs. Edgar Utzinger and sister Marlene, who were Sunday guests in the Richards home.

Russell Bethel and family moved Thursday to the farm they purchased of Mr. and Mrs. Paul Aylor. Mr. and Mrs. Richard Keyer and Mr. and Mrs. Eldridge Carpenter were Saturday guests of Theo Carpenter and son John.

Friends of Mr. and Mrs. Wm. Haun regret that their son Tykie is suffering with an attack of rheumatic fever. However, it is hoped his recovery will be rapid and complete.

Recent guests of Mr. and Mrs. Price Conner were Mrs. Ollie Ireland, Mr. and Mrs. Geo. Burgess and Mrs. Zelma Smith, of Cynthiana, Mr. and Mrs. Robert Hensley and G. M. Shields, Rev. Gordon, Mr. and Mrs. Marvin Ligon, Mr. and Mrs. Ben Dixon and son David, Mrs. Coreta Utz, Mr. and Mrs. Harry Tanner and Mrs. Blackburn of Grassy Creek vicinity.

Friends here of Mr. and Mrs. Albert Requaardt of Latonia regret

that he has been ill quite sometime and is expecting to undergo an operation at Booth Hospital.

Miss Patricia Osmun of U. S. 42 and Misses Betty McElfee and Barbara Williams of Greensburg, Ind., enjoyed the week-end together at the home of Miss Osmun. They are all student nurses at Deaconess Hospital, Cincinnati.

Pleasant Sunday guests of the P. J. Allens were Mr. and Mrs. Robert Woodward, Mr. and Mrs. R. E. Tanner and Mr. and Mrs. Eldridge Carpenter.

A number of friends and relatives includes Mr. and Mrs. Robt. E. Tanner, Mr. and Mrs. Roadcup, Stanley Tanner and family, Chas.

Smith and wife, Kirby Marshall and family, Edgar Utzinger and family and Howard Thompson were entertained at dinner in the home of Mr. and Mrs. John E. Rouse, recently.

Mr. and Mrs. Geo. Miller entertained at dinner Sunday for Mrs. W. R. Miller, Miss Betty Jane Poer Barbee Simpson and Blayne Miller. Things to come: Watch for the star-studded Variety Revue to be given by the Florence P-T-A. after Easter at the high school auditorium.

The Ladies' Auxiliary of the Volunteer Fire Department will bring the public a delightful evening of dancing at the Community Center on Saturday evening, March 31, 1951. Mark the date on your calendar.

Mr. and Mrs. Lloyd Rouse have returned the past week from a vacation trip to Dallas, Texas, where they were the guests of relatives.

Elizabeth Gross and Bea Aylor have returned from Florida and other southern points of interest where they were vacationing. Mrs. Ross Benefiel was called to Florence, Kansas the past week to the bedside of her mother, who is ill.

Orders for 105,000 seedling trees were placed by Marshall county farmers to Jan. 1, a considerable drop from the same period last year.

UNION W. M. U.

On March 7th at 10:00 a. m. the W. M. U. of the Union Baptist Church met at the church to observe the season of prayer for home missions. Our program chairman, Mrs. Anna Smith was in charge of the program. There were thirteen

present to enjoy the interesting program.

Our devotional was given by Miss Lucy Newman. It was taken from the "Lord's Prayer" and a special message was given on each phase of the prayer which was very inspiring. We were told how much work needs to be done for the Indians, the Canal Zone, Alaska, Pueblo Land and Chinese Missions. Special prayers were had for each of these sections and all phases of Home Mission work in the Southern Baptist Convention.

The following took part on the program: Mrs. Louise Newman, Jeanette Smith, Mary Belle Noe, L. N. Stamper and Edith Hedges.

The Annie W. Armstrong offering was taken and this offering is how the Home Mission work is financed.

Two Boone Youth Will Receive Recognition For Outstanding Feats

Two youths from Boone County will be commended by Governor Wetherby's Kentucky Committee on May 1, 1951. One boy or girl will be

recognized for an outstanding feat of courage and another for outstanding service to his community during the year 1950.

Several persons in this county are being requested by Governor Wetherby and the Kentucky Committee on Children and Youth to form a

committee for selection of the outstanding youths. The committee is being asked to forward these names with their accomplishments to the Kentucky Committee by April 15.

The youths from each county will each receive a certificate from the Committee on May 1. From the 240 names submitted, 2 from each county, four finalists will be selected by the Kentucky Committee and commended by Governor Wetherby. The finalists will represent Kentucky in the national award according to Public Law 638. Four, two from each group, will be accorded national honors.

The Kentucky Committee is a statewide group of lay and professional persons interested in bettering facilities and services for Kentucky's children and youth. This group was appointed in January of last year by Governor Clements to participate in the Midcentury White House Conference on Children and Youth at Washington, D. C. December 3-7.

The Simultaneous Revival campaign is under the direction of Rev. R. B. Hooks, secretary of evangelism for Kentucky Baptists.

This program will be one of the greatest efforts put forth by Kentucky Baptists in a great soul-winning crusade.

The public is cordially invited to attend services at the church nearest your home.

Four Injured In Crash Near Walton Friday

Four men suffered injuries in a head-on collision of two automobiles on U. S. 25, two miles south of Walton, Friday night.

Those injured were Eugene Hall of Dayton, Ohio, cuts on legs and possible nose fracture; Robert Elliott, Cincinnati, cut on right knee; Ray Willmore, Dayton, forehead cuts and Jason Duncan Covington, multiple cuts.

The injured were taken to St. Elizabeth Hospital, Covington by the Chambers and Grubbs ambulance of Walton.

Mrs. Ruby Surface

Mrs. Ruby Della Surface, former resident of Boone County passed away Thursday at St. Elizabeth Hospital. She was 55 years old.

Mrs. Surface formerly resided at Walton, Ky., but had been a resident of Covington for the last 10 years.

Funeral services were conducted at 1:00 p. m. Monday at the Hopeful Lutheran Church, Florence. Burial was in Hopeful Cemetery.

Heavy Snow Falls Monday With Drop In Temperature

Highways Throughout State Are Made Slippery By Snow.

Heavy snow fell throughout this section Monday, making highways slippery. The snow ranged from two to six inches deep in various parts of the state, according to reports.

Snow falling early Monday morning melted from highways, but with the temperature falling throughout the day, and snow flurries increasing the highways were coated causing highways to be dangerous. No major accidents due to slippery roads were reported, however.

Heaviest snowfall was reported in the south and southwestern counties of the state. Owensboro, Madisonville, reported four inches while three inches of snow was reported in most other sections of the state.

Rising temperatures Tuesday caused the snow to melt from highways throughout this section, and traffic was resumed with little or no hazard from the condition of the highways.

Miss Florence Marquis

Funeral services were held at 2:00 p. m. Wednesday at the Stith funeral home, Florence, for Miss Florence Lorena Marquis, lifelong resident of Boone County, who died Sunday on the same farm she was born on 83 years ago. Burial was in Florence Cemetery.

Miss Marquis was well known in this county having conducted farming operations on land she owned along Burlington Pike, Florence. She made her home with sister, Miss Ethel Marquis her only survivor. She was a member of the Florence Baptist Church.

James T. Bristow

Funeral services for James T. Bristow, retired Boone County farmer and a Past Master of Boone-Union Lodge 304, F. and A. M., will be held today (Thursday) at 11:00 a. m., at the Philip Tallafiero funeral home, Erlanger. Burial will be in Union Cemetery.

Mr. Bristow died Sunday at his home in Union. He was a member of the Union Baptist Church.

He was well known throughout the county, being active in Masonic circles. He was 87 years old.

He is survived by his widow, Mrs. Opha Bristow; three daughters Mrs. Harold Weaver, Mrs. Elmer Noe and Miss Emily Bristow and a brother, J. C. Bristow, all living in Boone County; eight grandchildren, one great-grandchild and five nieces.

Nominations Being Accepted For Local Outstanding Youths

Selections Will Be Completed By April 15, According To Report.

Headed by C. L. Cropper, the County Judge, and H. N. Ockerman, the County Superintendent of Schools, the County Committee is accepting nominations for the two outstanding youths in this county. They expect to complete their selection by April 15.

Two youths from each county in Kentucky will receive a certificate from the Kentucky Committee on Children and Youth—one youth for an outstanding feat of courage during 1950 and another for outstanding service to his community.

From the 240 names submitted by 120 counties, four will be named by the Kentucky Committee to receive special awards by Governor Wetherby on May 1 and will then compete for national honors.

The Boone County Committee will be happy to receive nomination for any youth eligible according to Public Law 638.

Mrs. Frances Gordon

Funeral services were held at 11 a. m. Monday at the Hebron Lutheran Church for Mrs. Frances Gordon, 94-year-old former resident of Boone County, who died Thursday at her home in Detroit, Mich. Dr. E. Stomberger, pastor, officiated at the ceremony.

Mrs. Gordon, who had been a resident of Detroit for the past 40 years, was the widow of Matthew Henry Gordon.

She is survived by a son, Dr. J. Whitlock Gordon, Detroit; a daughter, Mrs. Betsy Gilbert, San Jose, Calif.; five grandchildren, several nieces and nephews in the Hebron area.

The Bullock funeral home, Ludlow, was in charge of arrangements. Burial will be in Hebron Cemetery.

Mrs. Mattie Moore

Funeral services for Mrs. Mattie Moore, Walton, Ky., were held at 2 p. m. Monday at the Chambers and Grubbs funeral home, Walton, with burial in Highland Cemetery, Fort Mitchell.

Mrs. Moore succumbed Friday at her home. She was a member of the Walton Christian Church.

She is survived by two daughters, Mrs. Mary Mayhugh, Walton and Miss Thelma Moore at home; a sister, Mrs. Fielding Grubbs, Covington; a brother, Clarence Gregory, Cincinnati; two grandchildren and two great-grandchildren.

Pericles Grubbs

Funeral services for Pericles Grubbs, Constance, were held at 2:00 p. m. Saturday at the Chambers and Grubbs funeral home, Walton, with burial in the old Burlington Cemetery.

Mr. Grubbs a lifelong resident Boone County, died Wednesday at Booth Hospital, Covington. He was 76 years old.

Mr. Grubbs, a farmer, leaves no immediate survivors.

Thomas Underwood Named U. S. Senator By Gov. Wetherby

Has Held Many Important Posts During Past Several Years.

Thomas R. Underwood, Democrat, Lexington, Ky., the newly appointed United States Senator from Kentucky, was elected a member of the House of Representatives in 1948 to succeed the late Senator Virgil M. Chapman. Mr. Underwood was nominated for Representative in a Democratic State Convention in which other prospective candidates agreed to withdraw in his favor and he announced. He was re-elected in 1950 without opposition in either party.

Prior to his election to Congress, Mr. Underwood had been active in Democratic politics in the state, but had never before sought a public office. Former chairman of the State Central Executive Committee, he was state campaign chairman for Governor Earle Clements in 1947, now United States Senator and for Lieutenant Governor Lawrence Wetherby who was the running mate of Mr. Clements on the Democratic state ticket.

Lieutenant Governor Wetherby succeeded Governor Earle Clements when the latter became United States Senator in 1950. Governor Lawrence Wetherby named Mr. Underwood to fill the seat made vacant by the death of Senator Virgil Chapman. An election will be held in 1952 to fill the unexpired term for the United States Senate which will extend to 1954.

Mr. Underwood is the editor of the Lexington, Ky. Herald and has continued to write editorials for the newspaper since coming to Lexington.

Born in Hopkinsville, Ky., in the Pennyroyal section of Western Kentucky, Mr. Underwood went to Lexington in 1916 to enter the University of Kentucky. While a student there, he worked as a reporter on the Lexington Herald where he wrote sports and racing news. He later became managing editor, general manager and in 1936 succeeded the late Desha Breckinridge as editor of the Lexington Herald. His father, the late T. C. Underwood, was editor of the Hopkinsville, Kentucky, New Era and was president of the Kentucky Press Association. Thirty years later, Mr. Underwood became the first Kentucky newspaperman to be elected president of the KPA whose father had served in that capacity.

Mr. Underwood was secretary of the Kentucky State Racing Commission for 14 years. He helped to form the National Association of State Racing Commissioners in 1934 and was secretary of this organization until he resigned upon his election to Congress.

He served as assistant to Fred M. (Continued On Last Page)

Letter Received From Cpl. Leslie McMullen Stationed In Japan

The Recorder is in receipt of a letter from Cpl. Leslie McMullen stationed with the U. S. Army in Eta Jima School Command, Japan.

Cpl. McMullen writes that the place where he is stationed is called the Annapolis of Japan. It is very beautiful and well equipped with recreation facilities including a good theater, academy club, library and a large ball field. He writes that their chapel is one of the most beautiful he has ever seen with services just like home.

He writes that the weather there is the same as Southern California. Summer is due to arrive there the latter part of this month.

His new address is: Cpl. L. McMullen ER15382062, 858th Ord. Ammo. Co., Eta Jima School Command, APO 354, care P. M., San Francisco, Calif.

RIDDELL PROPERTY IS ADVERTISED DUE TO TAX BILL BEING OVERLOOKED

The property of L. C. Riddell of Florence, Boone County, Ky., was assessed in two parcels and listed for taxes on two separate tax bills, one being the town of Florence property and the other the property in the country. Mr. Riddell paid one of these tax bills before January 1st and the other tax bill was overlooked which caused same to be advertised.

Voluntary Workers Needed In Huge Red Cross Program

Job of Local Unit Is to Train and Maintain Active Groups.

Leaders of the Boone County Red Cross wish to call to the attention of the public the fact that the nation now is mobilizing its military and civilian resources for emergency action. Living up to its tradition for immediate action in emergencies is our American Red Cross. Already designated to carry out certain major responsibilities by defense leaders—both military and civil—it is moving into action with an overall job that is one of the greatest in its history.

This defense job of the Red Cross is to "train and maintain." To train people for disaster work and to maintain its traditional program of disaster preparedness as a part of civil defense; to maintain a blood supply sufficient for military, civilian and emergency needs; to train volunteers for service in hospitals and military installations and to help maintain high morale through service to the armed forces; to train millions in first aid and nursing skills and to maintain maximum safety and security for you, your family and your neighbor.

Carrying out such a program will require the voluntary efforts of many individuals and it offers an opportunity to you to do your part in a united effort.

Volunteers are needed to assist in the National Blood Program; to expand Motor Service and Canteen

Service in preparation for sudden emergencies which might require large scale evacuation, or mass feeding. Volunteers are needed to give assistance in both civilian and military hospitals. They are needed in chapter production rooms and offices. They are needed to assist in the first aid and home nursing training programs. In fact, volunteers are needed in every activity of the Red Cross to bring it to the full strength necessary to do the job the nation expects of it. These are unusual times—times when we must all make unusual efforts—when all of us must be ready to do more than one job. By volunteering now—by preparing and serving through the Red Cross you can "get ready to be ready" for any emergency.

Remember, "defense" is a neighbor-to-neighbor job and so your local Red Cross makes this neighbor-to-neighbor appeal. Call your Red Cross and enlist as a volunteer. There is a task in which you can help now.

Kenton County Man Held For Grand Jury Action

Joe Dudie, of Kenton County was held for action of the April grand jury, when arraigned in Judge C. L. Cropper's Court Saturday on a charge of carnal knowledge of a 16-year-old Taylorsport girl.

Dudie's bond was set at \$1,000 by Judge Cropper.

Fifty Veterans Are Enrolled In "On Farm Training"

Achievements of Past Year Outlined; Deadline For Enrollment March 31

Fifty Boone County veterans are now enrolled in "On Farm Training" it was announced this week. Many of these veterans have taken advantage of the training program to become better established in farming, the main objective of the program of vocational agriculture.

A few of the achievements of the past year are listed below:

Al Nusbäum is following a "grass farming" type of program. By rearranging his fields, seedling grass, legumes, applying fertilizer and manure at a rate many farmers use only on row crops, he is able to carry 14 dairy cows on 38 acres.

Allen White and Fred Morris averaged 1½ lambs per ewe.

Lewis Hossman, C. Gripehouse and Al Nusbäum average 8,000 pounds of milk per cow by culling low producers and better feeding.

R. Stoddard's flock of 400 White Leghorns averaged 71% production during a 12-month laying season and cleared \$4.45 per hen over feed costs.

Herman Roder produced 2248 pounds of tobacco on 12 acres, and received an average of \$59 per cwt. Herman added ten pounds of soda and ten pounds of potash to each 100 pounds of complete fertilizer broadcast on the crop.

The new rubber band method of docking and castrating lambs is being used by the man. The group purchased a carload of phosphate last.

Ninety percent of the group are members of the Boone County Farm Bureau and several are members of the Boone County Artificial Breeders' Association. Allen White is a director of the Farm Bureau and Al Nusbäum is a director of Artificial Breeders' Association.

At present the deadline for enrollment in farm training is March 31, 1951. Any veteran interested should contact the Vocational Agriculture Department, Hebron School.

Mrs. O. D. Perkinson Succumbs From Burns

Mrs. Mary Elizabeth Perkinson, 45, wife of O. D. Perkinson, former assistant county agent of Boone County, died Sunday morning at Kentucky Baptist Hospital, Louisville, of burns suffered when a bottle of polish she was using to shine a heating stove exploded March 10 at her home in New Castle, Ky.

Besides her husband she is survived by one son, Maurine, student at the University of Kentucky.

Funeral services were held at 2:30 p. m. Tuesday at the New Castle Baptist Church.

Burlington Lodge Will Meet Thursday Night

Burlington Lodge No. 264 F. & A. M. will meet Thursday night, March 22 at 7:30 p. m. Immediately following the regular business session, work will be conferred in the Fellowship Degree.

All members are urged to attend, and visiting brethren are cordially invited.

Red Cross Drive Slowed Due To Bad Weather Conditions

Petersburg First Precinct In County To Report Reaching Goal.

With more than half of the month gone in the Red Cross Fund Drive only a little more than a thousand dollars of Boone County's quota of thirty-five hundred dollars has been reached, it was reported by Mrs. Jack Caldwell, county Red Cross Fund Drive chairman.

In making her weekly report, Mrs. Caldwell spoke with a note of optimism even with the small amount of collections in. She reported that bad weather conditions and illness of several workers had hampered the drive.

Rouse Heads Special Fund

Irvin Rouse, former Boone County sheriff and former county Red Cross Fund Drive chairman, has accepted the chairmanship of a special fund drive, Mrs. Caldwell announced.

The Petersburg precinct holds the honor of being the first to reach and surpass its quota with a collection of one hundred and eighteen dollars on a one hundred dollar goal. Mrs. Justin Dolph is the Petersburg precinct chairman.

Precinct quotas and amount of collections reported (in parentheses) are as follows: Walton \$600, (\$150), Florence \$750 (\$204), Burlington \$500 (\$174), Hebron \$300 (\$315), Petersburg \$100 (\$118), Bellevue \$125 (\$42), Constance \$150 (\$45), Bullittsville \$125 (\$75), Hamilton, which includes Big Bone and Rabbit Hash \$75 (\$32), Beaver \$100 (\$53), Union \$300 (\$68), Richwood \$150 (\$30) and Verona \$250 (\$73).

TRACTOR POWER

to make the most of scarce manpower

You can do more crop work per day on the seat of the Model G Tractor . . . in three important ways:

1. Close, careful work . . . crops are always in clear view. Eliminates much hand work; reduces crop damage.
2. More crops perfectly matched by one tractor and its specialized tools. From 8-inch rows of small vegetables to widely spaced rows of field crops, nursery stock, fruits.
3. Wider variety of work in any given day. Five-minute tool change by one man. Hand or hydraulic lift.

Protect your work schedule against labor shortages. Let us know what your job requirements are and we will show you what the G-line will do for you.

PENDLETON FARMERS TO BUY COKE STOVES

Cooperative buying of coke stoves is being considered in Pendleton county, where a tobacco-improvement program has been set up by farmers and County Agent Robert W. White. Curing was said to be the No. 1 problem, due to experiences of the past season. Attention will be given to disease control in plant beds and fields.

Sheepmen voted to add members to their organization, in order to meet requirements for a county unit in the Bluegrass State Sheep Association.

The Pendleton Artificial Breeding Association reported progress, with prospects of adding at least 12 members. A full-time supervisor will be employed. More than 125 farmers attended the annual winter school on dairying and soil improvement.

A combined choir of the Baptist and Christian churches will sing, "Calvary" by Paul Rodney and Rev. Marion Beaver, pastor of the Baptist Church will bring the meditation.

Rev. J. Edgar McDonald, Jr., pastor of the host church said today that everyone in the community is urged to come. There will be doughnuts and coffee in the Social Hall of the church immediately following the service, served by Circle No. 3 of the Christian Women's Fellowship of the Christian Church.

PETERSBURG CHRISTIAN WILL SHOW FILM SUNDAY

The Petersburg Christian Church choir will sing, "Thine is the Glory" as their anthem at the Easter Sunday morning worship service at 11 o'clock. This will be preceded with Sunday School at 10 a. m.

At the evening worship service a full-length picture will be shown entitled, "Journey Into Faith," which is the story of the crucifixion and resurrection of Christ.

Rev. J. Edgar McDonald, Jr., pastor, cordially invites all to worship at the Christian Church, in these beautiful Easter services.

EASTER SERVICE PLANNED

The Baptist Church and Church of Christ will combine the Easter program March 25th at 7:00 at the Bellevue Church of Christ. Everyone cordially invited.

Falmouth Editor Will Address Historical Group

Warren J. Shonert, Jr., Falmouth, editor of the Falmouth Outlook, will read a paper on the subject, "The British Invade Kentucky," at the monthly meeting of the Christopher Gist Historical Society, at 8 p. m. Tuesday, March 27, at the Covington Woman's Clubhouse, 11 East Twelfth Street, Attorney Orie S. Ware, Covington, vice president and acting president of the society, during the absence of Attorney Stephens L. Blakely, president, who is vacationing in Florida, announced Thursday.

Editor Shonert will tell of the early pioneer days in the northern section of Kentucky when the Canadians and Indians invaded the Licking River valley of the State, and before the conclusion of the Revolutionary War fought the battle of Blue Licks, said to have been the last battle of the Revolutionary War, and fought on Kentucky soil, in which Kentucky pioneers were greatly outnumbered and most of them slaughtered.

Attorney Ware said.

The editor-writer also will tell of other engagements fought during the early history of the state and nation in the Licking River valley between early pioneer troops and the British, or Canadians and Indians. He will also give a number of high points of the early history of Pendleton, Campbell, Kenton, Grant and adjoining counties. He is a member of the historical society.

Historical Society Receives Congressional Director of 82nd Congress

Attorney Orie S. Ware, Covington vice president and acting president of the Christopher Gist Historical Society, in the absence of Attorney Stephens L. Blakely, who is vacationing in Florida, announced that the society had received a Congressional Director of the present, or 82nd Congress, from Gilbert W. Kingsbury, Covington, a member of the society, who is the Administrative Assistant to U. S. Senator Earle C. Clements, at Washington, D. C.

Attorney Ware said the director gives a biography of all members of the U. S. House of Representatives and Senate from all the states in the United States, including the nine members of the House of Representatives from Kentucky, with that of Senator Clements and the late Senator Virgil Mundy Chapman.

Attorney Ware said the director was a valuable book and would be placed in the society's library with other historical documents.

Big families mean big washings and ironings every week—and if you're still using old-fashioned methods for washing, drying, and ironing—that means two full days of back-breaking drudgery. But after you've modernized your home laundry with an automatic electric washer, drier, and ironer—you'll be amazed at how you can cut down on time and energy in this weekly chore.

Don't put it off... see your appliance dealer NOW... and select the ELECTRIC HOME LAUNDRY EQUIPMENT to speed up your weekly washing!

CHECK YOUR BOND HOLDINGS

If you own any Government Bonds purchased several years ago you should check the maturity of call dates to see if they have been called or matured. Interest ceases on bonds called for payment before maturity, and Series D Bonds have matured and Series E Bonds purchased in 1941 mature this year.

Millions of dollars in Government bonds have been called for payment or have matured and the owners have not presented them for payment.

We will be glad to advise you with reference to your bond holdings.

Clifford Edwin Scott, who is in training in the U. S. Army has been transferred from Ft. Meade, Md., to Ft. Pickett, Va.

There will be cottage prayer meetings each evening this week in preparation for the coming revival to begin at the Baptist Church on Easter Sunday, continuing through the following week. Dr. Denton Coker will be the guest speaker.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends, relatives and neighbors for the many tokens of sympathy extended to us in the death of our father.

J. D. McNeely

Especially do we wish to thank Bro. W. M. Smith and Bro. Brooks for their consoling words; the choir of Bellevue Church for the beautiful messages in song; the donors of the beautiful floral offerings; those who sent cards to him and to the family after his death; the nice food that was brought in for our lunch on the day of the funeral; Dr. Yelton and Dr. Hunter for your interest in our father and your efforts to prolong his life; and to Chambers and Grubbs for the kind and efficient management of the funeral.

We want to assure you these acts of kindness will never be forgotten and may God bless you all in your prayer.

BURLINGTON, KENTUCKY THURSDAY, MARCH 29, 1951

VOLUME 75

NUMBER 36

Public Hearing For Telephone Co. Set For April 5

At Courthouse in Burlington; PSC To Hear Complaints of Patrons.

The Public Service Commission of Frankfort has announced a public hearing on the proposed increase in telephone rates in Boone County to be held at the courthouse in Burlington, April 5 at 1:00 p. m.

The Commission has had two hearings in Frankfort this month on the question and now feel that they should have a similar hearing in Boone County so that all subscribers can have a voice in the meeting and an opportunity to express their opinion on the proposed increase in rates as asked by the Consolidated Telephone Co. of Florence, Ky., a public utility now serving all of Boone County with telephone service.

The local committee representing the subscribers of Boone County has carried this fight against the increase of rates as far as they can, and the burden is now with the subscribers as to whether or not the increase in rates will be granted. The hearing has been brought to Boone County for the sole purpose of getting before the Commission all complaints of subscribers and an expression of the service now being rendered by the company.

It is imperative that every subscriber in Boone County attend this meeting as the rate increase will effect all subscribers if it is granted. Plans for future telephone service will also be discussed.

If you are interested in the future of the telephone service in Boone County, plan to attend this hearing as this will probably be the last session before the Commission renders their decision which will be final.

Infant Regina M. Ramey

Regina May Ramey, 15-month-old daughter of Mr. and Mrs. Lester Ramey, of Petersburg, died early Saturday morning at Booth Hospital, Covington, after a week's illness of pneumonia.

Besides the girl's parents, she is survived by one brother Charles Wm. Ramey, grandparents, Mr. and Mrs. Floyd Ketterer, North Bend, Ohio, and Mr. and Mrs. Hubert Brady, Petersburg; great-grandparents, Mr. and Mrs. Chas. Sutton and Mrs. Alice Ketterer, Addison, Ohio. Funeral services were held Monday at 1:30 p. m. from the Chambers and Grubbs funeral home in Florence, with Rev. Marlon Beaver officiating. Burial was in Petersburg Cemetery.

BURLINGTON BOY BREAKS LEG

Bobby Walton, son of Mr. and Mrs. George Walton, near Burlington broke his left leg while at school, Friday.

He was removed to Christ Hospital for treatment and returned to his home. He is reported to be convalescing nicely.

Local Airport Will Be Center of Freight Lines, Says Speaker

At Meeting of Optimist Club in Covington, Tonight.

The day is coming when great trans-Atlantic air liners, carrying tons of freight, will land at the Boone County airport and discharge cargo to be delivered to all parts of the Ohio Valley.

That was the story told members of the Covington Optimist Club on Thursday, March 29 by Gil Kingsbury, former Covington newspaperman and now administrative assistant to Senator Earle C. Clements.

Kingsbury revealed that at least one airline is attempting to win federal permission to carry freight direct from the Boone County field to London and Paris.

Present regulations, it was explained, force manufacturers to ship to the eastern seaboard where cargo is transferred to trans-Atlantic planes. This transfer is costly and wipes up the gains possible under direct service to Europe, Kingsbury said.

Although not predicting early approval of the European freight service, Kingsbury did predict that eventually such service will be permitted. This added industry will provide hundreds of additional jobs at the airport and in surrounding parts of Boone and Kenton Counties.

Wm. L. Crigler

William L. Crigler, 76, retired Hebron farmer, died Tuesday morning at St. Elizabeth Hospital, Covington, after several weeks' illness.

Mr. Crigler was well known throughout Boone County. He was a member of Hebron Lutheran Church. He is survived by two sons, Dr. Edwin Crigler, of Cincinnati, and John E. Crigler, of Hebron; one sister, Mrs. W. R. Garnett, Hebron, and five grandchildren.

Funeral services will be held from the Hebron Lutheran Church, Friday, March 30th at 2:00 p. m., with Rev. Stomberger officiating. Burial will be in Hebron Cemetery.

Friends may call at the Bullock funeral home, Ludlow, Thursday afternoon and evening.

Burlington Sophomores Take Class Tournament

Things appear bright for future Burlington Eagle basketball teams, if results of the annual high school class tournament held Monday night are a true barometer. It was expected that the seniors would win, the juniors would place and the sophomores would show with the freshmen as also ran. Instead, the sophomores took top honors with a 29-15 win over the freshmen and a 30-29 final victory over the juniors. The juniors reached the finals with a 38-23 win over the seniors. So at least there are bright signs ahead for a couple of seasons.

April 15th Closing Date of Nominations Outstanding Youths

Four Youths From Two Hundred Forty Will Receive State Award.

The Kentucky Committee on Children and Youth announced this week that Captain William Kiefer, Superintendent, Crime Prevention Bureau, Louisville, and Misses Chloe Gifford and Myrtle Weldon, University of Kentucky Extension Services, Lexington, will select four from two hundred and forty candidates for state awards in service and bravery. Two youths for outstanding service and two youths for outstanding courage are to be recommended on May 1 by Governor Lawrence Wetherby.

The Boone County Committee is headed by Judge C. L. Cropper, and H. N. Ockerman, Superintendent of County Schools. This committee will select the two youths to represent Boone County. They will be glad to receive nominations for these certificates before April 15th.

Farm Cleanup Week Begins Monday, April 2

Call for Kentucky annual "farm cleanup" week to begin Monday, April 2, was issued here today by the American Foundation for Animal Health and cooperating groups.

Theme of this year's cleanup week is: "Clean up for more profits through fewer livestock disease losses."

Here are some of the farm pointers suggested for the week in the bulletin issued today by the Foundation:

- "1. Buildings in which livestock and poultry are housed should be cleaned and disinfected to kill disease germs and parasites."
- "2. Mud holes and stagnant ponds which may harbor parasites and germs should either be drained or fenced off."
- "3. Old strawstacks, common sources of infection, should be spread and plowed under."
- "4. Holes in foundations, where pigs or poultry could burrow under, should be walled up."
- "5. Nails, glass, wire and other objects which cattle might swallow or step upon, should be picked up. Protruding nails in mangers or partitions should be removed."
- "6. As soon as possible, young livestock should be moved to pasture that hasn't been used by the same species for two years."

Authorities estimated that the annual loss from common barnyard diseases and parasites totals more than half a billion dollars. "Much of this loss could be prevented by proper sanitation and disease-prevention measures," the Foundation said. "Cooperation of farmers, veterinarians and all livestock health authorities is urged in this annual cleanup week starting April 2."

Mr. and Mrs. John H. Herbert of Westwood, Cincinnati, O., spent Easter Sunday with Mrs. Nellie M. Markland, Francesville. Graham Markland and family called in late afternoon.

Two Ohio Youths Injured In Crash On U. S. 42 Monday

Condition Reported As Critical of Accident Victim.

Two Ohio youths were injured, one critically, Monday when the automobile in which they were riding overturned on U. S. 42 south of New Haven High School.

Most critically injured was Eugene Wylie, who suffered several head cuts, a fracture of his jaw, a severe spinal injury, and shock. Paul Rothwell, another passenger in the car suffered right hand and left foot fractures, severe head cuts and internal injuries. Both of the young men were residents of Seaman Ohio. Wylie's condition is reported as critical.

The young men were found in their automobile which had overturned, by a group of state highway maintenance men. The car apparently had struck a culvert and had run some distance off the road before overturning. The youths were removed to St. Elizabeth Hospital by the ambulance of Ralph Stith, Florence funeral director.

Both men were unconscious when the ambulance arrived at the scene of the accident, and the car had to be righted before they could be removed from it.

Florence Juniors Will Present Play

The Florence Junior class will present "House of Horrors," a three act play at the Florence auditorium Friday evening, March 30, at 8:00 p. m.

The play centers around Janice Cantrell and Chloe Clark, two ex-chorus girls who have been traveling in Australia and have just returned to the States to learn that Janice has inherited the "Cantrell Mansion" left to her by her uncle, Randolph Cantrell, the famous chemist, who had been mysteriously drowned two years previously. The girls arrived at the mansion late one stormy Autumn night to find to their dismay that instead of the fine country estate their lawyer had described it as being, it is really just an old house badly in need of repairs. But that's not all, the house has the local reputation of being haunted by the ghost of Randolph Cantrell!

Fog, chills and thrills don't miss this spine-tingling production. You will first howl and then scream at the antics of the various characters. Included in the cast are Bruce Brown, Jerra Ashcraft, Jean Eastman, Sue Shingler, Joan Barker, Audrey Worthington, Earl Eades, Jean Rowland, Ronnie Loftin, Virginia Osborn, Junior Bethel, Paul Quinn.

There are a limited number of reserved seat tickets available.

Garden Club Meets

Mrs. T. H. Hensley was hostess to the Boone County Garden Club at her home in Burlington, Mrs. V. T. Williams serving as co-hostess.

The meeting was opened with prayer, led by Mrs. Sam Denham, Sr., president. Members answered roll call with name of favorite wild flower and had interesting discussions on wild flowers.

The club voted to subscribe for two garden publications. Mrs. Geo. Morith donated a beautiful Blue Bird African Violet to the club, which was won by Mrs. Hensley.

Those present were: Mesdames Sam Denham, Sr., R. C. Garrison, Harold Conner, Ruby Hollis, Roy Lutes, Grant Maddox, Geo. Morith, Lucy Grant, Ralph Cody, and the hostesses, Mrs. V. T. Williams and Mrs. T. H. Hensley.

The next meeting will be April 10th. All members are urged to be present and visitors are welcome.

Boone Union Lodge Will Confer M. M. Degree

Boone Union Lodge, No. 304 will confer the Master Mason degree April 7th, at its hall, Union, Ky.

All Master Masons are cordially invited to attend.

DUVALL TO VISIT COUNTY FRIDAY, APRIL 6TH
F. E. Duvall, Field Secretary of the Kentucky Division Ex-Service Men's Board, Louisville will be in the courthouse, Burlington, from 8:00 a. m. to 4:00 p. m., Friday April 6, for the purpose of aiding veterans and their dependents in filing and prosecuting claims for benefits, to which they may be entitled from the Veterans Administration.

Arthur M. Bonar

Arthur M. Bonar, 48, former resident of Florence died suddenly of a heart attack Monday at his home in Winchester, Ky.

He was a native of Falmouth, Ky., and had resided in Florence twenty years prior to moving to Winchester two years ago.

Mr. Bonar was a member of Falmouth M. E. Church, Junior Order United American Mechanics No. 152, Good Faith F. & A. M., Erlanger, Knights Templar Commandery No. 30, Winchester, Royal Arch Masons Chapter No. 12, Winchester and Royal and Select Masters Council No. 75 of Winchester, Ky.

He is survived by his wife, Mrs. Nancy Rankin Bonar, of Winchester; 1 daughter, Mrs. Walter Arnold of Florence; 1 son James Bonar, of Walton; 1 granddaughter Deborah June Arnold, Florence; two sisters, Mrs. Pete Jansen, Cincinnati and Mrs. Clyde Humphrey, of Dayton, O.; and one brother James, of Detroit, Mich.

Funeral services will be conducted from the Florence Baptist Church Thursday, March 29 at 2:00 p. m. Cremation will follow at the Cincinnati Crematory.

Ralph Stith, Florence funeral director was in charge of arrangements.

The Stepping Stones Class will meet Saturday night of this week at the school house at 7:30. All members are urged to attend and all new members of the class are cordially invited.

Dixie Heights Take Midget Tournament Held At New Haven

St. Henry Takes Runner-Up Trophy; Hebron Is Consolation Winner.

Dixie Heights' midget squad took top honors in the third annual Midget Basketball Tournament sponsored by the New Haven Boosters Club at the New Haven school gym, March 22, 23 and 24th. Dixie Heights emerged on the long end of a 30-23 count over St. Henry runners-up in the final game Saturday evening.

In the opening tilt of tourney, Dixie Heights trounced the Burlington midget squad by a score of 29-6. Ghent turned back the Walton five by a score of 22-17 in the second game, while Hebron won over New Haven by a score of 49-20 in the nightcap.

Dixie took Beechwood's measure in the first game of the second day 23-8, while Sanders defeated Florence 53-20 and St. Henry walloped Ghent 48-10.

Sanders and Ludlow tangled in the afternoon semi-finals with Dixie emerging on the long end of a 25-11 count, while St. Henry defeated Hebron in the best game of the tournament by a score of 18-17.

Dixie was awarded the championship trophy, St. Henry the runners-up award and Hebron took the consolation honors by trimming Sanders 23-18.

Games throughout the tournament were well played and fans witnessing the contests report the tourney highly entertaining.

High scorer of the tournament was Stockdale who scored a total of 35 points against Florence.

The Booster Club extend thanks to everyone who contributed in any way toward the success of the event.

Tourney officials were McGlasson and Mulligan, two young Boone County referees.

Wool Growers Will Meet April 2nd To Organize Pool

Meeting Will Be Held In Courthouse Monday At 1:30 P. M.

Boone County sheepmen will meet at the courthouse in Burlington, Monday April 2, at 1:30 p. m. It was announced this week by Lilian Scott, Secretary.

Purpose of the meeting is to organize the pool for this year's clip. In past years this organization has meant much to the sheepmen of Boone County, as the pool has always received a very high price for its wool.

Farmers throughout the county are urged to join the organization, and are requested to attend the meeting next Monday.

Mr. and Mrs. Alfred Martin and Judy spent Sunday with Wm. Deck and family.

Red Cross Drive Far Short of Quota, According To Report

Campaign Scheduled To Close Saturday March 31.

Very few times, if ever, have the citizens of Boone County failed in charitable or civic fund raising campaigns—a record of which we are proud and others admire. But, reports from the Boone County Red Cross Fund Drive chairman as released yesterday show that the County's quota of thirty-five hundred dollars only a little more than eighteen hundred dollars has been collected, and the drive is officially scheduled to close March 31st.

Mrs. Jack Caldwell, fund chairman, and the many precinct chairmen and workers are still in an optimistic spirit. They realize that bad weather conditions, illness of several key workers, and other handicaps have curtailed the drive. They have appealed to all to make this "success week" in the drive to reach the 1951 Red Cross quota in Boone County.

Citizens who have been missed by precinct workers in the countywide canvass may send their contributions to either precinct chairmen or to Mrs. Caldwell. LET'S GO OVER THE TOP BOONE COUNTY!

Burlington Junior Class Will Present Play Friday

The Junior class of BHS will present a hilarious comedy, "The Importance of Being Young," Friday night, March 30, at 8:00 p. m. at the school auditorium. The action of the play takes place in Clover Cottage, a dining club on the campus of Overland College. Woven into the plot are two stories, one that of a rich young man who comes to college and has to learn the give and take of school life, the other that of two young people who are, as they believe, mortal enemies, and whose parents decide to marry. The story all ends well, but not until the audience has had a lively evening, gay with light-hearted laughter at the seeming importance of being young.

The cast is as follows: Amy Stephens, a coed, Joyce Kelly, Midge Ulrichs, another, Anna Mae Stages.

Emily Drew, still another, Phyllis Whitson.

Mrs. Marilla Hall, house mother, Vivian Cave.

Umbrella, a colored maid, Joy Acra.

Kit Spencer, working at college, Ross Fair.

Pauline Hunt, coed, Becky Stutzman.

Orlando Valentine, dean of college, Harold McFarland.

Debbie, Mrs. Hall's small daughter, Margaret Bybee.

Hugh Maitland, a student, Gayle Rouse.

Gil Stephens, Amy's brother, and Hugh's pal, Ethan Rogers.

Cora Williams, a hard-boiled coed, Loretta Maynard.

Freddie Cooper, once a Hollywood star, Raymond Holbrook.

Tugger McCoy, his bodyguard, Ray Deck.

Mortimer "Comie" Valentine, the dean's son, Kay Kelly.

Eleanor H. Humphries, a philanthropist, Wm. Arnold.

Kellog, of the local police, David Wilson.

Admission price will be 25c for students and 40c for adults.

FOUR NEW BRIDGES WILL BE DEDICATED SATURDAY

Frankfort, Ky.—Governor Lawrence Wetherby will officially dedicate a group of four new bridges over Wolf Creek Reservoir (Cumberland Lake) at Burnside Saturday, March 31 at 11:00 a. m.

Norman I Taylor, president of the Burnside Chamber of Commerce, has announced. The bridges, which cost a total of \$4,506,000 were necessary on relocations of highways flooded by the impounding of the reservoir.

Both Somerset and Burnside trade groups are participating in the dedication ceremonies. A luncheon will be extended the official delegations at Burnside and a banquet will be featured at Somerset.

A speakers platform will be erected at the cloverleaf on the south end of the Burnside bridge on U. S. 27. Two of the bridges are on U. S. 27 north of Burnside; one is on State 90 and another on State 90. "Queens" selected by the senior classes in the high schools at Burnside, Monticello, Somerset, and Nancy will cut the master ribbon on the U. S. 27 bridge at Burnside. State Police radio cars will signal troopers stationed at each of the three other bridges where ribbons will also be cut.

Betty Wynn

Mrs. Betty Wynn, 63, died Sunday at 4:00 p. m. at Booth Hospital, after suffering a stroke Friday night in Covington, never regaining consciousness.

Mrs. Wynn, who had made her home in Burlington for the past three years was a member of Four Star Chapter No. 387 O. E. S., Burlington.

She is survived by her husband Joseph E. Wynn; three daughters, Mrs. Ted Hambrick, Mrs. Dorothy Whitson, Mrs. Betty Kaupf; two sons, Frank Wynn of Lockland, O., and Robert Wynn, of Covington, and 16 grandchildren.

Funeral services were conducted Wednesday afternoon from the Vance funeral home, Dunn Street, Lockland, Ohio, with O. E. S. services by Four Star Chapter at the grave. Burial was in Oak Hill Cemetery, Glendale, Ohio.

Amateur Contest Will Be Held At New Haven

Can you dance, sing, fiddle, or what can you do? If you think you are good come to New Haven April 20th at 8:00 p. m. where an amateur contest will be held. Prizes will be awarded to the best Old Fiddler, best amateur under 16 and best adult amateur.

The contest is being sponsored by the New Haven P. T. A. For further information phone Alberta Hopperton Florence 479 or Mary Belle Noe Florence 881.

Music Festival Is Planned By Local Schools April 27th

Program Is Sponsored By Boone County School Board.

On Friday, April 27, at 8:00 p. m., the schools of Boone County will present a Music Festival at the Burlington High School. This program will endeavor to do more than provide entertainment, for it is planned that this program will show some of the activities not only of the high schools, but also of the elementary schools in the newly organized music department.

Each room participating in the elementary grades will elect its own representatives to sing with others from the eight schools of the county. For example it is planned for eighth graders from Burlington, Hebron, Florence, New Haven, Hamilton, Bellevue, Constance, and Petersburg to join together in singing songs from the West.

Hamilton School, under the direction of Mr. Caudill, will present a special exhibition of marching, folk dancing, and other rhythmic activities.

Other sections planned include: Singing Around the World; From the Sublime to—?; Songs With Echoes; from Opera, Operetta, and Oratorio; Dedicated To God. Outstanding soloists from the schools of the county will also be included.

The climax of the program will be the combining of the mixed choruses of the four county high schools into a chorus of over one hundred twenty voices united in singing the finale.

As this program is sponsored by the Boone County School Board, and represents a report of the music department, there will be no admission charge.

Burlington Church Services Postponed For Sunday, April 1

No service will be held at the Burlington Baptist Church, Sunday, April 1st, due to repair work in the auditorium, which will require some time to complete. Rev. R. A. Johnson, pastor announced.

Plans for services Sunday, April 8 will be announced in next week's issue of this paper.

Members of the church are urged to visit other churches for services Sunday, April 1st.

MEMBERS OF HEBRON CIRCLE ON TELEVISION

Members of the Helpers' Circle, Hebron Lutheran Church will be guests on "Breakfast Party" WLWT 9:30 to 10:30 Friday, March 30th. It was announced this week.

REAL ESTATE TRANSFER

Mrs. Ida Mae Cason sold her house and 5 1/2 acres of land on Highway 18, near Bellevue to Mr. and Mrs. Ira T. Ryle last Saturday, through the A. B. Renaker Agency.

Mr. and Mrs. Ryle are former residents of Boone County but moved to a farm a few miles out of Aurora, Ind., several years ago. They will return to Boone County and their new home in the near future.

Boone Countians Urged To Join State Police Auxiliary

Organization Is Part Of Civil Defense Program Throughout State.

Commander Frances Souther, Boone Post No. 4 of the American Legion announces that he has application forms for membership in the Kentucky State Police Auxiliary, and he encourages all civic minded citizens in this county to apply for membership.

This organization is a part of the Civil Defense program. However, it is self sustaining and may on special occasions be called to duty to assist the State Police during floods and other serious disasters.

Commander Souther states that so many members of the regular State Police force are being called to active military duty that a serious shortage of trained personnel is anticipated. This he states, is the primary reason for organizing the State Police Auxiliary.

Each county will have its detachment of Auxiliary police composed of members who live in the county. During training and duty the detachment is under the direction and control of the Kentucky State Police.

As soon as a detachment is organized in this county training will begin. Both class room instruction and field training are planned with instructors furnished by the regular State Police force. Students will be taught radio communications, traffic control, standard first aid and general police procedures. Upon successful completion of the several courses students will be commissioned Auxiliary Patrolmen by the Commissioner of Kentucky State Police.

Commander Souther emphasized that man has unleashed the physical means of destroying all mankind—perhaps all known life. There is no place in the world today that can be considered "a safe place to be in time of war." Atomic warfare and the modern airplane have nullified all natural barriers. Every village, hamlet and isolated farm house is a potential target of purpose or accident. We do not wait! We must begin now to lay the ground work for our passive defense.

Interested persons may contact Commander Francis Souther for more detailed information. Phone Florence 2725 or Legion No. 194.

Verona Lake Opens Sunday, April 1st

Wm. Scroggins, owner and operator of Verona Lake, announced this week that the lake will open for fishing Sunday, April 1st at 10:00 a. m.

As has been the custom at this lake, the person landing the first fish after the opening whistle will be awarded a season ticket.

The lake, located in rear of Verona school building, was stocked at the close of the season last year and should offer good fishing to all.

Robert Clore, Jr., remains ill at his home in Burlington.

Boone Residents Given Warning By Boone Co. Officials

Groups of Gypsies Are Making Rounds of Rural Areas In Stove Racket.

Boone County residents were issued a warning against gypsies who have been calling on farm homes throughout the county repairing stoves for which they have been charging exorbitant prices.

According to county officials, the gypsies, now located near Lawrenceburg, Ind., have been crossing the river, stopping at rural homes where they claim to be stove experts, and in several reports have repaired the farmer's stove.

Victims report that the men call at the home, give an estimate of \$3 to \$4 for repair work, and then charge \$30.00 to \$47.00 when the work is completed.

County officials, who were notified of the racket, are requesting that residents of the county contacted by these men should call the sheriff immediately.

Two of the men were apprehended by Deputy Sheriff Byron Kinman and County Attorney William P. McEvoy last Friday and were brought before Judge C. L. Cropper for trial. They were fined and warned to leave the county and not to return.

**BETTER THAN EVER!
THE NEW HORNET
POWER CHAIN SAW**

It was GOOD before, now it's even BETTER! See one, try one, we're sure you'll agree that the NEW HORNET MODEL DJ is the BEST chain saw value on the market.

NOTE THESE NEW IMPROVED FEATURES:

CONTROL HANDLE—with well-located clutch and throttle control. Positive lock and quick release on clutch lever. REINFORCED BLOWER HOUSING—incorporating an improved rewind mechanism. Left hand rewind leaves right hand free to operate controls. SPARK PLUG GUARD—prevents plug breakage and shut-down time. CARBURETOR GUARD—prevents damage to Hi-speed needle valve. CHAIN TENSION—easily adjusted chain tension device provides constant chain tension. SPROCKET AND CHAIN—designed for more positive drive and more efficient cutting.

YOUNGSTOWN KITCHENS**Jet-Tower Dishwasher**

COMPLETELY MODERNIZES DISHWASHING

At last it's here! Practical automatic dishwashing, with the new Youngstown Kitchens Automatic Dishwasher! Let us prove to you this is the greatest helper a housewife ever had!

- Booster heater keeps water at best washing temperature.
- Jet-Tower, with 58 whirling jets of booster-heated water, gives equal washing pressure, top to bottom.
- Exclusive Hydro-Brush Action brush-flushes every surface of every dish.
- Easy loading without removing baskets.
- Only 9 1/2 minutes (average water pressure) from start to finish.
- Dishes self-dry in their own heat.
- Accessible, easy-to-clean strainer.

Now you can have completely modernized dishwashing! Dishes are done automatically by exclusive Hydro-Brush Action in the new Youngstown Kitchens Jet-Tower Dishwasher. Die-made STEEL construction.

Youngstown Kitchens Electric Sink combines Cabinet Sink and Jet-Tower Dishwasher. Finest one-piece, acid-resisting porcelain-enamelled steel top, swinging mixing-faucet, rinse spray. Youngstown Kitchens Food Waste Disposer (optional at extra cost) eliminates garbage nuisance.

CHECK YOUR BOND HOLDINGS

If you own any Government Bonds purchased several years ago you should check the maturity of call dates to see if they have been called or matured. Interest ceases on bonds called for payment before maturity, and Series D Bonds have matured and Series E Bonds purchased in 1941 mature this year.

Millions of dollars in Government bonds have been called for payment or have matured and the owners have not presented them for payment.

We will be glad to advise you with reference to your bond holdings.

SEE SCOTHORN FOR A GOOD DEAL

Florence

Miss Viola Fay and brother Fred of Price Hill, Cincinnati, departed Saturday night for Cleveland, Ohio to be with their brother Charles, who is seriously ill.

Sympathy of the community is extended the family of James Bristow of Union, who passed away recently.

Larry Bowman and family have moved to the property of Mr. and

Mrs. Paul Aylor which was recently vacated by Russell Bethel and family. The community welcomes the Bowmans as citizens of Florence.

Mrs. Connie Hobart recently called on Mrs. Oscar Porter and Mrs. Eva Osborn the latter of whom is not so well.

A group of folks from the Baptist Church met at the home of Robert Hensley for a prayer service Friday evening.

Miss Eunie Willis, of Detroit, Mich., was visiting friends in Florence recently.

T. C. Crume, Jr., made a business trip to California recently. Rites were held Wednesday at 2 p. m. from the Stith funeral home for Miss Florence Marquis, lifelong resident of Boone County, who died on the farm which was also her

birthplace 83 years ago. A member of the Florence Baptist church services were conducted by her pastor Rev. Howard Gordon. The deceased made her home with her sister Miss Ethel Marquis, her only survivor, who has the sympathy of the community. Burial was in Florence Cemetery.

The Florence Baptist Church extends a cordial welcome to everyone to attend their revival services now in progress to be concluded April 8th. Rev. Howard Gordon, pastor-evangelist is bringing the message each evening and Don Mager is song leader. Services start at 7:45.

Recent visitors of Mr. and Mrs. Price Conner were Mr. and Mrs. Brady Johnson, Mrs. Connie Hobart, Mr. and Mrs. Alan Utz and Ella Pearl, Rev. and Mrs. Howard Gordon and daughters, Mrs. Esby Ligon, Robert Hensley, Mr. and Mrs. John Haas and family, Mr. and Mrs. Norby Schultz, and Mr. and Mrs. Chas. I. Conner and family, of Marion, Ind.

Pic. Robt. L. Utz, of Sheppard Airfield, Wichita Falls, Texas, enjoyed a leave of several days with his parents, Mr. and Mrs. Alan Utz,

during the Easter season. Another son Alan Junior, a student at the U. of K. also was at home over the week-end.

Many relatives and friends called at the home of Mr. and Mrs. Price Conner March 18 to offer congratulations on the event of their 46th wedding anniversary.

Miss Lorraine Utzinger was among the students from Florence school who participated in the "Speech Festival" at Ludlow, March 19.

Easter dinner guests of Mr. and

Mrs. G. B. Miller were Mr. and Mrs. M. M. Graham, Park Hills, Mr. and Mrs. Frank Hogan, Covington, Mr. and Mrs. John Dolwick, Jr., and family, Blayne Miller, Dayton, O.,

and Miss Betty J. Poer, Covington. Easter guests of the J. T. Stephensons were Mr. and Mrs. Dave Wingate and Jo Ann, Mr. and Mrs. Clayton Brown and E. Wayne, Mr. and Mrs. Sidney Ambrose, Mr. and Mrs. Donald Brown and son and Mr. and Mrs. Clayton Brown, Jr.

Mrs. Laura Utzinger, of Cincinnati, was the week-end guest of her son Edgar Utzinger and family.

DRESS TRIMMINGS

CALL FOR STUDY

The secret in using dress trimmings is to use them sparingly, Miss Verna Latzke, clothing specialist at the College of Agriculture and Home Economics, University of Kentucky, told Fayette county homemakers. "One must be able to distinguish between the beautiful and the tricky, frilly and eye-catching," she stated. Her recommendations:

Trimming should be scaled to the person wearing it, neither too dainty nor too over-powering.

Because trimming calls attention to itself, it should be carefully placed.

Never combine a patterned fabric with another patterned one.

Be sure the trimming is really needed.

See that the texture of the trimming is in keeping with the fabric used in the garment.

In Hickman county, 748 samples were tested in the soil testing laboratory in 11 months last year.

IN TWO-BOTTOM PLOWS

Here's one way to get your money's worth and more in a two-bottom plow. This Allis-Chalmers No. 4 is priced to fit your pocketbook, yet built to give real field performance with 12 or 14-inch bottoms. It's medium weight to make your tractor power go further, yet reinforced for extra strength at critical points.

The No. 4 plow beams have plenty of clearance for 18-inch coulters and heavy trash. Spring release hitch is standard equipment. We have this two-bottom value on hand. May we bring one out and let you see what a difference a new plow can make?

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, APRIL 5, 1951

VOLUME 75

Thompson Lawrence S
Director of Libraries
University of Kentucky

NUMBER 37

Telephone Hearing Date Changed To Friday, April 6th

Change of Date Made By Order Of Public Service Commission

The Public Service Commission of Frankfort has announced that the public hearing of the Consolidated Telephone Co., on the proposed increase in telephone rates in Boone County, scheduled for Thursday, April 5th at 1:00 p. m., has been changed to Friday morning, April 6th at 10:30 a. m.

The Commission has had two hearings on the proposed increase in telephone rates at its offices in Frankfort during the past month, and this meeting is being called for the purpose of hearing complaints of subscribers of the company.

Heretofore a committee made up of Boone County officials and business men have represented the subscribers in the fight against the proposed price increase. However, at this meeting subscribers from all sections of the county have the privilege of expressing themselves either for or against the increase, and to give reason for either stand they choose to take.

Every telephone subscriber in Boone County is being urged to attend this meeting as the rate increase will affect all subscribers if it is granted. Plans for future telephone service will also be discussed. This will probably be the last called by the Public Service Commission, and findings at this time will in all probability determine the decision handed down by the commission.

William H. Crisler

Funeral services were held at 2 p. m. Saturday at the Petersburg Christian Church for William H. Crisler, 72-year-old retired warehouse manager for the Schenley Distillery Co., Lawrenceburg, Ind., who died Wednesday at his home in Petersburg. Burial was in Petersburg Cemetery.

Red Cross Fund Drive Will Be Extended One Week

County Short of Quota Due to Inclement Weather Conditions.

The 1951 Boone County American Red Cross Fund Drive will be extended one week it was announced by Mrs. Jack Caldwell, fund drive chairman this week. Mrs. Caldwell said the county had fallen short of its quota due to inclement weather conditions and that the additional time was being allotted to give six of the precinct chairmen and workers time to complete their canvases. The precincts in which workers have not completed their campaigns are Walton, Burlington, Florence, Hebron, Bullittsville and Union, Mrs. Caldwell stated.

Though the campaign drive will officially end Saturday, April 7, and the quota has not been reached, leaders are still optimistic.

Day-Ryle

Miss Patricia Day, daughter of Mr. and Mrs. Dawson Day, of Burlington and Mr. James Ryle, son of Mr. and Mrs. Sam Ryle, of Burlington were quietly married Sunday, March 25 at Lawrenceburg, Ind.

The bride is a graduate of Burlington High School, graduating in the class of 1949. The groom is a senior and will graduate with the 1951 class of Burlington High School.

Both the bride and groom are well known throughout the county. The groom has been an outstanding basketball and football star during his high school career, and was given a scholarship at the University of Cincinnati, as a result of his football abilities.

The bride is an employee of the Goldsmith Co., in Cincinnati, which position she plans to maintain.

The happy young couple plan to make their home in Cincinnati after June 18th when the groom will enter University of Cincinnati as a student.

The Recorder joins their many friends in wishing them much happiness and success through life together.

HEBRON P.-T. A. TO MEET

Meetings Held Throughout State Urge Unified Effort

Broad Program Agreed Upon by USDA Agency Representatives.

Plans for establishing County Agricultural Mobilization Committees throughout the State, for coordination of USDA agricultural resources and conservation services and for encouraging Kentucky farmers to step up production of farm commodities needed for defense were outlined in a series of meetings held in various sections of the State during the past two weeks.

USDA agency representatives and other agricultural workers attending the meetings agreed upon a broad program of unified effort for defense, a coordination of PMA and SCS programs for soil and water conservation, and a far-reaching plan for eventual consolidation of county agricultural offices for greater service to farmers.

In line with recent directives of the Secretary of Agriculture, county offices of PMA and SCS will be consolidated as soon as possible. In some counties this consolidation can be effected immediately; in others the change may require considerable time, depending upon the availability of suitable offices. Even though PMA and SCS county offices are not immediately consolidated, the present informal cooperation of PMA and SCS on soil and water conservation problems will be expanded into a coordinated effort of the two agencies to achieve a single conservation goal.

It is expected that eventually Farmers Home Administration county offices will be consolidated with PMA and SCS county offices. Wherever space is available other Federal and State agencies dealing directly with farmers will be invited to join with PMA, SCS, and FMA in a common office building.

Opportunity for greater service to farmers as a result of the coordination of program and consolidation of offices was foreseen by representatives of all agencies affected.

In order to facilitate this service, all counties will work out plans within the next few weeks for keeping the consolidated PMA-SCS offices open for at least a part of the day on Saturday.

Representatives of all Federal and State agricultural agencies will serve on the County Agricultural Mobilization Committees which will establish regular meetings for consideration of problems arising in the Defense Program.

In directing these changes the Secretary of Agriculture said: "These changes will enable the Department to do its work more efficiently and economically. In particular, I believe it will assure the nation more soil conservation per appropriated dollar and a stronger defense mobilization facility."

"In these times of tremendous demands upon our agriculture, we must organize all of our effort toward the maintenance of high level production. As a nation, we are no stronger than our agriculture. Our agriculture, in turn, is no stronger than our productive resources."

Addyston Woman Killed In Accident At Florence Sunday

Five Others Injured When Car Struck Greyhound Bus.

One woman was killed and five persons injured early Sunday morning when their automobile struck a Greyhound bus, crashed into a tractor-trailer parked 100 feet from the intersection of U. S. 25 and 42 at Florence, then burst into flames.

Mrs. Alma Black, 22, of Addyston, Ohio was pronounced dead on arrival at St. Elizabeth Hospital, Covington. She was removed to the Chambers and Grubbs funeral home, Florence.

Those receiving injuries in the crash are: Benjamin Black, Jr., 25 of Addyston, driver of the automobile, fractured left arm, face cuts and a possible skull fracture; Donald Groshon, 24 of Cincinnati, fractured right arm, face cuts and a possible skull fracture; Hanna Perry, 22 of Covington, severe face cuts, broken jaw, internal injuries and a possible skull fracture; Gladys Osborne, 26, Covington right leg and pelvis fractures, internal injuries and a possible skull fracture; Robert Reams, 24, Covington, minor internal injuries.

Robert Gordon, State Trooper, who investigated the crash, reported that Black, driving north on U. S. 25, mistook a green arrow at the intersection for a green light. His automobile collided with the bus traveling north on U. S. 42, then came into the parked tractor-trailer.

Lloyd Cartwell, driver of the bus escaped injury. The bus was vacant with the exception of the driver at the time of the accident.

Passing motorists assisted Patrolmen Gordon and Lucas in removing occupants of Black's automobile.

Charges of involuntary manslaughter and reckless driving, were placed against Black, Trooper Gordon, said.

Funeral services for the victim will be held this afternoon (Thursday) in Covington, with Rev. R. A. Johnson officiating. Chambers and Grubbs, Florence funeral directors are in charge of arrangements.

College Student Regulations Issued By Selective Service

Students May Qualify For Consideration Of Occupational Deferment

New regulations governing the classification of college and university students are under consideration for early approval, according to a bulletin from National Headquarters Selective Service System, Washington, D. C.

Under the proposed regulations, college and university students may qualify for consideration for occupational deferment either on the basis of a prescribed scholastic standing or on the basis of attaining a prescribed score on a college qualification test.

The new program includes giving of aptitude tests to registrants who wish to request occupational deferment as students. The Director of Selective Service has designated the Educational Testing Service, Princeton, N. J., as the agent of the Selective Service System to administer the tests.

Eligibility to take the test will be limited to registrants who have begun, and who plan to continue, their college or university studies. High school graduates and others who are candidates for admission to their first year of college will not be eligible to take the test until they have entered upon their first year of college work.

Tests will be given on May 26, June 16, and June 30, 1951, throughout the United States, its Territories and possessions at approximately 1,000 examination centers located mainly at the various schools and colleges.

Colleges and a bulletin of information will be distributed by State Selective Service Directors to local boards, colleges and universities throughout the state in the near future, which will explain the program in full.

Variety Show Planned At Hebron High School

The Hebron High School will have a Variety Show on April 11 in the school auditorium. The show will begin at 8:00 p. m.

A play called "Tobacco Road—With Detours" will be presented. The action takes place in "them thar hills."

The characters are: Pa (Roger Schneider, who is so lazy he would rather have apples fall on his head than to get from under the apple tree; Ma (Sugar Cummins), who is just as lazy and shiftless as Pa; Tennessee (Carol Ann Asbury) is their daughter and Sonny Boy (Jack Ziegler) is their son; Americ (Shirley Burns) is another daughter who falls in love with Willy Joe (Billy Louis Goodridge), who is a good for nothin' boy from the other side of the mountain. What happens when Willy comes to visit Americ? Does Pa kill Willy Joe with his shotgun? To find out, you won't want to miss this roarin' tootin' comedy.

A monologue called "Ma's Monday Morning" will also be presented. It is a story of a mother with four children, and what a time she has getting them up to go to school.

The program includes music by the Glee Clubs, and all girl sextette, a double barbershop quartet, a band and several musical novelty numbers.

April 15 Deadline For Paying State Income Taxes

Schools, Hospitals and Welfare Programs Are Benefitted From Tax.

April 15 will be an important day for Kentucky's schools, hospitals, and welfare programs. That date is the last day for payment of 1950 state income tax, which pays nearly one-fifth of the bill for all state services.

"Too often," said Robert Alphin, Director of the Income Tax Division, "people think of their state income tax only as a burden. Actually it is a method by which Kentuckians buy the many services which they need. The tax is necessary only because the people need and demand these services. In taxes as in most other things, we usually get what we pay for."

Most of those who owe Kentucky income tax have already paid. As a service to those who have not, field offices of the Department of Revenue will be open each day until and including April 14. The nearest office is located at 714 Copple Bldg., Covington.

Of course it is not necessary to go to the field office to file a return. The forms may be obtained from any county clerk and instructions are printed on the back of the form. Many taxpayers prepare their own forms. If in doubt as to whether you are required to file, or to obtain answers to other questions, phone the Department of Revenue field office nearest you.

Ohio River Bridge Contracts Signed By State Officials Thurs.

All Formal Plans Now Completed, According To County Judge.

Final plans in the erection of a new bridge to span the Ohio River from Lawrenceburg, Indiana to Boone County were discussed and approved last Thursday, March 29, when a group of Indiana officials, and Judge C. L. Cropper of Boone County met with W. P. Curran, State Highway Commissioner, at Frankfort.

Contracts were signed by both Indiana and Kentucky officials concerning the approach of the bridges from the Kentucky side and adequate highway to care for traffic made possible by the new proposed bridge.

Those meeting with Mr. Curran at Frankfort were, O. M. Keller, member Indiana Toll Bridge Commission; Jos. Minor attorney for the Toll Bridge Commission and Mr. Hunt, Indiana Toll Bridge Engineer and Judge C. L. Cropper of Boone County with a group of Kentucky State Highway officials and engineers.

Necessary contracts were signed by the both state officials, in order that work could proceed on the structure. Kentucky will build the approach to the bridge with a highway leading to U. S. 25 and 42.

Judge Cropper stated that all formal plans between the two states are now completed and construction work on the new bridge is expected to get underway within the next seven or eight months. Indiana officials were of the opinion that the new structure would be ready for use within thirty months.

Walton Man Injured In Truck Accident

Burford Taubee, 21 of Walton R. 2, suffered injuries Thursday night when a truck loaded with fertilizer went down an embankment on U. S. 25 near Florence with Taubee at the wheel.

He was removed to St. Elizabeth Hospital, Covington, for treatment. Taubee stated he swerved the truck to avoid a crash with another truck.

Hamilton

Tom M. Huey, of Union was the guest of Gilbert Smith last week from Thursday night until Saturday.

Everett Jones took supper with Mr. and Mrs. Tom Huff, Saturday evening.

Mr. and Mrs. Tom Hamilton were guests of their daughter, Mr. and Mrs. Eldon Ryle and family in Burlington on Easter Sunday.

Mr. and Mrs. Raymond Jones sold their farm to Mr. and Mrs. Richard Schwenke, Sr., last week.

Mr. and Mrs. Everett Jones and sons and Mr. and Mrs. Wm. Feldhaus and son attended the basketball tournament at Lexington, Saturday night, March 17.

Friends here regret to learn of the illness of Bro. John Ashcraft at the home of his daughter, Mr. and Mrs. Wilford Hodges in Erlanger. We pray for his speedy recovery.

Mr. and Mrs. Lloyd Marsh have purchased a farm in Ohio and will move in the near future. We regret to lose these good people from the church and community.

Mr. and Mrs. Carl Sewell entertained their sister, Mrs. Hunnkeut and daughter from Friday until Sunday.

Mrs. Waincott has been suffering from pink eye several days. We wish her a speedy recovery.

Bro. Waincott delivered a splen-

did Easter message Sunday morning to a large crowd.

Mrs. Anna Smith received a card from her grandson, Pvt. Walter Shinkle. He is stationed at Camp Pickett, Va.

Wilma Ruth Huff daughter of Mr. and Mrs. Harry Huff and Dave Linn, of Hyde Park, Cincinnati, O., were married Sunday, March 25, at 2:00 p. m. and will live in Lantonia. We extend our congratulations to them.

Correction: Mr. and Mrs. Roy Hunter and family moved to the tenant house of Lewis Ryle, instead of Mr. and Mrs. Roy Turner as was stated last week.

SERVICE BOYS ADDRESSES

A letter received this week gives the address of Buck Shinkle. It is as follows: Pvt. Walter L. Shinkle, U. S. 52143264, Hq. Co., 1st Bn., 160th Inf. Regt., 43rd Division, Camp Pickett, Va. He will appreciate any letters from his friends.

The following is the address of Pvt. Edward R. Totten, RA 15-445-877, B 84 Tq. Bn. Div. TNS, 3rd Armcd. Division, Ft. Knox, Ky. He enlisted with the U. S. Army several weeks ago and is receiving his basic training at Fort Knox.

TOMATO BLIGHT CONTROL OUTLINED BY JOHN S. GARDNER COLLEGE OF AGRICULTURE

Discussing tomato blight now, away, may seem forward, but not so. For this year this damaging disease is to be whipped by gardeners made fully alert in good time.

The blight control story is not new. It has been proclaimed from the College by word of mouth, thru circulars and letters and repeatedly in this column. But still blight flourishes.

A reason is that too many Kentuckians are too optimistic. The first year blight struck, it hit only scattered gardens, and those gardeners who were not bothered took some kind of credit for some special kind of luck. Some who did lose their tomatoes considered this an accident that could not happen again. In the years that followed, the occurrence of the disease broadened, and last year it became epidemic except where control was undertaken. Now 1950's experience has brought a wave of pessimism, some stricken gardeners declaring that they'll "never grow another tomato."

There is no warrant for that sort of thing, as attested by the 1950 tomato plantings at the Experiment Station, where set plants held their leaves throughout the season and continued bearing heavy crops of full-sized, luscious fruit to frost time. How it was accomplished:

1. The right materials were used, properly applied. The same materials are to be found in practically every county seat in the state. So is the equipment for their application.

2. The program was started in time, but there is a very clear signal for that.

3. The schedule, as promulgated by the Experiment Station, was faithfully carried through for the full time recommended, as everybody can do.

CIVIL SERVICE EXAMS

The United States Civil Service Commission today announced an examination for Fishery Marketing Specialist to fill positions paying \$3,100 a year. Most of the positions to be filled are in the Fish and Wildlife Service of the Department of the Interior and are located in

Washington, D. C., and throughout the United States.

To qualify, applicants must pass a written test and must have had 3 years of appropriate experience. College study with specialization in fisheries may be substituted for the specified experience. College study with specialization in economics or marketing may be substituted for part of the experience.

The age limits, 18 to 62 years, will be waived for persons entitled to veteran preference.

Further information and application forms may be obtained from

the Commission's Local Secretary, Mr. Lawrence L. Aylor, located at Florence Post Office, from civil service regional offices, or from the United States Civil Service Commission, Washington 25, D. C. Applications must be filed with the Commission's Washington office not later than March 13, 1951.

The Livingston County Home-makers Association paid for the services of a dental trailer for all children in the county through the sixth grade.

State Pays The Bill In Bangs Shot Program

Frankfort, Ky., April 5.—Kentucky cattle raisers are not taking advantage of the state's free program of vaccinating calves against Bang's disease, Dr. L. L. Breck, state veterinarian, said today.

Although some 75,000 calves have been vaccinated since the program was started two years ago, the number immunized is only a small percentage of the animals that should have come under the program, Dr. Breck said.

The vaccination comes at no cost to the owners of cattle and may save them a great deal of money or a whole herd of cattle, he pointed out. He said that Bang's disease costs cattle raisers throughout the country some \$100 million a year.

All a Kentucky raiser has to do to get the service is to call a veterinarian, Dr. Breck explained. The veterinarian will vaccinate all calves from four to eight months old and the state will pay the bill. The service may be obtained at home or from a veterinarian at the stockyard where the calves are brought, Dr. Breck said.

Homemakers Advisory Council Meeting Held

On Friday March 23, Miss Lulie Logan, Lexington, met with the advisory council of the Boone County Homemakers, at the Town Hall in Florence.

At this meeting the ideas of the members of the various clubs were taken in view of the selection and arrangement of the projects for the coming year.

Miss Nancy McClaskey, home demonstration agent, announced the next district meeting will be held at the Brooksville High School in Bracken County on May 1, 1951.

After the meeting was called to order by the President, Mrs. Earl Morehead, the secretary Mrs. Allen Gaines, called the roll. This was answered by the presidents of the different clubs: Burlington, Mrs. F. O. Smith; Burlington Road, Mrs. Brady Johnson; Bullittsville, Mrs. Ray Hill; Gunpowder, Mrs. Virgil Kelly; Florence, Mrs. Clyde Arnold; Hathaway, Mrs. Bessie Smith; Hebron, Mrs. Lela Smith; Kenton, Mrs. Coy Rowland; Mt. Zion, Mrs. Wm. Miller; New Haven, Mrs. M. C. Owens; Petersburg, Mrs. Walton Rogers; Pt. Pleasant, Mrs. F. F. Brown; Taylorsport, Mrs. Catherine Aylor; Verona, Mrs. Edith Hamilton; and Walton, Mrs. Eloise Brecken.

The usual order of business was then taken up. Committees for the annual meeting were appointed as follows: Program, Mrs. John Aylor; Mrs. Clyde Arnold; Mrs. Leo Flynn; time, place, lunch, Mrs. J. Kyle, Mrs. Houston.

In July a "Cotton Tea" is planned. The dresses made in the sewing project this year are to be worn. On the committee are, Mrs. Oberjohann, Mrs. Anderson, Mrs. Hogan. Mrs. Aylor was appointed chairman.

After the announcement of the next choral rehearsal Friday, April 27, 1:30 p. m. at Florence, the meeting was adjourned.

MUSIC SUPERVISOR WILL ARRANGE FOR PIANO TUNER

Weston Rogers, elementary school music supervisor, is arranging for a piano tuner to tune some pianos in the latter part of this month. Anyone wishing to have their piano tuned at this time may make a reservation by sending their name and address (with instructions as to find the address) to any of the county schools, where they may be given to the teachers who will in turn give them to Mr. Rogers. While Mr. Rogers cannot guarantee that a tuner will be available, nor be responsible for the charge of tuning, he will do his best to have a reliable and reasonable tuner visit those who wish it.

SAVES MONEY BY HOME TAILORING

Mrs. Ellis Ross Paschall of Callo-way county figures that she has saved a considerable sum of money since she learned to make tailored clothes. In 1949, she learned many of the tricks tailors use when she took a special course in this phase of sewing in her homemakers club. She has made wool suits for herself and her two daughters, a coat for one daughter and a short coat for her husband. Then she helped six neighbors and friends with their tailoring problems.

People from here have been attending the revival services at the Baptist Church in Bellevue the past week and enjoying the messages brought by Rev. Denton Coker. Those from this community who entertained Rev. Coker and Rev. Brooks were Mr. and Mrs. Laff Miller, Mr. and Mrs. Edward Rogers, Mr. and Mrs. Less Ryle and Mr. and Mrs. Lillard Scott.

Mrs. Cliff Sutton was called to Cincinnati last Sunday on account of the death of her sister, Mrs. Jessie McMahn. Mrs. Sutton and Mrs. Grace Brown attended her funeral at Aurora, Monday. We extend sympathy to Mrs. Sutton.

Mr. and Mrs. Leon Ryle and daughter were visiting Mr. and

Mrs. Less Ryle on Thursday evening and attended church with them. Phyllis sang very lovely for the services that evening.

Mrs. Harry Shinkle has returned home after a visit with her parents at Crittenden.

John Carroll Rogers enjoyed a visit with home folks for a few days last week.

Mr. and Mrs. Carl Griesser and family spent Sunday with Mr. and Mrs. Lillard Scott and daughter.

Mr. and Mrs. Robert Williamson and family visited Mrs. Emma Craig at Rabbit Hash, Sunday.

Mr. and Mrs. Albert Bates and daughter, visited Mrs. Beulah Philson and Margie in Cincinnati, last Friday evening and enjoyed a birthday dinner with Mrs. Philson.

Mr. and Mrs. Shiner Ryle were among those who enjoyed a birthday celebration Sunday at the home of Mr. and Mrs. Orville Seebree.

Forest Brown spent Saturday night and Sunday with Mr. and Mrs. W. D. Brown.

Rev. and Mrs. John Huntington moved last week from McVillie to Cincinnati. We were sorry to see them leave McVillie.

Mr. and Mrs. Alton Buckler moved from the Paul Myers house into the house of her father, Elmer Jarrell.

SCHOOL FIRE INSPECTION SHOWS REMEDIES NEEDED
Frankfort, Ky., April 5—Fire safety conditions in Kentucky schools are better than in previous years

but there is still much to be done to bring them up to state safety standards. That is the opinion of State Fire Marshal William L. Martin and it

is based on a state-wide school inspection program that is expected to be completed next week. Only three counties, all in eastern Kentucky, remain to be covered by in-

spectors who are checking all schools of more than three rooms. This is the first year that all counties have been covered by school inspections and accurate comparison with conditions in past years is possible at all schools, Martin said. But he reported that many schools that have been inspected before have corrected past conditions of danger.

The inspection program includes all school systems except those in Louisville, Covington, Lexington and Newport, where local authorities inspect. On the program's completion the fire marshal's office will have checked 1138 schools.

Among fire hazards that are still prevalent are several that local school authorities could correct without large expense, Martin said. He emphasized that there is a particular need for housecleaning

in a number of schools where trash and combustible materials such as paint and cleaning compounds have been carelessly thrown together.

He also urged more careful attention to keeping fire extinguishers charged and in working condition and more fire drills for students, Kentucky statutes require that schools have fire drills at least once a month, Martin pointed out.

Among other safety items that are needed in many schools are construction to separate furnace rooms from the rest of the building, better fire alarm systems, panic releases on doors and safer wiring.

Recommendations made by state fire inspectors are being sent to

superintendents of each school system and to the principals of the schools checked. Re-inspection will

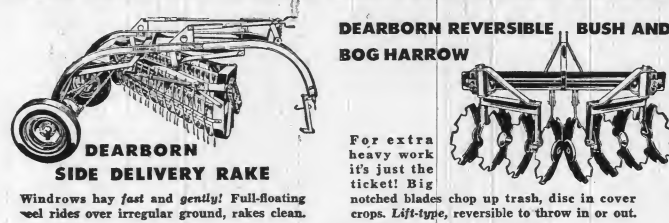

be made after a period of time given the schools to correct faulty conditions.

Amazing Relief From Foot Torture

N. TULCH

Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

When your feet begin to roll inward and go down, the nerves and blood vessels in your feet are pinched and cramped, permitting waste matter to collect at the joints. Then comes inflammation and pain. It often creates symptoms of rheumatism, arthritis and other ailments. Those backaches—those headaches—those leg pains may be coming from the shoes you are wearing. Don't take chances with your health, happiness and peace of mind. Go where schooled men will make an honest, scientific foot analysis and recommend your correct shoe. Don't wait—stop that suffering now.—Adv.

FOOD PRODUCTION PROGRAM PLANNED

Although there is said to be no immediate threat of food shortage or rationing, the United States Department of Agriculture is launching a food production and conservation program through extension services of state colleges of agriculture.

The move is called a "safety measure" since some of the factors that caused shortages in the 1940's now are at work. These factors include people going into defense industries and armed forces, thereby increasing the number of consumers and reducing the number of producers; draining labor off farms, and scarcity of metal for canning foods and scarcity of labor for food processing.

Farm and town families are being urged to have a bigger and better garden and to can, freeze and store more products. Emphasis also is being placed on having more milk, eggs, chickens and home meat supplies.

The College of Agriculture and Home Economics, University of Kentucky, has the following free literature on home food production and conservation: Leaflet 60, Grow Your Own Food; Circular 376, Your Vegetable Garden; 440, Canning Fruits and Vegetables; 480, Canning Meats; 447, Jellies, Jams, Preserves and Marmalades; 458 Hog Killing; 28, More Milk from Family Cows; and 62, Chickens and Eggs for Home Use.

These publications can be had at offices of county and home demonstration agents or by writing to the college at Lexington.

STATE NAMES DEPUTY DEFENSE BOND DIRECTOR

Mr. Wilson W. Wyatt, chairman, state executive committee for U. S. Defense Bonds, has announced the recent appointment of Mr. Dana Woodie Hannah, Jr., as deputy director of the U. S. Savings Bond Division for Kentucky.

In his newly appointed capacity, Mr. Hannah will assist with the sales promotion and organizational activities of the Savings Bonds program. One of his more important functions will be the making of payroll savings calls on industrial concerns throughout the state. In addition, he will be working directly with all issuing agents, that is, banks and post offices.

Six Indictments Returned By Boone County Grand Jury

Two Year Sentence Given Sidney White Charged With Shooting To Kill.

Six indictments were returned by the Boone County grand jury after being in session two days at the April term of Boone Circuit Court which opened at Burlington Monday morning.

Indictments were returned against Joseph Dudge, charged with having carnal knowledge of an infant under 18 years of age; Robert Wilkins, operator of Red Arrow, charged with selling beer after 12:00 midnight; John Neace, charged with breaking and entering; and Ira Dixon, colored, charged with murdering John Dudge, charged with detaining a woman against her will; and Jack O'Banion, carnal knowledge of an infant under 18 years of age.

Sidney White, charged with shooting with intent to kill was sentenced to two years after pleading guilty when arraigned Monday in Judge Ward Yager's Court. The sentence was probated.

White was arrested by local authorities after he fired two shotgun blasts into a group of young men and women who were picnicking on the grounds of Camp Ernest. White had been employed as caretaker of the Camp Ernest grounds. He was indicted last October.

The case of M. R. Kite, administrator of the estate of John Rich, deceased, vs. Wm. Hamilton which was scheduled for Monday was continued when the attorney for the plaintiff withdrew as counsel.

The grand jury was dismissed Tuesday after completing their labors, and petit jurors were dismissed until Tuesday of next week by Judge Yager.

Lee McNeely, Walter Renaker and Emerson Smith, newly elected jury commissioners were inducted by Judge Yager, Monday morning concerning their duties.

Two civil cases have been placed on the docket for Tuesday of next week. They are Burgess vs. Dolwick and Commonwealth vs. Miller hearing.

Gilbert Crowder, of the U. S. Navy is now stationed at Little Creek, Virginia.

Retailers Should File Price Charts With Cincinnati Office

Many retailers required to file retail price charts under Gelling Price Regulation 7 of the Office of Price Stabilization are transmitting these charts to either the Washington national or the Cleveland regional office of OPS.

These price charts must be filed with the Cincinnati District Office of Price Stabilization, 37 West Seventh Street, Cincinnati, Ohio, and not sent to the Washington or Cleveland offices.

Retailers should send CPR-7 price chart to Cincinnati District OPS, 37 West Seventh Street, Cincinnati, Ohio. Don't send to Washington.

The price chart signed copy by the filer must be received at the Cincinnati District Office on or before April 30, 1951.

Retailers in doubt concerning charts should call Cincinnati District OPS Office, DuBar 2200, line 380 or drop in at the office 37 W. 7th Street.

Transportation will be furnished those desiring to attend. Persons having no transportation are requested to meet at the Hardware Store at 7:00 p. m.

Countywide Meeting Planned By Boone Ministerial Ass'n.

Rural Life Sunday Set For Sunday, April 29 At Fair Grounds.

At a meeting of the Boone County Ministerial Association held in the County Agent's office at Burlington recently, it was decided by the group that Rural Life Sunday would be observed Sunday April 29, 1951 at the Boone County Fair Grounds. In case of rain the meeting will be held at Burlington High School.

The group as usual decided to work cooperatively and the following committee was chosen: Rev. Roy Johnson, Burlington Baptist; Rev. H. L. Reid, Florence Christian; Rev. Cecil Ogg, Florence Methodist; Rev. H. V. Andres, Hopeful Lutheran.

The program as planned, follows: Time of meeting—1:30 p. m. Basket lunch—1:35 p. m. Program—2:35 p. m. Community Sing—Joe Rouse, leader.

Introduction of Rural Life Sunday—William Davis. Special Music—Chorus. Recreation 3:35—Horsehoes, Volley ball and softball.

Each church in the county will have an exhibit booth displaying its work and history. A county map will be on exhibit pin-pointing the location of the various churches. The 4-H Club will have an exhibit. There will be a public address system and the churches in the county invite the public to share in this Christian experience of genuine fellowship together.

School Accrediting Regulation To Be Increased Is Word

State Board Will Consider Increasing Attendance To 100 Pupils In School.

According to a release from the Department of Education, Frankfort, Ky., the State Board of Education will consider new regulations concerning Kentucky high schools. The new order recently adopted by the Board follows:

"It was moved and duly seconded that the State Board of Education give consideration to the revision of the accrediting regulations looking toward a minimum average daily attendance of 100 pupils in an accredited high school by the beginning of the 1954-55 school term; and further, that the Superintendent of Public Instruction be requested to publicize this expressed feeling of the State Board of Education. Motion carried unanimously."

At the present time one of the requirements for the accreditation of a high school is for the school to maintain at least a minimum of 60 pupils in enrollment. The real reason for giving careful and thoughtful consideration to this important matter is to provide better advantages and facilities to those boys and girls who are enrolled in small Kentucky high schools.

NEW HAVEN LUNCHROOM HELPERS WILL BE EMPLOYED

Lunchroom employees for the New Haven school will be hired during the May meeting of the New Haven P-T. A. Applications must be in the hands of Mrs. Lucille Cook, Walton, R. 2 by April 27th.

For information contact Mrs. Cook.

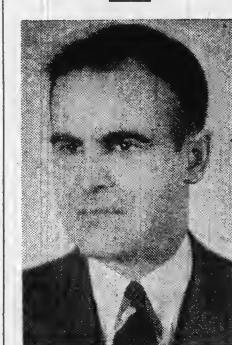

RECORDER CLASSIFIED SECTION IS CHANGED TO LARGER TYPE

Due to many requests from our subscribers throughout the county, our classified section has been changed to the same style used in previous years.

The section was changed to small type in order that more news could be carried in our paper, but after several issues many have written to the paper requesting that we change to the old style, or larger type. This change is being made due to the many requests.

In the future our classified section will be carried in the large type even though we must sacrifice publishing of news articles. Your interest in writing to the paper concerning the classified section is appreciated by the publisher and staff, and your desires made known to us will be appreciated in the future.

Myron T. Hopper Will Speak At Florence Church

Rev. Myron T. Hopper

Rev. Myron T. Hopper, a teacher at the College of the Bible, will be guest speaker for both morning services, 8:45 and 10:45 a. m. next Sunday, April 15th at Florence Christian Church.

Rev. Hopper will speak on the subject "Building for the Future in the Light of Religious Education." The public is cordially invited to attend these services.

Boone Grand Jury Indicts Men On Attack Charge

Officials Investigate Charge of Cincinnati Girls.

John Judd, of Jefferson Avenue, Cincinnati was arrested Tuesday morning by Cincinnati police, while FBI agents and officials of Boone and Grant Counties were searching for a second man, Jack O'Banion, said to reside at Dry Ridge, Ky.

Both men were indicted by the Boone County grand jury Tuesday afternoon. Judd was indicted on a charge of detaining a woman against her will, and O'Banion was indicted on a charge of having carnal knowledge of an infant under 18 years of age.

O'Banion was said to have been wounded early Monday evening when a pistol in the hands of one of the girls discharged while they were preparing to enter a tourist cabin in Carrollton, Ky.

O'Banion, according to reports was treated by a Carrollton physician and the group left for a tourist camp in Boone County where the girls were attacked.

Judd, arraigned in Judge Ward Yager's Court Tuesday afternoon gave bond, and his trial was set for Thursday, April 19. O'Banion's trial will probably be held at the same time if he is apprehended.

Judd was brought to Boone County by Cincinnati authorities. When questioned concerning the attack Judd said that the girl with him was not harmed and that she would say so.

A shower was given last Saturday night at the home of Mr. and Mrs. Frank Kelly in honor of Mr. and Mrs. Paul Yelton.

Drive Underway To Finance Erlanger Athletic Project

Old Fair Grounds Will Be Site of Play Grounds, According To Reports

Generous support of a campaign in Erlanger and Elsmere to raise funds to equip the Erlanger-Elsmere Athletic Field on the old fair grounds, Donaldson Highway was urged by Dewey Ward, chairman of the drive.

The Lloyd High School Athletic Association hopes that a stadium can be built in time for football next fall on the 30-acre tract purchased by the Erlanger School Board several years ago.

Mr. Ward said that soft and hard ball diamonds are to be built and a battery of tennis courts on the proposed project. Approximately 50 solicitors are canvassing Erlanger and Elsmere for contributions.

Board members of both Erlanger and Elsmere were present at a dinner Friday night in the Lloyd gymnasium when plans for the campaign were discussed. The drive will continue until May 5th.

Petersburg Man Killed In Accident While At Work

Body Crushed By Digger In Gravel Pit Near Town.

Cecil E. Walston, of Petersburg was crushed to death by a gravel digger Wednesday while at work in a gravel pit on the Aylor farm just north of Petersburg.

Mr. Walston evidently had been making adjustments to the machinery when a hydraulic lift used in lifting a heavy metal digger failed to function and lowered the heavy bucket pinning him between the arms of the digger and the frame of a truck on which the digger was mounted.

Two Petersburg children, playing nearby discovered the body and notified residents of Petersburg who rushed to the scene of the accident. Mr. Walston was dead upon arrival of the townspeople.

He is survived by his widow, Mrs. Marie Rector Walston; his mother, Mrs. Pearl Walston, Rising Sun, Ind.; four sons, Walter Walston, U. S. Army, Ft. Bliss, Texas; Robert Walston, Cincinnati, and Edward and Joseph Walston, Petersburg; a brother, Ivan Walston, Manchester, Ind., and four sisters, Mrs. Jeanette Morehead, Lawrenceburg; Mrs. Hazel White, Rising Sun, and Mrs. Sadie Antas and Mrs. Mary Deed, both of Petersburg.

Funeral services were conducted Saturday at 2:00 p. m. from the Petersburg Methodist Church, with burial in Petersburg Cemetery.

Stier and Williams, Aurora, Ind., funeral directors were in charge of arrangements.

Cancer Fund Drive Underway In Co.; Goal Is \$1,500

Drive Will Be Handled Through Homemakers And Schools.

The campaign for funds for the American Cancer Society is now in progress in Boone County. It was reported this week.

Join humanity's most important crusade—the battle against cancer. The cancer drive is an educational as well as financial campaign and everyone is urged to support Kentucky's program of service, education and research. Your financial assistance is needed to help support cancer clinics. The nearest diagnostic and treatment cancer clinic is Wm. Booth Memorial Hospital in Covington.

Your dollar is spent as follows: 25% research; 15% national headquarters for education, service, administration and fund raising; 60% for Kentucky use exclusively, such as transportation of patients, hospitalization, films, literature and administration.

In Boone County volunteer solicitors are not available to do a house-to-house canvass. The drive will be conducted through the schools and homemaker organizations. If you do not have a child in school or a solicitor to call at your door, please send your contribution to the county chairman, Mrs. Clayton Jones, Walton, Ky.

The quota for Boone County is \$1500.00, so send in your contribution to help meet this goal.

Applications Cards For College Students In Hands of Draft Board

Boone County youth who are now attending college and desire to continue their studies through the new Selective Service System ruling may obtain application cards from Draft Board 108, Burlington, by applying in person.

Tests will be given at various points throughout the United States on May 26, June 16 and June 30, 1951, it was announced.

Under the proposed regulations, college and university students may qualify for consideration for occupational deferment either on the basis of a prescribed scholastic standing or on the basis of attaining a prescribed score on a college qualification test.

Boone Farmers Asked To Produce More Corn In '51

Increase Needed To Maintain and Expand Livestock Production.

The U. S. Department of Agriculture is asking Boone County farmers to produce 14,042 acres of corn in 1951 to back up the national defense effort. This is 1,542 acres more than were produced in the County in 1950, according to Joseph A. Huey, Chairman of the County PMA Committee.

This increase in corn production is needed to maintain and expand the present high levels of livestock production. Although meat production is now about 27 per cent more than the average for the pre-war years 1937-41, there is need for even more to meet increasing civilian demand and growing military requirements.

In expanding corn acreage, farmers of Boone County should keep in mind that this increase is not just a one-year target. No one knows how long the present emergency will last and further increases may be needed next year.

Through the use of grasses and legumes and a balanced production program, Boone County farmers can meet production needs today and be prepared to meet the needs of the future.

Public Service Commission Hears Phone Complaints

Two Hundred Persons Attend Meeting At Burlington Friday.

H. Clay Kaufman member of the State Public Service Commission, heard testimony of Boone County residents charging the Consolidated Telephone Co., with inadequate, inefficient and unreasonable telephone service at the Burlington courthouse Friday of last week.

Approximately two hundred persons were present for the hearing, which continued throughout the day.

County Judge C. L. Cropper was the first person to testify in the hearing and stated that present service given by the company did not compare with service given 10 years ago.

Photographs of the condition of equipment now used by the telephone company were submitted by Frank Milburn, Burlington businessman and member of the local committee.

John L. Vest attorney for the Boone County committee protesting the increase in rates stated that main idea of the committee is not so much the cost of service, but adequate service.

The telephone company filed no counter-claim. The rate increase, effective last August 7 for the rate increase, effective last September 1. The annual increase would amount to \$29,589.

At the afternoon hearing seven teen persons took the witness stand giving their views of the present service rendered by the telephone company.

A petition presented at the Frankfort office of the Public Service commission asking that the new rates be rescinded, contained the names of 501 persons. The petition asked that there be an "across-the-board" rate reduction from the pre-September rate, and that better service be provided.

The petition asked specifically that the commission require the company to remodel, repair, rebuild, purchase and install or otherwise improve its pole line and exchange stations.

Edward C. O'Rear, Chief Engineer of the Public Service Commission, took pictures of the telephone conditions and will present them at a final hearing to be held at 10:30 today (Thursday) at Frankfort.

Social Security Worker Will Visit Erlanger

Elbert M. Bohon, manager of the Cincinnati social security office announced that a representative from his office will be at the Erlanger Post Office from 10:00 a. m. to 11:00 a. m., on Thursday, April 19. He will receive applications for old age and survivors insurance benefits under the amended law, as well as issue social security account number cards.

Mr. Bohon says that the first reports for reporting household employees as well as agricultural laborers are due to be filed this month. Householders employing a domestic as much as 24 days in the last calendar quarter and paid them at least \$50, are required to make a report. Farm operators are required to report labor if their work is in at least 60 days in last quarter and wages were at least \$50. Field representatives have free literature for distribution. Additional literature may be obtained from your local postmaster or deputy internal revenue collector.

Westinghouse
FROST-FREENO DEFROSTING...
Anywhere! Any Time!

See the new Westinghouse FROST-FREE—the only refrigerator that COUNTS! It counts door openings, because door openings let in warm air which causes frost to form. At every 60th door opening, which is just when frost begins to build up, FROST-FREE automatically defrosts itself, and automatically evaporates the frost water! Westinghouse FROST-FREE is the only home-proved automatic refrigerator. See it and other Westinghouse Refrigerators today. You'll find prices surprisingly low!

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

814-816 Madison, Covington

HISTORY—Mrs. G. E. M. suffered headaches and neckaches. Her neck ached so intensely at the base of the skull she could hardly see. Days at a time she could not get out of bed because of the severity of the pains. She read one of our ads., telling of the good work we were doing, and decided to see what we could do for her. After a very short time wearing surgical shoes, pain in the head and neck lessened till finally it disappeared entirely.

FISHERMAN! FISHERMAN!

Boys, the weather will soon be right. Will you be ready? Take an inventory of that tackle box now.

Come in and let us fill your short list from our large stock of quality tackle. Don't fail to replace that old fishing line. Why not a new reel while you can get it?

Our athletic equipment is complete. Come in and let us show you.

We also handle the nationally famous Columbia bicycles.

Bring your rods and reels to us for repairs.

and she is well and happy. It is now possible for her to do her own work even when it is necessary for her to climb a stepladder. Surgical shoes seemingly worked miracles for her.

COMMENT—Strain on ligaments and tendons naturally has a weakening effect upon muscles. Continued neglect of these conditions may be the cause of your aches and pain in the neck and back and if you have been unable to get relief, come in and let us see what we can do for you.

If your ankles are weak and you are constantly rolling them, surgical shoes are definitely the answer to your problem.—Adv.

HEBRON 4-H CLUB NOTES

The Hebron 4-H Club met at the school on March 26th. Mr. Davis met with us and we had election of officers. Our new president is Jane Rogers; vice president, Betty Schwenker; secretary, Barbara Schwenker, and song leaders, Frances Acra and Bill Bailey. Our new president has asked everyone to learn the 4-H pledge to be used at each meeting.

Everyone is hard at work and we are all looking forward to the rally in May. The sewing leaders this year are Mrs. Anderson, Mrs. Morehead and Mrs. Utz and some of the older girls are assisting the beginners. We have 24 girls in the first unit.

America's Largest and Finest Low-Priced Car!

The Stylized De Luxe 4-Door Sedan (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Yes, LARGEST... and the facts speak for themselves

It's LONGEST in the low-price field, a full 197 1/2 inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58 1/2 inches between centers of the rear wheels. Longer, heavier, with wider tread... that's the measure of Chevrolet's rock-solid value... big in looks, big in handling and riding ease, big in road-bagging performance. Why settle for less than a Chevrolet... when Chevrolet is the lowest priced line in the low-price field.

Yes, FINEST... and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, APRIL 19, 1951

VOLUME 75

NUMBER 39

Two Sentenced In Boone Circuit Court Tuesday

Audrey Beach Draws 1-Year Sentence; John Neace Given 3 Years.

Two men were sentenced to a total of four years in state reformatory at LaGrange, when arraigned in Judge Ward Yager's Circuit Court Tuesday.

John Neace, charged with breaking and entering was sentenced to three years before a jury of 12 men after pleading guilty to the charge. Audrey Beach was sentenced to one year in the reformatory on a charge of grand larceny. He was indicted by the December session of Boone grand jury, charged with stealing a tractor from the farm of O. H. Hopkins, Verona, October 6, 1950.

Joseph Dudie, charged with having carnal knowledge of an infant under 18 years of age was arraigned in Judge Yager's court Wednesday, but we are unable to give results of the trial as we go to press early Wednesday morning.

Robert Wilkins, operator of the Red Arrow Tourist Camp, charged with selling beer after 12:00 midnight, was also arraigned in Circuit Court Wednesday. The results of this trial are also unknown as we go to press.

John Judd, charged with detaining a woman against her will, and Jack O'Banion, charged with carnal knowledge of an infant under 18 years, indicted by the April term of Boone County grand jury will be held on bond, pending their trial. Their cases will be continued until the next term of court.

Hearing of minor cases were occupying the court Tuesday afternoon, and Wednesday's session was expected to terminate the April session, it was reported.

Ted Cress Injured In Automobile Crash

Ted Cress, 40, of Burlington, of the Calvin Cress & Sons, International dealers, suffered severe face and head lacerations in an automobile accident on Lower River Road, Friday night.

The driver of the car in which Mr. Cress was riding lost control of the vehicle when his wheels dropped from the edge of the pavement, when lights from approaching vehicle blinded him. Cress was thrown through the windshield.

He was removed to Booth Hospital, Covington by the Bromley Life Squad, where a total of 49 stitches were required to close the wounds.

Engagement Announced

Mr. and Mrs. Albert W. Rogers, of Hebron, Kentucky, announce the engagement of their daughter, Miss Helen Arlene Rogers to Gerald Ware Garvey, son of Mr. and Mrs. Howard Garvey of Pleasantville, Kentucky.

Miss Rogers is a sophomore at the University of Kentucky, College of Home Economics, and Mr. Garvey is a graduate student in Commerce at the same university. The wedding will take place in June.

Boone Historical Society Will Meet Friday, April 20

Paper Will Be Presented On Life Of John Uri Lloyd.

The Boone County Historical Society will meet in the Florence Town Hall on Friday, April 20, at 8:00 p. m.

Miss Frances Seebree will present a paper on the life of John Uri Lloyd. This is the third of a series of papers on the Florence community. Mrs. Olga Braun and Mrs. Lucille Jones recently prepared two papers on the beginning of Florence and the Florence Town Hall. Material is being gathered about the historic old houses in Florence. Some of them date back over a hundred years.

The Boone County Historical Society is one year old and many of its members have attended every meeting. Papers have been presented on the communities of Petersburg, Hebron, Bullittsville, and Limburg. A paper on the history of Walton and Verona is in preparation.

Anyone interested is invited to attend the meetings.

TO SPEAK AT FLORENCE

Mrs. Helms will join Major Helms in about two or three months. Major Helms and Mrs. Helms have been stationed at Westover Air Force Base, Massachusetts since May 1947, prior to that they were stationed at Morrison Field, Florida.

Rural Life Sunday Planned April 29 At Fair Grounds

Churches Cooperating With 4-H Clubs and Extension Agents.

The churches of Boone County working in cooperation with the 4-H club and extension agents will observe Rural Life at the Fair Grounds on Sunday, April 29, according to Bill Davis, County Agent. The program will start at 2:00 p. m. with a basket lunch. In case of inclement weather the meeting will be held in the Burlington School.

Four-H Club Sunday, or Rural Life Sunday, is observed by church organizations throughout the nation to emphasize the meaning of Christianity in rural life. It occurs the fifth Sunday after Easter and is closely linked with Rogation Days, celebrated for centuries in the Christian Church during the three days preceding Ascension Day. Originally, they had several meanings, but gradually that of prayer for God's blessing upon the fruits of the earth predominated. Rogation days were first observed by St. Mamertus, Bishop of Vienne, in Gaul, sometime prior to A. D. 475. In A. D. 511 they were ordered observed throughout France; and in A. D. 747 were established in England by church action. Alfred the Great held them in deep reverence and included them about the most important of holidays. They were established in Rome by Leo III about the end of the eighth century.

The idea is of far more ancient origin, however. In the earliest days of Egypt, the ceremony of blessing the land and the seed at the time of planting was widely observed. Hardly an ancient people but sought the favor of the gods at that time.

When therefore, 4-H members assemble to worship God on 4-H Club Sunday, they join a long succession which comes out of the dim past of history. They join with those of many generations in seeking the blessing of God upon the land, the seed, the cultivation of the earth, and the enrichment of home and community life.

It should be noted also that 4-H Club Sunday is an outgrowth of Rural Life Sunday, which was first observed in 1929 at the suggestion of the International Association of Agricultural Missions, and soon adopted by the Home Missions Council of North America, by the Federal Council of the Churches of Christ in America, and by numerous other religious bodies.

Everyone is urged to attend the church of their choice for morning services and then attend Rural Life Sunday observance in the afternoon.

Results Announced Of Simultaneous Revival Meetings

Verona Has Outstanding Record, According To Population.

Final reports from the 39 participating churches in the Baptist Simultaneous Revivals recently held in Northern Kentucky revealed the following facts: 523 responses were accepted by profession of faith for baptism, 176 joined the churches by letter, making a total of 697 total additions to the churches during the two-week period of revivals.

In addition 625 members of the churches came forward rededicating their lives to Christ, making a grand total of 1,322 responses to the invitation. The outstanding results were demonstrated by one of the smaller churches in the campaign, the New Bethel Baptist Church at Verona, Ky., Rev. Ray Stewart, pastor, reported 65 new members by baptism, with a total of 109 additions.

By action of the Baptist pastors of Northern Kentucky a special tribute of appreciation is given the newspapers, radio stations, and WPCO-TV, WKRC-TV and WLW-TV. Many favorable comments have been received concerning the billboards and Green Line advertising under the theme, "Christ Is The Answer To The World's Problems."

Ryle-McGlosson

The Sand Run Baptist Church was the setting for the marriage April 14 of Miss Betty Jean Ryle, daughter of Mr. and Mrs. Franklin Ryle, of Francesville, to Mr. Rodney McGlosson, son of Mr. and Mrs. Earl McGlosson, of Constance. The Rev. Leo Drake, former pastor of the church, performed the double ceremony.

The decorations consisted of large baskets of white flowers against a background of palms. Lighting the decorations and participants were large candelabras on either side. Glowing candles on the window sills lighted the church.

Preceding the ceremony Mrs. George Whorley, accompanied by Mrs. Alan White, sang "Because," and "I Love Thee." After the vows were repeated Mrs. Whorley sang "The Lord's Prayer." Mrs. White gave a recital of appropriate numbers before the ceremony.

The bride, who was given in marriage by her father, wore a gown of white satin fashioned with a fitted bodice, sweetheart neckline and long sleeves tapered to points at the hands. The full skirt fell in a long chapel sweep. Her fingertip veil of net with embroidered edge fell from a tiara of pearl orange blossoms. The bride carried arm bouquet of white roses and sprays of white roses and an orchid corsage.

Miss Virginia Earle McGlosson, sister of the groom, was maid of honor. She wore a floor length gown of blue pink taffeta, with headpiece of same material and carried a matching basket of multi-colored flowers.

The bridesmaids, cousins of the bride, were Misses Alice Ruth and Helen Faye Eggleston. They wore gowns of blue pink taffeta with headpieces of same material and carried matching baskets of multi-colored flowers. Their gowns were identical in design with that of the maid of honor, with fitted bodice, cap sleeves and dropped waistline to which the full skirt was attached with a heading of pink. The flower girl, little Miss Sharon Wilson, wore a party dress of white and Master Timmie Wilson, the ring bearer, was attired in a white suit. Both are cousins of the bride.

Mr. Galen McGlosson served as best man. The groomsmen were Mr. Melvin Ray McGlosson and Mr. James Tanner, Jr. The ushers were Mr. Richard McGlosson and Mr. George Humphrey.

Mrs. Ryle chose for her daughter's wedding a dress of grey with which she wore a pink hat and accessories and a corsage of pink carnations.

Mrs. McGlosson wore a navy with pink hat and accessories and a corsage of pink carnations. A reception was held in the social room of the church immediately following the ceremony.

After a wedding trip to Florida Mr. McGlosson and his bride will be at their home on Taylorsport Road.

Engagement Announced

Mr. and Mrs. Beck of 61 Lloyd Avenue, Florence, Ky., announce the engagement and approaching marriage of their daughter Betty, to Mr. Stanley Wuestefeld, son of Mrs. Anna Wuestefeld of Cedar Grove, Indiana. The wedding will be an event of May 12th at St. Henry Church, Erlanger.

Ben F. Zimmer Given Award For Polio Leadership

Served As Director of Boone County 1951 March of Dimes Drive.

An award for "meritorious service in the interest of polio care, education, and research" has been conferred upon Ben F. Zimmer, Jr., Florence, director of the Boone County 1951 March of Dimes, by the Kentucky Chapter, National Foundation for Infantile Paralysis. Announcement of the award was made today by Harry W. Cooke, State Chairman of the 1951 polio drive.

Mr. Zimmer earned this award by the great amount of time, energy and sincere thought he so generously gave to assure the success of the Boone County March of Dimes. Cooke stated, "It is a distinct pleasure to thank Mr. Zimmer on behalf of the Kentucky Chapter, National Foundation, and the many polio victims in the state who will benefit from the money raised in this county. He further pointed out that every one actually benefits when we realize that a tremendous research program is being conducted which will one day find a specific care and preventative of the dreaded Infantile Paralysis."

In addition to the individual awards being an exemplary work of the Kentucky Press and the Kentucky Broadcasters' Association, Cooke said, "without exception, every newspaper and radio station in the state by the zealous cooperation of their officials and employees and as a result of outstanding service rendered their combined facilities has greatly enhanced the constant work of the Kentucky Chapter, National Foundation for Infantile Paralysis, and its March of Dimes—and has materially aided to the success of our polio patient-care polio information, and fund-raising in Kentucky."

The Boone County Recorder, Burlington and Walton Advertiser, Walton, were also awarded Certificates of Merit.

Former Boone Co. Boy Instrumental In Building Steel Plant

Speaker Praises Robert Hensley For Efforts In Obtaining Mill.

Robert Hensley, son of Mr. and Mrs. Thomas Hensley, of Burlington and at present a resident of Louisville, with law offices in that city, is responsible for a \$10,000,000 steel plant now under construction at Owensboro. It was reported here last week.

The firm known as the Green River Steel Corporation started work on the new project Friday, April 6th when giant-sized earth movers invaded a green wheat field east of Owensboro, Ky., and broke ground for the \$10 million project.

The firm will employ 2,000 to 3,000 men when it reaches its peak output of 700,000 tons of ingots a year, the corporation's president revealed Friday.

Sidney D. Williams, one of the three incorporators of the steel firm, speaking at the ground breaking services said Robert B. Hensley, Louisville attorney and another of the incorporators of the plant, who was not present for the ceremony but who was reported in Washington "as the greatest Kentuckian who ever lived."

Williams said, "I am sorry he couldn't be here, but Mrs. Hensley represents him. For the last two years Bob Hensley has spent three-fourths of his time working on this project. No one could convince him what he was trying to do wasn't right. Five or six weeks ago he made contact with the Equitable Securities corporation. They listened and said they could have nothing to do with financing something that had not been approved."

Then Ebasco Services was contacted, and the colorful Kentuckian reported to me on the telephone last night and this morning that the report is 'very, very favorable.' Ebasco had 15 or 20 engineers on this job and they have looked at it from all angles before saying that it is right."

The \$10,000,000 electric-furnace plant is to start producing steel by the end of the year or the first of January. It is predicted that the plant will be completed and in full operation by next April.

The three incorporators of the firm are Robert Hensley and Frank Logan, Louisville attorneys and Sidney D. Williams, metallurgical engineer.

Tobacco Support Price Will Be Increased For 1951

The Agriculture Department announced last week that it will support the 1951 domestic and Puerto Rican tobacco crops at slightly higher levels than last year. Price supports for most types of tobacco are mandatory under law.

The 1951 minimum support level as compared with the 1950 guaranteed price, includes: Flue-cured, types 11 and 14, 50.1 cents per pound this year, compared with 45.0 cents per pound last year; burley type 31, 49.4, 45.7; fire-cured types 21-23, 37.0, 34.3; dark air-cured, types 35-36, 32.9, 30.5.

Special music will be featured each evening throughout the week. The public is cordially invited to attend this series of services.

Tax Assessment Books Open For Public Inspection

Wilton Stephens, Local Commissioner Urges Taxpayers to Inspect Roll

Every taxpayer in Boone County will have an opportunity to inspect the tax assessment roll for this year, tax commissioner Wilton Stephens announced today.

As provided by Kentucky law, the property tax roll will be open for inspection from April 15 to May 1. Any taxpayer may visit the tax commissioner's office and check his assessment.

Commissioner Stephens strongly urges every taxpayer who possibly can to take advantage of the inspection period. "This is the only way to be sure the assessment is correct."

Anyone who feels that this assessment is higher or lower than that on other like property in the county may appeal to the board of supervisors. The appeal must be filed in writing with county clerk C. B. Benson before May 1. Appeal for a review may also be made by the tax commissioner, Department of Revenue, county judge, chief finance officer or any city using the county assessment or the superintendent of any school district in which the property is located. The board of supervisors may raise or lower individual assessments on which appeals have been made in order to equalize them.

"The inspection period is a safeguard for the taxpayer," commissioner Stephens said, "and I urge each one to take advantage of it for his own benefit."

The Board of Supervisors will convene at the courthouse May 1 through May 10, 1951.

Three Constance Boys Narrowly Escape Death

Three Constance boys were saved from drowning in the Ohio River's swift current Friday while clinging to a canoe which overturned while they were fishing.

The accident occurred about 50 feet off the Kentucky shore at Constance. The boys' cries for help were answered by three men living in the neighborhood who made quick use of a rowboat.

The boys are Louis Hanks, 11; Donald Fuller, 13, and Carl Ede, 13, pupils of Constance school. The boys were enjoying a holiday due to the Kentucky Education Association meeting in Louisville.

Further announcements will appear in later issues of this paper.

Boone County Red Cross Goal Reached With Total of \$3,041

County Chairman Thanks Precinct Workers For Efforts In Drive.

Boone County attained and surpassed its 1951 Red Cross Drive quota last week, it was announced by Mrs. Jack Caldwell, county fund drive chairman, yesterday. Mrs. Caldwell's unofficial report showed a collection of \$3,041 against a county quota, which was set by National Red Cross of \$3,025. She said a few contributions are still being made and that the final total will be a few dollars higher.

The quota and collections by precincts as released are as follows:

Quota	Rec'd.
Walton	\$800.00
Richwood	125.00
Verona	250.00
Beaver	100.00
Union	300.00
Hamilton	75.00
Florence	750.00
Burlington	500.00
Constance	150.00
Hebron	300.00
Bellevue	125.00
Petersburg	100.00
Bullittsville	125.00
Special Fund	42.50

Mrs. Caldwell wishes to express her sincere thanks to all citizens of the county who had any part in making the drive successful. She especially pays tribute to the precinct chairmen and workers, who working against bad weather conditions were able to complete their work. She also expresses her appreciation to the county and daily newspapers and other publicity mediums for their work in carrying the drive to successful conclusion.

PRESIDENT LINCOLN SAID--

"If I were to try to read, much less to answer, all the attacks made on me, this shop might as well be closed for any other business. I do the very best I know how—the very best I can; and I mean to keep on doing so until the end. If the end brings me out all right, then what is said against me won't matter. If the end brings me out wrong, then ten angels swearing I was right would make no difference."

This could well apply to anyone trying to make a success of his business undertaking. This bank is trying to render a first class banking service to Boone County. We solicit suggestions for improvement of this service.

RESOLUTIONS OF RESPECT IN MEMORY OF

Brother James T. Bristow, who died March 18, 1951.

Once again a Brother Mason, having complete the designs written for him on life's trestle board, has passed through the portals of Eternity and entered the Grand Lodge of the New Jerusalem and hath received as his reward, the new name written thereon.

And whereas, he having been a merciful Master of the universe has called from labor to refreshments our beloved and respected brother,

And whereas, he having been a true and faithful brother of our order, therefore be it

Resolved that Boone Union Lodge No. 304 F. & A. M., Union, Kentucky, in testimony of her loss, be draped in mourning for thirty days and that we tender to the family of our deceased brother our sincere condolence in their deep affliction, and that a copy of these resolutions be sent to the family.

Mr. and Mrs. Willie Huey and Mrs. Ida Mae Cason are now residents of Bellevue.

Mrs. Ted Williamson is able to be out again, after an attack of flu. Other sick folks in town are all improving.

Mrs. Bertha Rice has returned home after spending the past week with her daughters on Woolper.

Mrs. Bud Burcham entertained Mrs. Lillard Scott and her Sunday School class was a party at her home Tuesday evening.

There was a good crowd at the sale of Mrs. Ida Mae Cason Thursday afternoon and everything sold well.

Rev. and Mrs. John Huntington were guests at the family night supper and services at the Baptist Church, Saturday evening.

Misses Billy Jo Brown, Mary Lou Kelly, Betty Lou Loudon and Hazel Bachelor were among the Burlington high school pupils to enjoy a trip to Washington, D. C., leaving

Friday and returning Sunday. The Baptist Church was crowded almost to capacity Sunday night when the combined choirs of Hebron, Burlington and Bellevue presented "Calvary" under the direction of Edwin Walton.

VERONA

(Delayed)

Our revival closed Sunday with baptismal services. There were 49 for baptism, a number by letter and several who rededicated their lives to the work of the Lord.

Cpl. Norman Ferguson returned to Ft. Benning Ga., Monday after

spending a week with his family and friends.

Mr. and Mrs. Poole and children who reside with Mrs. Hopperton have been confined to their home with the flu.

Billy Mac Waller, of Berea, spent the week-end at home.

Mr. and Mrs. Marvin Waller, Mr. and Mrs. Earl Jones and Mr. and Mrs. Harry Waller spent Saturday evening with Will Waller and family.

Mr. and Mrs. Hobart Grenwell were visiting her daughter, Mr. and Mrs. Fred Hamilton and family on Sunday.

Mrs. Taylor from Somerset and Mrs. Miller from Monticello visited in Verona last Wednesday and took their son and brother Rev. C. N. Taylor back to his home in Chattanooga.

Florence

Dr. N. A. Jett and Mr. and Mrs. Paul Chaney recently returned from Florida, where they enjoyed a vacation of more than two weeks and plenty of fishing.

Mr. and Mrs. Will Woodward were host and hostess at dinner Sunday for Mr. and Mrs. Chas. Carpenter, Mr. and Mrs. Robert Woodward, Misses Elnora and Helen Cummins, Theo Carpenter and son John.

Mrs. Emma Marsh (nee Ford) and husband have moved from Florida to the home of Ross Russ on Lloyd Ave.

Miss Bonnie Schram arrived home Wednesday from Eastern State College, accompanied by two

friends, the Misses Goodridge and Kene, of Richmond. They returned to their studies Monday.

The major part of the teachers of Florence school attended the KEA convention in Louisville, Thursday and Friday.

Mrs. W. R. Miller was luncheon guest Sunday in the home of Mr. and Mrs. James Bristow and daughter Ruth, of Bristow Pike, Kenton County.

Mr. and Mrs. Robt. Myers, of Columbus, O., attended Sunday morning services at the local Methodist Church and were luncheon guests of her parents, Mr. and Mrs. John Baucom of near Richmond. Mrs. Myers is remaining with her parents throughout the week.

Friends of Mrs. Flora Dolwick regret to learn of her illness at her

home on Donaldson Highway. However we all wish her the best.

Mrs. James Bristow accompanied her sister-in-law, Mrs. Howard Feagan, who was a chaperone to the Girl Scouts of the Latonia Baptist Church on a sightseeing trip to Washington, D. C., during the past week.

Mr. and Mrs. W. R. Miller and Rev. W. S. Mitchell and family were guests at a family dinner party Saturday evening in the home of Mr. and Mrs. Wilford Mitchell, of Latonia.

Miss Natalie Wolfe, of Elizabeth

St., Erlanger, was hostess at dinner Saturday evening for several girl friends and her mother, Mrs. Ola Wolfe.

Blayne Miller and Barbee Simpson, of Dayton, O., were guests of

the former's parents, Mr. and Mrs. G. M. Miller through the week-end. Miss Ruth Bristow has accepted a position with the Consolidated Telephone Co. and is rooming with Mrs. W. R. Miller.

Mrs. A. W. Fullerton Talks On Wildflowers

The Boone County Garden Club members enjoyed a very interesting talk by Mrs. A. W. Fullerton on "Wildflowers" and the importance of proper precaution for their preservation. There is a lot of pleasure in having a wildflower garden, but when gathering plants, do not dig all of a clump of flowers, let's help preserve them. The plants should be planted in a location similar to the one from which they came. The number of different wildflowers is amazing.

Canna bulbs were won by Mrs. Tom Hensley and Mrs. L. D. Rennecker won gladiolus bulbs, which were donated by the president, Mrs. Sam Denham, Sr.

Due to the absence of Dr. T. C. Crume, Mrs. Harold Conner extended the club at her home April 10th.

Welcomed visitors were Mrs. W. L. Oliver, Miss Hatchin, Mrs. Fanny Scott and Mrs. Frances Berkshie. Members present were Mesdames Sam Denham, Sr., Tom Hensley, Charles Clore, Sterling Dickey, E. E. Abbot, L. R. Rennecker, R. R. Liggett, V. Williams, R. C. Garrison, A. W. Fullerton, R. H. Carter, Ruby Hollis, Grant Maddox, Miss Lucy Lee Grant and the hostess, Mrs. Harold Conner.

Holstein Cattle Club Will Hold Sale April 21

The Kentucky Holstein Cattle Club will hold its annual 4-H sale of heifer calves for 4-H boys and girls at Shelbyville fairgrounds, Shelbyville, Ky., Saturday, April 21, 39-21-p

The sale will start at 12:00, when twenty-nine head will be offered. These heifers were selected by Glen Williamson of the Dairy Department, University of Kentucky, along with several good breeders and they picked out some good ones. Many have nice production behind them and every one will do well for some boy or girl in the show ring.

Local consignors are Hubert Conner, Hebron; Vaughn Hemphill, Constance; and Boontucky Farms, Burlington. These breeders would like very much to see these cattle come back to Boone County. All are very beautiful heifers and well developed.

REAL ESTATE TRANSFERS

The 43-acre farm and 6-room frame dwelling belonging to Mr. and Mrs. Herbert Day, Stephenson Mill Road, Walton, Ky., was sold to Miss Marian Evans, teacher of mathematics in the Dry Ridge High School, Dry Ridge, Ky. Miss Evans and her father will move to their new home about May 1st from their present home in Lexington, Ky. The transaction was made thru Forest S. Thompson, proprietor of the Mutual Realty Company, Walton, Ky., last week.

Eight Suffer Injuries In Auto Accident Near Florence Friday

Three Cars Involved In Crash; Victims Treated At St. Elizabeth Hospital

Eight persons were injured Friday in a three-car crash on U. S. 25, two miles south of Florence, according to officials, who investigated the crash.

When arraigned in Judge C. L. Cropper's Court Tuesday he was fined \$104.50 and his drivers license revoked for six months charged with operating a vehicle while intoxicated and was also fined \$104.50 on a reckless driving charge. All the injured were treated at St. Elizabeth Hospital.

Those injured in the crash were: Mrs. Cleo Washington, 39, wife of the Lexington driver, fractured vertebrae; William Burdette, Lexington, throat and face cuts; his wife, Frances, 30, fractured left leg and right shoulder and possible head injuries; Harold Luttrell, 21, Covington, driver, face cuts and knee injury; his wife, Martha 19, fractured right knee and right ankle and deep face cuts, and Mr. Luttrell's sister, Miss Vivian Luttrell, 22 of Cincinnati, head and lip cuts, and Miss Fonnell Luttrell, 26, of Cincinnati. Mr. Luttrell was released after treatment, but his sisters were removed to St. Mary Hospital, Cincinnati.

Kenneth Long, 18, driver of the third auto and lone occupant of the car escaped injury.

Troopers Robert Gordon and Jos. Lucas, of the state police, reported that the Lexington driver's car was headed north. They said witnesses told them Mr. Washington's car went out of control on a shallow curve and crashed into Mr. Long's southbound auto, tearing off a front wheel. The Luttrell car, following Long's car then was struck by the northbound auto.

The injured were removed to St. Elizabeth Hospital, Covington by the ambulances of Ralph Smith, and Chambers & Grubbs, Florence funeral directors.

Poppy Poster Contest Sponsored by American Legion Auxiliary

The American Legion Auxiliary will sponsor a poppy poster contest for school children of Boone County. A cash award of \$3.00 will be given for the best poppy poster in each of three classes.

Children of the fourth, fifth and sixth grades comprise class 1. The seventh, eighth and ninth comprise class 2 and the tenth, eleventh and twelfth, class 3.

The three winning posters will be entered in a statewide contest and the winners there will compete in a national contest for a \$100 award for the winner in each class.

The Auxiliary feels certain that some child in Boone County can qualify a poster for the National Contest.

Rules of the contest are now being sent to each school so work may start as soon as possible.

Since national poppy day is May 26, the contest will close May 18. Children are urged to have your best poster with your school principal by that time.

Ward Yager Seeks Re-Election As Circuit Judge

Completes Twelve Years As Circuit Judge; Was Commonwealth Attorney

Circuit Judge Ward Yager, makes his formal bow to the voters of Boone County in this issue of the Recorder, announcing his candidacy for re-election to the office of Circuit Judge of the 15th Judicial District, composed of the Counties of Boone, Grant, Gallatin, Carroll and Owen, subject to action of the Democratic primary, Saturday, August 4th.

Judge Yager needs no introduction to the voters of this county, having served as Circuit Judge for the past twelve years, and served twelve years as Commonwealth Attorney prior to being elected Circuit Judge.

In making his formal announcement, Judge Yager makes the following statement:

"To the people of the Fifteenth Judicial District, Boone, Gallatin, Owen, Grant and Carroll counties: I am a candidate for re-election to the office of Circuit Judge, subject to the action of the democratic voters at the primary election in August.

"In the past you have been most generous to me and I am profoundly grateful.

"I sincerely hope and believe that my record in office will justify your continued support."—Ward Yager.

Infantile Paralysis Cases Fewer Than Reported Last Year

Polio Cases Reported In Kentucky Show Only 11 Cases.

Infantile Paralysis cases in Kentucky this year are considerably fewer than the number reported at this time last year—it was revealed this week by Howard C. Orr, executive director of the Kentucky Chapter, National Foundation for Infantile Paralysis.

The 11 polio cases reported in Kentucky to date show an encouraging decrease when compared with 21 cases reported in 1950 at the same date. Orr pointed out, however, that in view of previous years' case loads the comparatively low polio incidence figure thus far in 1951 should not be construed as an absolute indication of a trend toward a light polio year. He added that medical and other scientific research has revealed that an almost common characteristic of polio is its trait of sometimes striking with little or no warning, and that for this reason people should remain calm but alert to the danger of the dreaded disease.

Orr illustrated his word of caution by citing the low polio incidence figure of early 1949 just before the second-world polio epidemic in Kentucky's history was to strike that year. "I point this out," Orr said, "certainly not to cause alarm but purely in the hope that more of our people will heed and apply the known polio precautions provided by the medical and research divisions of the National Foundation for Infantile Paralysis." These polio precautions are—avoid new groups, don't get over-tired, don't get chilled, and keep clean. It may or may not be polio—watch for these symptoms: Sore throat, stiff neck, sore muscles, feverishness, upset stomach, headache and swelling difficulty. If ever there is any question, call your doctor. He will know what to do.

Miss Stella Lohline

Requiem High Mass for Miss Stella Lohline, 60, of Banklick St., Florence was sung at 9:00 a. m. Saturday at St. Paul Church, Florence. Prayers were said at the St. Paul funeral home, Florence, at 8:30 a. m. Burial was in Florence Cemetery.

Miss Lohline is survived by several cousins.

Kentucky Brown Swiss Breeders Will Meet Friday, May 14

Remarkable Increase In Popularity Reported In State.

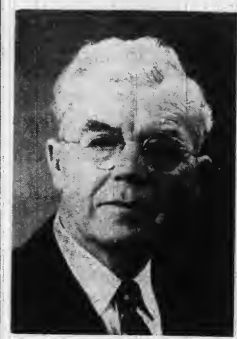

The Kentucky Brown Swiss Breeders' Association will hold a meeting at the Dry Ridge Hotel in Dry Ridge, Grant County, at 2:00 p. m. first time, Friday, May 4th. Fred Gaunt, field man from the National Brown Swiss Association will be present with a group of Kentucky breeders, and Glenn Williamson of the faculty of the University of Kentucky.

During the last several years, Brown Swiss have shown a remarkable increase in popularity in Kentucky. As a result of this intensified interest, five Brown Swiss bulls have been added to the Kentucky Bull Study, and shipment of semen was begun on December 12. In the three months following that date, 657 cows were bred with a successful rate of breeding of sixty-nine percent on the first service. These five bulls carry the blood of the leading Brown Swiss families of the country. A sixth bull, a son of the Keeper of Lee's Hill will be added in May.

Henry Brinker of Cynthia, president of the Kentucky Swiss Association, Jess Carter of Paris, and Brice Brown of Dry Ridge, directors in the Kentucky Association will accompany Mr. Gaunt and Mr. Williamson. This group will devote a portion of the day of May 4th to visiting breeders and owners of outstanding Brown Swiss cattle in Grant and the surrounding counties, in preparation for Brown Swiss cattle show and Field Day to be held sometime during the third week in July. Plans will be completed at the 2:00 meeting on May 4th.

Brice Brown of Dry Ridge is in charge of arrangements for the meeting. All those interested in Brown Swiss are urged to attend.

Shelby F. Boggess, Sr.

Shelby F. Boggess, Sr., 51, operator of Siringtown Shop, Greyhound bus station and restaurant, at Florence for 3 1/2 years, died Wednesday of last week at Booth Hospital, after a long illness.

Mr. Boggess, a former carpenter and construction superintendent, lived in Latonia for many years prior to moving to Florence.

He was a member of Latonia Baptist Church and Good Faith Lodge No. 95 F. & A. M., Erlanger.

He is survived by his widow, Mrs. Mayme Fletcher Boggess; two sons, Paul F. Lima, Ohio; Shelby F. Jr., Florence; two brothers, Cecil R. Falmouth, and Fred W., Hamilton, Ohio, and two grandsons.

Full Masonic services were held at 2 p. m. Friday at the Florence Baptist Church by members of Good Faith Lodge No. 95 F. & A. M., Erlanger. Burial was in Riverside Cemetery, Falmouth, Ky.

Ralph Smith, Florence funeral director was in charge of arrangements.

Hal Snyder

Funeral services were held at 11 a. m. Friday from the Stith funeral home, Florence, for Hal Snyder, 82-year-old retired Florence service station operator, who died at his home near Florences Tuesday night of last week. Burial was in Florence Cemetery.

He was a native of Boone County, and had spent most of his life here. Mr. Snyder was a member of the Florence Baptist Church and had been employed by the Cincinnati Waterworks Department before he operated the filling station.

He is survived by a son, Elmer Snyder, Detroit, Mich.; a grandson and two nephews.

Mrs. Lou Ora Stephenson

Funeral services for Mrs. Lou Ora Stephenson, 68, who passed away Friday at her home on Green Road, Kenton County, were held at 2:00 p. m. Monday at the Chambers and Grubbs funeral home, Walton, with Rev. R. F. Demolesey officiating. Burial was in Independence Cemetery.

Mrs. Stephenson died after a long illness, two weeks' following the death of her husband. She is survived by a son, Thomas Lee, Kenton County; a sister, Mrs. Ann Lee Elliott, Gardnersville, Ky.; a half-brother, Thomas Benson, Hamilton, Ohio.

John A. Tupman

Funeral services were held at 9:45 a. m. Saturday in Covington, for John A. Tupman, who was found dead in bed at his home, 618 Dixie Highway, Erlanger, Thursday. Burial was in Highland Cemetery.

Mrs. Tressa Riffe, Kenton county coroner, reported death was caused by a heart attack. Mr. Tupman is survived by two sons, Robert E. and Harold E., both of Cincinnati; a daughter, Mrs. Elsie M. Farrell, with whom he made his home; a brother, Casper, Covington; one sister, Mrs. Joseph Tesge, Hamilton, O.; three grandchildren and three great-grandchildren.

A wedding shower was given last Saturday night at the home of Mr. and Mrs. Sam Ryle in honor of their son Jimmy, who was recently married to Miss Patricia Day.

Petersburg Cemetery Makes Appeal To Lot Owners, Others

Funds Reduced Through Increased Expenses and Decreased Income.

Directors of the Petersburg Cemetery are making an appeal to lot owners and others interested in the Petersburg Cemetery, located at Petersburg, Ky. This appeal is being made due to the reduction of income and increased expenses.

Some twenty-three or twenty-four years ago, through the efforts of local citizens and others interested, an endowment fund was created for the care and upkeep of Petersburg Cemetery.

Three separate trust funds were established; one with the Atlas National Bank, Cincinnati, Ohio, one with the American Trust and Banking Company, Chattanooga, Tenn., and one with the Peoples Deposit Bank, Burlington, Ky., with each of the banks acting as trustee for the fund held in its trust.

The fund held by the Atlas National Bank was given by the late John Urr Lloyd and consisted of \$5,000.00. Later this was reduced to \$4,200.00 by liability for estate taxes on the estate of John Urr Lloyd. In the trust agreement with the Atlas National Bank, it is agreed that the income from this trust is to be used for a specified part of the cemetery.

The fund held by the American Trust and Banking Company was given by E. V. Chapin and consists of \$1,000.00. The income from this trust is likewise to be used for a part of cemetery specified in the trust agreement.

The fund held by the Peoples Deposit Bank is composed of all other and smaller gifts (the largest of which was \$500.00, given by the late Mrs. Martha Collins) and is at the present time in the amount of \$8,000.00.

At the time these trust funds were established, nearly all were invested to yield 6% or better. At the present time most of the funds are yielding 2 1/2%. Thus, the income available for the care of the cemetery has been reduced by more than 50%, while the expenses of caring for the cemetery have increased much more than 50%.

This reduction of income and increase of expenses through the years has reduced the funds available for the care of the cemetery to a point where the Board of Trustees must make an appeal to lot owners and others interested (especially to those who are able and have not donated any sum to either the trust fund or upkeep fund), for donations so that the cemetery may be kept as it has in the past years. It is only because a surplus of funds accumulated during the first few years that the trustees have been able to carry on this long. If funds are not made available for the care of the entire cemetery, the trustees will be forced to use the funds received from the various trusts, in the manner agreed in the trust agreements, and some other parts of the cemetery will be left without care. The board does not want to see this happen.

No lot can be considered endowed unless the owner has given an amount of money, the income from which makes sufficient funds available for the care of this lot.

The need is urgent now for donations to the upkeep fund and also gifts to the endowment funds so that the income may be increased in the future.

The Board of Trustees will gladly discuss more fully the need for funds with anyone interested and will be pleased to receive donations. Directors of the Cemetery are E. E. Helms, chairman, R. R. Witham, L. S. Chambers, Howard Huey and Walter Gaines.

Petersburg P.-T. A. Will Present "Darktown Follies"

As an added attraction between acts, a special dance number will be presented by Miss Doris June Souther, of Florence, Ky.

Masonic Lodges Plan Meetings This Week

Burlington Lodge No. 264 F. & A. M. will meet Thursday night, April 26 at their hall for the regular business session and examination of a candidate in F. C. degree. The lodge will open at 7:30 p. m.

On Friday night, April 27 the lodge will hold a special meeting at the courthouse for the purpose of conferring the Master Mason degree on three candidates, Robert Williamson, Herman McClure and Arthur Harris. All Master Masons of other lodges are cordially invited to attend. Refreshments will be served following the meeting.

Saturday night, April 28, Hebron Lodge No. 757 will hold its 47th anniversary meeting and program with the Master Mason Degree being conferred on one candidate. Following degree work, a program will be rendered by Past Masters of the Lodge, followed by a fish fry. All members of other lodges are cordially invited to attend.

Mr. and Mrs. G. W. Tanner, of Madisonville, Ohio, spent last Sunday with Mrs. Lavina Kirkpatrick and family.

R. S. Hensley Announces For Circuit Court Clerk

Has Been Resident of County For More Than Forty Years.

R. S. (Schuyler) Hensley, Florence, makes his formal announcement to the voters of Boone County in this issue of The Recorder, as a candidate for the office of Circuit Court Clerk.

Mr. Hensley has been a resident of Boone County for more than forty years, and operated a general store at Grant, Ky. for more than 23 years. He has served as director of the Citizens Deposit Bank for twenty years and has always taken a very active part in the politics of Boone County. He is a member of the Florence Baptist Church, and has always been an outstanding baseball fan, having managed several of the fine Bellevue baseball teams.

In making his formal announcement, Mr. Hensley states that he will try to see as many voters as possible before the primary, and will, if elected, fill the office of Circuit Court Clerk to the best of his ability. Any support in his behalf will be greatly appreciated.

Burlington Eagles Will Be Honored At Banquet Thurs.

Four Trophies Will Be Presented; Pictures To Be Shown.

Moving pictures of the 1951 Sun Bowl football game between the University of Cincinnati Bearcats and the West Texas State Longhorns will be one of the feature attractions of the Burlington High School Athletic banquet to be held Thursday night (today) at the school. The movies will also include a picture of a Mexican bull fight and the Sun Bowl parade.

Gene Gibson and Chas. Shearer, two of Cincinnati's star performers on the Bearcat Mid-American Conference championship team will speak at the banquet and show the movies, it was announced by the Burlington P.-T. A. who is sponsoring the banquet.

Other highlights of the annual banquet will be the presentation of trophies won by the Eagles during the past year. These trophies are for championships in the Northern Kentucky Six-Man Football Conference, the Boone County Basketball Conference, Boone County Schools News blind basketball tournament and runners-up in the reserve team basketball tournament. Edwin H. Walton, principal, will serve as toastmaster of the affair honoring more than twenty-five boys and seven cheerleaders. The entire public is invited to view the movies which will be shown at 8:15 p. m. The banquet dinner will be served at 7:30 p. m.

Elmo E. Aylor, wife and daughter of Galesburg, Ill., were visiting their parents here over the weekend. Mr. Aylor, formerly of Chicago, and an employee of Admiral Corporation, was transferred to Galesburg, Ill., last year. He is now Chief Draftsman of Admiral Appliance.

County Schools Participating In Spring Music Festival

Three Hundred Students Teachers Taking Part In Planning Program.

Approximately 300 students and teachers are completing plans for the Music Festival to be held Friday evening, April 27. This is the first time that a musical program has been planned with all school participating on such a large basis. Beginning at 8:00 p. m. at the Burlington school, it is hoped that the attendance will justify the preparation.

In arranging the program, particular attention has been given to arranging the numbers in groups in order that there might be a logical connection within the groups. Also, much of the music this year has been prepared for presentation by groups, rather than solos, duets, or other small ensembles. In many cases, choices had to be made rather than including all the music, as there was a danger of the program being too lengthy.

The musical folk songs will be of particular interest to all, and are to be presented by the pupils of Hamilton school, under the direction of Dave Caudill, principal. Those who have seen this believe that it will be one of the highlights of the program.

A group of cowboy songs done in a natural setting has been planned. Showing all moods of the cowboys, the songs used are authentic western songs, rather than being the kind written by "drug store" cowboy which is nearly all that may be heard over the radio today. The audience will have an opportunity to help in singing an old favorite in this group.

While the principal aim is to show what has been begun musically in the elementary schools of our county, the high school choruses will also sing, and will join together in the climax of the program.

As this program is sponsored by the Boone County School Board, there will be no admission charge.

Amateur Contest Will Be Held At New Haven Saturday, April 28th

An amateur contest will be held at New Haven school, Saturday night, April 28th at 8:00.

For an evening of entertainment don't miss this big show. Admission will 50c and 25c.

For further information call Florence 479, 2899 or Walton 188.

Sunday School Baseball League Will Meet April 26

A meeting of the Sunday School Baseball League will be held at the courthouse in Burlington on Thursday night, April 26, at 8:00, it was announced this week.

All churches interested in entering a team in the league this season are requested to have a representative at this meeting.

Homemakers Will Hear Noted Church Woman May 1st

At District Meeting To Be Held In Bracken County.

Mrs. James D. Wyher, Columbia, Mo., president of the United Church Women of America, will speak at the district meeting of Northern Kentucky Homemakers to be held in Bracken County High School at Brooksville, on May 1st. She is returning to Kentucky at the request of the Federation, after appearing on the Farm and Home Week program in Lexington a year ago. Her subject will be "Good Growing Ground."

Mrs. Wade Holt, Bloomfield, state president will discuss "A Pattern to Use." Miss Weldon, Lexington, state leaders of home demonstration agents and work will show colored slides on "Land of the Midnight Sun."

Chairman of Federation committee will tell of some of their achievements and goals, and there will be special music and entertainment.

Westinghouse
FROST-FREE

See the new Westinghouse FROST-FREE—the only refrigerator that COUNTS! It counts door openings, because door openings let in warm air which causes frost to form. At every 60th door opening, which is just when frost begins to build up, FROST-FREE automatically defrosts itself, and automatically evaporates the frost water!

Westinghouse FROST-FREE is the only home-proved automatic refrigerator. See it and other Westinghouse Refrigerators today. You'll find prices surprisingly low!

PRESIDENT LINCOLN SAID--

"If I were to try to read, much less to answer, all the attacks made on me, this shop might as well be closed for any other business. I do the very best I know how—the very best I can! and I mean to keep on doing so until the end. If the end brings me out all right, then what is said against me won't matter. If the end brings me out wrong, then 10 angels swearing I was right would make no difference."

This could well apply to anyone trying to make a success of his business undertaking. This bank is trying to render a first class banking service to Boone County. We solicit suggestions for improvement of this service.

Florence

Mrs. Ella Weaver, of Lloyd Ave., was hostess with a six o'clock dinner Saturday evening of last week, including as guests, Mr. and Mrs. Emerson Smith, Mr. and Mrs. Robt. Smith and son and Mrs. Eva Deahunt.

T. C. Crume, D. D., was luncheon guest recently in the home of Mr. and Mrs. R. E. Tanner.

Guests of the G. B. Millers during the past week were Mrs. Frank Hogan, of Covington, Mrs. Helen Dolwell, Blayne Miller and Barbee Simpson.

Mr. and Mrs. Wilbur Drake and sister Viola motored to Cleveland, to visit Chas. Pay, who remains ill at his home.

Services for Hal Snyder, 82, were conducted Friday at 11:00 a. m. from the Stith funeral home, Florence.

Mr. Snyder, a native of Boone County was a retired service station operator. His pastor Rev.

Howard Gordon of the Baptist Church was the officiating minister. The deceased leaves a son Elmer Snyder of Detroit, Mich., a grandson and two nephews. Burial was in Florence Cemetery. Sympathy is extended the family.

Shelby F. Boggess, Sr., 51, made his demise at Booth Hospital Wednesday, following a long illness. Rites were from the Florence Baptist Church Friday at 2:00 p. m.

Mr. Boggess operated the Stringtown Stop, Greyhound bus stop and restaurant at Florence. A member of the Latonia Baptist Church services were conducted by his pastor, Rev. Shelton, assisted by Rev. Gordon. Services were held also by Good Faith Lodge, of Erlanger.

Burial was in Riverside Cemetery, Falmouth, Ky. Sympathy is extended the family. The Stith funeral home was in charge.

We are glad to report Price Conner as being able to be up and around and recently enjoyed a day in the home of his daughter, Mrs. Helen Easybuck, of Erlanger.

The meeting of the W. S. C. S. of the local Methodist Church scheduled for May 2 is postponed to May 9 due to the State Conference which convenes in Lexington.

Recent guests in the home of Mr. and Mrs. Price Conner were Mr. and Mrs. Wis Stone, Cincinnati, Mr. and Mrs. Geo. Burgess and Mrs. Ollie Ireland, Cynthia and Mr. and Mrs. James Butler, Union.

Winfield Myers, of Indiana was summoned here by the death of his uncle Hal Snyder.

Alan Utz, Jr., a student of U. of K. came home for the week-end and with his sister, visited Mr. and Mrs. Geo. Wolsing, Friday evening.

Mr. and Mrs. John W. Dolwick, Jr., were host and hostess with a surprise party Sunday afternoon, April 22, honoring their daughter Dotty on the occasion of her birthday. Refreshments consisted of ice cream and the traditional birthday cake holding 13 candles. Dotty was the recipient of a number of gifts.

**A NEW
DISC HARROW
you'll want to see
ALLIS-CHALMERS 11-B**

This disc harrow is built to do a thorough job of chopping and pulverizing, whether field is level or uneven. Flexible connections permit each of the four gangs to work at proper depth at all times.

Hydraulic or mechanical angling control. Two styles—combination cutaway blade or regular smooth blade. Three sizes—5½ ft., 7 ft., or 8 ft.

LOOK HOW THIS DISC TURNS

Discs the ends without gouging

On the straightaway—Note crisscross connectors. Hydraulic lever or trip rope angles gangs to desired working position. As you turn—Each gang follows the tractor at just the right position to disc out ends, does a level slicing job, and takes considerably less power.

The Seventh District Conference of the Christian Women's Fellowship was held in Covington at the First Christian Church on Monday, April 16. A splendid program for the Missionary work was provided, with a delightful luncheon. The Christian Women's Fellowship is an organization which includes every woman's group in the Christian Church. Dr. C. Y. Yocum, Chinese Missionary to China and the Far East were the guest speakers. Those from Florence who attended were Mesdames Harold Conner, C. F. Blankenbaker, John Schram,

Stella McCutcheon, Harvey Baker and Virginia Goodridge.

Mr. and Mrs. Edgar Utzinger and daughters, Mrs. Laura Utzinger, of Cincinnati, Mrs. J. O. Richards and Mrs. Martha Richards and son Jerry, of Covington motored to Rising Sun, Ind., Sunday afternoon to visit Mr. and Mrs. John Hastings and son and to join in the celebration of John Utzinger's 83rd birthday.

Theo. Carpenter and son John were dinner guests Sunday of Eldridge Carpenter and wife. Mr. and Mrs. Emerson Smith, of near Union entertained at luncheon Sunday of last week, the guests being Mr. and Mrs. R. E. Tanner. Afternoon callers were Mr. and Mrs. Robt. Smith and son.

We are glad to report Mrs. Emma Acra improving from a siege of illness.

Mr. and Mrs. John Pierce, of Hebron are being congratulated over their infant son, born April 17 at St. Elizabeth Hospital. The Pierces were former residents of Florence.

Mrs. Clara Hensley, of Burlington Road has been caring for her

daughter, Mrs. Esy Ligon, who has been quite ill.

Homemakers don't forget the meeting of the choral group at the Florence Community Center Friday at 1:30 p. m. Come on, let's sing! Mrs. John Dolwick, Jr., is director of the group.

Sympathy is extended relatives of Miss Stella Lohline 60 for whom rites were held from St. Paul Church, Saturday. Burial was in Florence Cemetery. The Stith funeral home was in charge.

Four-H Spring Rally Plans Completed; Date Set May 12th

Contests For Girls And Boys Will Cover Many Phases Of Work

The Annual 4-H Spring Rally will be held at the Burlington High School Saturday, May 12, according to the extension office. The meeting will begin at 10:00 a. m. with registration and contests for boys and girls.

Girls' contests will include demonstrations, clothing and canning judging, and the style revue. The boys' contests will be held in demonstrations, dairy judging and seed identification.

A basket lunch will be served at noon and all club members are asked to bring sandwiches and cookies and all leaders should bring sweetened fruit juice.

All club members, leaders, parents and friends are invited to attend the rally.

Seven Boone Counties Will Be Inducted May 14

Seven Boone County youths will be inducted into the U. S. armed forces Monday, May 14th, according to C. G. Kelly, Clerk of Boone County Draft Board 108. The inductees will report to the Cincinnati Induction Center.

Due to the decrease in induction calls for April and May and the small induction call in June there will be no preinduction call for May, Mr. Kelly reported.

Burlington Lady Celebrates 92nd Birthday, Monday

Mrs. Lavinia Kirkpatrick, of Burlington celebrated her 92nd birthday Monday at her home. Although she is nearly a century mark, she apparently is enjoying very good health.

She was selected by the "Chapel of Dreams" television program as the shut-in of the week, and she can be seen on the television screen each morning through Friday of this week over station WKRC-TV at 9:45.

The Recorder joins Mrs. Kirkpatrick's many friends in wishing her many more happy birthdays.

Saturday Afternoon Baseball League To Meet

The Saturday Afternoon League of Boone County will hold a meeting Friday night, May 4, at 8:00 p. m. at Bob and Gene's for the purpose of preparing a schedule for the coming games. The season opens Saturday, May 12th.

Any team desiring to enter the league should be represented at this meeting.

Shutout Scored By Bob & Gene Nine In Season Opener

Mignerey and Ryan Divide Mound Duties For Winners.

Bob and Gene, 1950 KAG baseball champions, trounced the Ghent nine in the season opener by a score of 9-0 at the Florence park.

Ray Mignerey, star hurler for Bob and Gene, started on the mound, and held the losers hitless until the sixth inning. He pitched eight innings and fanned six, while walking one. Ryan finished the game, walking one and fanning one. Hank Rizzo started for Ghent and pitched five innings, giving up four runs on two hits and striking out four and walking two. Grey pitched the sixth and seventh and allowed two hits, fanned two and walked two. Tom Rizzo finished and walked four.

Bob and Gene collected four hits while the losers had three. Whitey Brown of the winners cracked out a home run with two runners on base in the fourth inning.

In other league games, Newport Steelers defeated the Hoosiers 11-3; Grants Lick trounced the Palazzola nine 7-1 and Highway Merchants took a 9-6 decision over the Aetna Oil team.

Sunday School Will Meet At Sand Run May 7th

Boone County Baptist Sunday Schools will meet Monday night, May 7th at Sand Run Baptist Church 7:45 p. m. for the monthly session.

A very fine program has been arranged with Rev. William Burkett, pastor of Glencoe Baptist Church as guest speaker. He is a former pastor of the Bellevue Baptist Church. Bro. Bruce Campbell of the Bullittsburg Baptist Church will conduct the song service and arrange for special music.

Each Sunday School is urged to bring their efficiency cards that a full report on the work may be had. Two awards will be made one for the best work done during the past month and the other for the largest number present.

It is hoped that each church will be well represented as a goal has been set for a total of 200 in attendance.

Fined \$104.50 Saturday

John Lowry, was fined \$104.50 and his drivers license revoked for a period of six months, when arraigned in Judge C. L. Cropper's Court Saturday on a charge of operating a motor vehicle while intoxicated.

Wilbur T. Stein Speaker At Red Cross Meeting

Cites Importance of Red Cross Work During Time of War.

Wilbur T. Stein, newly named General Field Representative of the Red Cross for the local area, was chief speaker at the spring meeting of board members of the Boone County Chapter, American Red Cross at the home of Mrs. Elizabeth G. Nestor, Florence, Friday evening, April 20. Mr. Stein is a veteran of World War II. He stated that his life was saved on one occasion during the war by Red Cross "blood". Mr. Stein was also with the American Red Cross force which dropped atom bombs on Nagasaki and Hiroshima and he related to the board members and others present the vastness of the damaged area and the completeness of the wreckage in the two Japanese cities.

The new field representative has headquarters in Lexington but he will be at the call of Boone County Chapter whenever needed.

The chapter voted unanimously to sponsor a blood program for military and defense purposes.

Fund Report Made

Mrs. Jack Caldwell, chairman of the fund drive, gave a final report which showed that Boone County had reached its goal. She also extended her thanks to all who took part in the drive.

Mrs. Sara Sayre, R. N., chairman of the Nursing Activities Committee reported that both she and Mrs. Caldwell, R. N., are taking a special course at St. Elizabeth Hospital in Covington in order to qualify as certified instructors in teaching Red Cross Home Nursing in the county. The classes are open to all citizens, groups and organizations in the county.

Fourteen employees of U. S. Dam 38, McVie, Ky., recently completed a first aid course sponsored under the direction of the Boone County Red Cross.

String Ensemble From Georgetown College To Be At Big Bane Sun.

The String ensemble of Georgetown College will bring a special message in music at Big Bone Baptist Church for both morning and evening services, Sunday, May 6th. It was reported this week by the pastor, Rev. Wainwright.

A revival, now in progress at the church is being well attended with Rev. Royce bringing forthful messages each evening. The public is urged to hear this man.

Rev. Wainwright announced that a goal of 190 has been set for Sunday School attendance Sunday, and urges every member to attend and issues a special invitation to visitors throughout the section.

New Haven Boosters Will Sponsor Fishing Derby

The New Haven Booster Club will sponsor a Fishing Derby at Eichholz Lake, near New Haven School on Saturday, May 12 and Sunday, May 13th. The funds from the derby will be used for the benefit of the Knottville baseball team.

Admission is 50c per day. Lunch and soft drinks will be served on the grounds.

Booth Drive Opened With Kick-Off Dinner In Covington Mon.

Goal Is Set At \$49,700; Jim Bob Allen and J. K. Cropper, Co. Chairmen

A kick-off dinner held at the Covington Masonic Temple, Monday night opened Booth Hospital's annual maintenance drive, which has set a goal of \$49,700.

R. C. McNay, Brainerd, Campaign Chairman, presided at the dinner, and opened the program by introducing the key chairmen. Howard Chamberlain, WLW newscaster, the principal speaker, emphasized the tremendous force for good of America's vast hospital program "which cures a suffering humanity" in contrast to Russian's output for ammunition "to bruise and to kill and to leave in its wake the dying and dead."

Several hundred campaign workers and leaders were present for the dinner. They were welcomed by Senior Maj. Alvina Wood, Superintendent of the hospital. She pointed out the three primary reasons it is necessary to solicit donations for the hospital.

"First, Booth Hospital is a community hospital and as such must admit all who come to our doors for treatment," she explained. "Very often these patients can pay only part of their bills and some patients can pay nothing."

"Second, Booth Hospital is not supported by tax funds but receives small lump sum grants from the county which we serve. These payments do not begin to cover the cost of care."

"And third, salaries and supplies cost far more than they did even a year ago. The introduction of the new wonder drugs of which many of you have read, also has increased the cost of hospital care."

Jim Bob Allen and J. K. Cropper, Boone County co-chairmen, announced the drive opened Tuesday night at this section. Mr. Allen and Mr. Cropper urged all to lead the drive in Boone County by R. C. McNay, Campaign Chairman.

Special "Men Only" Group In Crochet Contest At Boone 4-H and Utopia Fair

The Nationwide Crochet Contest conducted annually through participating local, county and state fairs is open to all crocheters and all crocheters have an equal chance to win ribbons, cups and cash awards. To celebrate the 10th anniversary of this event, an Elgin watch will be presented to all national first prize winners in addition to the cash awards. Most contestants will enter one or more of the twelve regular classifications of the contest (bedspreads, tablecloths, dollies, chair sets, fashion accessories, etc.) but to insure a fair judging for everyone, four special categories have been added. These four extra categories are for Men Only, Teen-Age Girls, 4-H Club Girls and Ladies Over 65. Any crocheter who is eligible to enter one of the special classifications has a greater opportunity to win a prize in that classification than in any of the twelve main divisions.

Many men do beautiful crochet work. All men who have finished any article worked in merized crochets this year, regardless of when it was started, are urged to enter the Men Only Classification. Any number of pieces may be submitted. The same holds true for the Ladies Over 65 group, open to any woman who has reached the age of 65. Provided the pieces are crocheted or merized since January 1, 1951, they are eligible.

Merchants Granted Extension In Filing OPS Pricing Charts

Retail merchants and others who had been asked to file pricing charts under Ceiling Price Regulation 7 and Amendment 2 of the OPS regulations have been granted extension until May 30 to complete the filing. Ben Stoner, Cincinnati district OPS director was notified by Michael V. DiSalle, OPS director in Washington.

The extension to May 30 countermands the previous April 30 deadline, although those required to file pricing charts are urged by Stoner to get their charts in so that they can start pricing under the chart rather than under General Ceiling Price Regulation.

Family Night Planned At Bellevue Church

The regular "Family Night" will be held at the Bellevue Baptist Church Saturday evening, May 5. Supper will be served at 6:30. Following supper there will be the regular group meetings of the Brotherhood, W. M. N. Y. W. A., G. A. and Sunbeams.

The Dixie Land quartet, known to many because of their radio and television program, will be present to sing during the fellowship hour beginning at 8:00 p. m.

All members and friends of the church are invited to attend this program.

Florence Couple Given Surprise Party On 92nd Wedding Anniversary

Members of the family of Mr. and Mrs. John T. Stephenson surprised them on the evening of April 28th to join in the celebration of the 64th anniversary of their marriage.

Mr. and Mrs. Stephenson have a wide acquaintance throughout the county and like many other couples have had adventures, but in the face of it all can smile and seem to enjoy life.

Refreshments of ice cream and cake were served to the following guests: Mr. and Mrs. Dave Wingate and Jo Ann, Mr. and Mrs. Sidney Ambrose, Mr. and Mrs. Clayton Brown and E. Wayne, Mr. and Mrs. Donald Brown and Gregory, Forest Brown and Mrs. E. G. Stephenson.

We join in wishing Mr. and Mrs. Stephenson many more anniversaries.

L. E. Aylor, of Florence was a pleasant caller at the Recorder office Tuesday morning. Mr. Aylor is a member of the Equalization Board now in session.

Consolidated Telephone Company Ordered To Make Numerous Line And Service Changes In Boone Equipment

Increase of \$4,000 Is Granted Company; Improvements Must Begin Immediately, With Progress Reports To Be Made to PSC.

The Kentucky Public Service Commission last week handed down a decision in the rate controversy between the Consolidated Telephone Company and its subscribers.

This decision denied the rate increases sought in Boone County except for an increase of \$4,000.00 a year. The Company had sought an annual increase in Boone County approximately \$17,000.00. The Commission also directed the Company to make major improvements in its Boone County plant, especially its Burlington and Walton exchange.

The Public Service Commission listed six separate things the company must do. The commission mandate was contained in a ruling which granted the firm a \$4,000 rate increase in Boone County—\$13,000 less than requested.

The order handed down by the Commission follows:

(1) The firm must convert the exchange at Burlington from old-fashioned magneto to more modern common battery operation, including a common battery switchboard and the necessary station equipment.

(2) It must convert the exchange at Walton from magneto to common battery, replacing the present switchboard.

(3) It must replace present defective wiring in Walton.

(4) It must rebuild the pole line from Burlington to Florence "in accordance with good construction practices."

(5) The company should provide service to all applicants within its exchange boundaries who can be economically served.

(6) A great deal of routine maintenance of outside plant is required, including replacing of damaged or missing insulators, insulator pins and cross-arms, resagging of conductors and repair of old-type high resistance splices with adequate compression splices.

Monthly reports beginning June 1 must be made by the company, showing what has been done. These reports must continue until the rehabilitation and improvements have been completed.

The commission reported that service being rendered in the county was found to be inadequate, due to the five points listed above and because of the following two:

(1) Tree-trimming under open-wire circuits has been neglected to such an extent that trees, vines and other brush have grown into and around these open-wire circuits, and during certain seasons of the year seriously affect the transmission qualities.

(2) It must convert the exchanges listed above, as they are damaged and have deteriorated to such an extent as to require the immediate replacement. The conductors in certain open-wire circuits have deteriorated to the point that the transmission qualities of the circuits are affected and relatively high maintenance results.

The telephone company applied for a rate increase of \$17,000 in Boone County and \$8,000 in Estill County last August 7th. The commission allowed it to post bond and put the increases in effect pending extensive hearings at which Boone County and the cities of Walton and Florence all protested vigorously that the proposed rates were unjust, and that the company was not rendering satisfactory service.

The commission approved the proposed \$8,000 rate increase Friday for Estill County, but said the firm was entitled to an increase of only \$4,000 in Boone County. The company was ordered to refund to its estimated 2000 customers in Boone County the excess rates which have been collected since September 1.

The rate increases which went into effect last September 1, were opposed by Boone County, The City of Florence, the City of Walton and over 500 subscribers headed by a committee consisting of Frank Milburn, C. L. Cropper, A. B. Renaker, Wilfred J. Scott, C. Liston Hemphill, Powers Conrad, Walter A. King and J. C. Acra. Four hundred seventy-two subscribers contributed \$1,203.00 to be used by the committee to resist the rate increase. All subscribers will receive the benefit of the denial of the rate increases and will receive refunds of considerably more than the total contributions.

The protesters employed Vest & Vest, attorneys of Walton, Kentucky to resist the rate increases, and the committee feels that the Commission's order is a great victory for the subscribers, especially since the company is directed to make many improvements in its plant and equipment which should, if carried out, result in better service to the subscribers.

Seventy-Five Attend Banquet Held At Burlington School

Football and Basketball Letters Awarded and '51-52 Captains Named.

Highlights of the 1950 University of Cincinnati Bearcats football season were shown in films at the Burlington High School athletic banquet held at the school Thursday evening, April 26. The banquet dinner was served to approximately seventy-five students and fans by the local Parent-Teachers Association.

Letters Awarded

Football letters were awarded to eleven members of the Eagles' 1950 Northern Kentucky Conference champs. Those receiving letters were co-captains Jim Ryle and Bob Walton, Gayle Rouse, Sonny Combs, Ray Holbrook, Ray Deck, Ross Fair, Perry Lusbenberg, Gerry Ryle, Kay Kelly and Ronnie Jones. Basketball letters were awarded to co-captains Albert Rouse and Jim Ryle, Bob Pelfrey, Gayle Rouse, Harold McFarland and Gerry Ryle.

Captains named for next year's teams were Gayle Rouse and Ray Combs, football, and Harold McFarland and Gayle Rouse, basketball.

Short talks were made by Gene Gibson, University of Cincinnati staff defensive back, Mr. Edwin Walton, school principal and coaches George Maines and Ralph Maurer.

**NO DEFROSTING...
Anywhere! Any Time!**

See the new Westinghouse FROST-FREE—the only refrigerator that COUNTS! It counts door openings, because door openings let in warm air which causes frost to form. At every 60th door opening, which is just when frost begins to build up, FROST-FREE automatically defrosts itself, and automatically evaporates the frost water!

Westinghouse FROST-FREE is the only home-proved automatic refrigerator. See it and other Westinghouse Refrigerators today. You'll find prices surprisingly low!

Bellevue

The many friends of Pvt. David Clore of the U. S. Army will be glad to know he is recovering nicely from a recent operation in a hospital in Tacoma, Wash.

Congratulations to Mr. and Mrs. Lafe Miller, Jr., who are the parents of a little daughter since last Sunday.

Mrs. Franklin Clore is able to be out again after being quite ill for several days last week.

Mrs. George Walton visited her mother, Mrs. Willie Huey Wednesday.

Glad to report Jack Rogers is improving after a serious operation in Christ Hospital.

Russell Rogers boarded a Delta Airlines plane Thursday morning at the Boone County Airport for a trip to California. He was met in Los Angeles by his brother-in-law, Jack Welschle, who took him to his home in Santa Barbara. Russell expects to see quite a lot of the West before returning home.

Mrs. Ida Mae Cason accompanied Mr. and Mrs. Frank Rouse on a fishing trip to Dale Hollow last week.

Mr. and Mrs. Willie Huey spent the week-end with relatives in Burlington.

Mr. and Mrs. W. B. Rogers, Jr., Mrs. Laura Clore and James Ransom and family went to Christ Hospital Sunday, to see Jack Rogers, who is a patient there.

Mr. and Mrs. Sherman Burcham called on friends in Petersburg Sunday afternoon.

Mr. and Mrs. Lillard Scott spent Sunday afternoon with Mr. and Mrs. Bud Burcham and family.

Mr. and Mrs. Cliff Dinser entertained a group of relatives Sunday. Miss Joy Stephens remained overnight with them.

Ladino clover acreage in Menifee county is expected to hit a new high this year, following 15 successful demonstrations in the county in 1950.

VOLUME 75

NUMBER 42

Boone County Man Accused By Parent Of Young Girl

Arraigned In Kenton County Court Wednesday Morning

Eugene Cuneo, 23 of near Hebron was arrested Sunday by Sheriff Wendell Easton for Kenton County authorities, on a charge of detaining a 13-year-old Kenton County girl. He was placed in Covington jail and bond set at \$10,000.

According to officials Cuneo was charged with two offenses, one of detaining a juvenile girl against her will, preferred in a warrant signed by the girl's mother and the other of contributing to juvenile delinquency, which Robert Alde-meyer, Kenton County Juvenile Officer, signed.

Cuneo, who denied the charges met the girl at 2 p. m. Saturday afternoon in a cafe, and she is said to have gone to his home. Cuneo said that the girl said she was afraid to go home and that he took her to stay with his sister.

The accused was arraigned in Kenton County Court Wednesday, but we are unable to give any information concerning the hearing, as we go to press Wednesday morning.

Monthly Meeting of Boone Sunday Schools Held Monday Night

The Boone County Baptist Sunday Schools met at the Sand Run Baptist Church Monday night for the monthly meeting. The meeting was opened with singing, led by Bruce Campbell, of Bullittsburg Baptist Church. The devotional was brought by Howard Wilson of the host church and two special numbers in music were rendered by members of the Walton Baptist Church.

During the business session it was decided to continue the meetings during the summer months with Petersburg as the host church for June, Burlington for July, which will be the associational meeting and the August fellowship meeting will be announced at the next regular session.

Daily Vacation Bible school work will be the center of interest at the next meeting. Walton Baptist Church will have a demonstration at the Petersburg session.

The efficiency bazaar was again awarded to the Walton Baptist Sunday School with 21 points and the attendance cup went to the Sand Run Sunday School with 61 present. Seven churches were represented with a total of 174 present.

The guest speaker of the evening was Rev. William Burkett, pastor of Glencoe Baptist Church, who was called last Sunday to the Walton Baptist Church. He brought a very fine message on "Take Your Family To Sunday School."

Several of the groups from various sections of the county were unable to attend this meeting.

Carl F. Rouse and Henry Smith, of Florence were business visitors in town Tuesday morning. While here Mr. Rouse called at The Recorder office, having his subscription moved up another year.

Second Victory Of Season Marked Up By Bob & Gene Nine

Hoosier Nine Held To Two Hits By Jim Bunning Of Winners.

Bob and Gene, 1950 baseball champions in the Kentucky Athletic Goods Semipro League chalked up their second straight victory by shutting out the Hoosier All-Stars 3-0 at the Florence park. Jim Bunning, Bob and Gene hurler held the losers to two hits, struck out nine and walked two. James, on the hill for the Hoosiers, allowed seven hits, fanned four and walked five.

Neal Conner led the attack for the winners, clouting out a single and a home run in the third with a runner on base. Sox Benson added two hits out of two times at bat. Other games in the league are as follows:

Grants Lick took a 1-0 decision over the Highway nine, while the Newport Steers defeated Palazola 10 to 8. The game scheduled between Ghent and Aetna Oils was rained out.

Bob and Gene will entertain Palazola nine Sunday at the Florence park at 2:30 p. m.

Cancer Drive Short In Burlington Precinct

The cancer drive in the Burlington precinct is far short of expectations, according to Mrs. Noel Walton and Mrs. Garnett Tolin, precinct chairman. A total of \$25.00 has been collected to date, it was announced.

This year there has been no house-to-house canvas made, and funds in the drive have been slow coming in. Approximately ninety percent of money collected remains in the county.

Burlington has always supported this drive in the past, and no doubt citizens will swell the fund when it is known that the drive is so far short.

Anyone wishing to make contributions are requested to get in touch with Mrs. Garnett Tolin or Mrs. Noel Walton immediately.

Much progress is being made in cancer research, and your contribution will greatly aid in the fight against the disease.

Edgar Arnett Honored By P-T. A. Groups, Recently

Saturday, May 26 Will Be Observed As Poppy Day In Co.

Every Citizen Will Be Asked To Wear Flower In Tribute To War Dead.

Saturday, May 26 has been set aside as Poppy Day throughout the U. S. and Mrs. Frances Souther, president of Boone County Unit No. 4, American Legion Auxiliary has announced it will be observed here.

On Poppy Day everyone will be asked to wear a Poppy in tribute to America's war dead and to the welfare of disabled war veterans. Poppies will be distributed on the streets throughout the day by volunteer workers from the American Legion Auxiliary.

With our country preparing to defend itself against new dangers, wearing the poppy this year will have increased significance, Mrs. Souther said.

The poppies which the American Legion Auxiliary will distribute here have been made by disabled veterans of both World Wars at veteran hospitals. The work is beneficial to them as well as giving them an opportunity to earn money for themselves and their families.

The more poppies worn on Poppy Day the more veterans we can give employment. By wearing a Poppy everyone is aiding the living victims of war, while they honor the war dead.

Volunteer workers will be in Florence, Burlington and Union on the above date. Everyone is urged to observe the day by wearing a poppy.

You aren't going to let Burlington down in the Cancer Drive, are you?

Boone Delegates Are Named To State Safety Conference

Ways of Reducing Highway Accidents Is Sought.

Frankfort, Ky.—Thirty-nine persons from Boone County have been appointed by Gov. Lawrence W. Wetherby as delegates to the Kentucky Highway Safety Conference at The University of Kentucky at Lexington, May 18.

Governor Wetherby called the conference to seek ways of reducing highway accidents throughout the state and called on all Kentuckians to support the meeting and to show an active interest in a vigorous safety program.

He pointed out that motor accidents killed 678 persons in Kentucky last year and that 1951 promises to be just as bloody if remedial steps are not taken. He said that highway safety conferences in other states have shown their worth in reduced accident tolls and that the same good can be done in Kentucky with the support of the people of the state.

"It is my firm conviction that the people of Kentucky want and intend to meet the emergency of increased traffic accidents and reduce this menace," the Governor said in the proclamation he issued in calling the conference. "It is my good fortune to convey that effective means for meeting it are at hand through a statewide safety conference in which all Kentuckians can participate."

The local delegation will join some 7,000 other delegates in Lexington. All city and county officials in the state have been invited along with officials of service clubs, veterans organizations, highway and motor clubs, school and church organizations and other groups.

Those appointed from here are: Florence—Rev. Robert H. Carter, Gilby Green, G. W. Groves, Mrs. J. Shouse, and R. L. Shears.

Verona—Mrs. Fred Hamilton and Mark Meadows.

Walton—Mrs. Elbert Cook, Randall L. Martin, Herman Simmons, J. Lester Huey, Mrs. Evan Hance, W. Durr, R. C. Durr, R. M. Hall, Louis T. Schwab, James Allen, John H. Wood, J. O. Ward, Charles G. Worthington.

ERROR IN HEADLINE PROVES RECORDER IS WIDELY READ

In our last issue we carried an article concerning the 64th anniversary of the marriage of Mr. and Mrs. J. T. Stephenson, of Florence, Ky. The headline read "Florence Couple Given Surprise On 92nd Wedding Anniversary." This, of course was an error. However, this error has proven that The Recorder is widely read, as we have had many telephone calls, and much comment from callers at our office during the past few days.

We regret the error, but are happy to learn that our paper is so closely read.

W. J. Newhall, III

Funeral services for Wilbert J. Newhall III, 60 St. Joseph Ln., Park Hills, former Boone County resident were held this week. He died unexpectedly Saturday night at his home. He was 58 years old.

Mr. Newhall was the son of the late William H. Newhall, former State Treasurer, of Covington, and the nephew of J. Lincoln Newhall, the only Republican ever to be elected to Congress for the Northern Kentucky district.

Damage Reported From High Wind At Local Airport

Three Telephone Poles Broken Off Near Florence In Thursday Gale

High winds reaching 75 miles an hour through Boone County late Thursday afternoon caused slight damage at the Greater Cincinnati Airport near Hebron, according to reports. A large window, 72 by 76 inches on the west side of the lower was broken and a window on the opposite side of the room was cracked.

Damage at the airport was estimated at \$600.

No planes were damaged and no arrivals came in during the short blow, it was reported.

Three telephone poles were snapped off west of Florence on U. S. 42 by the high winds. Several roofs were damaged when the high wind lifted shingles from residences and other buildings in various sections of the county.

The heavy wind was followed by a drop in the temperature throughout this section of the state.

Rabid Dogs Serious Menace To Children, Says Dr. L. L. Breck

Urges Vaccination of Every Dog To Control Outbreak of Rabies.

Doctor L. L. Breck, State Veterinarian has issued an urgent plea to all dog owners to have their animals vaccinated against rabies. He said that there is no "rabid season" but that the chances for contact are much greater in warm weather.

"There are a number of quarantined counties due to the prevalence of rabies in Kentucky," Dr. Breck stated. "There is no reason for you older folks to expose helping children to the rabid dogs in your community. Vaccinate every dog and you will help stamp out rabies as the dog is the original host. The vaccination cost by your veterinarian is small and the reward is large, as a person bitten by a rabid dog goes through horrible torture both in mind and physical pain."

FLORENCE MISSIONARY SOCIETY HOLD MEETING

The Missionary Society of Florence Christian Church held its regular monthly meeting Friday night, May 4th at the church with a splendid attendance. The group is closing its business year with the accomplishing of several projects, among which was the support of a child at the Danville Orphanage.

Seagram Bottling Plant To Be Built Near Boone Airport

Building Estimated To Cost \$500,000; Will Employ 40 Workers.

Plans to erect a \$500,000 bottling plant by the Seagram Distillers Corporation, evidently has materialized, according to reports received at this office Tuesday afternoon.

According to reports, the company has taken an option on land owned by C. D. Klemme and bulldozers have been at work clearing the area in preparation for the building.

The new plant will be located on an eight-acre tract on Donaldson Highway at Mineola Pike in Boone County near the Greater Cincinnati Airport.

The new proposed plant will be erected with wide grounds to separate it from nearby residential structures, it was reported. Reports indicate that the plant will be used for bottling purposes only.

When completed, it is expected that the firm will employ approximately forty workers.

Company officials investigated the site several weeks ago, but due to the Kenton County Water Commission being unable to provide an adequate water supply, it was believed the project had been abandoned. However, it is expected that the company will drill wells to provide its own water supply.

**It's An Old
NEIGHBORLY CUSTOM**

Back in the old pioneer days it was no trick at all to get a home of your own. Whenever a new family came to the settlement or community, it selected a spot for its home and then the neighbors pitched in and helped build it. Times have changed somewhat, but even though we're not likely to split logs or haul stones to help build your home, we WILL help you finance it—in the same neighborly spirit of co-operation. Come in and talk "home" with us.

Moth Battle Rages In Heated Homes

That a year round campaign against moths and other household pests should be carried on in modern heated houses is the warning to housewives from Professor W. A. Price, Entomologist at the College of Agriculture and Home Economics University of Kentucky.

A five-percent DDT oil spray is recommended for use on the walls, baseboards, woodwork and shelves of closets, leaving an invisible film. Any pest coming in contact with it in a period of several months will be killed.

The same spray may be used lightly on wool garments without injury to them or to the wearer. Only enough to moisten the surface need be used. Should white traces be left, they may be brushed off when dry. Care should be taken not to use the solution on nylon or rayon.

A 10 per cent DDT dust, is recommended in floor cracks and around baseboards to kill buffalo beetles, carpet beetles and cock roaches.

her a speedy recovery.

ELECTRIC COOKING costs you less...

and gives best results

When you're investing your money in something as important as a new Electric Range for your home... naturally you're going to consider all its advantages over other cooking methods. Features you'll like immediately when viewing and discussing electric ranges with your appliance dealer will be their beauty—safety—cleanliness—and automatic operation. But, most important in these days of high costs, the fact that electric cooking is the most economical way to cook, will help you decide immediately on an electric range for your kitchen.
